Arlene Dartt

There simply are not words to express how deeply Arlene and Pat will be missed by their friends at MLAC. Each in her own manner, they enriched the world of dogs in ways too numerous to count. How hard it is to say goodbye to those who have meant so much to us, but we take comfort in knowing that they will always be remembered with a smile on our faces and love in our hearts.

The Merimack Lhasa Apso Club
MEMORIES OF A SPECIAL FRIEND

I will never forget her kindness to me—her thoughtfulness—her caring—her laughter—the late night calls that went on for hours discussing our dogs.

I remember a frantic call I made years ago to Pat when I had a very sick puppy whose temperature was dangerously high. Pat researched her Gazette for an article she remembered reading concerning the treatment of newborn pups with high temperatures by submerging them in water regulated to their normal body temperature. Pat read me the instructions and stayed on the phone with me until the puppy finally responded and began to nurse. We cried together that night—with relief. I am still thanking her for that night every time I look into the eyes of the puppy who was not supposed to live, who is healthy and happy and five years old, and her name is Dandi-Lion’s Miracle (Mira).

I miss my Dear Friend—my Friend who was ALWAYS there for me..................

Notes From All Over

From Colorful Colorado

From Utah, Marsha & Tom Worton returned home from their trip overseas with a new Lhasa "Daka" from the El Minja Kennel in Holland. From New Mexico, Sandy Devlin Finished San-Dhi's The Beat Goes On, born 7/18/98, congratulations to Sandy and a big thank you for holding the major the next day. Sandy also went WB and BOS at Saturday’s Cheyenne show with San-Dhi’s High Time For Magic. Linda Jarrett went WB with Sera Mar Courtney at the Colorado Show, she now just needs a major to finish her Championship. While Courtney waits for her last major, Linda is showing her little girl out of Jason and Amy.

From Colorado, Cheryl Clamp and Debbie Walsleben have picked up 3 majors on Free Spirit An-barn Roc UR Sox Off and BOB wins and Fran Strayer’s El Minja’s Walk on Water picked up a major win and 4 points and two Best of Breed wins. Charlene Dellinger picked up a major and some singles on Charlet’s Angel By My Side and singles on Charlet’s Weekend Warrior.

We also have someone that we need to welcome to the Lhasa Show ring and they are Trudy and Vincent LeSart of Loveland with their dog Jacob. Welcome!!!!

From Wyoming, Brenda Peters (a Lhasa & Tibetan Terrier owner) picked up a 5 point major on her Tibetan Terrier “Shakira’s Ms Kickaha Abby” at their Supported entry at the Greeley shows with a Winners Bitch win from the 9 to 12 month puppy class.

The Lhasa Apso Club of Central Colorado will be doing a Supported entry at the Plum Creek Kennel Club’s Saturday show. This 4 day weekend is the “Rocky Mountain Classic” and is held on President’s Day in February. The weekend will consist of 2 all breed shows for Plum Creek and 2 for the Colorado Kennel Club. Plum Creek will have a Best Puppy in Group on Friday and a Best Bred By Group with the Saturday show. The Lhasa judges are Gary Doerge, Elaine Young, Betty Leininger and Bob Stein.

That’s it from Colorful Colorado!

From The Lone Star State

On a happy note, Linda Ross, daughter of Don & Marie Ross (Madoros Lhasas ROM) will be married to Steve Patterson on March 3, 2001. Had to fit the wedding in between the Brazoria Kennel Club show and the Lhasa Apso Club of Greater Houston Specialty. We are, of course, dog people!!!

Sarah Haught, new Lhasa exhibitor and Junior Showman now has 2 Best Junior Handler wins and her puppy, Ku-Ther’s Lone Star of R A has a 3 point major. “Star” was shown to that win by Robin Fisher.

At the LACGH Specialty, Ch. Chiyoko R A Passionate Kisses was Best in Specialty, her son, Ch. Ku-Ther Kisses By Big Boy was BOS, her halfbrother Ku-Ther’s R A Heart of Dixie was WD, BOW and Best Puppy. Her daughter, Chiyoko-Kuther Kist By A Rose was WB and Best Bred By Exhibitor. Her mother, Ch. Chiyoko’s Hearts N Flowers was Best Brood Bitch. In Sweepstakes, Ku-Ther’s R A Texas Lullaby was Best in Sweeps. She is the daughter of Ch. Chiyoko’s Hearts N Flowers and the litter sister of Ku-Ther’s R A Heart of Dixie.

Robin’s Ku-Ther’s Destine for Xtra Kisses won back to back 3 point majors to finish at the Brazoria KC and the Cypress Creek KC shows. Her mom, Ch. Chiyoko R A Passionate Kisses was BOB and Group 2 at the Brazoria KC show. “Kissy” is owned by Robin, Marie Allman and Lee Nagel.

