FROM THE EDITOR

First let me say I'm sorry for the extreme lateness of this Bulletin. Between moving twice during the Summer and having been on the road to Dog Shows every weekend since February I have found myself spread far to thin. My obligations as a professional handler have been increasing steadily and I'm sorry to say I must step down as Editor of the ALAC Bulletin. I feel the Bulletin is the Voice of our club and must be timely and informative. I've tried very hard during my term as Editor and hope someone will step forward and volunteer for this very important and rewarding job. I want to thank you all for all your support.

I also want to mention that a dear friend and foundation breeder, Grace Licos suffered a stroke in June. I'm pleased to say though that Grace is recovering well and living up in Washington with her relatives. Best wishes Grace. Her address is: Grace Licos 124 Laussier Road Toledo, Washington

FROM OUR PRESIDENT

A breed club needs members to continue to survive. The American Lhasa Apso club can and will be unified. Our club should be a place where useful information is disseminated to members; knowledge shared; educational programs including speakers, movies etc. should be at the disposal of the club. There should be friendly camaraderie at our meetings.

A club's object should be to improve the breed always, promote dog shows, interest, teach how to groom, whelp, take care of animals, inform newcomers and anyone interested in how to keep up the health of a dog. I think the club should have the responsibility to the world of dogs in general, above and beyond themselves, which will be of benefit to them also.

There are many worthwhile programs going on and I intend to add a few new ones, but first we must all pull together and bring back friendly feelings. I will be holding meetings in different areas of the country, and the first general meeting will be held July 30th at Santa Barbara K.C. at approximately 4:30 P.M. I hope all those who can possibly make it will be in attendance.

Your President,

Keke Blumberg

MINUTES OF THE GENERAL MEETING - February 12, 1978  
(SUBJECT TO APPROVAL)

The meeting was called to order at 5:15 by Pres. M. Sledzki.

The minutes of the November 26th Board Meeting were read by Secretary Janet Whitman.

The results of the ballots for the Standards were given. All three proposed changes were passed by 2/3s of the voting members. Keke Rhumberg will send the results to the AKC. (See attached Ballot Tabulation)

The Treasurers' Report was given by Richard Hoyt in place of Paul Voigt. Our income falls short of out-going funds. It was recommended that dues be increased. This will be proposed to the General Membership.

Futurity Reports - Carolyn Herbel will be judging the Western Futurity on May 13, 1978.
Marianne Nixon will be judging the Eastern Futurity on May 20, 1978.
Barbara Wood will be judging the Mid-Western Futurity on May 21, 1978.

There were 170 litters nominated for the Futurities. 750 puppies will be eligible.

The 1979-80 sites will be published shortly. The Futurities have been expanded to 5 in 1979, Hawaii being added. Judges have been nominated for 4 Futurities. Nominations for the 5th Futurity, Hawaii, are Jean Kauak, Lynn Towy, Leslie Ann Nixon, Carolyn Sledziki and Jane Browning. Sy Goldberg made a motion to poll members to see if members not here be excluded from nominations for futurity judges for Hawaii.

Eastern Specialty Committee reports were given by Faith Kirk. Lynn Morgan gave the report on the Western Specialty.

Lynn Morgan asked that we send articles and news for the newsletter.

There was a discussion that business be done by mail. Sy Goldberg made a motion that the Board look into the effectiveness of having a mail meeting.

The slate for the Officers and Board of Directors was presented by the Nominating Committee. (see attached)

The meeting was adjourned at 6:38 PM.

Respectfully submitted,

MINUTES OF THE BOARD OF DIRECTORS --- February 12, 1978

The meeting of the Board of Directors was called to order at 1:30 by Edmund Sledzik, President, with a quorum of the Board present. Stephen Campbell, Dick Hoyt, Marianne Nixon, Phyllis Marcy, Shirley Scott, Ed Sledzik, Paul Voigt, and Janet Whitman.

The minutes of the last meeting were read and accepted. The Secretary read the names of the proposed new members. The membership of all proposed members was approved by the Board.

