Multiple Best in Show, Best in Specialty Show

CH. SHOWA FANTASTIC WITH PANTULF

Bred by Irene Plumstead, England
Owned by Edith N. Jones and Linda Kendall Smith
Handled by Pat Martello
"Kissy" has fulfilled all our hopes and dreams...

BISS Ch. Chiyoko RA Passionate Kisses, CGC, ROM

(Tall Oaks Star Chaser X Ch. Chiyoko’s Hearts ‘N Flowers ROM)

...wonderful to live with, Multi Best in Specialty,
Multi Group Placing, Register of Merit Bitch,
and a true representative of what the breed is supposed to be.

At age eleven she is still spectacular.

She wowed all in attendance at ALAC National Specialty week
going Best In Specialty from the Veterans Class expertly handled by Lois DeMers
at the Cascade Lhasa Apso Fanciers Specialty.
Thank you Judge Danny Moore for this honor!

"Kissy" is proud to be pure Hamilton

"Beau" excelled in Performance at the ALAC National...

BISS Ch. Ku-Ther’s Classic Platinum, NAJ, CGC

"Beau" was the ONLY Qualifier in Novice A at ALAC’s first Rally Trial, AND, he did it with only 8 DAYS of training. Thank you Judge Ms. Gayle George-Sackett

"Beau" is the ultimate all round dog.

He excels in Conformation, Agility, Rally and is a wonderful companion

Special Thanks to Fran Strayer and Lotes Apsos Specialties for the wonderful Lhasa drawings.

The Lhasa Bulletin is published quarterly by the American Lhasa Apso Club, Inc. It is mailed at Periodical Postage Rate in Redmond, OR. The Lhasa Bulletin is supported by member’s dues, utilizing $6.00 per member per year. Subscription is 3 times annually for all ALAC members. The opinions and views expressed in this publication are not necessarily those of ALAC, the publisher or its advertisers. The advertising space provided in The Lhasa Bulletin is purchased and paid for by the advertiser. The Lhasa Bulletin and its staff are not responsible for opinions and statements expressed in signed articles or paid advertisements. None of the products or services are necessarily endorsed by ALAC.
NATIONAL SPECIALTY 2006
Thanks to everyone for helping make our 2006 National Specialty such a memorable event. Naomi Hanson, Show Chairman, Pat Fernandes, Site Manager and the entire Show Committee did a superb job of keeping things running smoothly. The trophy table, glowing glassware, enhanced by tiny blue fairy lights, was breathtaking!

Ways and Means Chairman, Phyllis Huffstetler offered an array of high quality ALAC logo items. Helen Brown, ALAC Rescue National Coordinator, hosted a fun-filled evening of Lhasa Bingo. Hard-working Carol Hess presided over a well-organized day of performance events. Joyce Johanson and Don Evans, Breeder Education Co-Chairmen, brought us a thought-provoking Breeder Education Seminar with Joyce moderating a panel discussion among early ROM breeders: Marianne Nixon, Dorothy Joan Kendall and Cassandra de la Rosa.

ENGLISH IMPORT BEST OF BREED!
Congratulations to this year’s National Specialty winners! What a high quality entry it was and we appreciated the expert opinions of our judges, Carolyn Herbel, Danny Moore, Keith Kort and Dr. Robert Berndt. Our National Specialty winner, Ch. Showa Fantastic With Pantulf was also Best of Breed at the AKC National Invitational in Long Beach. Kudos to U.K. breeder Irene Plumstead and to co-owners Edith Jones and Linda Smith for sharing him with us. Next year we venture across mountains, rivers, plains and deserts to another corner of this country, Houston, Texas. I’ve got my cowgirl hat and I’m working on my two step. Hope to see Y’ALL there!

THANK YOU!
Before I forget, thanks to Cassandra de la Rosa, outgoing ALAC Board member, for her years of dedicated service to ALAC. We are fortunate that she is continuing to write the Lhasa Apso column for the AKC Gazette.

