(Ch Knowlwood’s Raisin Cain x Ch Ebony Shades O’ Twinkle Bear, ROM)

Tipper turned two in January, and she’s begun to shine in the specials ring. She took BOB every day in Hattiesburg, MS and in Owensboro, KY. She also took two Group IV’s at these shows. Thanks to Judges Lois Wolfe White and Rick Chashoudian for her group placements.

This is one fine boy. Paddy finished his championship at the age of sixteen months with four majors. He'll be specialed beginning in January, so watch for him in rings throughout the South. Thanks to the following judges for recognizing Paddy's potential: Karen McFarlane (2 pts), Betsy Dale (2 pts), JoAnne Schullier (2 pts), Joan Frailey (1 pt), Robert Moore (1 pt), Norman Patton (1 pt), Eugene Blake (1 pt), Dorothey Nickles (2 pts and 3 pts), Betty Leininger (5 pts), Molly Martin (1 pt), and Shirley Justus (1 pt). Also thanks to Sandy Devlin for allowing us to breed our girl Ebony to her Jon. What a nice litter!!!

Paddy's littermate, Potter, also finished his championship at the age of sixteen months. Thanks to the following judges for recognizing Potter's fine qualities: Karen McFarlane (2 pts), Betsy Dale (2 pts), JoAnne Schuillier (2 pts), Joan Frailey (1 pt), Robert Moore (1 pt), Norman Patton (1 pt), Robert Berndt (1 pt), Eugene Blake (1 pt), Dorothy Nickles (2 pts), Regina Leininger (5 pts), Molly Martin (1 pt), Elaine Young (1 pt) and Dorothy Nickles (3 pts). Since we're keeping Paddy, Potter has been neutered and gone to live with his new family in West Palm Beach Florida. He's reported to be very happy there living with the owner's other Lhasa whom they'd bought from Marion Knowlton five years ago.

Chilali is an American Indian name meaning Snow Bird, but our girl didn’t wait for snow to demonstrate her worth. At the age of 7 months, she took her first points (a 3-point major) by going BW over an older bitch and four older dogs. At 8 months, she took three BOB’s over her aunt Tipper. Chilali is one of three littermates being shown. Watch for her littermates, Mia and Meeko, owned by James Farris and Sandy Devlin, respectively. Thanks to Susan Giles for allowing us to breed our Star to her Pete to produce this fine litter.

President's Message
Fall 2004

Annual Meeting

The ALAC Annual Meeting during National Specialty week provides the President with an opportunity to review accomplishments of the past year and preview initiatives in the year ahead. We’ve accomplished much this year thanks to the hard work and dedication of volunteers who give ALAC their time and their ideas, all for the betterment of our beloved breed. As always there is more to do, in no small part because we are blessed with an energetic and creative membership who will not allow us to rest on our laurels.

Achievements of 2004

One of our proudest achievements this year is the new, all-color Bulletin. Past President Bobbie Wood has done a masterful job as Editor. Each issue looks better and better. The highly praised Judge’s Education presentation went on the road to Texas, Pennsylvania and California. Not to be outdone, the Breed Standard Committee culminated five years of effort, distributing a voting version of the Illustrated Breed Standard Guide to the membership for review and comment. As one of a group of members who crafted the revised Code of Ethics, I was extremely pleased when the membership overwhelmingly approved it last Spring.

Unfortunately, ALAC Rescue continued to be extremely busy this year. Last I looked there were over 450 Lhasas listed nationwide on Petfinder.com. In May we completed the IRS paperwork to have ALAC Rescue become a separate 501(c)3 charitable trust. Donations to Rescue from the ALAC membership increased from $600 last year to over $1,000 this year. Many thanks to Helen Brown and Deb Leach, National Rescue Coordinators, for their steady leadership and to Beverly Drake for agreeing to take over as the ALAC Rescue Trust Treasurer.

Still to Come

A number of projects are “in the works.” A major revision of the ALAC Handbook is underway. We want to update the ALAC website to provide more information to the membership. A Breeder Education discussion group is forming on the internet. Marsha Susag continues to bring our yearbooks up to date and Carla Varney is in the process of revamping Ways and Means. Naomi Hanson, ALAC Show Chairman for 2005, and her committee will continue to seek out affordable hotels with ballrooms (This gets harder and harder every year!) while also experimenting with ways to partner more effectively with local clubs.