Dick Hoyt gave the Treasurer's Report in the absence of Paul Voigt. ALAC's present balance is $6400. Additional revenues are coming in from dues and futurities. The current years' estimated expenses are $6200. Included in these expenses are: balance of CH-CD book, Secretary expenses, Awards, Bulletin, and President's Expense. The CH-CD book will bring in about $1500 and dues an additional $5000.

The question was raised - "Should we increase dues?"
We would need a constitutional by-law Amendment to alter the level of dues. We presently have 325 Single memberships and 130 Family Memberships.

A motion was made by Dick Hoyt and seconded by Stephen Campbell that our dues be raised. Motion Passed. This motion will be brought before the general membership.

Paul Voigt informed the Board that George Gassett's books were kept beautifully. Paul wanted to express his thanks to Mary Cole and George Gassett for the quality of work on the books.

Ed Sledzik informed the board that Past Presidents do not have to pay dues. This was passed by the membership 7 years ago.

The Board discussed the $25 Chow Trophy which ALAC gives to Clubs for their Specialties. The possibility was discussed that we could set up a standardized package which would include a Trophy to be sent to each show giving club for Chow. This will be further investigated by Stephen Campbell, Ed Sledzik and Janet Whitman.

The results of the Standards Ballot were read to the Board by Keke Blumberg. All three proposed changes were passed by 2/3rds of the voting members. Keke Blumberg will send the results to the AKC. (See attached Ballot Tabulation)

One National Specialty was discussed. The Board was receptive to the change. A committee was set up consisting of Janet Whitman and Keke Blumberg to look into the suggested change.
It was announced that our Achievement Awards did not arrive from Massachusetts because of the severe weather conditions.

The question was raised whether we should give Achievement Awards to people who have belonged to ALAC less than 6 months. Motion by Stephan Campbell that: "A person must be a member of ALAC when the dog finished and receives his championship certificate in order to receive an ALAC Achievement Award." Passed.

Commencing in 1978 there will be a special recognition award for Multiple Brace BIS at an all Breed Show and an Award for the dog that goes BOB at each National Specialty. Motion made and passed.

Futurity report by Dick Hoyt - There were 170 litters nominated for futurities this year, 70 litters nominated in the East, 54 in the Mid-west and 45 in the West. A total of 749 puppies will be eligible. Nominations were taken for a Fifth Futurity to be held in Hawaii. Nominees are: Leslie Anne Nixon, Jean Kausch, Lynn Lowy, and Carolyn Sledzik. Additional nominations will be taken at the General Meeting from the membership.

Eastern Specialty - If we have over 150 entries, we will need two judges. The second judge will probably be Jack Russell.

The next Board Meeting will be April 22, 1978 at Ed Sledzik's house.

Trophies for the National Specialty - The Parent club covers trophies only for First Place.

The Nominating Committee has presented the following slate for the 1978-1979 Officers and Board of Directors: (See attached) The nominating committees report was accepted. The Ballots for the National Elections will be counted May 20, 1978 at Baltimore.

The meeting was adjourned.

Respectfully submitted,

Janet Whitman

IMPORTANT...

Further to the report that was given at the Delegates' Meeting on March 14, 1978 by John Honig, Delegate of the Worcester County Kennel Club, and published in the minutes of the meeting, the following bulletin has been received from the Collie Club of America and is to appear in the May issue of the GAZETTE.

There is a contagious virus that has infected a significant number of dogs across the country. This virus causes a disease that produces gastroenteritis that can be hemorrhagic. It occurs in varying severity. Dr. L.E. Carmichael of the Cornell Laboratory for Diseases of the Dog has cultured, isolated and photographed the virus. It is potentially dangerous and has caused deaths.

Although the mode of transmission has not yet been proven, practical observations indicate that it is an airborne virus. Its incubation period, again not clinically proven, seems to be from three days to two weeks.

Prompt veterinary care is essential. Early symptomatic treatment is one of the controlling factors that determines the severity of the disease.

The initial symptoms are lethargy and digestive upset; i.e., decrease in appetite, then diarrhea and vomiting (both can become severe.) An unusually fetid odor seems to be a characteristic of the illness.