Special thanks, also, to Sarah Fitzgerald, outgoing ALAC Treasurer. Once she gets over the shock of having empty surface area on her dining room table, I trust Sarah will find the time to continue helping ALAC in one capacity or another. For right now, her insight and keen intelligence will be sorely missed at our Board meetings. Welcome to new Board members Lynette Clooney and Kathy Fallon. Thank you for volunteering to serve ALAC.

ILLUSTRATED GUIDE
Last, but certainly not least...it is true that good things come to those who wait! If you have not already received the brand new Illustrated Guide to the Breed Standard, you should be seeing it in your mail shortly. The final graphic design, courtesy of Marianne Nixon, is exquisite. Every Lhasa fancier owes a deep debt of gratitude to Marianne and to Breed Standard Committee Chairman, Susan Giles, for their tireless attention to detail. Throughout the process, the BSC insisted on getting it not just sorta right or half-right but really, really, really right. Thanks to committee members Steve Campbell, Midge Hylton, Stephanie Kodis, Ray Sledzik and Bobbie Wood. Because of their hard work, this is a document that ALAC members will be able to point to with pride for years to come.

Thanks to All For All You Do,
The Best Is Yet To Come!

Leslie

Multiple Best in Show, Best in Specialty Show
Irish and American

CH. SHOWA FANTASTIC WITH PANTULF

Ch. Orlane's Cousteau at Saxonspring

Matthew is making a name for himself in his debut in the US.
He is a son of Am. Ch. Orlane's Cousteau who went to England to
Saxonsprings Kennel five years ago —
with the agreement of returning a promising offspring back.

"Matthew" finished handily with 4 majors,
and went to live with Pat Martello to be shown in
co-ownership with Edith Jones (of Pekingese fame) and
Linda Kendall Smith.

He has lived up to his promise, winning a Best in Show,
and now going Best of Breed at the National Specialty in
Olympia, Washington under judge Dr. Robert Berndt.

Since the National, Matthew has won two more
Bests in Show!

His first son, Orlane's Easy To Be Me
just won his first-Major, going Best of Breed in competition —
being the same happy, outgoing showman his Dad is!
We think Matthew will be a top sire —
and look forward to seeing his kids in the ring!

Bred by Irene Plumstead, England
Owned by Edith N. Jones and Linda Kendall Smith
Handled by Pat Martello

A National week not to be forgotten . . .

Emmy and Carol started the week by going Winner's Bitch and Best of Winners at the ALAC Regional Specialty under Judge Carolyn Herbel. Emmy’s breeder, Tia McLaughlin showed Emmy to Grand Futurity Winner under Judge Keith Kort.

Emmy placed first in the very competitive Open Bitch Class at both the CLAF Specialty and the ALAC National.

We appreciate all the wonderful comments on this young bitch!

Owner: Carol Hess
A New Champion!

**EMMY**

Emmy finished her championship after the National in style at the Whidbey Island Kennel Club All-Breed Show.

A big thank you to Judge Jan Bruton for awarding her final points.

What an honor!

We are very proud of this beautiful bitch and her many accomplishments in limited showing.

Co-Breeders and Co-Owners: Tia McLaughlin and Ann Lanterman
American Lhasa Apso Club
Regional Specialty - October 17, 2006
Judge: Mrs. Carolyn Herbel

Will he be No. 1, 2 or 3?
We don’t know yet, we have to wait and see,
Because we needed to get this ad in - Quick Smart,
But We know he is ‘Number One’ in our Hearts!

Linda we think you are “Fantastic” too,
For all you have done and all that you do,
To keep the Orlane name alive and well.
For your kindness and friendship, we hope you can tell.........

That we are all really very proud,
and want to shout it out real loud,
.........Hooray! Hooray!
Orlane is back on top in a big way!!

If only that someone special was here,
Let’s hope that he’s watching and how he would cheer,
“Well done kid”, it’s what you deserve
Comes from all of us, both from Heaven and Earth.

Many Congratulations Linda Kendall-Smith,
the reward you deserve for all your hard work through the good times and the bad times,
we could not be more proud and pleased for you.