On a very sad note, Pat Johnson (Gypsy Lhasas ROM) passed away in Houston while we were attending the ALAC National. Also, LACGH member Lou Gott is not doing very well. He needs a lung transplant. We wish him well and hope he gets that transplant soon.

Marie Tupa is getting back into showing Lhasas after several years spent getting her kids raised. She is looking forward to getting a new puppy in November and expects to be in the ring for the LACGH Spring Specialty in March.

LACGH now has a lovely web site. It has been constructed by LACGH member Karen Maffett. Hope
you check it out. It is at http://lacgh.homestead.com/lhasa.html.

Hope to see YOU at a show soon!

The Spirit of New England

Never let it be said that New Englanders don’t know how to have a good time, ‘cause they surely do! The hot (well, okay, barely warm) days of summer started out in Rhode Island with MLAC hosting a potluck picnic to welcome our visitors from Australia, Jenny Longmire and Michael Camac. Great food, great conversation, and a terrific chance to exchange ideas and opinions with two longtime breeders from the land down under. Many, many thanks to all the MLACers who brought tons of food and good cheer and, of course, to Mary Powers and the Mokiema crew for the use of their motor home to hold the festivities!

On the show front, congratulations are in order to new champions Ch. Anbara Alasara Smart Stuff (Bobby Wood and Sarah Fitzgerald, shown by Mary Powers) and Ch. Mokiema If The Shoe Fits (Marcia Read) - good goin’, ladies! In the classes, Ed Moses picked up back to back majors on his little black beauty at the Cape Cod shows, while Carla Fegan picked up a nifty 4 pointer the same weekend on her bred-by, while Joanie Karger and Marueen Stretch are nearing the finish line with their youngsters. And boy, oh boy, is our specials ring something to see! Rita Cloutier and “Tommy” are racking up some fantastic Breed wins, topping them off with a Group Four at the Cape. Phyllis Marcy’s “Pip” is also coming up with some nice breed wins, while the girl specials “Shay” (Marcia Read), “Goldie” (Maureen Stretch) and “Angel” (Kathleen Morrison) are proving that girls certainly can do anything the boys do (with “Angel” downeasting it up to Maine for a Group Three)! Congratulations to all you and your lovely winners!

MLAC hosted it’s first ever Agility Match last month, chaired by our very own Sy Bigman and cheered on by Joe Menyo and yours truly. We had a terrific day, even with a bit of a “rain delay” and now we’re getting all charged up for the real thing - our very first Agility Trial in October. So don’t anyone dare say that a Lhasa is just another pretty face!!!!

On a serious note, I am very, very saddened to report the deaths of two of MLAC’s club members - Arlene Dartt and Pat Hufnail. Both were very near and dear to MLAC and ALAC members alike and the sport of dogs has lost two very precious friends in their passing.

That’s about it for this month. We’ve got a busy last quarter of the year on the horizon with MLAC’s Halloween Match and our inaugural December Specialty Show coming up before you know it. So, until next time, I guess we’d ALL better keep on truckin’ and keep on brushin’!

The Northwest Connection

The summer show season has come and gone with several of our ALAC members’ Lhasas either getting majors or finishing. Three lovely bitches are new champions - “Gina”, bred, owned and handled by Cassandra, “Dixie”, bred and owned by Barbara Corbett and Arlene Miller and shown by Arlene, and “Cheezy”, bred and owned by Ann Lanterman and Leslie Ann Engen. CLAF’s 27th Specialty was the highlight of the summer and the club members outdid themselves in the hospitality department. Ann Lanterman, Barb Corbett, Carol Hess, Pat Jackson and Joe and Lisa Mushel provided tents for all the exhibitors to groom under, close to ringside - much appreciated by those of us who had to come from a distance. Speaking of distances, ask Cindy Butsic whether her trip out to Seattle was worth it! After the Specialty, the club put on a first ever obedience demonstration that had us all, including our judge Keke Kahn, in awe. “Whopper” and “Chopper”, trained by Becky Hughes, were jumping over hurdles and retrieving specially scented dumbells with no problem. “Sadie” and “Colby” challenged their owner Carol Hess to keep things interesting and “Brie” showed her owner, Barb Corbet, and all at ringside that she too could actually be obedient. It was a most entertaining and uplifting way to end the Specialty. Afterward, all exhibitors headed for the much anticipated potluck which has become a tradition that just gets better every year!

From The Heart

Hi everyone, greetings from the Heartland!

Well, since I last wrote, I took a quick trip to the land of lakes - Minnesota. I had an assignment to judge the Shih Tzu Sweeps for the Twin Cities Shih Tzu Club, so of course I had to go and watch the Lhasa Specialties!