The disease can progress very rapidly in some individuals; with death occurring as quickly as 48 hours after the initial clinical signs. Prompt veterinary assistance, warmth, and the absence of any stress do facilitate a more rapid and complete recovery. A long, quiet convalescent period also seems to be essential. Relapses have been reported one to two weeks after the dogs were seemingly cured of all symptoms. Several have died after relapsing.

This type of hemorrhagic gastroenteritis is probably not a new disease. Its virulence this year is unusual. This has brought it to the attention of a large number of breeders. They have worked together to help veterinarians recognize this as a single problem. They have cooperated in getting the necessary specimens to Dr. Carmichael, who has identified the infecting agent as a CORONA virus.

Salient points should be kept in mind:

- The onset of the disease is often sudden.
- The primary symptoms mimic many intestinal diseases, but should be taken seriously due to the potentially devastating sequelae.
- Early treatment is necessary.
- Warmth and absence of stress are conducive to a rapid and complete recovery.
- To date there is no one cure for this disease: nor is there a preventative procedure available. That is why prompt professional care is so essential.

This notice is written not to panic dog owners, but to warn them of a frightening problem. Alert breeders within the Collie Club of America and in many other breeds cooperating with dedicated veterinarians and creative veterinary researchers, have identified the problem as one disease caused by a CORONA virus. This work has succeeded in reproducing the disease in research dogs. All of this has been done in less than one month.

The problem is now only identified...It is not solved. Much more work is needed and will, I hope, be forthcoming.

Assistant Secretary

**TOTAL BALLOTS RETURNED** 264
The first prerequisite in your application is to state that your eye sight is really poor, and you guarantee that anything smaller than a St. Bernard is a blur. Then of course, your knowledge of structure, and correct movement is non-existent. Standards of recognized breeds are not necessary to study and know, because you have finished a champion with the help of a top handler, and that is enough to qualify you to judge all breeds. And last but not least, you read all the top show publications and study the pictures so you know "the people" who are winning.

Of late, my experience at the shows seems to be limited to judges who have all the foregoing qualifications. It has always been my opinion that if one shows a good dog, one should be able to win their share of the coveted points. Not so of late, a good dog isn't enough. A popular recognized handler seems to be the in thing, regardless of the quality of dog they are showing. They are stealing the points. Yes, stealing is the only term I can use. Dog Shows were originated by a dedicated group of fanciers, whose interest was for the betterment of pure bred dogs. Today, dog shows seem to be dedicated to the sole purpose of a select few, who have enough money and political pull to boost their egos to monster proportions. In the coated breeds, the more hair the better, texture and type of coat doesn't matter, only length and abundance. If the color isn't what is popular with the "Judges" don't worry, that can be changed by adding or subtracting with dyes. What's under the coat doesn't matter either, since the select group of people who judge our dogs are not concerned with the fact that 85% of all dogs are sold as pets. The styles they are creating with their opinions have placed the show world in jeopardy of breeding badly crippled and poorly temperamented animals. In addition, dogs who are suppose to be companions and devoted friends can't meet these standards, so consequently they end up being put to sleep, unable to stand the stress of everyday living.

It is with sadness in my heart that I have sat down to write this commentary on the present situation in the dog show world. I love my breed and feel that I have tried to breed healthy, happy Lhasas, who are structurally and temperamentally sound. I have never felt that all my dogs are Best In Show winners. It's just that my breed was making great strides in being one of the top loved breeds in the world. And of late, with the emphasis being put on the wrong things, I can see the decay coming. Ask yourself, do you want the breed to descend to the depths that the Cocker Spaniel and the Poodle, because of popular trends? Or, do we stop and re-evaluate, before its too late?

Dear Mrs. Cole:

Thank you for your contribution of 7/5/78 to the Lhasa Apso fund. At present I have no recent articles to offer you concerning Lhasa Apso disease. I hope to analyze the data that I have been accumulating within the next few months, and I'll send you a copy of that when it is completed.

I am still looking for a breeding male (with renal disease history) for my studies. Any help that you can give me will certainly be appreciated.