Best Wishes from your friends
Melissa, Debi, Cheryl, Dea, Goldy, Marsha, Pam, Linda 2, Janet and Victoria

Excellent for high performance dogs, hunting, sporting, agility, flyball, obedience and conformation dogs. Also, for obese, diabetic and epileptic dogs. Barking at the Moon contains no grains, and only one low source of carbohydrates. Barking is high protein sustained quick energy.

The theory of the Atkins Diet is that if you use carbs as a source of energy, the body releases energy slowly. But if you lower the carbs, the body shifts to using fat as a source of quick energy. Also, this helps you to burn calories and lose weight. A molecule of a carbohydrate/glucose (blood sugar) produces 38 molecules of ATP (energy). But a molecule of fat produces 129 molecules of ATP for fast energy.

We gave Barking to several different performance owners for their dogs. In the follow-up, the owners told us that "the dogs went like lightning." Some dogs even beat their previous time records. Heavy grain dog foods use cheap ingredients as fillers. However, this type of diet may result in obesity and diabetes.

These allergic and unhealthy grains are soybeans (also called lecithin) wheat, corn, sorghum and also white rice. White rice is useless and is missing 75% of its nutrient value. White rice is listed as rice in the ingredients. Brewers rice is worse. It is missing 85% of its nutrient value. These are the broken grains of white rice that fall to the floor of the mill and used to be swept into the garbage. Now they are put into some dog foods. Sweepings are technically referred to as "mill run." Solid Gold doesn't use these grains.

Solid Gold uses brown rice in its other dog foods but not in Barking at the Moon. Brown rice contains the B vitamins and other nutrients.

Dogs cannot maintain health, if they are constantly fed low source nutrient grains as mentioned above. When the pancreas must deal with these non-nourishing grains, it produces insulin which drives glucose into the cells for energy. But, overuse of insulin receptors wears them out, this results in chronic hyperglycemia, also called "low blood sugar." This results in large portions of the "sugar" to be stored as fat, resulting in obesity and diabetes. This damages the arterial wall which leads to other osclerosis and heart problems.

If the pancreas keeps having to work overtime, it eventually wears out. You can never give animal/poultry fat to a dog with pancreatitis, since it can't handle it. That is the reason that Solid Gold uses only vegetable oils. However, we never use sunflower oil, which the Swedish National Cancer Institute says that sunflower oil increases the risk of cancer by 69%.

Many cancer and heart problems have an apparent hereditary tendency. However, it may be that poor nutritional habits are passed from one generation to the next. Thus, this may account for the family tendency towards cancer, heart disease and skin allergies.

Barking at the Moon uses only one source of carbohydrates-potatoes. We use only a small amount to hold the formula together.

John Hopkins University epilepsy study recommends to cut out grains to lessen the frequency of seizures. Remember, Barking at the Moon uses no grains.

Cancer and heart doctors recommend a low carbohydrate diet, since cancer cells thrive on carbohydrates.

A mighty oak was once a little nut that stood its ground because it knew it was right.

Solid Gold is the only dog food company that is a member of the Organic Trade Association, the American Nutraceutical Association, the Medicinal Food Association, and the Nutraceutical Foods Association and the Life Extension Association.

Helen Adamo
Obedience ROM
American Lhasa Apso Club
October Board Meeting

ALAC Board Meeting
October 16, 2006
Red Lion Hotel
Olympia, WA

The meeting was called to order by President, Leslie Baumann at 6PM. Present were Leslie Baumann, Joyce Johanson, Jan Bruton, Sarah Fitzgerald, Cassandra de la Rosa, Pat Keen-Fernandes, Naomi Hanson, Polly Naumann, Marsha Susag, Bobbie Wood and Tom Worlton.

Leslie asked for any addenda to the printed agenda. It was decided to call Ray Sedzik for his Delegate Report as the first order of business. Ray explained the controversy over the AKC agreement with Petland to offer instant registrations for puppies bought from this pet shop chain. Eventually after much argument against the AKC’s policy by the dog fancy, the AKC backed down.

Leslie moved to waive the reading of the minutes of the last meeting.

President’s Report
Regarding the renal dysplasia project, there has been a good response to the kits and we are moving forward with that. Leslie has been very impressed with many of the committee chairs including Naomi Hanson, Marsha Susag and Joyce Johanson.

