Taboo Of Traveling With Pets Diminishes As Hotels Offer Special Pet Packages

NATIONAL REPORT — More and more hotels are allowing guests to bring their pets along and are even providing special pet amenities to make the pet’s stay as enjoyable as the owner’s.

Hotel Vintage Plaza in Portland, OR is offering guests’ pets a V.I.P. (Very Important Pooch) package as they find most people traveling with pets have dogs. “We’ve always been a pet-friendly hotel but we fine-tuned that in order to create this program around six months ago,” said Mark Mathews, general manager.

Amenities that the hotel offers to pets include: a place mat with food and water bows; bottled water; doggie treats; a doggie scooper; a bone-shaped dog tag (a keepsake item) with the hotel’s phone number; a map of Portland walks and helpful hints about the neighborhood.

In addition, pet sitting and walks by the bellstaff are options for the busy traveler.

So far the feedback has been phenomenal and I think it’s partly due to the behavior of the staff in recognizing the pet as a guest,” Mathews said.

The Hotel Vintage Plaza offers this program 365 days a year and markets it through press releases, local publications and its website. There are no specially designated pet rooms because that’s “discrimination” says Mathews. “We want the guest to feel like a guest rather than like a customer and our residential decor and our behavior helps to reach that goal,” he added.

So far there haven’t been any complaints about the program and there have been no accidents within the rooms that have had pets, according to Mathews.

The Alexis Hotel in Seattle, WA has a special pet program that makes guests traveling with their furry friends feel at home.

The Interlaken Inn in Lakeville, CT offers a special P.U.P.S. (Pets Up on Pedestals) program that puts Pets Up on Pedestals.

The Alexis Hotel in Seattle, WA has a special pet program that makes guests traveling with their furry friends feel at home.

The Hotel Vintage Plaza offers this Penguin who fit nicely into the hotel’s program 365 days a year and markets spa tubs.

For the health conscious dog, there is a doggie room Service menu, available upon request, featuring Poochie pretzels covered with sesame seeds and a doggie room Service menu, featuring Poochie pretzels covered with sesame seeds and soy Spud Poppies stuffed with brown rice.

The hotel also has a “Deluxe Doggie Upgrade: which includes a keepsake water bowl with distilled water, complimentary pet treats and a copy of the Seattle Dog-Lovers Companion.

In the guestroom, pets will also find a designer doggie bed. Members of the bellstaff will provide the poohch with walks in the morning and in the afternoon.

For those dogs that are truly there to indulge, guests can make an appointment for an additional fee, with a masseuse specializing in treatment for pets, or a pet psychologist for individual analysis.

“No one has yet requested this treatment but we work with someone in the area so that appointments can...

be made,” said Peggy Trott, general manager.

“We understand that people are going to do things that aren’t pet friendly so we ask guests to kennel their dogs if they leave them in the rooms. But our staff is more than willing to pet sit for them. As a matter of fact, there have been many times that I’ve had a dog sitting in my office with me while its owner is out and about,” she added.

The Alexis does not provide pet designated rooms because “housekeeping does a great job and there is usually no extra cleaning involved,” added Trott.

It’s not only hotels on the West coast that are becoming more pet friendly, The Interlaken Inn in Lakeville, CT has also fine-tuned its pet program which is now called P.U.P.S. (Pets Up On Pedestals). Although the program hasn’t been in effect for an entire season, it has received a good response.

With this program, dogs and cats are not only welcomed but are also “treated as a family member,” said Dan Bolognani, director of sales and marketing for the property.

The Interlaken does feature special pet rooms that differ from regular guestrooms by the private outside entrances only.

“With this program we show our love for pets and we allow our guests to do the same,” Bolognani said. “It really shows our appreciation for what pet bring into our lives.”

Pet amenities come in a VIP (Very Important Pet) package including: bottled spring water; a personal P.U.P.S. terracotta bowl (a keepsake item); a bone; pet treats; and a “we’re glad you’re here” toy.

To cater to the pet guests and not interfere with those guests without pets, the inn has instituted off-leash play times between two nearby lakes.

The room-service menu features Sara’s Savory Sirloin, Midnight Mignon, Camille’s Chicken Delight, Bowser Burger and Frisky’s Fish Feast. Each entree is served with a side dish and can be followed by Frosty Paws dessert treat. Pet nutrition information is also included in the package.

The Interlaken hasn’t received any complaints about the program. According to Bolognani, “people who travel with pets tend to be responsible but we do take extra care in cleaning these rooms.”

“This program is about more than a business possibility for us. We actually do care about pets and their families,” he added.

Checklist For Traveling Pets:

Hotels that accept pets as guests should suggest the following guidelines.