Sincerely,

D. R. Finco, D.V.M., Ph.D.

---

How to change how "Show Judges", judge? I don't know the answer to this question. Until the AKC also changes its requirements for a judge, I guess I will have to live with the system. But, it seems to me, more than a record of what you have bred and what you have shown should be required. In order to graduate even from elementary school, children are required to have gained some knowledge. But, being a licensed judge requires no passing of tests as to what your knowledge of dogs is. Nothing but tedious records of your activities.

At present, the only hope I see for the future of the individual breeds, is the proposed elimination of Group and Best In Shows by the AKC, then maybe, the emphasis will return to where it belongs, to the breeding of a better dog, which fits the standard of its breed.

As the chairman of the new committee formed by the ALAC Board of Directors I have asked your editor to publish the following list of Local Clubs as sent to me by the ALAC Secretary.

The new "Local Clubs Committee" has been formed to create more correspondence between ALAC the parent club and the local clubs. In order to begin our liaison I must have current officers, addresses and phone numbers. If you know of any corrections, additions or pertinent information that needs to be supplied please contact me.

The goal of this committee is to update the list of Local Clubs and make it a part of the yearly ALAC roster. We also hope to make information concerning events available to be hosted for ALAC available along with information on how to be a host club. We will also make information on forming clubs, holding matches, sanctioned matches and AKC point shows available. May I also encourage you to report your progress as well as your problems to me so that I can report these things to ALAC.

As you can see our first step must be to have the correct officers and addresses. PLEASE HELP TO MAKE THIS COMMITTEE A SUCCESSFUL ONE for with the combined effort of our Local Clubs and ALAC we can best serve the Lhasa Apso Breed.

FROM: R. M. HOYT, NATIONAL FUTURITY CHAIRMAN
SUBJECT: ANNUAL REPORT - FUTURITIES

THE 1978 FUTURITY YEAR WAS A RECORD FOR THE REGION FUTURITY SYSTEM. WE HAD 176 LITTERS NOMINATED, UP 27.5% FROM A YEAR EARLIER. THE ENTRIES, ALTHOUGH A RECORD, WERE UP SOMEWHAT LESS AT 129 - 17.0% OF THE PUPS NOMINATED WERE ENTERED. THE EASTERN FUTURITY BROKE THE RECORD FOR THE LARGEST ENTRY YET - 56 LHASAS!

PRIZE MONIES FOLLOWED THE SAME TREND. A TOTAL OF $1504 WAS DISTRIBUTED, AN AVERAGE OF $11.66 FOR EACH DOG ENTERED.

WHILE THE RESULTS OF THE JUDGING ARE NOT AVAILABLE FOR THIS REPORT, I THINK THE FUTURITY YEAR WAS SUCCESSFUL BY ANY STANDARD, AND THE NEXT YEAR LOOKS PROMISING WITH THE ADDITION OF THE NEW SOUTHERN AND HAWAIIAN FUTURITY REGIONS.

THE STATISTICS AND FINANCIAL REPORT FOR 1978, AND THE HOST CLUB SELECTIONS FOR BOTH 1979 AND 1980 FOLLOW. THE STATISTICS ARE COMPARSED WITH LAST YEAR AND PROBABLY TELL YOU SOMETHING MORE THAN YOU REALLY WANTED TO KNOW, BUT HERE GOES:

1979 WILL BE THE FIRST YEAR WITH FIVE FUTURITY REGIONS.

BIDS TO ACT AS HOST COMMITTEES FOR THE TWO FORWARD FUTURITY YEARS WERE SOLICITED FROM LOCAL CLUBS IN MARCH. THIS WAS DONE TO PROVIDE THE HOST CLUBS WITH A LONGER LEAD TIME AND THE MEMBERSHIP WITH FORWARD KNOWLEDGE OF THE GENERAL LOCATION OF THEIR FUTURITIES. WE PLAN TO CONTINUE THIS PRACTICE BY SOLICITING 1981'S HOSTS IN 1979.

THE BOARD OF DIRECTORS ACCEPTED THE BIDS OF THE FOLLOWING CLUBS TO BE HOSTS FOR THE FUTURITY YEARS 1979 AND 1980:
