COVER STORY

BIS CH. KeKo's Tailor Made

AMERICA'S NUMBER ONE

LHASA APSO

"Tailor" continues to make history within the breed within his short career. At the 1998 National Specialty week, he went WINNERS DOG at the National Specialty, and WINNERS DOG the day before at the Regional Specialty, both from the 9-12 month Puppy Class. "Tailor" is the first dog in the history of the breed to achieve this accomplishment.

At the 2000 National Specialty Week, he went Best of Breed at the Regional Specialty, and then went on to win Best of Breed at the National Specialty. Once again, "Tailor" is the first dog in the history of the breed to achieve this accomplishment. All four wins were under breeder judges.

Our appreciation to Mr. Ed Sledzik and Mrs. Midge Hylton for the 1998 wins, and to Mrs. June Frankl from England, and Mr. Robert Sharp for the 2000 wins. "Tailor" has accomplished all of this in addition to a Best in Show this year, all before his third birthday!

After heating up the show ring in Canada, “Trouper” headed south for more sun in the Sun - Florida! Handled to perfection by Peggy Huffman of Tara Huff Lhasas, ROM “Trouper” took 3 and 4 point majors his first weekend out and finished with 4 point and 5 point majors the next weekend.

This “typey” male is a real “gentleman” -- a pleasure to show and to live with!

Watch for this “Super” winning team!

Letter From Your New Features Editor...

Hello ALAC!

We are very pleased to announce the addition of several new and exciting columns for the Bulletin. Premiering in this issue is “Once Around The Ring, Please”, which is a people-oriented column featuring correspondents from all over the United States (and eventually the world) who will keep us up to date on who’s doing what and what’s going on in their own neck of the woods. We’ve got a great group of people working on this column and I’m sure you all will find it fun!

Starting with the next issue of the Bulletin, we will be introducing “What’s In A Name?”. This will be a montage of remembrances detailing how members arrived at their own, unique kennel name. Four members will be selected randomly for each issue, so don’t be surprised if you are contacted to tell your story (volunteer basis, of course) soon! Just wait until you see how much we can learn about each other!

And, boy, have I ever saved the best for last! We are very happy to announce that Iams is offering a brand new rebate program to all advertisers in the Bulletin! Starting with our next issue, each full page ad that includes the “We Feed and Recommend Eukannuba/Iams” banner will entitle the advertiser to a $5.00 (for Eukannuba) or $3.00 (for Iams) coupon. Just think, now you can support ALAC and get a discount on Iams to boot - how much better can this get!

We’ve got other new, innovative ideas on the horizon, so keep reading your Bulletin from cover to cover. You never know when something new is going to pop up!

President's Message
Hi ALAC members,

This is my first Presidents message and I would like to take this opportunity to thank Susan Giles for the past three years as our President. She did a great job and I will try to follow in her very able footsteps. I would also like to thank Debbie Greene for the fine job she did as our Secretary and Judy O'Dell for her contribution as a Board member in the past years. You will be missed but we certainly understand your desire to move on.

Our new Secretary is Jan Graunke and I look forward to working with her. She is enthusiastic about her new position and I know the whole board welcomes her. Also Leslie Baumann, Cassandra de la Rosa, and Rex Irwin join the board and we are very pleased they agreed to give of their time for ALAC.

The 2000 National Specialty is now history but what a wonderful time we had in southern California. The weather was great and the Hotel was incredible, two room suites, a kitchenette, 2 TV's - heaven. The Southern California Lhasa Apso club did an outstanding job with all the on-site preparations and their Margarita Party was a real high point of the week.

We had a free day on Wednesday that started with an educational program hosted by Pat Keen-Fernandes on how to evaluate a litter. It was very well attended and the consciences from all was a positive, valuable lesson. Thank you Pat for doing such a good job. Carla Fegan, our new Ways and Means Committee Chair opened her booth with many ALAC items to sell and her enthusiasm for things to come was really catching. Thank you Carla for taking on a large and very important job. Later in the afternoon, Jody Mannhiemer took several Lhasas to a herding test. She reported to me that a few exhibited herding instincts. Incredible!

Large groups of people headed for Disneyland, Universal, Sea World, Museums and any other attraction of the LA area. The one drawback of the day was the LA traffic. Your destination may have only been 45 minutes away but it took you 2.5 hours to get back. Worse than New York traffic.

Thursday started early with obedience, which was capped off by the team class. Dressed in maids costumes the 4 Lhasas and their "handlers" were put through their paces and as you can probably guess the Lhasas kept their handlers wondering who was in charge. If you've never seen this team exercise, be sure to catch it at the next National and you will really get an understanding of the Lhasa temperament and why we love them so much.

The afternoon was devoted to the Futurity and although we lost some entries due to the airline embargo it was very well supported. After the Futurity, Lynn Jamison-Rostie tested our dogs for the Canine Good Citizen certification and Nancy Plunkett had the Measurement program in full swing with her committee. The evening was devoted to the Awards Dinner and Video created by Jan and Larry Bruton. It was again a wonderful job and so much fun to watch.

