SPECIAL ANNOUNCEMENT—Christmas party. Let us all try to get into a good Christmas spirit, even try a little loving kindness. Lhasa Apsos are full of love, just like Christmas. At five o'clock, on Dec. 5th, let's tip an early Wassail Bowl, and engage in a little foolishness. The Gateway Motel welcomes dogs; it is not far from the Camden Show at Pennsauken, so we hope this might be an incentive to some members to join us, stay overnight, and not have far to travel the next day.

GATEWAY MOTEL, ON U.S. HIGHWAY 202, ACTUALLY THE MOTEL IS RIGHT AT THE 'SOMERVILLE CIRCLE' RIGHT WHERE 22 and 206 MEET AND THEN GO THEIR SEPARATE WAYS. EASY TO FIND. RARITAN, N.J.

We decided to ask everyone to bring a gift, about a $2.00 one. We are going to have festive food and drinks. Please don't stay home because you don't have transportation. Busses run from New York to Plainfield, Dorothy Benitez will pick people up there; just call her, 201-756-6292. Ruth Deck will pick up anyone in Morristown, busses run every hour from New York; call 201-895-3566. Come on, everybody.....

At a match show in Portland, Oregon, a little girl was asked what breed of dog she was holding, she replied, "A lot of Apples." Of course it was a Lhasa Apso.

ATTENTION MEMBERS: Please send a listing of your puppies for sale to Dorothy Benitez, 139 Garden Dr., S. Plainfield, N.J. 07080, as the Club is running an ad in the Sunday N.Y. Times, offering information on our Breed to the public.

At the annual meeting in February, the following people were nominated to judge our 1971 Futurity to be held in conjunction with the Trenton Kennel Club Show, May, 1971

Phyllis Marcy
G. Montgomery
Al Likewise

The only acceptance was Phyllis Marcy, who will be our judge, pending approval by the A.K.C.
GENERAL MEETING HELD AT THE FIFTH AVENUE HOTEL, OCT. 18, 1970

Opened at 4:45 p.m. by President, Ruth Deck.

Roll call was taken, and the following 13 members were present: Raena Wilks, Barbara Soldo, Sheila Abrams, Claire and Victoria Eisen, Edythe Fishbach, Joel Fischbach, Mr. and Mrs. Melvin Rohr, Ann Griffing, Frank Soldo, Robin Abrams, Marna Wolf, Don Roy and Jane Eisen. were guests. Dorothy Benitez and Cheryl Hueneke, members, were also present.

REPORTS OF COMMITTEES: The report of the Board of Directors meeting, held in conjunction with the Robert Griffing Memorial Match, on September 20th, 1970 was read as follows: As outlined in our Constitution and By-Laws, Article VII, a Nominating Committee was chosen to select the slate of officers and the Board of Directors for the coming year. The Committee, headed by Phyllis Marcy, along with Jacqueline Falk and Lee Bakuckas, selected the same slate. The Secretary declined nomination, and the Nominating Committee then selected Mrs. Jean Stang for Secretary.

The Board of Directors voted on an increase in members' dues as follows: Annual Dues: $8.00 per person, or $10.00 per couple, beginning March 1st, 1971. Initiation dues would stay as is at $5.00.

There was a report from Mrs. Soldo as to the engraving of our trophies for the Trenton Specialty. A discussion followed, and Ann Griffing made a motion seconded by Dorothy Benitez to get 1000 discs with our Club insignia from Mrs. Lico to affix to the trophies.

UNFINISHED BUSINESS: President Ruth Deck reported since there was one reply in the affirmative to judge our Futurity in 1971, from Mrs. Phyllis Marcy, she will be our judge.

There was a discussion on our recent Robert Griffing Memorial Match held on September 20th, at the Ryland Inn. Everyone agreed that the location, grounds and parking facilities were excellent.

Our Spring Match was discussed, and nominations for judges were made as follows: Mrs. Soldo nominated Al Likewise; Edythe Fishbach nominated Mrs. Ruth Smith; Sheila Abrams nominated Carolyn Herbel. A definite decision regarding the location and date will be made at our December meeting.

A motion was made by Raena Wilks, seconded by Mrs. Soldo to donate a trophy at our Trenton Specialty for First in the American Bred Dog Class in Memory of Mrs. Sylvia Hee, who finished her dog from this class.
A motion was made by Dorothy Benitez, seconded by Sheila Abrams, that a card of sympathy be sent to Mr. Hee from the Club.

NEW BUSINESS: President Ruth Deck suggested that our General Meeting in December be combined with a Christmas party. There was a discussion and a motion made by Mrs. Soldo seconded by Edythe Fishbach to hold the party on December 12th, with Dec. 19th as an alternate date, depending on shows at that time and availability of a location. It was agreed that postcards will be sent out to members as invitations to the party so that the Club would have an idea of approximately how many persons to expect. Sheila Abrams volunteered to head the Refreshment Committee if it were held on December 12th. Liquid refreshments will be donated by the Club. It was agreed that each member should bring a gift of approximately $2.00 for the grab bag.

