Letter from Editor

Marie & I wish to thank all those who sent us articles and letters of praise. We will endeavor to publish these articles as space allows. So, if you do not see an article you have sent in, please be patient as ALAC communications must take priority. We do not wish to discourage anyone from sending material, so please continue mailing in articles of interest.

We are requesting, if anyone did not get the December issue or you know of someone, please write to us and we will send out an issue immediately.

This issue is slightly late due to our Annual Awards Dinner.

The deadline for sending material for the April Bulletin is April 6, 1979.

LETTER FROM THE PRESIDENT

I want to thank all of you for your response to our membership problems. I think, at this time, we have that pretty well under control and now we can go onward and upward!

Your officers and Board Members have worked very hard this year and we believe that we have accomplished a great many things of benefit to our club. I wonder if you have any idea how much time and effort is put in by your elected officials and volunteers?

I can tell you that it is a lot!

I highly recommend that you read the minutes thoroughly and see who contributes to the running of ALAC and who the members of the Board are who do not hold up their part, and when you have your chance to vote support our workers and turn away those who use the position in name only. We truly need people who are willing to donate their time and work.

The meeting and Awards Dinner in New York was a great event. Ms. Raena Wilks, as usual, did a superb job, and we all thank her and appreciate her efforts. Everyone had a wonderful time.

We have our new committee together for our second Ch-CD Book. We hope each and every member will support this venture. It is a tremendous undertaking but you all have seen the marvelous first edition and I am sure that our new one will be equally fabulous. These books are a lasting record of our Lhasa show dogs for the interested Lhasa Apso fans of the future. We want each and every member to participate. Please support this project. It is important to everyone.

We are going to hold the annual meeting and dinner in Seattle along with the Western National Specialty weekend - June 9th. We hope everyone will attend and support the show.

PRESIDENT
KEKE BLUMBERG
REVIVN TO LHASA APSO STANDARD
APPROVED JULY 11, 1978

The Board of Directors of the American Kennel Club has approved the following revisions to the Standard for Lhasa Apsos as submitted by the American Lhasa Apso Club, Inc.:

Under Color—Delete the entire section and substitute therefore the following: "All colors equally acceptable with or without dark tips to ears and beard."

Under Mouth and Muzzle—Delete the entire section and substitute the following: "The preferred bite is either level or slightly undershot. Muzzle of medium length; a square muzzle is objectionable."

Under Head—In the last sentence delete the words "about 1 1/2 inches long, or", so that the entire section reads as follows: "Heavy head furnishings with good fall over eyes, good whiskers and beard; skull narrow, falling away behind eyes in a marked degree, not quite flat, but not domed or apple-shaped; straight foreface of fair length. Nose black, the length from tip of mouth to eye to be roughly about one-third of the total length from nose to back of skull."

NOTE

We are urging ALL ALAC MEMBERS to be aware of the changes being proposed by the Canadian Kennel Club, with regards to the Standard of the Lhasa Apso. Please read this proposal carefully so you may write to our board and officers with your opinion. It is imperative that our board and officers take a position and communicate with the CKC.

SUBJECT: Proposed new standard for the Lhasa Apso.

Acting on the recommendation of the Breed Standards Committee the Board of Directors has directed that notice be published with regard to a proposed new standard for the Lhasa Apso.

Persons and clubs interested in the proposed standard published hereunder are invited to submit their comments for the consideration of the Breed Standards Committee and the Board of Directors.

All such comments must be addressed to The Secretary, The Canadian Kennel Club, 2150 Bloor St. West Toronto, Ont. M6S4V7, so as to be received no later than MAY 31, 1979.

PROPOSED AMENDMENTS TO THE LHASA APSO STANDARD

1. ORIGIN AND PURPOSE: Beyond the northern boundary of India, where Mount Everest stands like a guardian sentinel, is the land of Tibet. A country of huge mountains, deep valleys, windswept plateau warm summers and cold winters, it is the home of the Lhasa Apso.