Secretary’s Report
The Secretary’s report consisting of a review of the motions passed and the discussions via e-mail since the conference call meeting in March was printed in the agenda which board members received beforehand.

Treasurer’s Report
Sarah reported that there was $64,000.00 in the Treasury. She has been in the process of moving the ALAC accounts to the bank in St. Louis.

Committee Reports
(Leslie announced that if there is no action on a committee report, we will continue on. All committee reports submitted in advance were printed in the agenda.)

Awards- Bobbie Wood
Bobbie asked for discussion regarding awards for Rally. Leslie felt that a Rally Novice title should be comparable to an Agility Novice title or a CD and that over time it will become more difficult to achieve a Rally Novice title just like the Agility Novice title did. Regarding a Versatility title, a dog would need a conformation title as well as 2 of the 3 Performance titles. Pat suggested that Bobbie, after discussions with participants in the Performance arena, present her ideas and recommendations to the Board. The committee needs to be considering what requirements would constitute a Rally ROM.

Breed Rescue - Helen Brown
Helen submitted an extensive report. Although the breed rescue Treasury had been down, it would appear to be coming back up - helped by the fundraiser at the National. Helen has been involved in some rescue efforts of dogs from the Amish puppy mills in Lancaster County. The rescue community is trying to document the condition of these dogs in order to put political pressure on the Governor of Pennsylvania to shut these puppy mills down. ALAC Rescue will also work with ALAC breeders to place older dogs.

Breed Standard
Quotes for printing the Illustrated Guide were presented and discussed. Bobbie moved, Pat seconded, to print the Guide in color. Bobbie felt that by printing the Guide in color, it presented ALAC in a serious and professional light. Leslie called for the vote and the motion (06-9) passed. The next discussion revolved around the paper quality. Currently, the committee is proposing printing 1000 copies which would mean 1 for every ALAC member plus one for every judge who is approved to judge Lhasa Apsos, Group judges and BIS judges. Polly moved, Naomi seconded, that we do the cover in 80 lb stock and 65 lb stock for the inside pages. Marianne Nixon pointed out that the quality of the 65 lb stock was important. The paper has to be sufficiently opaque so that one side does not bleed through to the other side. The printer should be able to recommend the best choice. Leslie suggested amending the motion to say 80 lb. cover stock, 65 lb high quality glossy inside or better depending on printer’s recommendations. The motion (06-10) passed. Pat moved and Joyce seconded that 1000 copies be printed not to exceed $3000.00. Discussion on the number of Guides to be printed followed. Bobbie emphasized that a sample copy needed to be printed first for approval, to be sent to Marianne. It was decided to revise the number to be printed to 1500 and not to exceed $3500.00. The motion (06-11) passed.
In Memory of
BIS Ch. Tatlisu's Windchaser Tikal

A Christmas Tail from 1997

"Twas the night before Christmas,
And with the close of the shows,
They were tabulating the points,
You know how that goes.

But one name kept coming,
To the front of the pack,
A beautiful Lhasa,
Who would not be kept back.

An unusual name,
Ogli was, that's for sure,
But one that was noticed,
As he rose to the fore.

From hither to yon,
Throughout the year he flew,
Like a miniature reindeer,
He knew just what to do.

But do it you did,
You fought the good fight.
So CONGRATULATIONS to all,
And to all a Good Night!

For month after month,
The dreams all came true,
'Till there was just one thing left,
That old Red, White And Blue.

But just as it seemed,
That the year was all done,
Ogli said, "Hey, just wait!"
I'm not done with the fun!"

Like a rocket he went,
Heads and tails above the rest,
'Till he got that Best in Show,
'Till he aced that last test.

So for Betty and Susan,
And for proud Tiger's love,
It's been quite a year,
It's certainly not been a bore.

Sleep well, Ogli, and as your father before you, God Speed.
Breeder Education - Joyce Johanson
Joyce had nothing new to report except that the committee is looking for new members. The main charge of the committee is to provide a program for the National Specialty as well as timely articles for the Bulletin and the Website. The committee has requested a standing budget of $500.00.