This year, the Twin Cities Club had back-to-back Specialties, and, as usual, they offered a very good time. Club members brought food and put on a great buffet of snacks the first day, then a great lunch the second along with their raffle and fun auction. I always end up bringing home the best items! Judges were Mrs. Roxanne P. Berton and Dr. R. Berndt. Rex Irwin had the job of Sweepstakes judge, doing a fine job finding Golden TJ Hatrick Josette as his Best in Sweeps, with many lovely dogs being exhibited. Cindy Butsic, with her very nice silver bitch Stormy, took breed both days. Many thanks to all the Minnesota gang for a great time!

While I was off having fun in the Twin Cities, you’ll never guess what was happening back home! I had left my newest star, Whitehouse Madame Senator, aka “Tori”, home with Robyn to be shown at the K.C. Shows. She won all three days for her first points! Dad was very excited. Also, many thanks to all the Minnesota gang for a great time! Others joining in the fun included Sandy Nyberg, Barb Kelm, Joyce Johanson, JoAnn Hays & newcomer Susan Jordan, Sandy Bennet, Kathy Spickler-Dunn, Joyce Crowder, DeAnna Heller, Jeanne Suave, Kris Cummings, Diane Selmer, Lynn Replogle, Dale Randall & Jaki Cottingham-Zierdt, Paul Voit, Jean Pantoga and many more!

Mid-Atlantic News

Well, it has been busy down here to say the least. Please excuse me if this seems rather short on each subject as there is just so much I want to share with you!

LACGNY, and Westchester Specialties. Here are some of the results:

Friday - Anne Burton took WB with SunTory Shiraz. WD and BOW were given to Baywind IVGOTFRNDSNLOWPLCS shown by Bev Drake. BOS was Ch. Northwind Stormy Night, shown by Cindy Bustic and BOB and Group 3 went to Veteran Ch. Singh You Sinner of Talimer, shown by myself.

Saturday - Anne Sergio judged the LACGNY Sweeps. Best In Sweeps went to Ja-Ma Mysta Drivin’Ms. Daisy, owned and shown by Janet Whitman. There is not way I could possibly list all the people that were there - it was quite a turnout! Ms. Annie Rogers
Clark did the regular class judging. WB went to Sharades Tropical Storm, shown by E. Wayne Baker. WD was Raffles Porthos De Vallon, shown by Cindy Butsic. BOS was Ch. Moja’s Mahogany Moet. And BOB was Cindy Butsic with Ch. Northwind Storm Night. How many does this make, Cindy?! And a great big thank you to Lorraine Mulleker for the wonderful veggie dig after judging.

Sunday, the Sweeps judge was Mr. Earl N. Takahashi of Xeralane Kennels in Hawaii. They are breeders of Shih Tzu and own one Lhasa. Best In Sweeps went to Talimer Hi Tide Luna-Sea shown by myself. For regular judging we had New York’s own Cathy DiGiacomo. WB went to Debbie Burke with Kaleko’s Steel Magnolia. WD was Talimer Hi Tide Luna-Sea, BOS went to Jo Ann Germano with Ch. Prana’s Soul Dancer, and BOB was Ch. Anbara Alasara Smart Aleck, shown by Debbie Burke. We were glad to see Bobbie Wood could make it to see her dog win! And a very special thank you to Debbie Burke who, as always, helped numerous people with grooming amongst the many other things she was busy with. Like she doesn’t have anything better to do...

And last, but certainly not least, we all mourn the passing of Pat Hufnail. I found out about her passing just before going into the ring Sunday in New York. Pat has roomed with me numerous times in New York and we always had a wonderful time. No matter what was going on in Pat’s life, she always had time to talk or e-mail her friends. She had just finished with knee surgery and was coming along so well. The Orlane List will never be the same without her. She was always there to congratulate, support, or just plain make fun of anything and everything. I really felt the loss on Sunday night when I got onto the computer to report the day’s activities. She was always one of the first I wrote to.

Southern Salutations

The Atlanta Kennel Club celebrated its 100th show anniversary with a gala evening patterned after Westminster, complete with evening groups, formal dress and ring set up with placards for each breed. Prior to group judging the club hosted a buffet for their members and friends. It was a very special evening. At the shows, Mrion Knowlton and Barbara Peterson finished their puppy dogs and Barbara major pointed her bitch puppy. Congratulations! It’s becoming quite an accomplishment to find majors!

Peggy Hufnail is on an extended trip in her motorhome. She is taking her husband, Charlie, to his fiftieth high school reunion. Then she will attend shows with her special “Trooper”, in North Carolina, go to the newly revived Morris and Essex show in New Jersey and then on to Maine for more shows before she comes home to Ocala. “Trooper” collected two more breeds and a Group III in Deland, where he could be shown only twice, thanks to the Hurricane Gordon scare.