Friday was dog judging followed by our annual meeting, the Lhasa Game and auction. Debi Walsleben collected a great assortment of raffle and game items with Keith Kort providing a very generous assortment of lams products to round out an abundance of items to be won. Our auction was fast and furious with Steve Campbell as our very able and entertaining auctioneer. I hear we made a substantial contribution to our Rescue Fund and the charitable trust.

Saturday arrived so quickly. Early in the morning the Judges Education Committee had presented the breed seminar headed by our JEC coordinator Don Hanson. This was his last seminar as chairman and on behalf of ALAC I would like to thank him for a truly outstanding job. Our new JEC chairman will be Barbara Schwartz who moves up from the committee to fill this position. The student judges then attend the judging of the bitches and Best of Breed with Lhasa breeders acting as mentors.

This year we dedicated the national to Dot Primm who passed away unexpectedly in March. She was a sitting board member and someone who was an integral part of the show committee. Before the specials came into the ring for Best of Breed competition, Ray Siedzik led us in a moment of silence in remembrance of Dot and then presented her daughter Debbie Burke with a plaque from ALAC in appreciation for all Dot had done for the club.

The day ended with everyone getting together to go out to dinner in huge groups. The week had come to an end so quickly but we all went home ready to come back next year in Wisconsin.

Just a reminder that next year the National moves to the third week of October (much better for flying dogs). The regional judge will be Breeder/Judge Marianne Nixon (San Jo Lhasas) and Michelle Billings for the National. As you can tell the week is both a fun and educational experience for everyone there, so put it on your calendars for next year and plan to attend!

ALAC would like to thank the Lhasa Apso Club of Southern California for all the work they did to prepare for our National. You are a large part of our success. And to the ALAC show committee, the committee chairs, and the members who pitch in to make this week so much fun, thank you, thank you, thank you.

At the board meeting, Rex Irwin presented an idea for a yearbook for champions and titleholders. He is using the yearbook that the English Lhasa Apso Club publishes as a model and his ideas were good. The board gave their approval to look into this project as to cost and potential income. Alexis Lannan volunteered to help Rex in this project that will fill our need to create a history of our breed for future reference.

Received some sad news from the Texas area. Pat Johnson passed away July 17. Her husband "Skip" passed away a few years ago but I remember them when they had a motor home and traveled around the country with their Lhasas stopping at shows as they went. That always sounded like a great retirement to me. We offer their family our heartfelt sympathy.

In closing I would like to encourage all ALAC members to feel free to write me with any ideas you have, any concerns you have or just to say you like the way something is progressing. We need to know how you feel about your club. We cannot guess what is in your mind and we all get caught up in our activities and our busy lives.

Till next time...

Lhasa Apso Breed Standard

Character: Gay and assertive, but chary of strangers.

Size: Variable, but about 10 or 11 inches at shoulder for dogs, bitches slightly smaller.

Color: All colors equally acceptable with or without dark tips to ears and beard.

Body Shape: The length from point of shoulders to point of buttocks longer than height at withers, well-ribbed up, strong loin, well-developed quarters and thighs.

Coat: Heavy, straight, hard, not woolly or silky, of good length, and very dense.

Mouth and Muzzle: The preferred bite is either level or slightly undershot. Muzzle of medium length; a square muzzle is objectionable.

Head: Heavy head furnishings with good fall over eyes, good whiskers and beard, skull narrow, falling away behind eyes in a marked degree, not quite flat, but not domed or apple-shaped; straight foreface of fair length. Nose black, the length from tip of nose to eye to be roughly about one-third of the total length from nose to back of skull.

Eyes: Dark brown, neither very large and full, nor very small and sunk.

Ears: Pendant, heavily feathered.

Legs: Forelegs straight; both forelegs and hind legs heavily furnished with hair.

Feet: Well-feathered; should be round and catlike, with good pads.

Tail Carriage: Well-feathered, should be carried well over back in a screw; there may be a kink at the end. A low carriage of stem is a serious fault.

Ten Top Reasons for Going Home From The National

10. You’ve only got five gallons of gas left in your car (it’s a good thing the National was close this year!)
9. You’ve maxed out your credit card limit getting all of those great “Lhasa goodies”.
8. It’s time to wash your dog again and your back just can’t take another grooming session in that motel tub.
7. Your “significant other” is quickly losing his/her status of significance after a week of taking care of YOUR dogs!
6. Your new puppy has gone from being a wall flower to being king (or queen) of the ball - MISSION ACCOMPLISHED!
5. You find yourself constantly looking down when you walk to avoid tripping over extension cords, and then you realize that this particular hazard doesn’t really exist in “real life” (and it surely looks funny when you walk down the hotel corridors!)
4. Your just not sure you can “stom-ache” anymore restaurant food.
3. You’ve worn everything you packed in your suitcase at least three times, and as we all know, three times and you’re OUT!
2. You swear that if you ever see another Lhasa, you’ll be sure that little hairy beings from Mars have finally landed!