I wish I had the room to name every single ALAC member who has contributed to our club this year… it would take pages! Remember, the officers and board members always welcome your ideas and comments. Please don’t hesitate to email or call us. The best projects and programs often begin with one member perceiving a need that is not being addressed.

Thanks to ALL for all you do!

Leslie

BISS Am/Can Ch. Milehaus Desiderata Serenade

Championship
After earning her Championship and Best Puppy in Show in Canada with Arlene, Sera crossed the border to spend her summer vacation with Carol in the US.

She celebrated her 15-month birthday at the WVLAC Specialty by winning the Sweepstakes then WB, BOW, and BOS over specials for a 5-point major.
At the Brush Prairie Cluster Sera was awarded WB for a 4-point major, BOW, and Best of Breed over 4 specials. The day was made extra special with a Group 1 win. Earning a third major along the way, Sera finished her Championship at under 16 months of age.

Their Winning Streak
Carol and Sera continued their winning streak the following weekend earning Best of Breed over 5 other specials and a Group 4 rosette.
At the CLAF Specialty the next day, Sera was again named Grand Sweepstakes winner. She was then awarded Best in Specialty Show and repeated her Group 4 performance.
We are very proud that all of Sera’s group placements were earned at large shows with over 2,200 all-breed entries.

Sincere Thanks
to the respected judges who made her short summer vacation so much fun:
Darby McSorley, Norman Herbel, Carolyn Herbel, Anne Katona, Joe Walton, and Sari Brewster Teitjen.

Minutes of ALAC Board Meeting  
Saturday, March 27, 2004  
Las Vegas, NV

Board members present: Leslie Baumann, Jan Bruton, Sarah Fitzgerald, Pat Keen-Fernandez, Pauline Naumann, Dana Reid, Bobbie Wood and Tom Worlton. Absent: Joyce Johanson, Ray Sledzik, Ron Crowder, Cassandra de la Rosa, Bev Drake, Susan Giles and Debi Walsleben. Guests: Larry Bruton.

The meeting was called to order by President Leslie Baumann at 2:40 PM. Various items were added to the printed agenda. The reading of the minutes of the previous meeting was dispensed with.

President’s Report
Leslie’s first item of business was to thank Bobbie, Larry and Sarah for producing the “new all color” Bulletin. She also thanked some members who were going above and beyond their job descriptions including Helen Brown, the new Rescue Coordinator who has “hit the ground running”, Carol Hess who has been working on the Futurity, and Linda Crabill, who has been helping Leslie find old photos from the archives for her upcoming presentation at the National. She expressed condolences to Susan Holland, Carolyn Paulsen, Margie Evans and Rune Lysgaard. Popular Dogs has done an issue on Lhasas and Leslie explained there was a mis-quote by her to which the author of the article has apologized. Mary Whiteley has received a good response to her request for participation in her pedigree study. Regarding the Parent Club Conference in Cincinnati in October right after the National, Leslie is planning to attend and there is room for one more attendee from our Club. Leslie also had a letter regarding Crufts. Our National BOB, BOS and Award of Merit winners, beginning in 2004, are now eligible to compete at that show.

Secretary’s Report
The secretary read her report which was included in the agenda. Since November, 2003, several motions have passed including the funding by ALAC’s Health and Education Trust of the first 3 stages of Mary Whiteley’s renal dysplasia research and the Board’s appointment of Polly Naumann to fill the board position vacated by Steve Campbell. There was discussion of the problem of informing the various divisions at AKC of our changes of officers and board.

Treasurer’s Report
Sarah handed out the general ledger and the budget for the current period. There was discussion regarding the accounting of the monies from the National. Leslie brought up the issue of donations designated to Rescue Trust and Health & Education Trust needing to be deposited to those specific checking accounts. Pat asked how many members were adding donations to their dues. Sarah thought about 10% of the members responded by contributing. Pat also wondered if the Wilkes-Benitez fund monies were separated out from the General Fund.

Committee Reports

Awards
Bobbie will be unable to do the awards plaques this year. Her job as awards chairman consists of doing a printer’s list, an owner’s list and the program- all done at once and all can be done on the computer. Leslie suggested that Cheryl Zink would be a good person for the job.