Bulletin - Bobbie Wood
All the premium pages were sold for the current Bulletin. Bobbie is still looking for a person to solicit ads. Sarah reported that the Bulletin is still a little shy of breaking even. Leslie wondered if ALAC should publish only 3 regular Bulletins a year and make the Yearbook the 4th issue. Discussion on the timing of the Yearbook followed. Tom moved that ALAC publish 4 issues of the Bulletin a year, with the 4th issue being the Yearbook. Polly seconded and the motion (#06-12) passed.

Finance - Polly Naumann
Polly thanked Sarah for helping in the transition. Polly's goal is to get reports out that could be published in the Bulletin. This way the membership could see what the expenses and income for the National are.

Health and Genetics - Cathy Marley
No report was submitted but according to Leslie, the most important thing that Cathy did this year was to set up the ALAChealth.org website. The ALAC website is linked to this one. We can solicit funding from the health website 501C3 tax exempt without doing it on the ALAC website. Joyce thought it would be a good idea for members with personal websites to have links to the ALAC website and to the ALAC health website.

Historian - Linda Crabill Byrne
Linda is concerned about the condition of some of the older archives and would like to see a project of conversion to DVD. Leslie is planning to meet with Linda on this.

National Specialty - Naomi Hanson
Regarding judge selection, the first ballot contains the names of all the Lhasa judges and members vote for 10 from this list. Of the top 10 from this ballot, members vote for 4. After determining the top 4 vote-getters, the show chair calls them to see who is available. At this point, the show committee wants to add that if any of these 4 top vote-getters have judged at any part of the National within the past 3 years they are not eligible. From the final list of 4 eligible judges, the members must vote for 2. The top vote-getter judges the National and the next top vote-getter judges the Regional. By making it mandatory to vote for 2 on the final ballot, the problem of "loading up" the result is lessened. Regarding the schedule of the National week, Naomi is going to suggest to the show committee that the 1st day be the Independent Specialty, the 2nd day be the Regional and the 3rd day be the Performance day and the final two days be the National. That way, the Performance competitors will be more a part of the National. Show site possibilities for the future such as Boston, Frederick and St. Louis were discussed.

Ways and Means - Phyllis Huffstetler
The committee has purchased less for the National this year knowing that the entry was less. Phyllis is looking for items for next year and is requesting a budget of $750.00 for logo items. Leslie felt we needed to be able to sell items on line. Pay-Pal is difficult because we are not 501-C3. Money raised by Ways and Means goes to the club's general fund and money raised by the McCartney sales goes to the Specialty fund.

Website - Rita Cloutier
Leslie reported that for the most part, current information is up on the website. Leslie can go directly into the online Breeder Directory and update information. Discussion followed regarding what was needed to make improvements on the website. Tom will join the website committee and make necessary corrections and additions to the site. Leslie felt each committee chair should be responsible for overseeing their respective committee sections on the website.

Yearbook - Marsha Susag
Marsha reported that the Yearbooks are printed and available at the Specialty. It includes 77 ads and broke even. Bobbie and Marsha will work out a time table for the publishing of the Bulletins and the Yearbook.

Health and Education Trust Treasury - Tom Worlton
Leslie asked if Tom had received any communication from the stockbroker who has the remaining Altrea stock. Tom said that all he had received were the proceeds from the sale of 100 shares but he had not received any other mailings or statements.

NEW BUSINESS

2008 National Location - Rita Cloutier
It was decided that the show chair would ask Rita for more information on the Boston site.

NAIA - Jan Bruton
Jan presented 2 letters from the National Animal Interest Alliance and will send copies out for the Board to read.

The Board then went into Executive Session.

The meeting was adjourned at 9:10PM.

Respectfully submitted, Jan Bruton, Secretary
On the heels of a Group 2 (Ed Bivin) and Group 4 (Kenneth Miller) at the Des Moines shows in September, Walker is pictured taking BOS at the 2006 ALAC Regional Specialty.

