EDITORIAL:  By: Cheryl Hueneke

Are we fulfilled with our participation in and contribution to our chosen sport of dogs? If our answer is no, perhaps now we should ask ourselves WHY? Is our Club achieving, and are we, ourselves, attaining our ultimate goal? Are we setting an example for our new members; a precedent for them to follow? Have we made any suggestions for the betterment of the Club, and have we volunteered for anything, lately? Making a go of the activities planned by the Club is up to every member.

Let our Club be unlike so many others, propelled by dynasty and self-perpetuation. We, the members of the American Lhasa Apso Club, are the only ones by which the strength of our Club can be increased. Try it. The rewards in personal satisfaction are great!

DID YOU KNOW?  The first dog shows in the U.S. were held in Chicago, Illinois and Memphis, Tenn. in 1874. Both featured only two breeds of dogs: Pointers and English Setters.

Definition of a True Friend: One who will come spend the night with the dogs you leave at home, when you show on a weekend.
GENERAL MEETING HELD AT THE FIFTH AVENUE HOTEL, APRIL 26, 1970

Opened at 4:30 P.M. by President Ruth Deck.

Roll call was taken and the following 19 members were present: Anna Griffing, Ruth Deck, Dorothy Benitez, Cheryl Hueneke, Betty Gnuse, Brenda O'Donnell, Constance Jordan, Barbara Soldo, Arlene Bloch, Richard Bloch, Sheila Abrams, Bernadette MacDougall, Marge Patzer, Lee Bakuckas, Betty Miller, Raena Wilks, Al and Mary Likewise, George Montgomery.

There were five guests: Alan and Marcia Meltzer, Frank Soldo, Robin Abrams, and Herman Hueneke.

READING OF MINUTES: The minutes of the last meeting, held February 8, 1970, were read, and corrected to read as follows:

A motion was made by Mary Likewise, seconded by Raena Wilks, that Dorothy Benitez remain as Keeper of the Records. Anna Griffing made a motion, seconded by Raena Wilks, to accept the minutes.

Cheryl Hueneke reported for Dorothy Benitez that there is a balance of $2,927.46 in the treasury as of 4/26/70. Raena Wilks made a motion, seconded by Anna Griffing, to accept the Treasurer's report.

REPORTS OF COMMITTEES: Marjorie Patzer reported food is under control for the Trenton Specialty. Since the Trenton Show is held on state grounds, no hard liquor will be available; but beer and soft drinks will be served. A motion was made by Al Likewise, seconded by Raena Wilks, to eliminate all hard liquor from all future Specialty shows. There will be a tag available to members, and to exhibitors. Donations will be asked from non-members. Al Likewise suggested we have a Lhasa cover, as people would think it was a concession. Frank Soldo stated he will make a sign to hang over the tent; Ruth Deck will contact Allan Lieberman about the cloth for the table; and Raena Wilks will try to get another cloth.

Dorothy Benitez suggested flowers for the table, and gifts, of approximately $10.00, to each of our judges. Al Likewise said: a gift should not be required to a judge who is receiving a fee. Dorothy Benitez stated that the Club had always given a small gift, as a token of appreciation. A discussion was held, and a motion made by George Montgomery, seconded by Barbara Soldo, to give the judges a gift of approximately $10.00, more...
and a corsage to our Futurity Judge. Richard Bloch suggested that a plaque, suitably engraved, would be in order, and Raena Wilks suggested a ceramic Lhasa to our Futurity judges. Ruth Deck said that for future shows, perhaps this would be agreeable.

Al Likewise reported on the By-Law Committee, and stated that authorization for mimeographing had not been received, to send out letters to members for their ideas. Dorothy suggested 3 people go to the AKC and find out where they object to our present By-Laws. Al Likewise said this had been done. George Montgomery made a motion to change the By-Laws to conform to the model of the AKC, submit it to members, and the ones who object, work on the Committee. A discussion was held, and Constance Jordan suggested someone be elected to study the By-Laws. Ruth Deck stated Al Likewise had been appointed to do this and that changes must be submitted to the Board of Directors first, then to members, since ideas from all members might result in controversy. George Montgomery amended the motion to read: Have the proposed By-Laws conform to the model of the AKC, submit it to the Board for approval, then to members. Constance Jordan seconded the motion.

UNFINISHED BUSINESS: There was a discussion regarding the match show, and Al Likewise stated there had been a motion on record to have a Spring Match. Arlene Bloch reported she had a date set for the Match; but was informed by Ruth Deck, this would conflict with our general meeting. Constance Jordan made a motion to have the Match Show, originally scheduled for spring, held in September, or to rescind the original motion to have a Spring Match. It was stated there was to be a spring match; and the original motion could not be rescinded, since the person who made the motion was not present. Ruth Deck explained that the AKC must OK a sanctioned match one month in advance, and there had not been enough time for this to be done. It would have brought the date too close to our Specialty Show. Plans for the spring match would be started earlier in 1971. Richard Bloch made a motion, seconded by Barbara Soldo, to drop the discussion on the spring match.