After years of experimentation the Buddhist Monks created the Lhasa Apso as a living symbol of the legend in which Buddha was rescued by a lion. The Lhasa Apso exclusively a Palace Dog, was reserved for the Grand Lamas as one of the badges of their Holy Office. It is an ancient breed and genealogical tables show them to be in existence as far back as 800 B.C. Having been bred for centuries as a special indoor sentinel, the Lhasa Apso has never lost this characteristic of keen watchfulness.

2. GENERAL APPEARANCE The Lhasa Apso is a small, exotic, very hardy breed with a well developed body, strong loins, good quarter and thighs. The long, straight, hard, very dense coat enhances the beauty of the breed and completely covers the animal.

3. TEMPERAMENT The Lhasa Apso is extremely adaptable, of high intelligence, and inherently faithful. He comprehends very quickly what is expected or desired of him.

4. SIZE Males are 10" to 11" (25.40 cm. to 27.94 cm.) at the withers with ½" (1.27 cm.) tolerance.
CRANIUM Almost flat, not domed or apple-shaped. Viewed from the front, the top of the cranium is narrower than the width at the level of the eyes. The foreface is straight.

B. MUZZLE The length from the tip of the nose to the inside corner of the eye to be roughly one-third of the total length from the tip of the nose to the back of the skull. A correct muzzle should be narrow and blunt.

C. NOSE Black. The tip of the nose is level with or very slightly below the lower eye rim.

D. MOUTH - BITE Level preferred or reverse scissors with full dentition. Incisors to be in a straight line. Lips - black.

E. EYES - Dark Brown. Not large and full or small and sunken. The iris should be a reasonable size, no white showing at the base or top of the eye. The eyes are frontally placed in an almond shape black rim.

F. EARS Pendant. The ears should be set well back on the skull at eye level (not level with the topline of the skull). The leather should hang close to the head and in adults should reach the level of the lower jaw.

7. NECK Well proportioned, strong, and long enough to carry the head well.

8. FOREQUARTERS
A. SHOULDERS - Strong, muscular, well laid back.
B. UPPER ARM - The upper arm may have a very slight curve for the spring of the rib.
C. LOWER ARM - The forelegs should not be bowed. From the front, when the dog is standing, the legs should be straight and parallel, elbows well under the body. The forelimbs support a good share of the body weight when the dog is standing or when moving at a slow pace.

Bitches are 9" to 10" (22.85 cm. to 25.40 cm.) at the withers with a ½" (1.27 cm.) tolerance.

Body length from the point of the shoulders to the point of the buttocks should be slightly longer than the height at the withers. A desired weight is from 12 to 18 lbs. (5.443 kg. to 8.165 kg.). A well balanced and compact type is to be preferred.

5. COAT AND COLOR
A. COAT - the adult coat is hard, dense, and of good length. A straight coat is desired. There is sometimes a slight wave in a very long coat. The coat should be parted from the nose to the root of the tail.
B. HEAD - The head should have heavy furnishings with a good fall over the eyes, good whiskers and beard. In heavily coated dogs a small neutral coloured elastic may be used to control the fall over the eyes, or the eyefall may be tied back in two small ponytails with a tiny neutral coloured elastic, one ponytail on either side of the part. No clips, barrettes, or bows are to be allowed. Any deviation from this will result in the dog being excused from the ring. In OBEDIENCE the hair may be tied back from the eyes.
C. EARS Should be heavily furnished.
D. LEGS Should be well furnished.
E. TAIL Should be well furnished.
F. FEET Should be surrounded with hair. The pads should have hair between them.
G. FOREQUARTERS, HINDQUARTER, AND NECK Are heavily furnished with hair.
H. COLOR - All colors are considered equal.

6. HEAD
A. SKULL Moderately narrow, falling away from behind the eyebrow ridges in a marked degree.
D. PASTerns - There should be no weakness of the pasterns.