- Recognize your pet’s skin and coat type as it will vary with the change in climate the same way that human skin and hair does.
- Select the appropriate shampoo. Oster research shows that products containing benzyl peroxide, cutrus, protein and rich/dark shampoos can cause harmful side effects for the pet’s skin and coat if used over time.
- Clean a pet’s ears.
- Use an antibacterial spray to treat any skin abrasions, hot spots or dry irritated skin patches.
- Trim nails.
- Brush your pet to remove mats in hair.
- Shampoo and rinse your pet thoroughly and then remove excess water.
- pack your pet’s favorite toy.

President's Message
Hello ALAC Members,

June is the National in California and everyone involved is working hard to get things ready for the show. Debi Walsleben is working to get lots of great items for the Raffle and Games. If you have anything to donate please let Debi know at FreeSpLA@aol.com or 303-973-0885. Pat Keen-Fernandes is handling concessions. If you have seen a great vendor that should be included please give them Pat’s name, shotru@cctrap.com or 925-679-8676. Ads for the catalog go to Jan Bruton by May 2 at 5406 SW Woods Court, Portland, OR 97221. Dinner is the charge of Steve Campbell and reservations and checks must be in by June 1, 4186 SE Fairway Ct., Stuart, FL 34997 or reservations and credit card information to stevec4213@aol.com.

Randy and Lynn Rosti have been doing a great job of running the auction on the Internet. I hope that each of you have checked out the site: www.lhasaapso.org, then click on the “Auction Lhasa”. They have had many nice items on the site and the fund raising is for the Charitable Trust.

Central Maryland Lhasa Apso Fanciers had their first Specialty Sunday, April 23. They did a very nice job of putting together a good show. It was a two specialty weekend with National Capital Area Lhasa Apso Club’s specialty on the Friday before. I would hope more people could come next year and find out what southern hospitality is.

Thank you to Jan Bruton for getting the new roster for our Handbooks put together. I know from personal experience that it is quite a job to get a roster up to date (kept by Debbie Greene) and put together and published. If you find any mistakes please send corrections to both Debbie, Jan and myself, (mbatexas@aol.com, ibruton@zgf.com, ss Giles@aol.com).

From time to time, the question of the treasury comes up as a question. Just to report and say a big Thank You to Steve Campbell who has served as treasurer while I've been in office. ALAC has gone from approximately $1,200 of working capital to about $30,000 in the last 3 years. We have funds holding in the Charitable Trust, Wilkes-Benitz Fund, Rescue, for a grand total of about $50,000. I'd say all of ALAC has done a good job of getting on track with our finances. Annual budgeting each year has helped. Also several committees have been very successful in raising the revenues over the last 3 years include, The National Specialty Show Committee, Steve Campbell chair, Ways and Means, Tom Gertz chair, Rescue, Mary Schroeder chair, including several regional representatives, Heath and Education, Cassandra de la Rosa & Lynn Jaimson-Rosti chairs.

Hopefully, as everyone sees the Bulletin coming out on time more and more consistently we will see more people participating in advertising. It is an excellent way to reach a large number of Lhasa exhibitors, breeders and judges for very little money.

Breed Referral
I have made it a policy NOT to give out people’s email addresses. First of all, not all members have an email address. Secondly, it is my belief that serious buyers want to contact breeders by phone, not by email. Finally, those of us who use email a lot are very leery of “spammers.” These are people who collect email addresses under false pretenses and then use them for “junk” advertising purposes. Please let me know if you disagree with this policy or if you have any suggestions on how to make the breeder referral process better.

I responded to 154 emails during January and February 2000. The following is a regional breakdown of those

Catalog Ads & Sales

It is that time of year to start thinking about supporting ALAC with an ad for the National Catalog. What have you and your Lhasas accomplished this year? Let the fancy know with a full page ad with photo for only $50.00 (one without a photo is only $35.00). You don’t have to worry about designing the ad - we’ll do that for you. All we need is your copy and photo. The deadline is April 15 so do it now to avoid those costly last minute rushes. Send your check, made out to ALAC, or credit card information to me, Jan Bruton at 5406 SW Woods Ct., Portland, OR 97221. Any questions? E-mail lbruton@zgf.com. **Ways and Means**

September 1st, 1998 thru August 31, 1999 Fiscal Year

We began the year with 7 new items that I introduced the prior year and added 3 additional new items, as well as the ALAC 40th Anniversary Commemorative designs by Mike McCartney. Needless to say, this fiscal year was the best ever for ALAC Ways & Means Committee. We ended August 31st, 1999 showing a profit of $3,547.63 and a full inventory with a retail value of $4,021.15 all paid for.
Some statistical information which you might find helpful and interesting is:

- **Type of Merchandise Sold**: McCartney Merchandise was 44% of the sales, with 47% the new items that were introduced and 9% the old merchandise from the prior chairperson. Total sales of $6,139.55 for fiscal year 1998-99.
- **Forms of payment were**: Cash 23%, Checks 47% and Credit Cards 30%.
- **Sources of sales were**: 49% Mail orders and 51% Show Sales.
- **Mail Order Sales Breakdown**: 61% Old and New Merchandise items and 39% McCartney pre-show sales. With a Total Mail Order Sales of $2,983.50.
- **Show Sales by Day**: 16% CMLAF 6/2/99; 20% NCALAC 6/23/99; ALAC 6/24/99 10%; ALAC 6/25/99 26% and ALAC 6/26/99 28% with a Total Show Sales of $3,156.05.
- **Types of Merchandise Sold at Shows**: 51% New Merchandise; 41% McCartney items and 8% Old Merchandise.