Thank you, Carolyn Herbel, for this exciting win!
It was a day of surprises for sure since Walker, who hates to have his picture taken, actually cooperated so his mom could have a memento of this win!
With a history of honors at our national specialties (Winners Dog 2003, Awards of Merit 2003, 2004, 2005), Walker (and Joyce) are ready at last for the campaign trail.
Watch for us at the Midwest shows in 2007.

A breeding is planned between Walker and our Ch. Joyslyn’s Secrets of the Heart (Ch. Joyslyn’s Rebel At Heart X Ch. MiToya Joyslyn My One N Only).
Puppies expected in February.

We encourage you to visit our web site, www.joyslynslhasaapsos.com, see our dogs past and present, and take advantage of the many grooming tips, articles, and other resource links available on the site. Links to Walker’s pedigree, more pictures of him, and pictures of his parents are also on the website.
This dog is 4 years old

ALAC Annual Meeting
October 19, 2006
Red Lion Hotel
Olympia, WA

The meeting was called to order by President Leslie Baumann at 4:10 PM. Leslie moved to waive the minutes of the last annual meeting since they had already been printed in the Bulletin. Cheryl Zink seconded and the motion passed.

President’s Report - Leslie Baumann
Leslie introduced the Officers and Board members. She thanked Cassandra de la Rosa as an outgoing board member for her service. She thanked everyone for working together so well during the Specialty week.

Secretary’s Report- Jan Bruton
Since the last Board meeting in March, the Board approved 3 motions as follows:

(Motion #06-6) Joyce moved and Polly seconded that the ALAC Health and Education Trust send Mary (Whiteley) $1000.00 to support further research and testing on Mutation B.

(Motion #06-7) Pat moved and Joyce seconded that if we do have Lhasa participation, then we offer the Top Performing Breed medallions at the upcoming AKC National Invitational Dec. 2-3.

(Motion #06-8) Jan moved and Sarah seconded that the ALAC Board approve the request from the Breeder Education Committee for $500 to cover the costs of the panel participants one night hotel stay during the 2006 National.

Treasurer’s Report - Sarah Fitzgerald
As of October 14th, ALAC has $64,000.00 in our account. The bank account is in the process of being transferred to St. Louis. Dues payments are coming in. The Bulletin is still not in a money-making situation so the Board has decided to print 3 regular Bulletins a year, with the 4th issue being the Yearbook.

COMMITTEE REPORTS

Awards Committee - Cheryl Zink and Bobbie Wood
Bobbie emphasized the importance of reading the awards form and itemizing whatever is being paid.

Breeder Referral
Bev Drake, Leslie Baumann and Pat Keen-Fernandes have received very few phone calls lately. If you have a litter of puppies or are expecting one, let these ladies know. She has had a number of compliments from puppy buyers about ALAC members and how helpful they were. She emphasized the importance of trying to differentiate ourselves (ALAC breeders) from the pet stores, puppy mills and on-line puppy mills through “We Care” policies.

Breed Rescue - Helen Brown
Rescue has had 2 initiatives this year. One is to collect enough data to shut down some of the Amish puppy mills. Approximately 50 different rescue organizations are working on this. Also volunteers are attending Pet Expos to educate the public about puppy mills. In November, Lhasa Rescue has been invited to participate in the National Dog Show in Harrisburg. ALAC Rescue is also offering a referral system to ALAC members for finished champions as long as they are spayed or neutered and up to date on vaccinations. Financially, this was a difficult year for ALAC Rescue. It started the year with $16,300 and had expenditures of $13,500. Fund raising this year has included being part of the “I Give” network, the Cafe Press, Rally to Rescue and Cash for Critters (cash for cell phones and printer cartridges). Some of the members of Rescue have become involved in a program called S.A.R.T. (State Animal Rescue Teams) for disaster relief. Finally, Helen urged all of us to consider estate planning with respect to our dogs - the rescue website has a section on this topic. Leslie also pointed out that the rescue website has a virtual adoption program through PayPal where people who can't foster a dog but who want to help with...

(continued on page 48)
Ch Red Fox's Indian Summer
(Ch Red Fox's Ebony St. Patrick x Ch Red Fox's Star Chilali)

Summer finished her championship with a flourish in East Ridge, TN by taking a group IV the day before she actually finished. Thanks to Judges Indeglia, Smith and Fredriksen for recognizing her special qualities.