Laura Wright and her family have a new house in Mt. Dora and have been busy all summer doing the things one always finds necessary when changing addresses. The house is delightful, but the thing that pleases Laura most is the fenced yard with plenty of room for people relaxation and a separate area that easily accommodates an agility course. Her Lhasas, “Wimmired” and “Maggie” are having a marvelous time in agility and her Border Collie, “Biz” simply wins anytime she’s entered. “Maggie” took an hiatus from showing for five months, then pointed out at Perry and hopefully, will find majors soon.

I have nothing to show, but had a good time stewarding in Deland, where Ruth Hayden’s friend Robin pointed her young dog. Pat Page did the same with her dog and bitch. It was good to see Patty (Lotus) Marqueen back in the ring on Sunday. She braved the Hurricane Gordon warnings and pointed her puppy bitch. From Deland I went on to visit friends in Jacksonville, North Carolina and then on to Clayton, GA, where Susan, Tom Holland and their three Lhasas have a home right on top of Peachtree Mountain. What a marvelous setting! Susan is “doing antiques” and is thoroughly enjoying searching out new items for her shop.

President’s Message

Hi Members,

It is with sadness that I report the loss of a friend and loyal ALAC member, Pat Hufnail. It came as a shock as Pat was at the National in California being just as involved with the activities as always. She chaired the very successful Ways and Means committee at the National for many years. She was always willing to help ALAC or anyone with anything that needed to be done. Pat was on several internet Lhasa Apso lists and made sure that every message was answered whether a call for help or a win to be cheered.

I would like to remind everybody to read the committee reports. Our calendar year is changing. The National Specialty will be held in October which will affect eligibility dates for the futurity and the awards.

The Greater Milwaukee Lhasa Apso Club is busy making plans for the 2001 National. Michele Billings will judge the National and Marianne Nixon, San Jo Lhasa Apsos, will judge the regional specialty.

Local clubs – thank you for sending your newsletters—I appreciate receiving them and do read them with interest.

Judges education has been very active this fall. The Los Angeles Dog Judges Educational Association is offering two seminars on the Lhasa Apso the weekend of October 13 to 15th. Judy O’Dell and Bud Brockway are presenting our program. The weekend of November 10th to 12th the Judges Education Association of Washington will offer a double seminar on the Lhasa Apso in Seattle. With the help of frequent flyer miles, I will journey to Washington to present that seminar with Don and Naomi Hanson and Ann Lanternman. These seminar weekends are extremely well done. Multiple breeds are presented, one comes away having learned more than merely breed standards. Presentations are made on general structure and the ability to evaluate dogs. These two educational seminar weekends are like many across the country that are open not only to judges but to all who are interested. Taking advantage of education is one area in which we as breeders can always benefit.

My e-mail is always open to receive ideas and thoughts from anyone who wants to share his ideas. I promise to answer. I hope your holidays are filled with good things both doggy and human.

Till next time,

Awards

This is a reminder for all of you who have new champions in conformation and obedience for the year 2000. Don’t forget to send a completed awards application form to Bobbie Wood and your photographs (1 per award) to me, Jan Bruton, along with $3.00 per photo. For those of you who may not be familiar with the awards program, the photographs you send of your award winners are put onto a video for all to enjoy at the National Awards Banquet. The minimal fee goes toward the cost of renting the video projector and screen as well as photo return. For the purpose of the video, 8x10 (original, not xerox) photos work the best and we encourage candid photos. Respectfully submitted, Jan Bruton, 5406 SW Woods Ct., Portland, Or., 97221

Jan and Larry Bruton

The National has come and gone and I was pleased that I only had to bring home one plaque that nobody picked up. I want to thank Carla Fegan for the wonderful job she did with the distribution even though I gave her a numbered list that had every plaque off by one number. I still don’t know how that happened but next year I will make sure everything is accurate.
Also the video created by that very talented team of Bruton and Bruton was a smashing success again. That takes so much time to create and I’m really pleased they have made this a regular part of the National. And a big thank you to Pat Keen-Fernandes and
Midge Hylton for their generosity in producing our awards program. In view of the fact that our National Specialty next year is in October I am going to change the date for awards forms to be submitted. I think August 1st will give us enough time to do the job. However that date is going to create a problem for some specialty clubs. Therefore if your club holds a specialty after June 15th and you do not have your plaque for the 2001 show please send the request by April 1st and I will have those made and sent to you. But DO NOT FORGET TO APPLY FOR YOUR 2002 plaque by August 1st. We will then have all the specialties in sync with the majority of the awards. This is important so we do not have to pay for printer set-ups more than twice in the year. Don’t forget to let me know if you require any corrections on this year’s plaques. I have not heard from anybody so I am assuming that all was correct. I wanted to let you know that sending me a copy of the Championship Certificate is a great idea. I get the correct spelling and the correct owner no matter who is applying for the award. Thank you all for getting all your information in at the correct time.

Bobbie Wood

**Breed Rescue**

The rescue committee continues to work with limited support from the Membership. In some large states we still have no active rescuers from ALAC. These states include Georgia, Illinois, New Jersey, Ohio, South Carolina to name a few. I know we have members in these states. The brunt of the work continues to be done by a few. To add to the work the state of Florida has confiscated over 50 Lhasas from an ALAC member and now they are in need of help. ALAC has donated monies to help with their care.

Mary Schroeder.

**Breed Standard**

Judy O’Dell and Bud Brockway are doing the ALAC JEC presentation to the judges group in CA. Don Hanson and Ann Lanterman are doing the same ALAC approved JEC presentation to the judges group in Seattle.

**Breed Referral**

Another holiday season is approaching. Requests for referrals begin to pick up in October. Even if you don’t have puppies, please try to take the time to educate callers about the distinct personality and unique training requirements of our breed. Puppy buyers tend to find the breeder referral maze confusing; it is very helpful when members let me know that they have puppies for sale.

Historian

Thanks to all who participated in the 2000 ALAC Photo Contest! Together, we raised over $200 to assist with Lhasa rescue efforts nationwide. Contest winners in each category were published in the last issue of The Bulletin. Now is the time to begin planning your photos for next year's contest. Thanks also to Brenda Peters of Casper, Wyoming, and also to Bob Sharp, for their donations of numerous sets of old Lhasa magazines to supplement the ALAC archives and for the raffle. We also received a great 16 mm reel-to-reel tape from Nan Damberg of a show held in Southern California in the 1970's with over a hundred Lhasas entered. The Board agreed to reimburse the cost of transferring this to videotape, so hopefully we'll have that on display at the 2001 National, in addition to the tapes of old Nationals.

Also, Leslie Bauman took footage of the first ever Lhasa Herding Instinct test, held in conjunction with the National this year—a historic moment indeed! That will also be available for viewing next year. With the help of our members, we are slowly building the ALAC archives with some meaningful additions to the collection. Remember to think of ALAC when cleaning your garage or closets. Don't throw those old magazines away!

A reminder to all who are owners or breeders of the Top Twenty Producers (dogs and bitches) to please send an 8x10 color photo, pedigree and a one page typed bio to me for inclusion in an album I am compiling for historical purposes. There is no cost to participants. Check the ALAC website at www.lhasaapso.org for a list of the Top Twenty. If your dog is listed, I encourage you to participate.

**Before You Even Consider Showing Your Dog**

Before you even think about getting a dog, let alone training him, grooming him & getting all the equipment needed in order to show your dog, you MUST do one thing FIRST!

Go to the store and buy a handful of marbles. Take your dog and the marbles to a large field near your home. When you get there, put all the marbles you can possibly fit into your mouth.

One at a time, spit the marbles as far as you can. Your dog will get lots of exercise chasing them and have hours of fun trying to find them in the grass. One after another, spit out all the marbles until they are all gone.

When you have successfully lost all of your marbles, you are THEN ready to begin showing your dog!

—Words of Wisdom from Rita Cloutier

**Lhasa Limerick**

There once was a Lhasa named Spot,
Who we wondered...was he a Lhasa or not?
His colors were all mingled,
He looked like shake shingles,
But love him?...We just couldn’t stop!

Best of Breed Competition.

**Lhasa Apso Breed Standard**

**Character:** Gay and assertive, but chary of strangers.

**Size:** Variable, but about 10 or 11 inches at shoulder for dogs, bitches slightly smaller.

**Color:** All colors equally acceptable with or without dark tips to ears and beard.

**Body Shape:** The length from point of shoulders to point of buttocks longer than height at withers, well-ripped up, strong loin, well-developed quarters and thighs.

**Coat:** Heavy, straight, hard, not woolly or silky, of good length, and very dense.

**Mouth and Muzzle:** The preferred bite is either level or slightly undershot. Muzzle of medium length; a square muzzle is objectionable.

**Head:** Heavy head furnishings with good fall over eyes, good whiskers and beard, skull narrow, falling away behind eyes in a marked degree, not quite flat, but not domed or apple-shaped; straight foreface of fair length. Nose black, the length from tip of nose to eye to be roughly about one-third of the total length from nose to back of skull.

**Eyes:** Dark brown, neither very large and full, nor very small and sunk.

**Ears:** Pendant, heavily feathered. Legs: Forelegs straight; both forelegs and hind legs heavily furnished with hair.

**Feet:** Well-feathered; should be round and catlike, with good pads.

**Tail Carriage:** Well-feathered, should be carried well over back in a screw; there may be a kink at the end. A low carriage of stern is a serious fault.

"From the center of the ring" is a new feature that will be included going forward. The plan is to have from one to three judges, per issue, responding to a set group of questions. Please let us know how you like this and other new features that have been included in the Bulletin.

Dana Read, Features Editor.