D. Feet - Short, round and compact with good pads.
PAOds should be black. Nails - Hard and black. Dew Claws Permissible.

9. Body
A. Topline - Level.

B. Chest - The so-called depth of chest is not required. The Lhasa Apso should be well ribbed up, i.e. the ribs should extend well back along the body.

The slightly curved ribs should not extend below the elbows.

C. Loin - Slightly arched. Too long a loin adds excess length to the back and results in a loss of strength to the forepart of the body. If the loin is too short there will be a loss of flexibility. The loins should be firmly muscled.

D. Croup - Has a degree of angulation which gives power for the forward propulsion.

E. Abdomen - Tucked up to a shallower depth at the loin.

10. Hindquarters - Strongly muscled and in balance with the forequarters.

A. Hocks - When viewed from the rear the hocks should be strong, straight, parallel, perpendicular to the ground, and turning neither in nor out. When viewed from the side, the hock joint should point backward but should not extend beyond the stern of the dog. When in motion, the hocks should flex to show the pads of the feet when viewed from the rear.

B. Stifle Bend The stifle is moderately bent.

C. Feet - Same as in forequarters.

11. Tail - The tail is set well up, carried forward close to the back with the tip hanging on either side of the body. The tail should not rise vertically. A kink at the end is permitted.

12. Gait - An easy moving, free-flowing trot is the normal pace of the Lhasa Apso. This trot shows the character of his movement at its best and is what should be aimed for. The dog should not be run in the show ring.

**Health Corner**

Mary Cole of our Health Committee has sent a report to us entitled: HYPERCALCEMIA SECONDARY TO CHRONIC RENAL FAILURE IN THE DOG: A REPORT OF FOUR CASES by Delmar R. Finco, DVM, Ph.D. and George N. Rowland, DVM, Ph.D. Due to the length of the report, we are unable to reprint it in its entirety. Anyone who would like a copy needs only to mail a self-addressed, self stamped envelope to us and we will send you a copy.

The following is the SUMMARY from the report:

Hypercalcemia occurred in 4 dogs with renal failure. Primary causes of hypercalcemia previously described in the dog (primary hyperparathyroidism, pseudohyperparathyroidism, vitamin D toxicosis) were not identified.

Increased concentrations of circulating immunoreactive parathormone were found in 2 dogs, and thyroparathyroidectomy of 1 dog resulted in decreased serum concentrations of that hormone as well as of calcium. The latter observations indicated that hypercalcemia was related to increased parathormone activity, but the possibility of other homeostatic imbalances was not excluded.

It was concluded that renal failure should be considered as a primary cause of hypercalcemia, along with other causes previously identified.

ART WORK
We wish to Thank Judy Tillinger for her very special art work in this bulletin.
Early in December I sent a letter to all the Local Lhasa Apso Clubs listed on the ALAC Secretary's records. This list included thirty-five clubs. At this writing one month later I report that three clubs' letters were returned as "Not Deliverable". These three clubs are: MIAMI VALLEY LHASA APSO CLUB, THE NORTH TEXAS LHASA APSO CLUB, and THE NORTH EAST LHASA APSO SPECIALTY CLUB. May I request that anyone knowing the status of these clubs please contact me.

I received answers from only five other clubs to date. I am not surprised. The liaison between ALAC and the local clubs has in the past been at a very low ebb. If the local club was hosting a Futurity or Specialty then there was some correspondence. Those local clubs eligible to hold licensed specialties soon learned when they first applied to the AKC that there was a parent club named the American Lhasa Apso Club for it you had to send $10 and request their permission to hold your licensed specialty.

I hope as liaison representative to change much of this and perhaps make the parent club truly a "parent" to those of you who would wish our help, support and guidance. At one time ALAC was offering a trophy at Local Specialties. I think that we should find out if that is still true. Such a practice might help your trophy chairman get his job started.

The CANAL COUNTRY LHASA APSO CLUB responded to my letter and sent along a copy of their newsletter. A very impressive piece of work for a club only formed since July 1978 and covering a sparsely populated area of about 120 miles. They try to hold a Fun Match with each meeting at the request of their members.