AND THE NUMBER ONE REASON TO GO HOME FROM THE NATIONAL....
1. You came, you saw, you LOVED IT!!!

I will be the first to admit that I do not accept change easily. Such was the case when I heard that the AKC would be adopting new obedience regulations effective October 1, 2000. But after reviewing the proposed changes, I must admit that some of them will make obedience more "Lhasa friendly" and certainly more interesting for all involved—handler, dog, and spectator.

Here are a few highlights I feel will most impact us Lhasa owners. Keep in mind that I am paraphrasing. This is not the complete text of the regulations.

The biggest change directly affecting Lhasas is Chapter 1, Section 16, regarding Changes in Appearance of Dogs. Currently, we are able to use one to four rubber bands or small plain barrettes to hold back hair around the eyes if the hair interferes with the dog’s vision. Starting October 1, we will now be able to also use an additional one to four rubber bands to control the hair on the ears or beard if it interferes with the retrieve exercises. I asked for clarification on this issue from respected AKC Judge John Cox, who in turn put this issue before several AKC Representatives. This rule will be interpreted to mean that in the Open and Utility classes, dogs with heavy head furnishings will be allowed up to 8 rubber bands—4 being in the top knot for vision purposes, and 4 being in the ears and beard for retrieve purposes. Novice dogs will still be allowed only the 4 bands/barrettes in the top knot area, as they do not perform retrieve exercises. In all classes, the bands must be on the dog when you enter the ring. You will not be allowed to adjust bands between exercises, say to get ready for a retrieve exercise. This regulation change means hair is no longer an excuse not to train your conformation dog for the obedience ring.

Another change I like is to Chapter 3, Section 12—Group Exercises. The new regulations state that the dogs competing in the sit and down group exercises be placed approximately 4 feet apart. If there are more dogs in the class than can be placed 4 feet apart on one side of the ring, then the group shall be divided to allow this spacing. Novice A and Novice B classes may be combined based on the same criteria. In most respects, this change will be to our benefit. How many times have I been nervous in the group exercises because I don’t like the look in the eye of the dog next to mine? (Look at that cute Lhasa squinty toy!) Or how about the extra large dog who decides "down" means roll over on your side, spread all four legs out as wide as possible, and take a nap. Or worse yet, thrash around like a fish out of water! A Lhasa has to be very steadfast in his job to ignore a 125 Mastiff rolling onto its tail. The new 4 foot rule will hopefully give all the dogs more room to be successful even if the dog next to them breaks the stay. The down side to this change is that in the case of large class size, groups will be divided, meaning the classes will take longer to conclude. A small price to pay, I believe. On the other hand, small Novice A & B and Open A & B classes may still be combined as they currently are, thus saving time.

To make obedience more of a challenge, a new regulation will be added to Chapter 4, Section 2—Open B Class and Chapter 5, Section 2—Utility B Class to require the judge to alternate the order of exercises. The regulations go on to give 6 specific orders of exercises for each Open B and Utility B. My initial reaction was “but we just finally felt comfortable with things the way they were”. Exactly the point. No longer will handlers and dogs be able to pattern train to sleepwalk through the exercises. The exercises will remain the same (unless changed elsewhere in the new regulations) but the order of exercises will change. For example: in Open B you may have to perform the retrieve over the high jump as your first exercise, followed by the drop on recall, figure eight, and heel free. Yes, the figure eight before the heel free. The group exercises will remain at the end of the class, but will alternate between the sit being first and the down being first. The judge will announce the order of exercises approximately 45 minutes prior to the start of the class and the order will remain constant for each dog. Open A and Utility A classes will remain on the current order, with no alternating of exercises. I see this regulation change “separating the men from the boys”, at least initially. Those that have patterned trained their dogs to go from one exercise to the next without a second thought may have trouble transitioning. However, those with dogs trained under various circumstances and distractions will shine even brighter. Look for this change to increase the level of communication between dog and handler as the dog looks for guidance between exercises.

In contrast to the advanced class changes above, those wanting more ring practice time in Novice before moving to Open have been granted their wish. Chapter 3, Section 2—Novice B Class, will be revised to allow dogs who have earned the CD title to continue showing in Novice B until qualifying in an Open class or receiving one High in Trial award during the 60 day period following the earning of the CD title. Currently, Novice dogs are allowed to show for only 60 days following completion of the CD title. This will now mean that if you want to practice under show conditions to prepare for the Open classes, you have as long as you want, until you win High in Trial. This will be encouraging for those who only want to dabble in obedience but continue to show. I imagine we will be seeing many more High in Trial awards coming from the Novice B class in the future.

If you are not quite ready to make the jump from Novice to Open, there will also be changes to the current Graduate Novice class. This class will now include free heeling, moving drop on recall, dumbbell recall, recall over the broad jump and a 3 minute long down with handlers out of sight. This class can be entered as a progression for those who want more ring experience while continuing to show in either the Novice or Open classes.