With Mrs. Robert S. Forsyth

LA - As a matter of background information, how did you get started in the sport of dogs and what was your first breed(s)? Would you like to share with us a few of the highlights of your career in dogs, either as a breeder/exhibitor or as a judge?

JF - 62 years ago I got my first Best Obedience dog in show with my home bred Airedale. Then in the early 50 years was the Top boxer breeder in the country for three years. for 44 years was an all breed handler show up to 35 dogs a show for 125 shows a year.

LA - When did you begin to judge the Lhasa and what makes this breed enjoyable for you to judge?

Started judging Lhasa in the late ‘80’s and enjoy the breed as I showed quite a few also.

LA - Which group is your favorite to officiate and why?

Non-Sporting as it is so diversified.

LA - What, in your opinion, is the essence of the Lhasa?

JF - Good toplines and good side action.

LA - What singular trait do you admire most about the Lhasa Apso in general?

JF - Their way of covering ground.

LA - As the years go by, in what areas have you noted significant improvements and in what areas do you still see a need for improvement?

JF - Improved in size and balance and still need to improve fronts and mouths.

LA - Do you have any “pet peeves” with regards to how the Lhasa is handled? Is there anything regarding handling that you simply will not tolerate in your ring, regardless of breed?

JF - People who feed dogs liver as you are about to look at their mouths.

LA - How important is showmanship/attitude in your final decision?

JF - the are supposed to be show dogs so it is quite important.

LA - Are there any final comments you would like to add?

JF - Keep working on a lovely breed.
With Phillip Lanard

LA - As a matter of background information, how did you get started in the sport of dogs and what was your first breed(s)? Would you like to share with us a few of the highlights of your career in dogs, either as a breeder/exhibitor or as a judge?

PL - I started in dogs in June 1945 when I purchased a Collie puppy and started training in obedience. I have owned, exhibited or bred a dozen breeds with the most success being in Pointers, Yorkshire Terriers and Poodles. There have been many highlights, but the firsts are always the standouts. First Best of Breed, first Group, first Best in Show and first point show judging assignment.

LA - When did you begin to judge the Lhasa and what makes this breed enjoyable for you to judge?

PL - I first judged the Lhasa at sanctioned matches when they were first recognized and I was approved for point shows in 1980.

LA - Which group is your favorite to officiate and why?

PL - This may sound condescending but the Non-Sporting Group. It was my first approved group and the group that I had showed and worked in the most.

LA - What, in your opinion, is the essence of the Lhasa?

PL - The elegant outline of a good one both standing and moving. A good handler helps but the animal has to be able to stand and carry itself in this manner.

LA - What singular trait do you admire most about the Lhasa Apso in general?

PL - See the answer to the previous question. It’s that picture of aloofness that even a mediocre one can create.

LA - As the years go by, in what areas have you noted significant improvements and in what areas do you still see a need for improvement?

PL - With regards to significant improvement, I would have to say that conditioning and presentation are the first things that come to mind. Soundness needs to be improved as there are still too many bad fronts and hindquarters. Coat covers a multitude of sins, but they are still there.

LA - Do you have any “pet peeves” with regards to how the Lhasa is handled? Is there anything regarding handling that you simply will not tolerate in your ring, regardless of breed?

PL - I hate to stand there waiting to examine a dog while the handler regrooms the animal, but what I hate even more is to see a Lhasa being picked up by it’s chin and tail. Absolutely unnecessary!

LA - How important is showmanship/attitude in your final decision?

PL - Showmanship plays a role (no dragging tails) but not a major one. Attitude on the other hand is often the difference between a good dog and a top winner.

LA - Are there any final comments you would like to add?

PL - If size is not better controlled, they will no longer look like Lhasas. The standard calls for 10 to 11 inches with bitches slightly smaller. I keep seeing many cases where even the bitches are 11 or more inches.
"I see the Smiths have entered their Veteran"

"I see that the "Smiths" have entered their dog in the Veterans Class. Apparently there is no one in this Club who knows that it is customary to offer a round of applause for those that are entered.

Six months ago, at this same show, I entered my Veteran Dog in this same class. Not one person applauded. Not one person came up and said anything. Not one person came over to give him a kind word or a pat. Not one person made him feel he belonged again. He was no threat to anyone. He wasn't going to beat anyone, take any points, or win anything. He was just an old dog who thought he was special again - back in the ring for the first time in many years. Maybe he even recalled his "Glory Days".

He would have loved to have met anyone there. He would have welcomed you like an old friend. You didn't have to say anything nice about him if you didn't want to. But just in case you can't think of anything to say about a Veteran Dog, here are some suggestions: "It was nice to see him out there". Or go up to him and tell him he's a "Good Boy". Or tell his owner that you are glad that they brought him. Those aren't exactly compliments, but they will please his owner and make him glad that they brought him. I don't think that's asking too much.