Thanks to everyone who helped make this a record setting year!

September 1st, 1999 thru March 1st, 2000

After careful consideration, in July, 1999, I submitted my resignation as Chairperson of ALAC Ways & Means Committee effective October, 1999. I have accepted a position as a Board Member of a Graduate School in San Francisco, which will require three trips to San Francisco each year and take up much of my volunteer time, as well as preventing my attending ALAC's National Specialty this year in California.

Ms. Carla Fegan accepted the position of Chairperson in February 2000 and now has the entire ALAC Ways & Means Inventory in her possession to fill your orders, as well as a complete display for ALAC's 2000 National Specialty.

The only task I leave unfinished is the digital photographs for the merchandise, which I'm sure Susan Giles can help with, since Carla and Susan live close to each other.

I thank you for giving me the opportunity to raise funds for ALAC, as well as expand the Ways & Means line of merchandise. I'm proud of what I've done these past 25 months and will make myself available to Carla for consultation, should she request it.

AMERICAN LHASA APSO CLUB
NATIONAL SPECIALTY TROPHY FUND COMMITTEE

As you know, the ALAC Board formed the National Specialty Trophy Committee in 1986. In addition to coordinating the trophies for the ALAC National Specialty, the committee has been charged with solicitation of contributions to the Trophy Fund.

We think you will like the trophies that have been chosen for this year’s National. It will be necessary to collect at least $2,000 this year to cover the cost. The purpose of this letter is, therefore, to solicit your contribution to support the trophy fund. Each trophy donation is acknowledged in the National Specialty catalog. Donations must be received by May 1, 2000, to be included in the catalog.

As in the past, there are four categories for contributors: Benefactor (two reserved ring side seats at Futurity and National): $50 and up; Patron: $30 to $49; Contributor: $20 to $29; and Supporter: up to $20. We have taken the liberty of including a contribution form at the bottom of this letter. We would appreciate receiving your donation as soon as possible.

Thank you in advance for contributing to the success of the 2000 National Specialty. Please make your check payable to “ALAC” and send it to:

E. Naomi Hanson
ALAC National Specialty Trophy Fund
4409 Colebrooke Ln. SE
Lacey, WA 98513

The past several years, those involved in obedience have contributed trophies for the non-regular classes. If any of you intend to do this again, please let me know as soon as possible since this information has to be listed in our premium list. If you have questions, call me at (360) 491-6095.

ALAC Code of Ethics

Preamble

“The American Lhasa Apso Club is an organization devoted to the preservation and welfare of the Lhasa Apso Breed. The Lhasa Apso is the result of centuries of Asian culture, and as such deserves to be honored and protected for its historical and esthetic merit as well as its modern use as a companion. To this end, the American Lhasa Apso Club has defined a standard of excellence for the breed, and sponsors exhibitions for the comparison and improvement of the breeding population and for the education of our breeders. Our goal is to produce an animal which is uniform in type and sound of mind and body, and suited to its original purpose as a small indoor guard dog and companion to man. Dedicated breeders of the Lhasa Apso are distinguished from those who exploit the breed solely for profit by their adherence to a set of ethical principles. The welfare of each individual Lhasa Apso, and the welfare of the entire breed, governs our behavior in all aspects of breeding, exhibiting and selling. The American Lhasa Apso Club endorses the following as the ethical standard of all true lovers of the breed.”

Breeding

1. Members contemplating breeding a litter, or who allow the use of their stud dog to the same end, should direct their efforts toward producing Lhasa Aposos of exceptional quality. Each mating should ideally be planned with the intention of improvement yet preservation of the breed. Breedings should be done with the ultimate goal of achieving excellence according to the Breed standard. Type, temperament, health and conformation of both sire and dam should be carefully considered in the planning of any breeding in order to accomplish the goals of preservation and improvement. This presupposes a careful study of the breed standard, pedigrees, and genetics.
2. No Lhasa Apso showing a serious inherited defect in type, structure or temperament should be used for breeding. Bitches should be bred only when in prime breeding condition, fully mature and in robust health mentally and physically. Ideally, no bitch should be bred prior to twelve months of age and not more than two out of three seasons.