Breeder Referral
Bev’s report to Leslie stated that calls had slowed considerably, one reason being that the web site had been down for about 5 days, and also, if things on the East Coast were similar to the Midwest, for a lack of demand. Bev and Leslie always appreciate hearing from breeders who do have puppies.

Breed Rescue
The committee report was included in the written agenda. Leslie added that the Rescue Trust has had a drain on their treasury and its fund is down to approximately $1700.00.

Breed Standard
Leslie reported that there has been a delay with the photographs for the illustrated breed standard but that Susan has promised to have the material out to the committee members within 30 days. There was discussion on the time sequences and the various steps it would take to get the illustrated breed standard out to the membership for approval. It was felt that the illustrated standard should be in its final form for membership approval, not in the draft form that it is in now.

Bulletin
Bobbie reported that the next issue is almost finished but that she will not be able to do the June issue. Regarding expenses, the last issue was sent out first class which was an added expense - normally it will go out at a bulk rate. The next issue will also be smaller and will weigh less and the binding charge will be less. The question of whether a pre-mailer should go out or not was discussed. Because a Futurity ballot for 2005 was due to go out, it was decided to do a mailing that would include a pre-mailer and the Futurity ballot.

Futurity
Leslie had talked to Susan about putting the Futurity forms on the website. What is needed is a good copy of the form in a pdf file, with the new information (like Carol Hess’

address) on it. It was decided that Jan would send out the Futurity ballot and a pre-mailer all in one fold-over mailing.

Finance
Polly plans to do an audit when Sarah has the books ready from last year's Specialty.

Handbook
So far, most of the committee chairs have sent in their revisions with only a few left to compile. The next step is to reformat the whole handbook on the computer.

Judges' Education
Pat reported that the judges' education program at the National was a success. The committee has been invited to participate in the AKC's advanced Non-Sporting judges' Institute the week before the National in San Jose. Pat notified her committee members requesting their help and is planning for ALAC's program to be presented at the Institute. Pat said that AKC was looking into underwriting the costs of reproducing the various Parent Clubs' programs including CD's.

Measurement Program
In her written report to the Board, Nancy Plunkett stated that she no longer had the time to devote to the committee that it deserved and she felt that the membership's interest was limited. Pat moved, Dana seconded, that the board disband the MCP Committee. The motion (#04-4) passed.

Obedience
In her report, Deanna expressed her concern that the two Obedience Trials at the National continue. ALAC is planning to offer 2 obedience trials at the National in St. Louis. Depending on the entry, this may change in 2005. Regarding trophies of the Non-Regular obedience classes, if Deanna can get a list of them to Pat by May 15th, they can be offered. Leslie asked for a clarification of exactly what ribbons were offered in Obedience. Pat explained the non-regular classes would be the same as last year: graduate, novice, versatility, veterans and, for 2004, brace. The ribbons/prizes are to be Highest Scoring Dog- rosette; Highest Open Utility Combined- rosette; qualifying scores- dark green ribbon.

Ways and Means
Carla has arranged for the National Specialty design to be done by McCartney once again. Pat felt that the income from these special design items of McCartney's should be part of the National Specialty income, not part of the General Fund. The pre-sale of the McCartney items in 2003 was very successful.

Yearbook
The response to the next phase of the Yearbook has been slow, due in part because of the dates being so far in the past. Members need to be reminded of exactly which dogs are eligible.

OLD BUSINESS

Rescue
There is $405.00 in the Rescue Account at the moment. Dana moved, Polly seconded, to transfer $395.00 from the General Fund into the Rescue Fund to give it $1000.00 to work with. The motion (#04-5) passed.

ALAC Website
Jan was interested to know how Susan's meeting with the web-site designer Bernie had gone. According to Leslie, Bernie is working on a brand new format for our web-site that should be easier for Susan to use and maintain. Sarah suggested that Leslie send Bernie a note of thanks and encouragement for all his efforts.

NEW BUSINESS

Foreign Judges on Ballot
Dana reported that Betty Chidley had received complaints from foreign judges for not listing their names on the judges' list. Discussion followed and most felt that it was clear that if you wanted to nominate a foreign judge, you could write the name in. Pat asked if 3 people could be involved in counting the judges' ballots and if a teller's report of the outcome could be given.

