PRESIDENT'S MESSAGE

January, 1972

It sometimes feels as though I am "hollering down a rain barrel", with this personal message. Just two people responded to the plea for opinions about a new form of bulletin. I feel certain that more people thought about it, and had some opinion, but just did not take the time to sit down and write. The only way our Club can grow is to have more members participate. We are all so very fond of our breed, it is too bad we can't join hands more. The ballots have gone out for the election of a new President and Board Members. Please consider carefully the proposed people; it takes a lot of time to carry any office, and there should be no thought of personal gain. I feel I have failed in some ways because I am not forceful enough - I think a President is a servant of the body behind him and should not seek any personal recognition. Anyway, let us all strongly support the new President and get our club going in new and useful ways. I certainly do scold a lot, and I feel so amiable about these darling Lhasa Apso kids around my feet here. There is no breed so understanding with humans, or one that has such a mystical rapport - they often know what is about to happen. And what wonderful mothers they are; I never take away a mother arbitrarily - they will wean their puppies the way they think is best. We start giving the 3-week old puppies a little chopped beef mashed up in some warm water; in a day, a little High Protein human baby cereal is added, and by the time they are six weeks old they are eating regular beef and cereal like the adults. But, how mamma and babies enjoy a little nursing, even if it is pretend. That is just another manifestation of LOVE. Don't you really think that dogs are here to teach us LOVE?

We have been able, at last, to get a lot of the Lhasa Apso books by Frances Sefton. The Club has them for sale; Dorothy Benitez can mail them to you upon request - the price is $2.00, and we must charge 25¢ for mailing. We will bring some to the meeting in February.

See you all at the Statler Hilton on Sunday, the 13th at four o'clock for the meeting, but we are going to have a separate "Hospitality room" where we hope a lot of us can get together before and after the meeting. We will let you know the number, but please ask at the desk for "Ruth Deck's" room number. Look forward to seeing you.

Most sincerely,

Ruth Deck
A general meeting of the American Lhasa Apso Club took place on the above date at the Gateway Motel in Raritan, New Jersey.

The following members attended: Ruth Deck, Jean Stang, Anna Griffing, Dorothy Benitez, Lee Bakuckas, Arlene Bloch, KeKe Blumberg, Steve Campbell, Jeanne Clawson, Louise Davidson, Lois Fellows, Edythe Fishbach, Joel Fishbach, Norman Herbel, Betty Miller, Marge Patzer, Valerie and Joe Reed, and Barbara Soldo. John Bakuckas, Paul Davidson, Ward Patzer and Alan Stang, guests, were also present.

President Ruth Deck called the meeting to order.

Lois Fellows made a motion that the minutes of the last meeting be accepted. The motion was seconded by Ann Griffing and carried.

Jean Stang, secretary, announced the new nominations for the 1972 American Lhasa Apso Club slate of officers and board of directors, distributed to interested members the new registration rules for junior showmanship and the circular from the National Capital Area Lhasa Apso Club announcing its match to be held November 7.

She also read the reply from Mr. Brownell of the American Kennel Club explaining, "The basic requirement is that no dog shall be shown in the obedience ring with any kind of attachment, irrespective of the reason for it....specific exemption was made for tying back the hair over the eyes of dogs of the four breeds that are normally shown in the breed rings in this manner. Lhasa Apsos and other breeds that have long hair over the eyes are not included in the exemption because their hair is not normally tied back in the breed ring."

Treasurer's Report: Dorothy Benitez, treasurer, announced that the balance in the club treasury as of October 31, 1971, was $1,997.17.

A broad, general discussion followed about the expenses of the club including the price of publishing the bulletin and the cost of the ads.

There was also a discussion about dues in arrears, and Steve Campbell made a motion, seconded by Arlene Bloch, that we announce in the Bulletin that notice to pay 1972 dues will be
sent on March 1 and that dues must be paid by April 1 as stated in the Constitution -- or membership in the club will be terminated.