Ruth Deck said she had a number of phone calls from members who stated they would like to see the Match held in September, more...
rather than August. Raena Wilks suggested the Match be held no later than September 30th. After a discussion regarding a match show committee, Richard Bloch stated members do not know what each committee entails, and made a motion to have the duties of all committees listed. Al Likewise seconded the motion. Constance Jordan agreed to be the Committee Chairman for the match. It was suggested that Whaley High School, Middletown, N. Y. be used; but no facilities or parking would be available. A motion was made by Barbara Soldo, seconded by Raena Wilks, to hold the match at the Ryland Inn, Rt. 22, Whitehouse, N. J., on September 13th.

After a discussion, Constance Jordan rescinded the Committee Chairmanship to Betty Miller, Marjorie Patzer, and Lee Bakuckas; and agreed to be Trophy Chairman for the Match. Raena Wilks made a motion, seconded by Dorothy Benitez, to always have the match in the middle of September. Richard Bloch made a motion seconded by Raena Wilks, that all Committee Chairmen report by a date, designated by the President, their findings of that Committee.

NEW BUSINESS: Anna Griffing suggested meetings be held every other month, since our membership is getting so great. There was a discussion on this, and a motion made by Raena Wilks, seconded by Arlene Bloch, to have meetings every other month at the Fifth Avenue Hotel, New York. Constance Jordan suggested name tags be used at the meetings. Ruth Deck stated meeting dates would be arranged so as not to conflict with dog shows.

Ruth Deck suggested a canister be put on our table at Trenton for the "Skippy Fund." A motion was made by Raena Wilks, seconded by Mrs. O'Donnell, to have this at the show.

Dorothy Benitez has ordered 200 books, written by Frances Sefton, about the Lhasa Apso, which are quite informative, and will be available to the membership at $2.00 each.

Raena Wilks suggested that Match and Specialty money be kept down by the purchase of ceramic pins, ash trays, etc. Al likewise made a motion, seconded by Richard Bloch to buy monogram glasses in lots of a dozen.

The meeting was adjourned at 6:25 P.M. on a motion by Barbara Soldo, Seconded by Dorothy Benitez.

Respectfully submitted, Cheryl Hueneke, Sec'y.
ANNUAL SPECIALTY SHOW AT TRENTON, N. J. MAY 3rd, 1970:

Held in conjunction with the Trenton Kennel Club, there was an entry of 113 Lhasa Apsos! Some had come from the West Coast and the Mid-West. Since the East Coast breeders do not get many chances to see these dogs, we were all pleased to see this turnout of absolutely beautiful Lhasa Apsos. We hope these breeders who took the long trip to come out here, were also pleased to meet and talk with us and to see some of our Apsos. In spite of miserably chilly and damp weather, a general spirit of good humor and good sportsmanship prevailed. Of the 113 entry, 21 were Best of Breed Winners!!

That great lady of Lhasa Apsos, Mrs. Grace Licos, had graciously consented to judge our Futurity, and flew here especially for that purpose. Her placements are as follows:

                          2nd:  CHU SHU'S RED BARON, owned & bred by Mr. & Mrs. Alan Stang.

Orchids to Marjorie Patzer, Betty Miller and Lee Bakuckas for organizing and providing such an adequate amount of delicious food, and a seemingly unending supply of hot coffee. There was also a beautifully decorated cake, which was donated.

Paula and Allan Lieberman are to be congratulated on a most resplendent trophy table. I am sure all of the winners are grateful, but the Club should be most grateful. All of this takes so much work, planning, and so many, many hours, all that we see is the beautiful, finished result. Applause! Applause! for the Liebermans.

A total of $10.25 was received at the Trenton Show for our "Skippy Fund." We thank those who have contributed.

PLEASE NOTE: GENERAL MEETING -- JUNE 28th -- FIFTH AVE. HOTEL will be held in the JADE ROOM, same as the April meeting. I hope we might have a few more members present. I know it is a poor time of year for N.Y.C., but we need a lot of discussion about our Match. We are a growing, active Club, and participation is needed by all of us. Anyway, it is fun to exchange ideas, and work the whole lot of fragmented ideas into a good, strong whole. I am sure that we can keep growing into a recognized Breed Club, but it takes everyone truly interested in our lovely breed, to accomplish this. I am even coming down from Maine -- a real sacrifice --.