Host Club at National
Many of the Regional Clubs do not have the money and the manpower to be a host at the National without getting in over their heads. After much discussion, Pat stated that the show committee should run the National week and if there is a local club in the area, the show committee should invite it to have a specialty in conjunction with the National Specialty. And if there is no local club, then ALAC would do the regional specialty. The regional club (if there is one) would deal only with their specialty day. This way, there is little financial burden for the local club- it can actually make money - all it has to do is put on their show for one day. The word "host" causes problems- the show committee really should not use the word "host" when asking a regional club if they would like to have a show in conjunction with the National. Finally, it was decided to table the discussion until a later date.

Health & Education Trust
It was moved by Sarah and seconded by Polly that Tom Worlton be the new Health & Education Trust Treasurer. The motion (# 04-6) passed.

Nominating Committee
Chosen for the nominating committee were Cassandra delaRosa, Julie Luther and Barb Kelm, with Amy Cross as alternate.

The meeting was adjourned.

At 10½ years, Andy showed the judges and the "young veterans" that a well-bred Lhasa ages gracefully and can still strut his stuff, receiving comments on his movement, level topline and coat along the way from all who saw him.

We thank and acknowledge Bev Drake, Sandra Barker and the Brockways... the dedicated ROM breeders who so carefully crafted his pedigree.
A Bit of Humor

Rules For the National
By Susi Gleffe

Our National is upon us, and although this was handed out to attendees at the Papillon National several years ago, it is still a great reminder and just too funny not to share. Susi Gleffe was the President of the Papillon Club of America and obviously a woman with a wonderful sense of humor!

Dogs must be crated when you are not in your room. You've been provided with a door hanger stating "Dogs In Room Are Crated." Please crate your dogs and use this door hanger whenever you leave your room. Please note that you crate the dogs and hang the sign. Do not crate the sign and hang the dogs. This would not be good.

We have provided you with steel wool to put in your bathtub drain while bathing dogs. PLEASE USE IT. Also, do NOT use hotel towels to dry dogs. Our host hotel has graciously allowed us to bathe dogs in our rooms as long as drains are not clogged with hair and guests use their own towels to dry dogs.

If these rules are not followed, the hotel has reserved the right to withdraw permission to allow dog bathing in rooms and may even refuse to let YOU bathe in your bathroom. The rest of us would not appreciate that, and violators can be identified by the way the crowd parts when they pass through the hallways.

You are responsible to clean up after your dog. Please treat your hotel room as you would the guestroom in your non-doggy mother-in-law's home when you visit with your hairy pals (and dogs) and the hotel grounds as if they were her backyard.

YOU are responsible for cleaning up after your dog and keeping the hotel grounds neat and clean. If you can't abide by these rules, please call your own mother immediately and tell her the show committee won't let you stay unless she joins you at the hotel to pick up after you or she provides written acceptance of responsibility for her slovenly offspring.

Please carry your dog outside to the exercise area if there is any chance your dog might have a "potty emergency," especially if the dog has been crated for a while. There is NO excuse for dogs eliminating inside the hotel building and violators will be reprimanded after they scrub the entire lobby and before being tarred and feathered.

The only areas in the hotel off limits to dogs are the restaurants and bars. Please help us show the hotel that their faith in our dogs' good behavior inside the building is deserved. Not destroying the club's faith in YOUR good behavior while you are in the restaurant and bars and your dogs are not there to watch you will also be appreciated. This does not, of course, apply to everyone, but well, you know who you are.

Senseless barking in the hotel rooms or in the area of the show rings is a big no-no. We must also insist you make sure your dogs are quiet, too. We have a couple of smokers who are sharing non-smoking rooms who have to go outside to light up. They have volunteered to pace the halls, puffing away, listening for the sound of yappy pappys. We have given them permission to take permanent possession of any dogs left unattended that are causing a noise problem. Frankly, we've seen the results of their breeding programs, and they need your dogs desperately. In place of your dogs, you will find a "one size fits all" T-shirt emblazoned front and back with "My Dogs Are The Reason We Can't Get A Hotel To Host Our Next National," which you will be forced to wear as you run the gauntlet of next year's show committee. We know them. Be afraid. Be very, very afraid. We strongly suggest you keep your beloved critters quiet.