This is just a brief overview of some of the obedience regulation changes that we can look forward to on October 1, 2000. A lot of thought and public comment has gone into the new regulations and I am hopeful they will be successful. Only time will tell as the new regulations are implemented and new challenges arise.

Happy Training!

Complete obedience and tracking regulation changes may be found in the May and June, 2000 issues of Front & Finish at www.frontfinish.com or 309-344-1333.

In a very brief time "Hope" has become an all breed Best In Show winner under Breeder-Judge Ms. Barbara Wood! The group judge was Mrs. Jean Lepley.

Thank you both for the honor!

Her specialty wins are under, Mr. Eugene Blake, Mrs. Charlotte Patterson, Mrs. Dorothy Hutchinson. Thank you for rewarding type, soundness, and showmanship!

Her coat texture is exactly what our standard describes to be correct and is rarely seen in the specials ring today.

As always this committee depends on the continuing collaboration between some very talented and generous people. We thank Larry and Jan Bruton for their superb production of the Awards Video. The time and effort expended in this project can only be balanced by the enormous appreciation we have for the finished product. Thank you both very much.

Also we thank Midge Hylton and Pat Keen Fernandes for creating the lovely program for the Awards Dinner. Its a keepsake that allows us to collect a tangible history of our breed through the years. We appreciate your effort.

ALAC Code of Ethics

Preamble

“The American Lhasa Apso Club is an organization devoted to the preservation and welfare of the Lhasa Apso Breed. The Lhasa Apso is the result of centuries of Asian culture, and as such deserves to be honored and protected for its historical and aesthetic merit as well as its modern use as a companion. To this end, the American Lhasa Apso Club has defined a standard of excellence for the breed, and sponsors exhibitions for the comparison and improvement of the breeding population and for the education of our breeders. Our goal is to produce an animal which is uniform in type and sound of mind and body, and suited to its original purpose as a small indoor guard dog and companion to man. Dedicated breeders of the Lhasa Apso are distinguished from those who exploit the breed solely for profit by their adherence to a set of ethical principles. The welfare of each individual Lhasa Apso, and the welfare of the entire breed, governs our behavior in all aspects of breeding, exhibiting and selling. The American Lhasa Apso Club endorses the following as the ethical standard of all true lovers of the breed.”

Breeding

1. Members contemplating breeding a litter, or who allow the use of their stud dog to the same end, should direct their efforts toward producing Lhasa Apsos of exceptional quality. Each mating should ideally be planned with the intention of improvement yet preservation of the breed. Breedings should be done with the ultimate goal of achieving excellence according to the Breed standard. Type, temperament, health and conformation of both sire and dam should be carefully considered in the planning of any breeding in order to accomplish the goals of preservation and improvement. This presupposes a careful study of the breed standard, pedigree, and genetics.

2. No Lhasa Apso showing a serious inherited defect in type, structure or temperament should be used for breeding. Bitches should be bred only when in prime breeding condition, fully mature and in robust health mentally and physically. Ideally, no bitch should be bred prior to twelve months of age and not more than two out of three seasons.

Owners of stud dogs should not accept for breeding any bitch that shows a serious inherited defect in type, structure, or temperament, the production of which is likely to be detrimental to the breed. It is ideal if all stud contracts include an agreement, to be signed by the owner of the bitch, that no puppies resulting from the mating will be wholesale or sold to pet shops, a practice the Club considers grossly detrimental to the Lhasa Apso breed. Stud owners should strongly encourage the owners of the bitches that any pet quality puppies from the resulting litter be sold on spay/neuter contracts. Breeding Lhasa Apsos litters for “pets only” is considered detrimental to the long-term welfare of the breed. Members should refrain from this practice and should refuse stud service to owners of bitches for whom this is the goal.

If a dog or bitch has produced any offspring with serious inherited defects detrimental to the animal’s well-being and produces like results with a different mating partner, it would be in the best interest of the breed that the owner refrain from further use of this animal for breeding.

Kennel Management

3. Ethical breeders should be financially and situationally capable of providing for the special health and nutritional needs of brood bitches and their litters before and during a breeding. Members planning a breeding should consider the local market and the possible necessity of caring for puppies for several months until sold. Puppies should be sold in a clean and healthy condition and should be at least eight weeks or older to make the necessary adjustment to a new home safely. No adult or puppy should be sold without adequate protection against disease.

Members are encouraged to maintain the best possible standards of canine health, sanitary kennel conditions, and veterinary care, including mental health (such as contact with people and exposure to the outside world).

4. Members known to have deliberately violated American Kennel Club rules regarding registration and showing of dogs should expect the consequences of being reported.

Sales

5. Ethical breeders should be discriminating in the placement of their Lhasa Apsos. The Club does not consider ethical any of the following practices: the consignment or sale outright to pet shops, catalogue houses, animal brokers, or other commercial sources of distribution; and the donation of Lhasa Apsos as prizes for raffles, auctions, or contests; the wholesaling of Lhasa Apso litters or the over-breeding of their own bitches for profit, with no regard for quality. Sales to persons known or suspected of such practices is considered detrimental to the breed.