Owners of stud dogs should not accept for breeding any bitch that shows a serious inherited defect in type, structure, or temperament, the reproduction of which is likely to be detrimental to the breed. It is ideal if all stud contracts include an agreement, to be signed by the owner of the bitch, that no puppies resulting from the mating will be wholesaled or sold to pet shops, a practice the Club considers grossly detrimental to the Lhasa Apso breed. Stud owners should strongly encourage the owners of the bitches that any pet quality puppies from the resulting litter be sold on spay/neuter contracts. Breeding Lhasa Apso litters for pets only is considered detrimental to the long-term welfare of the breed. Members should refrain from this practice and should refuse stud service to owners of bitches for whom this is the goal.

If a dog or bitch has produced any offspring with serious inherited defects detrimental to the animal’s well-being and produces like results with a different mating partner, it would be in the best interest of the breed that the owner refrain from further use of this animal for breeding.

Kennel Management

3. Ethical breeders should be financially and situationally capable of providing for the special health and nutritional needs of brood bitches and their litters before doing a breeding. Members planning a breeding should consider the local market and the possible necessity of caring for puppies for several months until sold. Puppies should be sold in a clean and healthy condition and should be at least eight weeks or older to make the necessary adjustment to a new home safely. No adult or puppy should be sold without adequate protection against disease.

Members are encouraged to maintain the best possible standards of canine health, sanitary kennel conditions, and veterinary care, including mental health (such as contact with people and exposure to the outside world).

4. Members known to have deliberately violated American Kennel Club rules regarding registration and showing of dogs should expect the consequences of being reported.

Sales

5. Ethical breeders should be discriminating in the placement of their Lhasa Aposos. The Club does not consider ethical any of the following practices: the consignment or sale outright to pet shops, catalogue houses, animal brokers, or other commercial sources of distribution; and the donation of Lhasa Aposos as prizes for raffles, auctions, or contests; the wholesaling of Lhasa Apso litters or the over-breeding of their own bitches for profit, with no regard for quality. Sales to persons known or suspected of such practices is considered detrimental to the breed.

6. According to American Kennel Club rules, breeders should furnish the signed American Kennel Club registration or transfer with each puppy sold unless a written agreement is made with the purchaser at the time of sale that papers will be withheld. The Club strongly supports the practice of accompanying the sale of all puppies or adults determined pet quality with a spay/neuter contract and written agreement that no AKC registration papers will be transferred until the seller has received veterinary certification that surgery has been performed.

7. Ideally, breeders should provide a three-generation pedigree, instructions on care including grooming, feeding, and complete health care. Lhasa Aposos released should be in good health to the best of the breeder’s knowledge. Breeders dedicated to the Lhasa Apso fancy should be available to their buyers for consultation, even after completion of a sale. Breeders should try to assist the serious novice in his understanding of the breed.

8. It would best serve the breed that any Lhasa Apso puppy or adult, which might be considered to have a serious hereditary defect or a serious deviation from the standard, be sold without papers and spayed/neutered (this should be clearly understood by both the buyer and the breeder and a written agreement to this effect signed by both parties), or humanely destroyed.

Advertising

9. The value and quality of the Lhasa Apso should be upheld in both advertising and selling. Advertising should not be worded so as to attract undesirable buyers or to encourage raising dogs for profit. Ethical breeders would not engage in false or misleading advertising or otherwise misrepresent their Lhasa Aposos; nor would they malign their competitors by making false or misleading statements regarding their competitors’ Lhasas, breeding practices, or persons.

Written Agreements and Health Guarantees

10. Members are encouraged to utilize and maintain signed copies of written agreements detailing price, description of dog, guarantees, condition and understanding for all transactions involving their dogs. These include co-ownership agreements; sales of pet, companion, or show Lhasa Aposos; stud agreements; brood matron leases; and any other transaction involving transfer or utilization of a Lhasa Apso. Copies of such records could be used, when appropriate, by the Club Board in hearing any grievance involving an ethics complaint against a member.

The sale of all puppies and adults are best accompanied by a written health guarantee. Should a show or breeding prospect develop a serious congenital, hereditary, or disqualifying defect after sale, breeders could:

1. replace the dog with one of equivalent value believed to be free of such defect,
2. refund the sale price upon return of the dog, or
3. refund the difference between the price paid and the price of a pet sold from the same or similar litter, allowing the buyer to retain the dog.

She was someone quite special to our club. Someone of dedication of our breed for many many years. She worked tirelessly, never was controversial, was not in the limelight. A member of the Board, she also was a member of the show committee. Dot would take on a jobs that no one else wanted.

Many thanks to Judge Peggy Hogg for finding our lovely Scarlett as a puppy and continuing to award her all grown up!

Scarlett started her specials career late in the year and earned many group placements along the way. Thanks to all the judges that helped Scarlett end up a top winner for 1999.