Do not let your dogs mark the lawn furniture outside. The Board plans to use these to collapse in after the Annual Meeting and won't take kindly to "wet spots." If you see someone not cleaning up after their dog, please feel free to criticize them loudly and publicly. If that doesn't work, please report the offense to a show committee member so that a public lynching can be scheduled.

Most of all, have fun! That's what we're here for, right!

WEB DESIGN

webdesign@khelangkyi.com
Char-Ru Kermel was established in Cincinnati, Ohio, in 1976. The name was a combination of Charles and Ruth Hayden. Though Ruth briefly bred Poodles, they were soon displaced by the Lhasas, which were her passion for the next twenty-eight years.

For those of you who knew her, I hope sharing my experiences with her over the past twenty-four years will recall special memories of your own.

We both moved to Florida about the same time and kept in touch. She saw my "Tiger", not yet a champion, and bred her "Doobie" to him, twice. The two litters produced eleven puppies, ten of which became Champions. The odd one out was sent to Italy when it was three months old. Three were in the Top Ten. Five are Register of Merit. If this is not a singular record, it is, at the very least, a most enviable one. In the beginning were Mang Mami, Sha-Na-Na, Waggle, Can-Do, Roulette, and Kenny Rogers, BIS, owned by Sy and Evelyn Bigman. Then the newer generations came with Tiger Too, also in the Top Ten, Sally, Roger, and the latest of her venerable line, Willie. Char-Ru made its indelible stamp on the American Lhasa and she was rightly so very proud.

She once told me she was concerned because she would go to the refrigerator three or four times before she could remember why she was there. I told her not to worry because I was a lot younger than she and I did that all the time. She said, Yes, I know, but you've always been that way. Ruth took time to evaluate puppies for me when she had no time. She presented Chad and me with a decanter and a perfume bottle when she found we collected them, quite out of the blue and with no fanfare.

Unless you really meant it, you simply did not ask Ruth's opinion. Once, a friend was bemoaning the fact that she couldn't make ends meet. Ruth told her not to be ridiculous; it was simple—you just bought what you needed, not what you wanted.

The world according to Ruth was truly one of its own. It was not to be challenged nor was it open for any other interpretation. She told it as she saw it. She sugar-coated nothing. She was absolutely honest.

Ruth was my friend. She gave life a grand ride and I am privileged to have shared a part of it.

BETTY CULLEY
I first met Harlene in San Francisco in 1990 in the lobby of the hotel that was holding the National. I had arrived without my handbag, sans any identification, and the hotel would not register me. Harlene overheard my predicament. Though she did not know me from Adam's housecat, she offered her credit card until my essentials arrived with a friend later in the week. From that time, I always looked forward to seeing her at the Nationals and on occasion, Westminster. We would talk frequently on the phone, the lengthy conversations covering everything from food, family, travel and, it goes without saying, all things Lhasa. I'll never forget her trip to the Eukanuba Classic the last time it was held in Orlando, when she arrived, complete with a Tibetan "yurt" to enhance the Lhasa booth — it did, we won 2nd prize. Most of all, I remember her giggle — it made the whole world smile. I am thankful for the memories; I just wish there had been many more years to acquire them.

BETTY CHIDLEY
Under a year old and his second weekend out, Drache, our little dragon, which is what his name means, surprised us by getting two back-to-back Best Of Breed wins from Bred By class. We are so very proud of this boy.

Ch. Kelang-Kyi Ke-Thou

A big Thanks to Judge Denny C. Mounce for starting KT on his way as BOW at the Shreveport KC for his first points. The other member of this great team is Jill Bell, who takes such good care of KT.

Many Thanks to each of the judges who appreciated this fine Lhasa Apso.

KT began showing in April, completed his Championship in July, and won the Houston Combined Specialty in July. Having nothing else to do, he went to Canada where he won two groups in August.

Exclusively handled by Jill Bell and Susan Taylor, KT will be standing there at stud to approved bitches. Private Treaty.

A special Thanks to breeder Patricia Duque, Barcelona, Spain, for sending this lovely Lhasa to Me-Tu.

Thanks, also, to those who have helped me along the way.

In the beginning it was Ricci Andrews and Pat Chenowith, now gone.

Also helpful were Cassandra de la Rosa, Marianne Nixon, Nan Damberg, and especially Carolyn Herbel and Carmen Spears.