6. According to American Kennel Club rules, breeders should furnish the signed American Kennel Club registration or transfer with each puppy sold unless a written agreement is made with the purchaser at the time of sale that papers will be withheld. The Club strongly supports the practice of accompanying the sale of all puppies or adults determined pet quality with a spay/neuter contract and written agreement that no AKC registration papers will be transferred until the seller has received veterinary certification that surgery has been performed.

7. Ideally, breeders should provide a three-generation pedigree, instructions on care including grooming, feeding, and complete health care. Lhasa Apso released should be in good health to the best of the breeder’s knowledge. Breeders dedicated to the Lhasa Apso fancy should be available to their buyers for consultation, even after completion of a sale. Breeders should try to assist the serious novice in his understanding of the breed.

8. It would best serve the breed that any Lhasa Apso puppy or adult, which might be considered to have a serious hereditary defect or a serious deviation from the standard, be sold without papers and spayed/neutered (this should be clearly understood by both the buyer and the breeder and a written agreement to this effect signed by both parties), or humanely destroyed.

Advertising

9. The value and quality of the Lhasa Apso should be upheld in both advertising and selling. Advertising should not be worded so as to attract undesirable buyers or to encourage raising dogs for profit. Ethical breeders would not engage in false or misleading advertising or otherwise misrepresent their Lhasa Apso; nor would they malign their competitors by making false or misleading statements regarding their competitors’ Lhasas, breeding practices, or person.

Written Agreements and Health Guarantees

10. Members are encouraged to utilize and maintain signed copies of written agreements detailing price, description of dog, guarantees, condition and understanding for all transactions involving their dogs. These include co-ownership agreements; sales of pet, companion, or show Lhasa Apso; stud agreements; brood matron leases; and any other transaction involving transfer or utilization of a Lhasa Apso. Copies of such records could be used, when appropriate, by the Club Board in hearing any grievance involving an ethics complaint against a member.

The sale of all puppies and adults are best accompanied by a written health guarantee. Should a show or breeding prospect develop a serious congenital, hereditary, or disqualifying defect after sale, breeders could:

1. replace the dog with one of equivalent value believed to be free of such defect, or
2. refund the sale price upon return of the dog, or
3. refund the difference between the price paid and the price of a pet sold from the same or similar litters, allowing the buyer to retain the dog.
The Northwest Connection!

The Pacific Northwest was well represented at our National this year. Cassandra and Raul de la Rosa celebrated Raul’s retirement by taking the scenic route via the outlet malls. Arlene and Peter Oley braved the LA freeways, caravanning it all the way down from Vancouver Island. Nancy and Bob Damberg, Jan and Larry Bruton, Arlene Miller, Carol Hess, Becky Hughes, Barbara Corbett, Don and Naomi Hanson and Ann Lanterman rounded out our NW contingent. All our Lhasas did well - almost everyone brought home a ribbon. We were all very proud of Carol Hess who got a Select on “Colby” and of Becky Hughes who won High In Trial with “Pepper”. With side trips to Universal Studios, Disneyland and the Getty Center we all came home having had a great week in warm and sunny Southern California, thanks in large part to the wonderful hospitality of the Southern California Lhasa Apso Club. Our Summer show season begins in earnest now with the big 4 day shows at Brush Prairie (more on that next time). If you are driving down I-5 not too far from Vancouver, WA, you might keep your eyes open for some dog dishes, chew toys, towels, walkie-talkies and other doggie paraphernalia that didn’t quite make it to the show site - if found, call Barbara Corbett.

Greetings from California!

Greetings from California! All who attended this year’s National in Pomona rediscovered what is meant by “Southern hospitality” - Southern California style, that is! The Lhasa Apso Club of Southern California did its usual outstanding job with hospitality, not only presenting a first-class event, but going out of their way to make folks feel welcome. I felt very welcomed every morning when I visited the Hospitality Room for a taste of their home-baked goodies - yum!

Weather throughout the week was ideal: warm days, cool nights, no humidity. Now, I’ll grant you that the people from Arizona thought it was a little humid, but, well, they were certainly in the minority, for sure! The facility was probably the best I’ve ever been to for a National - large suites with kitchenettes and microwaves. Best of all was the service. Hotel staff were very “dog friendly” and worked hard to meet the needs of their guests.

The Margarita party on the outdoor patio under the palms was my personal favorite. Not only was the margarita fountain quite awesome, but especially enjoyable were the photos of Lhasas dressed in festival Mexican attire, sombreros and all! The commemorative glasses were a nice touch as well. The informal atmosphere (not to mention the margaritas and good food) provided everyone with a nice opportunity to relax between shows and to meet and greet friends old and new. Hostess Patti Hoskin, in her festive Mexican attire, was joined by Judy O’Dell, Pam Gamble and Bud and La Vonne Brockway, all of whom took care to greet and chat with guests, so that everyone felt welcome.