REMEMBER: JUNE 28th, THE FIFTH AVENUE HOTEL (11th St. & 5th Ave.) NEW YORK CITY. THE ROOM IS RESERVED FROM 4 to 7 P.M. THE JADE ROOM -- THAT IS --
BITS & PIECES: At the close of the April 26th meeting, Dotty Benitez showed some very interesting pictures of the old Hamilton dogs -- beautiful Tatsienlu, who is in everybody's pedigree -- a breathtaking picture of Ch. Hamilton Torma -- she was a most lovely red-gold. One especially interesting picture was of the Dalai Lama, with a favorite dog. It looked a little larger than most of our dogs, a rougher coat, also. But a lovely head and expression. There were many pictures, all eagerly passed around and examined. I hope we can persuade Dorothy to bring them to a larger meeting, perhaps in February, so that more members could see them. Thank you, Dorothy. As always, you contribute so much to our pleasure in, and understanding of, our breed.

Do you all know that the pair of Lhasas on our cover are LE and PHEMA, the last of the dogs sent from the Dalai Lama to the Cuttings? They were sent in 1950, and both became Champions. Phema never bred, but Le is in a good many of our pedigrees.

The votes for the judge for the 1971 Specialty in Trenton were counted at Trenton this year, and I am sorry that there were only 63 votes returned. Eleven were for Mr. Landgraff, who will be our judge.

COMING EVENTS: THE ROBERT GRIFFING MEMORIAL MATCH will be held at the Ryland Inn, on Rt. 22, Whitehouse, N. J., on September 20, 1970. Our hoped-for date of Sept. 13th, was not available. Sept. 20th was as near as we could get. The Trophy Chairman is Constance Jordan, 110-20 71st Road, Forest Hills, N. Y. Please send trophies to her and let us give her our wholehearted support. Letters have been sent to the proposed judges, and the replies should be in, in time for discussion at our next meeting. There will also be Junior Hand ling at the Match.

From our Judge:

509 Franklin Tnpke.
Allendale, N. J.
May 6th, 1970.

Dear Mrs. Deck:

I wish first of all to thank the Officers and members of the American Lhasa Apso Club for their thoughtful gift, and also express my appreciation for the great work done by the stewards and trophy table. Such expertise makes it a pleasure to judge in a ring. The size of the entry made the day seem less cloudy than it was and the over-all quality, indeed, made the sun shine through the overcast sky. I once judged your match show and was told, at the time, it was the largest ever and I am now told that this was the largest entry of Lhasa Apso anywhere. I consider this quite a compliment.

Over all I feel quality has shown a marked and steady improvement, shoulders are better set on than they used to be and there is less paddling. The one suggestion I have to make is that more attention be paid to bite. I found a marked tendency to bad mouths and too much undershot. Slightly undershot is of course permissible; however, I found it excessive on a number of dogs.

Wishing the Club bigger and better shows in future years, and of course, better weather,

Sincerely,

(Signed) Cyril Bernfeld

ANNOUNCEMENT: Mrs. Judy Doty (Eastcroft Reg.) and Mr. Dill H. Werley, Jr. were married Mar. 14. At Home: Apple Lane Dr. RD#4, Bradleys Corners, Middletown, N.Y. (With room for Lhasas)
CORRESPONDENCE: A new member, Consuelo Hills, from Ipswich, Mass., sent in the following delightful excerpt from a book on China, by Kates, called "Years that were Fat" published by MIT Press.

"One other creature joined this small company of a student bachelor with his two servants, a little dog so wise and graceful, so unreal, that at times it seemed as if he were one of the traditional sculptured lion-dogs come to life. He was indeed a lion-dog, and the breed had come from Lhassa; so his forbears had been Tibetan. Erh Niu was his enigmatic name. It meant merely 'Bullock Two,' or else 'Bull the Second.' Perhaps he had been called a little bull because someone had fancied a resemblance; perhaps there had also been a number of puppies in his litter, and as is the Chinese custom, they had all been numbered. In China, even children are named in this way; and I was later to meet a man of distinction whose name was 'Cloud Five.' The four elder cloud brothers are less well-known.

"Erh Niu had an excellent pedigree. He had been presented to a China-born foreign woman by a eunuch of high rank living in retirement at the Eunuch Temple - as we called it - an elegant and well-administered establishment near the Eight Precious Hills (where the Westerners played golf). Eunuchs solaced themselves in their old age, when most of them become noticeably frail, with their pets; and they are known always to possess the best of the breed.

"This dignified miniature bullock, with his thick silken coat of several tawny colors, and long hair forever concealing his eyes, was generously ceded to me after I had once admired him, and then came to spend his existence in my own court-yards. For the first few days he crawled under low furniture whenever possible, and was generally miserable. Yet this wore off nicely, and Hsu-the-Glorious, who had a quick taste for everything living, from pet crickets (which he kept in little wicker cages over the kitchen stove) to the passing monkeys in street shows, and who was much more interested in my new acquisition than the Confucian-minded Wen-Pin, soon loved Erh Niu with a devoted admiration that the dog found frankly satisfying.