Dorothy Benitez informed us that Mrs. G. Licos and other California members are putting together a book that will feature many of the old Lhasa Apso's.

There was a discussion regarding pet shops selling sick and poor quality puppies; and the difficulty the private breeder has with the general public. It was agreed that the Club should put an ad in the New York Times offering information to people interested in possibly purchasing Lhasa Apso's. Dorothy Benitez's name would appear in the ad, and she would forward the information. It was hoped that this would help to make the public aware that private breeders offer better quality at better prices. A motion was made by Raena Wilks, seconded by Sheila Abrams to run the Ad in the N.Y. Times every week for three months.

The meeting was adjourned at 5:45 p.m. on a motion by Edythe Fishbach, seconded by Ann Griffing. Respectfully submitted, Cheryl Hueneke, Sec'y.

Marilyn Sorel informed us of the death of Barbara Finigan on June 14th. "She will be very much missed as a person, much less a truly competent and great sportswoman, for everything she did exemplified her, which always was in the best of taste."

With great regret we note the passing of Mrs. Sylvia Hee of Glen Cove, N.Y. on Oct. 12th. Mrs. Hee merited the admiration of all of us for her devotion to our "Breed." We will honor her memory at the Annual Specialty at Trenton, with a trophy for Best in the American-Bred Class. Her Champion BAI Jais Phu Tuu, was finished from this class.
THE DAY OF OUR ROBERT GRIFFING MEMORIAL MATCH was sunny, the perfect weather only exceeded by the sunny atmosphere which prevailed among the exhibitors and spectators. Mrs. Keke Blumberg, our judge, was exceptionally thorough in going over each Lhasa Apso. The general opinion was that Mrs. Blumberg did an outstanding job in her judging, and was gracious throughout the long and tiring day. Our Junior Handling, a new addition to our match, was extremely well attended, and expertly judged by Mr. Robert McKenna. The Club owes a heartfelt Thank You to Marjorie Patzer, Betty Miller and Lee Bakuckas, and their husbands. They all did such an outstanding job of setting up the ring, taking entries, working hard and long. We are all inclined to take it for granted that this will be done, and sometimes forget the hard labor that goes into the result. This group had to travel many miles in a truck to pick up the equipment, then set it up, as well as most cheerfully helping in many other ways. Thank you... thank you!!!! Our thanks, also, to Constance Jordan, who did such a splendid job of heading the trophy committee. The trophy table looked beautiful, lots of shining silver, as well as useful articles, all generously contributed. The results follow:

Mr. Dennis Duveen, who, with his beautiful Brazilian wife, has founded the "Karumuru" kennels in Brazil has sent us word that they recently made their Lhasa Apso "Rondelay Tootsie Do Karumuru" the first, (they believe) Champion with the Brazilian title. Then "Tootsie" went on to win his International Title. Mr. Duveen sends this interesting note about the Show Rules in Brazil. The Duveens have won several Best In Shows with heavy competition, and have done a great deal to put our breed before the public in Brazil.

From the Duveen's Received Oct. 11, 1970

You ask about the show rules down here and so I will try and summarize them for you. First of all let me say that the B.K.C. is affiliated with the Federation Cynologique Internationale (Headquarters - Belgium) and operates under their International rules. At shows the Judge can award a dog nothing or one of the following designations: "Excellent", "Very Good", "Good" or Satisfactory". With the first three grades goes a Gold, Silver or Bronze Medal respectively. At his discretion the Judge may also award the dog a point towards Championship status. A dog needs four such points from four different judges in order to become a Champion. A Judge may also award a dog a point towards International Championship status but a dog needs (in this hemisphere) three such points from American (North or South) Judges and at least one from a European Judge. The Judge also chooses Best in Race, Best in Group, and Best in Show. For these three awards there are usually appropriate cups given. There are also often extra cups given for the Best Imported Dog at Show, Best Nationally Bred Dog in Show, Best Out-of-State Dog, etc., etc. One very nice feature is that the Judge gives one a carbon copy of his Judgement which contains such interesting details on the form as his opinion of the dog's Coat, Temperament, Gait, Balance, Outstanding Characteristic and Major Fault (if any). I think that this is pretty inadequate but may give you an idea of how things go here. I should add that as far as I can see things are done fair and square but that I have seen extraordinary (by U.S. standards) exhibitions of Latin temperament by losers - particularly female ones. At one show the loser slapped the face of the winner publicly and alleged that the only reason that her dog could have lost must have been that the winner had slept with the Judge the previous night! 😳!

It is very kind of you to offer your help to obtain things from the States and should we really urgently need anything I may yet call on you.

Warm regards...