One of the highlights of the week was when several of us took up the challenge to attempt to qualify our Lhasas for Herding Instinct Certificates. Leslie Baumann and I joined Deanna Maxwell, Amy Moore and Yvette Squires as we followed instructions given by Jody Mannheimer and Jerry, our trainer and qualifier for the Herding Dog Association of America. Kathy Ruffner and Carla Fegan also joined us to observe. It was quite interesting to watch our Lhasas respond to the sheep and pick up the challenge - each in their own individual way, of course! (what else would you expect from a herd of Lhasas?). We were also treated to a working exhibition by Jody and Rosie, who herded sheep in the meadow. Three Lhasas received their Herding Instinct Certificates that day, an exciting first in the history of the National!

The ALAC Awards Banquet, always a highlight of the National, I think, was beautifully set up. Special thanks again to Jan and Larry Bruton for their “labor of love” in putting together another spectacular awards video showcasing 1999 Champions. Their efforts are such a nice gift to the fancy and provide a permanent record of these lovely dogs.

And speaking of dogs, the entry overall was quite lovely this year. It is always such a treat to see so
many beautiful Lhasas together in one place. The National is perhaps our best educational venue, not just for newcomers, but for "old-timers" as well. For those with an objective outlook, there is much to learn by watching the dogs shown at this annual event. Congrats to all of the winners and to everyone really, who came to present dogs they are proud of. In the spirit of the National, congrats to all participants who brought their best for our viewing enjoyment! And thanks, especially, once again, to Southern California club members and the ALAC Show Committee for all of their hard work and lovely touches that made this event so memorable.

From Colorful Colorado!

From colorful Colorado, New Mexico and Utah to sunny California, we traveled via airplane, van and motorhome. Exhibitors from Colorado who attended this year’s National were Cheryl Clamp, Charlene Dellinger, myself and Debbie Walsleben, from New Mexico, Sandy Develin & Linda Jarrett made the trek, and for their first ever National Specialty from Utah Marsha and Tom Worlton. Also, Palden Hester (Tibetan lady) flew in on Tuesday and set up her Tibetan Sisters Handicraft Booth - she had some wonderful new stuff this year. Cheryl and Debbie flew in on Saturday and rented a car and did some sight seeing on Sunday and caught some rays at the beach. Charlene drove to New Mexico and picked up Sandy and were among the early arrivals at the hotel.

The general consensus was that the hotel suites were just wonderful, with plenty of room. The hotel staff was very helpful (especially the hotel’s shuttle drivers). For those of us who did not have access to wheels to get around Pomona to go shopping and out to eat, making a reservation for a ride was very helpful.

Several groups took advantage of the free day to go to Universal Studios or Disneyland, it was just great. For the first time I got to see and do something other than the hotel and groom dogs. Walker, Goldie and Nisha were left with the California dog sitters (who were just great) and were none the worse for wear. However, Lhasas are great at paybacks, all three were so glad to see us when we returned, but we had a price to pay for leaving them while we (Mary Capko and I) were off playing (site seeing), all they wanted to do was play, needless to say it was very late when our heads hit the pillows. Walker and Nisha had forgotten about the incident by the next morning, however, Goldie had other plans and she never forgets. Goldie & I had Obedience first thing Thursday morning, she did fine until the recall, she came within 4 feet of me and the look on her face said "this is for yesterday in a crate". Needless to say she NQ’ed, she already had earned her CD on Monday, but I didn’t tell her that.

Tom and Marsh Worlton left for Europe on the 5th of July and are now the proud owners of a little Dutch boy. Have fun guys, hope to see you at the Colorado shows soon.

Until next time,

P.S. Congratulations to Debbie and Cheryl on their two new Champions!

From The Heart!

Hello from the Mid-West!!! Well, another National has come and gone. So for you fanciers that didn’t get to go here’s a little inside scoop! I arrived on Thursday the 22nd just in time to watch Joyce Johnson judge the Futurity. What a nice bunch of puppies, with Joyce doing a wonderful job of finding the good ones. Everyone applauded her winners and gave a big round of applause to Joyce. Great job, Joyce!!!

It’s always nice to see exhibitors clapping and hollering for each other; just proves that Lhasa People are the GREATEST!! I must comment here that even though I only got to be there for the National, I heard that the Southern California Club put on a very nice Specialty and they did a terrific job of hosting the National. I must say this year was a little quieter in the party department than the past few Specialties. However, if you were one of the lucky ones to attend the Pizza Party this year, you know what a good time is all about! Furthermore, if you missed Rex Irwin’s Margaritas, you really missed out!! The man is a genius with a blender! No National would be complete without one, we love you Rex!