"He responded to such a degree that even when he was being bathed, bedraggled and with his wet head shrunk to squirrel-like proportions, all his fur drenched and soapy, he knew..."
that Hsu Jung was doing what was proper. The daily combings to fluff out his fur became highly comical; Erh Niu took interest in telling us, stroke by stroke - with extra whimpers ad libitum - just how it was going.

"My teacher definitely did not approve of too much interest, and even less of any ecstacies. In his fixed tenets any such inordinate love of beasts was undignified for man. It was merely one more proof of Western frivolity. So there was an exchange of recognition between himself and the dog, with a mutually intended distance left between them.

"Erh Niu took his duties seriously. He was often bored, to the point of heaving repeated sighs when life was dull; and he expressed a knowledge of gradations in rank and intimacy that I have never seen in any other animal: men before women, Chinese before foreigners, eunuchs, of course, above all, and finally my friends before casual acquaintances.

"How he sensed my boredom on those rare occasions when a half-stranger had to be shown the house was a mystery; yet after such a visit he was always completely aware of my relief to be free again. When a eunuch toddled in on a formal call, or when the tall old wine merchant, my landlord's intermediary (whose shop was nearby at the rear gate of the Imperial City), arrived for some visit-of-affairs, Erh Niu's pleasure was so great that he would actually crawl under their robes, trying to lie flat and quite concealed. Only with difficulty could he then be extricated.

"Yet if some Westerner, fresh to Peking from a tourist ship, armed with a letter and passing through for a mere five days, came by hired ricksha from one of the big hotels, to have a cup of tea, Erh Niu's violent barking could only be stopped by his physical removal to the kitchen, in the arms of the secretly delighted Hsu Jung. Then, when the visit was over, and the faded red door of my outer barrier gate had banged shut of its own weight after the departing guest, an invariable and quite complicated ceremony would begin. First the dog would leap wildly over the two intermediate thresholds to rejoin me as I was returning to my inner courtyard, kicking his legs backward and steeplechasing over the high Chinese sills. A ritual of purification followed, round and round the court, as vigorously as he could run and in the largest possible circles, stopping only to cough up the hair he had caught in his throat. The same circling, with renewed...
scrambling, would be resumed a time or two further. Finally, he would come to me, and stretching himself by a sweeping bow, very low in front, regard me from under his mop of hair as if clearly to say: 'You really give me almost more than I can bear; yet, as you see, I perform it!' He would then trot promptly to a comfortable corner, his duty done, and subside, incredibly flat, his head glued to the ground. A final sigh or two, and we savored domestic peace, as I resumed work on a Chinese lesson and life returned again to proper tranquility.

'Hsu Jung not being Confucian, cared much less for appearances than did Wen-Pin. So he continued to adore the dog, and many times solemnly told me with an air of deep belief that the animal understood everything and could do everything, except sneak. On Chinese holidays he dressed Erh Niu's hair elaborately; and over the years a variety of pigtails and topknots appeared, often resembling the tight wool-bound brushes or erect fronds on small children's partly shaved heads, as the Chinese love them. I would often know of a morning that some feast day had actually arrived because Erh Niu would appear, trotting self-consciously beside my morning bowl of tea, decorated with perhaps several high tufts, tight bound in bright-red or cochineal-pink wool.

'The dog took all this as his due; it was we who were the animals if we did not concede him his dignity. He had only one race of natural enemies - the marauding cats. If one of these silently appeared on the curving roof, he would break into a fury of barking. Mistress Cat would usually look silently down in disdain, then walk composedly to some other place.'

LOVE IS by Thornton Wilder: Many who have spent a lifetime in it, can tell us less of love than a child that lost a dog yesterday.

The Greater Detroit Lhasa Apso Club asks for your support

The Lhasa Apso Club of Greater Detroit has been formed because we feel the time has come, due to rising registrations, to do something in an organized, concrete form to publicize this delightful breed in our area and to give help and moral support to the novice breeder and exhibitor.

Toward this aim we have chosen to support the entry at the Progressive Kennel Club of Detroit show to be held OCTOBER 4th, 1970. This show usually has a major in Lhasas. It is to be held indoors and is benched. The judge is to be Mrs. H. Hardin of Warsaw, Mo., and Progressive has scheduled our breed to be judged after lunch. This will give us an excellent opportunity to meet and visit with people that we would not normally see.

We hope to be able to present a premium list with beautiful trophies in all classes. If you wish to help us in our first venture, donations and entries would be most gratefully accepted.
