The Lhasa Bulletin is published quarterly by the American Lhasa Apso Club, Inc. It is mailed at Periodical Postage Rate in Redmond, OR.

The Lhasa Bulletin is supported by member’s dues, utilizing $6.00 per member per year. Subscription is 4 times annually for all ALAC members. The opinions and views expressed in this publication are not necessarily those of ALAC, the publisher or its advertisers. The advertising space provided in The Lhasa Bulletin is purchased and paid for by the advertiser. The Lhasa Bulletin and its staff are not responsible for opinions and statements expressed in signed articles or paid advertisements. None of the products or services are necessarily endorsed by ALAC.
When I started in dogs 33 years ago, my goal was to breed top quality Lhasa Apsos that were easy to live with (my first pet was not) and true to their heritage as a hardy mountain breed from Tibet. I never had any ambition to become President of ALAC. There were “powers that be” and I certainly did not consider myself one of them! So, first and foremost, I want to thank the members of ALAC for giving me the honor of serving them and the breed these past four years. I am proud of what the club has accomplished but it is time for me to get back to my life.

Being President of ALAC means that the AKC returns your phone calls but other than that, frankly, there is very little upside to the job. No salary, no pension, no health benefits and no vacation. I have given up time with my dogs, time with my family and time with my friends in order to keep the ALAC “train” running. I have been so busy at the National Specialty these past few years that I’ve had little or no chance to meet new members nor sit down and catch up with old friends. Don’t get me wrong, being President has been a remarkable experience...I learned a lot...but it is time for new faces and new ideas. I truly look forward to handing over the reins to Lynette. I have no doubt that she will do a great job leading ALAC in the years ahead.

Because the Officers and Board members of ALAC are so busy with the day-to-day business of the club, it is very easy to become cut off from the membership. When this happens, communication breaks down. It is a common failure in an all-volunteer club, especially one spread out across the country like ours. However, in all the years I’ve been on the Board, I’ve never seen ALAC turn away from positive leadership nor turn down a good idea.

As I leave office, I continue to see communication as being the most important on-going challenge to our club. We must keep the Bulletin strong and vibrant while encouraging more members to contribute articles. In addition, I believe it is time for the Board to make ALACOnline accessible to ALAC Chairmen so they can directly disseminate information to the membership. We should also consider offering a moderated email list where all members can share, politely and respectfully, information on what is happening throughout the country. While we’ve made progress updating the website this year, thanks to the work of Tom Wortlon, there is still more to do. For instance, many parent club websites have a member’s only section where they publish meeting minutes, post names of applicants for membership and offer classified ads.

We need to continue to produce Treasurer’s reports on a regular basis so the membership will understand our current fiscal challenges, particularly those related to the Bulletin and the National Specialty. We must change our IRS status so we have more revenue-generating opportunities. Right now, our tax status prevents us from selling ALAC logo items on our website! Above all, if we truly believe in the “betterment of the breed,” it is time to join the vast majority of other parent clubs in developing an anonymous health and genetics database. While we are blessed with a remarkably vigorous breed, what better gift can we give to the future than a compilation of unbiased knowledge about the health issues that we are encountering today? How else can we prevent a rare problem from becoming a major threat if we don’t know the problem exists?

ALAC is OUR club. No one person “owns” it. It belongs to every single one of us. Besides Officers and Board members like Naomi Hanson and Polly Naumann, who toil long hours on behalf of our club, ALAC belongs to volunteers like Carol Hess, who keeps the Futurity on an even keel; it belongs to Phyllis Hufferdtier, our wonderful Ways and Means Chairman; it belongs to Janice Tilley, Finance Chair; and it belongs to Cathy Marley, who created the Health and Education Trust website.

ALAC belongs to Bev Simms and Cathy Sarantis who volunteered to help with the Raffle; it belongs to Leslie Pesic who volunteered to organize Meet The Breeds in Long Beach; it belongs to Robin Fisher, this year’s Agility Trial Chair; it belongs to Linda Jarrett who stepped up to organize the photo contest; it belongs to Sandy Copeland working long hours on the catalog ads; and it belongs to my old friend, Cheryl Zink, who quietly handles the awards forms with diplomacy and aplomb. ALAC belongs to members like Ann Lanterman and Sarah Fitzgerald who have served with great dedication in the past and it belongs to those who step forward to help set the future direction for the club: Bud Brockway, Don Evans, Dorothy Kendall and Sherry Swanson.

ALAC belongs to Helen Brown, Meredith Morris, Linda Smith, Vickie Kuhlman, Bev Drake and MANY more who give their time and their hearts to rescuing and rehabilitating homeless Lhasa Apsos. It belongs to the intrepid band of obedience and agility exhibitors who have helped with our National Specialty performance events year after year: Deanna Maxwell, Kathy Rupprecht, Ron and Sharon Hershman, Becky Hughes, Barb Corbett, Carol Hess...to name just a few.

ALAC belongs to the many volunteers who travel at their own expense to represent our club at national events and symposiums. Marsha Susag attended the AKC Parent Club Conference this year and Nancy Roseberry will be going to the AKC Canine Health Foundation Conference. Ron Crowder, Bobbie Wood, Cindy Butsic, Boni Ives, Diane Selmer, Nancy Plunkett, Carla Varney, Amy Andrews and Cheryl Jozwick all took time from their busy schedules to help with Judges Education programs.

Thanks to Pat Fernandes, this year we expanded our highly regarded JEC presentation to stay in compliance with new AKC guidelines and we instituted the JEC Mentor Program. There would be no Illustrated Guide without the vision of Susan Giles and Marianne Nixon; no Bulletin without the hard work of Bobbie Wood, no Yearbook without Marsha Susag and no Gazette column without Cassandra de la Rosa. ALAC is a better organization thanks to the effort, experience and insight of ALL these wise and wonderful ladies. They follow in the great tradition of dedicated members like Midge Hylton who will be so greatly missed at the Nationals this year.

Above all, ALAC belongs to those Lhasa Apsos breeders, no matter what “line” they are working with, who contribute to the best interests of the Lhasa Apsos by participating, respectfully and positively, in our on-going “conversation” about the breed. To keep ALAC strong, I trust we will never stop learning and growing in order to produce Lhasa Apsos of superior quality, generation after generation...Lhasas that are hardy and smart, sensitive and wise, and totally true to their ancient Tibetan heritage.

As always, thanks to you all for all that you do.

Ch. Rushmar's Drago

Racke is the type of dog we've waited years for. First two shows at 6 months of age, he went BOB. Dracke's breeding and Quality has already shown through in his puppies. First dog shown from his first litter finished in two weekends... Way to go Ch. Rushmar's Charmer.

Surprising us at her first show. Eve got her first 5pt major.
Second day Eve got her second 5pt major from 12 to 18 month class.
She is only 15 months old and we think this is a great way to start her career. Two days two majors.
Eve finished with 2- 5pt majors, 1-4ptmajor, and 2 singles.

Rushmar’s Charmer

At just 16 months, Buzz made us very proud. He went with Lois for a 5 day show. Buzz got in the swing of things by getting WD the first 3 days AND THEN Saturday and Sunday went BOB over specials to finish his first weekend with 12 points! Thanks to judges Beverly Capstick, Ed Wild, Lawrence Stanbridge and a very special thanks to William Bergum and Rod Hubenthal for the breed wins. Last but not least, to my wonderful handler Lois DMers.

Thank you Lois for handling this boy to perfection. Watch for Buzz in the specials ring next year.