The Beverly Hills Specialty expenses were also discussed, and a motion was made by Ruth Deck, seconded by Steve Campbell, that it be brought up for discussion at the Annual Meeting in February. The motion was carried. In the meantime, copies of the minutes of the last Annual Meeting in February, 1971, which includes information on the Beverly Hills Specialty will be sent to each Board member.

1972 Trenton Specialty: There was a discussion about the enormous job the Specialty chairman has, the more so with our greatly enlarged membership and the greater popularity of the Lhasa in the show ring. KeKe Blumberg made a motion that for our annual show at Trenton, we have in the future a general chairman and trophy and booster page chairmen. Steve Campbell seconded the motion and it carried.

1971 Fall Match: Edythe Fishbach, Match chairman, reported on the fall match. She said the weather was very much against us, unfortunately, but nevertheless there was an entry of 70 Lhasas. She offered a vote of thanks to all the people who have donated and said the bulletin will include a note page listing donors. She explained that in the rain all the cards to be attached to the trophies which acknowledged their donors disappeared. She also thanked the following people: Jeanne Clawson, Lois Fellows and their co-workers for the cake and sandwiches; Mr. and Mrs. Ward Patzer for the use of their grounds and Ward Patzer and John Bakuckas for dragging everyone out of the mud in the rainswept parking area, after the match.

Edythe Fishbach related that she had sent the results of the match to Pat Chenoweth for Popular Dogs, and to Mrs. Freeman for both the Match Show Bulletin and the American Lhasa Apso Club Bulletin.

She also discussed the conflict of the match show and the Valley Forge point show held some fifteen miles from the match. The superintending dog show organization had assured her that show time for Lhasa Apsos would be no later than ten o'clock, but there was a slip-up - Lhasas were shown after 1:00 - which, Edythe Fishbach explained, will not happen again.

1972 Spring Match: Jean Stang nominated Barbara Soldo for spring match chairman. Arlene Bloch seconded the motion, which
carried.

New Business: Norman Herbel made a motion that a roster of members in good standing be sent out to each member after April 1, 1972; that anyone who has not paid his 1972 dues by that date will not be on the membership roster. Jeanne Clawson seconded the motion, and it carried.

Joel Fishbach announced the Bronx County Kennel Club's Fiftieth Anniversary show scheduled for this spring. It will be an all gold-plated trophy affair. He asked that members support the show financially by contributing money for these trophies, which the Bronx County Kennel Club people are able to obtain reasonably, and suggested this be a supported show.

Steve Campbell moved for adjournment. Lee Bakackas seconded the motion, which carried.

Respectfully submitted

Jean Stang, Secretary

SECRETARY'S NOTES

In mid-January we will be sending out ballots to all members who have paid their 1971 dues.

On December 1, 1971, nominations for our 1972 slate closed and the following people will remain incumbent: Grace Licos, First Vice President; Jean Stang, Recording Secretary; Ann Griffing, Corresponding Secretary and Dorothy Benitez, Treasurer. The following are 1972 nominees: For President, Al Likewise, Phyllis Marcy and Bob Sharp; for Second Vice-President, Ruth Smith and Alfred Stillman; for the Board of Directors, Richard Bloch, KeKe Blumberg, Patricia Chenoweth, Jeanne Clawson, Dorothy Cohen, Ruth Deck, Joel Fishbach, Robert Sharp, Edward Sledzig and Marie Stillman (Seven will be elected). Nominees resigning are Carol Herbel for Secretary and Phyllis Marcy for the Board.

Ballots will be counted at our Annual Meeting in February, so do be sure to send in your ballot or bring it with you, and let's have a good turn-out for our most important meeting of the year. I hear people from all over the country are coming, so in addition to discussing your views about club matters, you may have the opportunity to meet breeders and Lhasa enthusiasts you've always wanted to know personally. Ch. Everglo's Spark of Gold and
Int. Ch. Orlane's Good As Gold

Some of the honors earned by our dogs include "Sparky" being
top producing stud in history of the breed with 23
champion offspring; "Goody" was top bitch for 2 years and
Best of Breed Westminster 1969 and 3rd in Group (highest a
Lhasa had ever placed at the Garden); and over 35 Orlane
champions in just seven years of breeding.