One day, all too soon, all your beautiful young dogs will be old dogs too. Maybe one day you'll enter them in a Veterans Class. And I hope that you do. Or, like many of us, you remember that old friend, now gone, and wish you still had the chance. They deserve it. It may be their final time in the sun - their last time out in front of people. Their last time to ever be in the ring.

My old dog is a Fool. He thought he was wonderful that day. He thought he belonged. Instead, he was ignored. I have thought about this for 6 months now, and wasn't going to say anything. But on his behalf, and that of any other Veteran, I hope that something like this never occurs again. As a Club of (Breed) Fanciers, you should feel ashamed. Even if you dislike the dog or his owner, at least show Good Sportsmanship and do the Right Thing. Show others that you have respect for your breed. Make that Veteran Dog feel wanted and special again. Let him know that you are glad to see him. It will make his day. You may never get the chance again. Thank you."

As Lynda began reading it, the hush that fell over the room was incredible. Bless her heart, my friend Lynda broke into tears as she struggled through reading this. EVERYONE in the room lowered their heads, and many of them began to cry also, including the President (who is a man). I tried my best to hold my head up and refrain from tears, again.

The President strode over to where I was sitting and in a broken voice said "Terry....... I am SO sorry. He is such a wonderful dog. There is no excuse for what happened to you. And to him."

As I started to say that I "wasn't going to say anything" again, the room nearly burst with everyone trying to talk at once. The discussion that followed was both eye-opening and of valuable purpose. Many came up to me in tears, with hugs and apologies. I am a very private and shy person, not given to sharing my deepest feelings easily. This had been an incredibly difficult thing for me to do, but in honor of my Veteran and all the others out there, I felt it must be done. Was it worth it? When "Mr. Smith" took his lovely 12 1/2 year old dog (neutered due to testicular cancer) into the ring, our entire membership remained - and applauded and "whooped and hollered" him with every move. The Judge moved to the center of the ring on his final go round and applauded, as did her ring stewards. Others nearby, watching other breeds, came over and remarked on how wonderful it was to see a Veteran being treated like that. Many (including me) asked to take his picture. Everyone complimented him and his owners. If only my old dog had enjoyed such a day... Was it worth it? You tell me...

To stop a heart attack when alone:

Let's say it's 6:17 p.m. and you're driving home (alone of course) after an unusually long day, you start experiencing severe pain in your chest that starts to radiate out into your arm and up into your jaw. You are only about five miles from the hospital nearest your home, unfortunately you don't know if you'll be able to make it that far.

What can you do? You've been trained in CPR but the guy that taught the course neglected to tell you how to perform it on yourself...

HOW TO SURVIVE A HEART ATTACK WHEN ALONE

Many people are alone when they suffer a heart attack, what can you do? Without help a person whose heart stops beating properly begins to feel faint and has about 10 seconds left before losing consciousness. However, these victims can help themselves by coughing repeatedly and very vigorously. A deep breath should be taken before each cough, and the cough must be deep and prolonged, as when producing sputum from deep inside the chest.

A breath and a cough must be repeated about every two seconds without let up until help arrives, or until the heart is felt to be beating normally again. Deep breaths get oxygen into the lungs and coughing movements squeeze the heart and keep the blood circulating. The squeezing pressure on the heart also helps it regain normal rhythm. In this way, heart attack victims can get to a phone and, between breaths, call for help.

You'll be giving yourself CPR with this technique. Tell as many other people as possible about this, it could save their life!

ALAC Code of Ethics

Preamble

“The American Lhasa Apso Club is an organization devoted to the preservation and welfare of the Lhasa Apso Breed. The Lhasa Apso is the result of centuries of Asian culture, and as such deserves to be honored and protected for its historical and aesthetic merit as well as its modern use as a companion. To this end, the American Lhasa Apso Club has defined a standard of excellence for the breed, and sponsors exhibitions for the comparison and improvement of the breeding population and for the education of our breeders. Our goal is to produce animals which is uniform in type and sound of mind and body, and suited to its original purpose as a small indoor guard dog and companion to man. Dedicated breeders of the Lhasa Apso are distinguished from those who exploit the breed solely for profit by their adherence to a set of ethical principles. The welfare of each individual Lhasa Apso, and the welfare of the entire breed, governs our behavior in all aspects of breeding, exhibiting and selling. The American Lhasa Apso Club endorses the following as the ethical standard of all true lovers of the breed.”

Breeding

1. Members contemplating breeding a litter, or who allow the use of their stud dog to the same end, should direct their efforts toward producing Lhasa Apsos of exceptional quality. Each mating should ideally be planned with the intention of improvement yet preservation of the breed. Breedings should be done with the ultimate goal of achieving excellence according to the Breed standard. Type, temperament, health and conformation of both sire and dam should be carefully considered in the planning of any breeding in order to accomplish the goals of preservation and improvement. This presupposes a careful study of the breed standard, pedigrees, and genetics.