Summer was exclusively owner-handled to her championship and will be shown as a special on a limited basis while she continues to grow up.

rescue can “adopt” a dog on-line and send money to help with its care through PayPal.

Breed Standard - Susan Giles
Bobbie reported that at the Board meeting, a printer was selected for the Illustrated Guide and it will be printed in color.

Breeder Education - Joyce Johanson
A very successful panel this week resulted in requests for doing this more often. Leslie asked for volunteers to serve on many of the committees including the Breeder Education committee.

Bulletin - Bobbie Wood
Bobbie expressed her appreciation to all the Bulletin advertisers (and for their timely payments).

Futurity - Carol Hess
Carol reported that the Futurity nomination form is once again on the website. She reminded everyone that nominations are due within 90 days of birth. Litter nominations for 2006 were down from the year before (56 as compared to 71). There were 40 Futurity entries this year which is almost half of last year. If you have litters, please nominate them. She thanked Keith Kort and announced that the judge for next year will be Ron Crowder.

Handbook - Jan Bruton
The new roster section of the Handbook was sent out to all members this Spring. The cost of printing and mailing this was approximately $500. A number of extra rosters were printed and sent to Joyce for new members.

Health and Genetics - Cathy Marley
In Cathy’s absence, Leslie reported that 2 great things have happened this year in Health and Genetics. The first is the renal dysplasia test which is up and running and available from the dogenes.com website. ALACHealth.org, the website for the Health and Education Trust, is also up and running. If any member knows of other articles that would add to the site, please let Cathy know.

Historian - Linda Crabill Byrne
Leslie stated that we are trying to get some of our old video footage onto DVD and that the AKC may possibly be able to help with preserving old archives. Linda thanked the membership for participating in the photo contest.

Judges’ Education - Pat Keen-Fernandes
There will be a small group of judges attending the seminar in conjunction with this year’s National. If the occasion arises where the Lhasa program would be appropriate, please contact any member of the committee and they will assist in getting this AKC approved seminar to you.

Membership - Joyce Johanson
There were 24 applications between October ‘05 and September ‘06. All were approved by the Board.

National Specialty - Naomi Hanson
After the large round of applause died down for our show chair, Naomi reported that next year the National will be in Houston Texas the week of October 21st at the Doubletree. The theme for next year will be “Two-Step to Texas for a Real Sweet Time”. Pending AKC approval, the judges are Barbara Schwartz for the National and Keke Kahn for the Regional, as well as Ron Crowder for the Futurity. Naomi encouraged people to volunteer to work on the National.

Performance - Carol Hess
There were 8 Agility entrants this year with one qualifier, 9 Obedience entrants with a HIT and 10 Rally entrants in ALAC’s 1st Rally Trial - with multiple qualifiers. Carol thanked all who stayed past midnight to help set up for the Agility Trial.

Website
Leslie explained that the website has been re-designed to be in Dreamweaver. Tom Worlton and Leslie both have Dreamweaver on their computers so they can make changes and corrections to the website. ALAC is also hoping (continued on page 50)
Our thanks to Judge Dr. Robert J. Berndt for recognizing Bilbo’s outstanding qualities by giving him an Award of Merit at the ALAC National Specialty in Olympia, Washington.

Online Breeder Directory Notice

Missing from the dues notice this year was a line item that allowed members to participate in the Online Breeder Directory without nominating a Futurity litter. The cost is $25 per club year and your check should be mailed directly to Treasurer: Polly Naumann
13109 Fountainhead Rd.
St. Louis, MO 63138
RviewLhasaaol.com

Being included in the Online Breeder Directory is a privilege, not an automatic right of membership in the club. You must agree to abide by the highest standards of our Code of Ethics and you will be removed from the list should there be an unresolved complaint about you from either an ALAC member or a puppy buyer.

American Lhasa Apso Club
Annual Meeting

to have some of the Ways and Means logo items for sale on the website. If members have high quality photos of their Lhasas, send them to Pat Keen-Fernandes for possible inclusion on the website. Also, it is the committee chairs’ responsibility to monitor their committee’s section on the website.