We are proud to offer "Sparky" at stud to your best bitches.
His producing ability with all blood lines is a matter of
record. (Pedigree below)

Ch. Mistar's Lovin Spoonful
Ch. Orlane's Pek-Abhu Venture

We have some of the best Sparky kids ever; soon to be in
competition....watch for them!
Eugenia Slissman has graciously given us permission to print the following in our Bulletin. It originally appeared in the bulletin published by the Lhasa Apso Club of Northern Calif.

**HEREDITARY KIDNEY DISEASE**

Over the past few years it has become increasingly evident that various breeds of dogs are affected with different, although related, forms of inherited kidney disease. Among the breeds more commonly involved are Cocker Spaniel, Norwegian Elkhound, Pekingese, and Lhasa Apso. This report deals primarily with the last named breed.

It is common knowledge to most Lhasa Apso breeders, although not necessarily to individual owners, that their breed occasionally develops a syndrome involving excessive water drinking and urination that eventually leads to wasting and death. A misconception has arisen or has been unknowingly perpetuated that these dogs have a condition called diabetes insipidus or water diabetes. In most instances, which I shall shortly clarify, this is probably not true.

In my experience, I have had the opportunity to examine diagnosis, treat and unfortunately perform autopsy examinations on a number of Lhasa Apsos succumbing to the disease in question. I have also treated other breeds with similar conditions. Moreover, I have had numerous discussions and referral cases from many experienced veterinarians throughout the West and have therefore received and evaluated a fairly large cross-section of opinions on this disease.

The condition unquestionably is not diabetes insipidus, but it is an hereditary disease of the kidneys, resulting in abnormal kidney formation and kidney failure, usually at a young age. That the disease is, in fact, inherited rather than congenital or acquired early in life is proved not only by the frequency of its occurrence in the breed but, more important, from repeat breedings of the same sires and dams resulting each time in multiple affected offspring.

At this time I am actively engaged in research into the nature of this inherited kidney disease of the Lhasa Apso. I am attempting to elucidate exactly what the physical abnormality is, as well as the various ways that it might manifest itself. I am also trying to discover how it can best be diagnosed and
when possible, treated. Perhaps most important of all I hope to be able to trace the ancestry of affected pups so as to establish the hereditary nature of this condition, for it is quite necessary to know if the condition is governed by dominant or recessive genes.

The final step will involve recommendations for controlling this disastrous affliction and hopefully eliminating it from the Lhasa Apso breed. It is certainly obvious to me that resistance to this research will be forthcoming, especially from individuals whose own dogs might be implicated carriers. Nonetheless, it is essential both from an humanitarian viewpoint and in order to save the Lhasa Apso breed, to eliminate this condition. The longer we wait the more difficult the job will be.

Fortunately, a local dedicated breeder has donated to me affected offspring from a breeding that previously had produced pups with the disease. In order to house these dogs and carry out the necessary research, money is desperately needed. If not, an excellent opportunity may be lost, for it is difficult to predict when the next such opportunity will arise. Moreover, if monetary support and cooperation is not offered by the breeders and owners most involved and affected by this condition, can we realistically expect others to care, moreover, contribute money.

Sincerely,
Ronald D. Schechter, V.M.D.

A REQUEST FOR DONATIONS

Two or three weeks after the Great Day at Davis, someone whose name, or names, we will never know presented Dr. Schechter with a litter of four puppies. Two were believed to be "water drinkers" and two were clear. Of the two clear, one of course will be a carrier, oddly enough illustrating Dr. Schechter's example. The two sick ones are in AR (whatever that is), and the other two were taken home by the secretaries of Dr. Leighton (Chief of the Surgical Service), and Dr. Schechter. Dr. Schechter's secretary, Mrs. Moran, has a 13 year old Lhasa, so she is familiar with the breed. The girls did this great thing to help cut down on the expenses for the studies. They have to bring the pups in at regular intervals for tests and examinations.
The final stage will involve reassessment of the allocation of resources. It is crucial to ensure that resources are allocated efficiently, especially in critical areas where good judgment is required. To this end, there is an urgent need to reassess priorities and to ensure that efficient allocation of resources is maintained. The decision to make these changes should be made in consultation with the relevant parties.