2. No Lhasa Apso showing a serious inherited defect in type, structure or temperament should be used for breeding. Bitches should be bred only when in prime breeding condition, fully mature, and in robust health mentally and physically. Ideally, no bitch should be bred prior to twelve months of age and not more than two out of three seasons. Owners of stud dogs should not accept for breeding any bitch that shows a serious inherited defect in type, structure, or temperament, the reproduction of which is likely to be detrimental to the breed. It is ideal if all stud contracts include an agreement, to be signed by the owner of the bitch, that no puppies resulting from the mating will be wholesaled or sold to pet shops, a practice the Club considers grossly detrimental to the Lhasa Apso breed. Stud owners should strongly encourage the owners of the bitches that any pet quality puppies from the resulting litter be sold on spay/neuter contracts. Breeding Lhasa Apso litters for “pets only” is considered detrimental to the long-term welfare of the breed. Members should refrain from this practice and should refuse stud service to owners of bitches for whom this is the goal.

3. If a dog or bitch has produced any offspring with serious inherited defects detrimental to the animal’s well-being and produces like results with a different mating partner, it would be in the best interest of the breed that the owner refrain from further use of this animal for breeding.

4. Ethical breeders should be financially and situationally capable of providing for the special health and nutritional needs of brood bitches and their litters before doing a breeding. Members planning a breeding should consider the local market and the possible necessity of caring for puppies for several months until sold. Puppies should be sold in a clean and healthy condition and should be at least eight weeks or older to make the necessary adjustments to a new home safely. No adult or puppy should be sold without adequate protection against disease.

5. Members known to have deliberately violated American Kennel Club rules regarding registration and showing of dogs should expect the consequences of being reported.

Sales

6. According to American Kennel Club rules, breeders should furnish the signed American Kennel Club registration or transfer with each puppy sold unless a written agreement is made with the purchaser at the time of sale that papers will be withheld. The Club strongly supports the practice of accompanying the sale of all puppies or adults determined pet quality with a spay/neuter contract and written agreement that no AKC registration papers will be transferred until the seller has received veterinary certification that surgery has been performed.

7. Ideally, breeders should provide a three-generation pedigree, instructions on care including grooming, feeding, and complete health care. Lhasa Apsos released should be in good health to the best of the breeder’s knowledge. Breeders dedicated to the Lhasa Apso fancy should be available to their buyers for consultation, even after completion of a sale. Breeders should try to assist the serious novice in his understanding of the breed.

8. It would best serve the breed that any Lhasa Apso puppy or adult, which might be considered to have a serious hereditary defect or a serious deviation from the standard, be sold without papers and spayed/neutered (this should be clearly understood by both the breeder and the buyer and a written agreement to this effect signed by both parties), or humanely destroyed.

Advertising

9. The value and quality of the Lhasa Apso should be upheld in both advertising and selling. Advertising should not be worded so as to attract undesirable buyers or to encourage raising dogs for profit. Ethical breeders would not engage in false or misleading advertising or otherwise misrepresent their Lhasas; nor would they malign their competitors by making false or misleading statements regarding their competitors’ Lhasas, breeding practices, or person.

Written Agreements and Health Guarantees

10. Members are encouraged to utilize and maintain signed copies of written agreements detailing price, description of dog, guarantees, condition and understanding for all transactions involving their dogs. These include ownership agreements; sales of pet companion, or show Lhasa Apso; stud agreements; brood matron leases; and any other transaction involving transfer or utilization of a Lhasa Apso. Copies of such records could be used, when appropriate, by the Club Board in hearing any grievance involving an ethics complaint against a member.

The sale of all puppies and adults are best accompanied by a written health guarantee. Should a show or breeding prospect develop a serious congenital, hereditary, or disqualifying defect after sale, breeders could:

(1) replace the dog with one of equivalent value believed to be free of such defect, or
(2) refund the sale price upon return of the dog, or
(3) refund the difference between the price paid and the price of a pet sold from the same or similar litters, allowing the buyer to retain the dog.

“Olde Yorkshire Dog Poem”
(origin unknown)

The dogs all had a meeting,
They came from near and far,
Some came by public transport,
While others came by car.

But before they were allowed,
To enter in the hall,
Each had to hang its bottom,
On a hook upon the wall.

They all got nicely seated,
Each mother’s son and sire,
When a dirty little yellow dog,
Began to holler “FIRE”.

They all jumped up together,
They had no time to look,
And each one grabbed at random,
A bottom from the hook.

This got their bottoms all mixed up,
And made them very sore,
To wear another bottom,
They hadn’t worn before.

And that’s the reason why a dog,
Will even leave a bone,
To smell another bottom,
In hopes to find his own.