With so many lovely exhibits to choose from, Judge Robert Sharp certainly had his hands full making his final selections. In the end, the big winners were Ch. Keko’s Tailor Made (Keith Kort & John Encinas) for Breed, BOW went to Keko’s Mr. Undeniable (Keith Kort), BOS went to Ch. Hylan Sho Tru
Blind Date (Midge Hylton, Pat Keen-Fernandes & Megan Morrison) and WB to Hylan Sho Tru Secret Lace (Wagner, Pat & Midge). Congrats to all of you, to all the Select winners and to all other exhibitors for providing such beautiful display of Lhasas. As always the best part of the National each year is renewing old friendships and making new ones. So here’s hoping to see you next year and don’t forget to bring your Margarita glass!!

On the local front, the Sedalia Kennel Club weekend turned out to be majors both days, with Robjn Lily finishing a dog (co-owner by Ron & Marcia Kellam) and a bitch (co-owned by LaVonne Brockway). Danyelle Baker took WD on Sunday, and Polly Nau mann went home with a very nice BOB with her bitch on Saturday, while Sunday’s BOB went to Mary Varden’s young man from Texas! Congrats to all!

Also got to visit with Polly a bit and met her latest star. A new puppy bitch, a beautiful little gold, acquired from the Fernandes’s and Midge Hylton. What a cutie! All in all it was a great time, with Eddie tapping, at least some of the proceedings. He tends to lose the dogs as they go around, oh well, he tries!

That’s about it for this month, so until next time, it’s from the Heart!

Ron Crowder

From The Lone Star State!

Robin Fisher and I went to the National Specialty in California and had a wonderful time. It is always great fun to visit with all our Lhasa friends each year. It never seems to last long enough to do everything that you plan to do. While there we visited the San Diego Zoo and saw the Pandas, Mom, Dad and Baby. They were adorable. Also saw Ruth Farachi from Louisiana and Debbie Greene from Texas there. Robin’s puppies did very well in the Futurity and in their puppy classes.

As soon as we got home, we were off again to the River City Cluster in San Antonio. Robin’s male puppy, Ku-Ther’s R A Heart of Dixie, aka “Roller”, won TWO 4 point majors and a Reserve to another one there. My Chiyoko-Kuther Kist Bya Rose, aka “Bya”, also won a 4 point major and was Reserve to another one. Lynette Clooney won with her Open bitch for a 4 point major to finish. Saw Becky Johnson (T-
ara Lhasas & Tibetan Spaniels) there with her Tibbie.

Looking forward to the Astro Hall World Series of Dog Shows coming up on the 20th to the 23rd of July. The Lhasa Apso Club of Greater Houston will hold its Specialty there and will also have a big Auction to raise funds for Lhasa Rescue. Hope to have some success that week!

Southern Salutations!

Well, the National is over for another year. It was good to see old friends, get to know new ones, and, of course, appreciate the dogs. Ruth Hayden, Barbara Peterson and I were the Florida contingent and thoroughly enjoyed ourselves. It seemed strange not to have Marion Knowlton and Jeanne Hope there, but know they were in spirit. We stayed for the fabled Beverly Hill show, and though assured by all that it is not what it used to be, the huge white tents and innumerable grooming tents and vendors gave us a taste of its glory. Barbara went on the San Diego to visit with family and friends while Ruth and I made our ways home.

Brag Bits - Connie Smith has been busy finishing her “Irresponsible” and “Atreyu”, Barbara Peterson’s “Affair” litter, who are not a year old yet, have been picking up points and majors right, left and center, but I couldn’t begin to tell you which is which. Michael Santora and Alan Loso have finished their “P.J.” son “Pat”. “Trooper”, owned by Kendall Brooks and Peggy Huffman, finished in a flash, is claiming numerous breeds and has a Group II. It’s good to have Patty (Lotus) Marqueen back in the ring with her puppy “Dainty” who took a point on the Tampa circuit. Carol and Wally Rice are showing Marion Knowlton’s “Penny,” who is just a baby, but is certainly picking up her share of cudos. Lastly and thankfully, my “Buttons” finished. Thankfully, because she and “Ogli” decided, quite independently, that they would have puppies and the Tampa shows were the last chance before “P” day.

Just Jots - Ruth Hatcher has had a rough time of it with surgery for a ruptured ulcer and the death of her daughter from a heart attack. Sadly, Susan Buckley-Holland’s mother died. Our thoughts and hearts go out to both. Marion Knowlton and her family are taking a cruise starting in Barcelona and including Iceland. Even
though it’ll be in August, selecting a wardrobe for the trip, with the range of temperatures, must be mind boggling. Sally Ann Helf is moving back to New York from South Carolina - hope it all goes smoothly. I’m off on a cruise including Stockholm and St. Petersburg. I’ve never been particularly fond of cruises, but I can’t wait to see the Hermitage.

Until next time.
My Best,
Betty Chidley tatlisu@adelphia.net

Mid-Atlantic News!

Well, just coming home from the National, it is a little tough to write of anything else. Especially since the date today is July 10, and I just got my luggage back this morning! I had to hibernate for a while until I got some decent clothes and all my hair products, but such are the risks of flying!