Yearbook - Marsha Susag
The 2003-04 Yearbook has been printed and is now for sale.

Health and Education Trust Treasury - Tom Worlton
There is a little over $2000 in the H & E Trust Treasury plus 100 shares of Altria stock.

Election Report
The results are as follows: There were a total of 139 ballots returned, including 32 family ballots. Of these ballots, 10 were disqualified - 7 for non-payment of dues and 3 were invalid because of voting for more than 3 directors. Results are President Leslie Baumann (119), Vice President Joyce Johanson (122), Secretary Jan Bruton (125), Treasurer Polly Naumann (120), Board of Directors 3 Yr. Term Lynette Clooney (118), Kathy Fallon (117), Barbara Wood (113) and Tom Worlton (86).

Old Business - none
New Business - none

The meeting was adjourned at 5:20 PM.

Respectfully submitted,

Jan Bruton, Secretary
To all Lhasa Apso and Shih Tzu Breeders
From Dr. Mary Whiteley

Research involving pedigree studies and analysis of the gene for JRD in three other breeds has uncovered another mutation in the same gene that was studied in the Shih Tzu and Lhasa Apso breeds. Within the other three breeds alleles A and B were present, but there were some dogs with JRD that did not have either mutation but still had JRD. This meant that there appeared to be another mutation either in the current gene, or another gene that participates in the renal dysplasia disease process.

DNA sequencing from these new breeds revealed another mutation in the same gene as the one that has alleles A & B for Shih Tzu and Lhasas. Upon further investigation, we have also located this mutation in the Shih Tzu and Lhasas. This new mutation is much stronger and has serious consequences to the gene’s ability to function correctly. Because this mutation appears on the same chromosome (and the same gene) as the mutations that we have been testing for, but was not picked up earlier in the research, we are re-testing all of the dogs that were submitted in the research study and those dogs that have been tested for A & B earlier this year.

The high frequency of A and B in Shih Tzu and Lhasas appeared to be the defect we had been looking for with JRD. However, by researching the other breeds that have entered into the study that also have JRD, it was discovered that these dogs had a lower frequency of A & B and in fact only one of those breeds had mutation B. It appears that this new mutation is inherited with the A and B alleles most of the time, and therefore the overall frequency of the disease causing mutation and the genotype (diagnosis) should not change significantly. However because of the work in all the breeds we believe that the new mutation is the actual defect. We have developed a screening test for this mutation, and are in the process of validating this assay. What does this mean to you:

1. All of the animals tested so far will be screened for this mutation at no cost, and the results will be reported to the owners.
2. In the future only a single genetic test will be required for the inherited defect for JRD. From this test, breeding strategies can be determined to eliminate the chromosome with the mutant allele.
3. Those people who have paid for A & B will get a credit of one test to use in the future.

Please allow us a few weeks to re-test and report results to the breeders. Those people waiting for results should get theirs within four weeks of the test being validated. We appreciate your patience and understanding. We will continue to strive to do the best research we can for the breeders.

Information on the JRD test can be found at the Dogenes website: www.dogenes.com

C'est La Vie!

Winning Best of Breed at the ALAC Regional Specialty and Best of Opposite at the ALAC National under breeder/judges was the confirmation of every win C'est la vie has had in her career. What an honor and what fun!

"It's all about me!" That is C'est la vie's motto inside the ring and outside. She not only exudes energy in the ring, she has fun and the crowd can see and feel it.

C'est la vie, to us, exemplifies breed type as described in our standard. She also exemplifies the word "special", giving her heart each time she enters the ring.

It was bittersweet walking into the National Specialty ring that last time on Friday, knowing it was her retirement show. C'est la vie knew something special was happening. She was solid as a rock, holding every stack and not breaking gait once (which she loved to do) She showed everyone there what it takes to be a winner!

We would like to thank all the judges who have rewarded her and praised her throughout her career. We would like to thank all our friends and C'est la vie's fans who have supported her. And mostly, we would like to thank C'est la vie for giving us happy memories and fun times!