In conclusion, full cooperation and support are essential to the success of this project. Any issues or concerns should be addressed promptly. The cooperation of all concerned parties is vital for the completion of this task.

Sincerely,

[Signature]

(Continued)
ORLANE KENNELS (continued)

Congratulations to Georgia Palmer (Ruffway Kennels) of Addison, Ill, on her exciting Best-in-Show win with her homebred Ch. Ruffway Mashaka at Wheaton show this January over 1700 entries. Georgia and "Mike" (a Sparky son) are fast becoming contenders for top honors with several important group wins. Best of luck to them in 1971!

We also congratulate Sharon Binkowski (Arborhill Kennels), Ann Arbor, Mich, on her beautiful Ch. Arborhill Rhap-so-dieh, handled by Jerry Edwards to many group wins in tough competition.

We are happy to welcome home Ch. Orlane's Gold Standard. He is proving his ability to carry on in Sparky's producing tradition, and being a double Sparky grandson is unusually potent. He has sired just two litters, and has a champion son from the first. The second litter at two months has 4 beautiful red prospects.

Other studs we can offer are:

Orlane's Firefly - bright red Sparky son, at present with Dean Groeneveld, Rt. 3, Marshalltown, Ia. and Ch. Orlane's Dieh Bieh - pale gold Sparky son, siring reds & golds, at stud with Bob Westmoreland, O'Fallon, Mo. (St. Louis)

We have more boys than we need, and would like to place some good, older males where they can be appreciated. Sons of Sparky, Rhap-so-dieh, Ch. Orlane's Mingkyi, etc. not in show coat, but no major faults and reasonably priced. Also, some really nice puppies from 5 to 8 mos., in coat and ready to show...specials material!

The very best wishes to you and yours for a happy, healthy 1972 and for all of us, more quality Lhasa Apsos from our friends who care enough to breed the very best.

And, by the way, if you have puppies for sale in 1972, please let me know that particulars so that I may include information about your puppies in answer to the inquiries I receive.

Sincerely, Jean Stang

WE WELCOME THESE NEW MEMBERS

1972 SPRING MATCH

This is your first announcement of the American Lhasa Apso Club Spring Match, to be held on Sunday, March 5, 1972, at the Madison YMCA in Madison, New Jersey. Carol Herbel will be our judge. For further information, please call Barbara Soldo, Match Chairman. Her number is Area Code 212-998-7149.

NOTICE: THIS IS YOUR LAST BULLETIN UNLESS YOU HAVE PAID YOUR 1971 DUES!!

SHARPETTE'S HELOISE OF DURAH

(ELOISE)

SEPTEMBER 22, 1970 - DECEMBER 12, 1971
(con't from Pg. "B"

Because of the expenses entailed with tests on four dogs, and boarding two, additional monies will be needed, and the necessary amount will be about $200 to $250.

Rowena has raised so far $28, and the Bulletin Raffles have brought in a little more. If the members would donate $2.50 per family, we could come up with the necessary money very quickly, and we have never had a greater opportunity to benefit our beloved breed. The money would be tax deductible at income tax time. The checks should be made out to the Regents of the University of California for research on Lhasa Apso by Ronald D. Schechter, VMD. Please send your donation to me, Eugenia Slissman, 34 Dorantes Ave., San Francisco, Cal. 94116. I will hold them for a reasonable time, or until the goal is reached, before turning them over to the University. This does not have to be just Club members contributions - contributions may come from anyone. Please help!

On behalf of the Club, I would like to express my thanks to the ladies who made the refreshment table a success. The Refreshment Committee: Leona Bakuckas, Keke Blumberg, Jeanne Clawson, Ruth Deck, Lois Fellows, Carolyn Herbel, Betty Miller and Marge Patzer.

On behalf of the Club, the exhibitors and myself, I would like to express an extra special "Thank You!" to Ward Patzer and John Bakuckas for their assistance in rescuing us from the mud. (We all love ya', fellas!)

With Love from the Match Chairman