One of the best things about the national is that you will never be bored for lack of people to talk to. I have flown out west by myself twice, and I have never lacked company. I made a point to introduce myself to Marie Allman and Robin Fisher. For those of you who don’t know me, I do that all the time if I don’t know somebody. We had a wonderful talk, if they thought I was strange for just walking up and starting a conversation, they sure didn’t show it. Some people just look at me funny and go back to what they are doing. Oh well! I also met a bunch of the “California crowd” and we went grocery shopping (thank you, Megan Morrison) for the obvious staples for our rooms the first day, such as munchies and something with a little kick in it for that well-deserved vacation (after all, we weren’t driving or operating any heavy machinery - except, of course, for dog dryers!). I for one went without dogs and manned the Ways and Means booth. It felt a little strange to have no dogs, but I roomed with Kathy Ruffner whose puppies kept me amused if I had any signs of puppy withdrawal.

I got out to the herding demonstration and loved it! I am currently looking for someone in my area that does herding which shouldn’t be too hard, considering all the herding breeds and farms in my area. While at the National, I heard from my fiance that our veteran Ch. Singh You Sinner of Talimer, aka Lefty, helped him round up the two 12 week old puppies from the back part of our yard after they didn’t want to give up whatever it was they were doing when Nick called for them.

I also spent some time working on the MCP clinic with Nancy Plunkett. I always enjoy this because I get my hands on so many dogs. You also get to see first hand whether some of the little rumors like temperament problems are true, and I am very happy to say that I have not encountered a nasty one yet! If anything, they are a little scared of the wicket, but get over it pretty quickly. I was very surprised when I had a couple of mine measured, and found I actually preferred a longer dog than I thought I did. When I got the official measurements, I felt it helped me hone in a little more on what I liked and what I wanted to accomplish in my breeding program.

Well, I guess that’s enough for now. I will be taking most of the summer off to let my dogs stay in the air conditioning and to let the young ones grow up a little.

Carla Fegan hitide@pilot.infi.net

The Spirit of New England!

While the summer got off to sizzling a start in California with the National, MLAC surely got the beach ball rolling here with our 23rd Annual Specialty Show. A beautiful day full of beautiful Lhasas, with new friends and old getting together to share the good times - how much better can it get? Ronnie Crowder came East to join in the fun and he even managed to do a little Sweepstakes judging on the side! Thanks for a job well done, Ronnie! Ed Moses did a terrific job of chairing the show, while Carol Kodis and Janice Tilley did their usual outstanding jobs on trophies and flowers, respectively. Rose Cappadona and Joan Trainor graciously headed up hospitality and Shelley Lovell kept the ring on time with her expert stewarding.

After the Specialty, there was a short meeting and social hour where Past President Rita Cloutier turned over the mantle of leadership to the newly elected Mary Powers. Welcome to the BIG chair, Mary, we know you’ll do a great job!

Summer is one of our most active show seasons up here; our weather finally sorts itself out and our shows move out of doors. How fun it is to watch the youngsters get their first taste (figuratively only,
we hope) of grass! And speaking of puppies, Janice Tilley, Julie Luther and Joanie Karger have some very promising youngsters out and about. In the classes, Janice, Mary, Stephanie & Bev Butler all had one of their favorites crossing the finish line. On the Specials front, Phyllis Marcy, Marcia Read, Rita Cloutier and Maureen Stretch have all had their beauties in the ring to the tune of some very competitive breed and group placements, while Cindy Butsic went back home with the coveted BISS at MLAC. Rita’s one and only “Dougie” came home with his very first Best Veteran In Show while her “Molly” earned her ROM. And Janice proudly qualified for the ROM on her kennel name “Solitude”. CONGRATULATIONS TO ALL!!

On a more serious note, our thoughts are with Evelyn Bigman this summer as she recovers from knee surgery. And our deepest sympathies go to Phyllis Marcy on the death of her husband, Jim.

That’s it for this month. Don’t forget to check out the results of the MLAC Specialty in this issue of the Bulletin. And watch next time for an update on MLAC’s first ever agility match (chaired by none other than our own “spry” Sy Bigman)! So, until next time, keep on truckin’ & keep on brushin’!!!

Lhasa Limericks

There once was a Lhasa called Marie,
Who got to a show and said “Howdy!”
To each and every stranger,
She would greet as a neighbor,
For this Lhasa’s love was for FREE!!

—Dana Read

There once was a Lhasa named Fred,
Who just couldn’t get ahead,
So he went to the show,
And he found it was “no go”,
So he went home & went back to bed!

There once was a Lhasa named Spot,
Who we wondered...was he a Lhasa or not?
His colors were all mingled,
He looked like shake shingles,
But love him?...We just couldn’t stop!

Puppy Property Laws

If I like it, it’s mine.
If it’s in my mouth, it’s mine.
If I can take it away from you, it’s mine.
If I had it a little while ago, it’s mine.
If it’s mine, it must never appear to be yours.
If toys are out, all of them are mine.
If it looks just like mine, it’s mine.
If I think it’s mine, it’s mine.
(And, so far as Lhasas go...) You may think you own me, but YOU are MINE!