The HEART OF AMERICA LHASA APSO CLUB responded with much enthusiasm about liaison with ALAC as they feel that communication with ALAC has been so difficult that it has been brought up at more than one of their meetings. They have a newsletter which is sent to ALAC regularly. They will be hosting the 1980 Mid-West Futurity for ALAC and look forward to having specialties when they are eligible.

The LHASA APSO CLUB OF MEMPHIS states that they have a monthly news letter and are planning their third sanctioned B match. They state that, "Being a small club, we need support and helpful means of continuing in the goals we seek. We have felt very alone in trying to keep the club together and carrying on matches and educational programs. Perhaps ALAC could offer some helpful guidelines to small clubs who are determined not to be beat."

The LHASA APSO CLUB OF WESTCHESTER, INC. sent along a copy of their newsletter DORJE and stated that they are a Licensed Specialty Club. They think that a competition to present the best Newsletter with an award is a good idea.

The LHASA APSO CLUB OF NORTHERN
CALIFORNIA states that they have hosted two Futurities and are holding their second Specialty in February of 1979. On February 24, 1979 they will hold what they believe to be a Lhasa first, the very first Sanctioned A-OB independently held obedience match. They have a club newsletter issued monthly to inform their members of events of interest to them as Lhasa fanciers with emphasis on local club news and affairs.

Those of you who know me also know that I am persistent, therefore, I shall continue to contact all of you until I have an up to date list and hopefully a liaison between us that will benefit you, the Local club, ALAC and most importantly the Lhasa Apso.

MINUTES OF THE BOARD OF DIRECTORS

December 3, 1978
(At Atlantic City)

The meeting of the Board of Directors was called to order by President Keke Blumberg. Present were Keke Blumberg, Stephen Campbell, Dick Hoyt, Ed Sledzik, Paul Voight, Raena Wilks, Janet Whitman, and Barbara Woods. Also in attendance were Helen Ingel, Sandy Dellano and Marie Belluscio.

PRESIDENT’S REPORT—Keke Blumberg spoke to the Board regarding the Mid-West Grand Futurity winner. By a mail vote the winner was declared ineligible and the win vacated.

The AKC standard revision was approved as of August 1978.

The Bulletin—Lynn Morgan resigned his editorship due to personal commitments. Sandy Dellano and Marie Belluscio will be co-editors of the newsletter.

The film on the Dahlia Lhama was sent to the Detroit meeting and was shown on behalf of ALAC. A special thank you to Lenore Rosselor and to Barbara Wood and Sarah Fitzgerald who made it possible.

Plans for one National Specialty passed with a mail vote approval by the Board. It will be sent out to the whole membership now for their approval.

TREASURERS REPORT—June Balance is $2685. Paul Voight expressed the need to increase the yearly membership dues to cover our expenses. Most of our current balance is committed to cover identified expenses for the balance of the fiscal year.

CONSTITUTIONAL CHANGES—Ed Sledzik suggested the following changes:
We would leave open the amount of dues. Membership Dues will be determined by the Board. Set a date for Officers to take office. A motion was made and passed to accept these changes.

A resolution was made to accept the mailing list and list of new members as compiled by the Treasurer passed. The new members were approved. We currently have 375 family memberships and 88 individual members. (Total 463) Keke Blumberg will write to the members who did not renew their membership.

COMMITTEE REPORTS:

Specialties- We will have packets made up for both Independent Specialties and Regional Specialties. The Cascade Lhasa Apso Club would like their flyer to be placed in the next Bulletin. Approved.

Futurity- The 1979 Eastern Futurity will be hosted by the Merrimack Lhasa Apso Club in conjunction with their Independent Specialty to be held on June 17th or 18th 1979. The Chicagoland Lhasa Apso Club will host the 1979 Midwest Futurity in conjunction with the Chain O' Lakes Show on June 17th 1979.

Dick Hoyt announced that a total of 124 litters have been nominated for the Futurities to date including 5 in Hawaii.

The 1978 Mid-West Futurity problem is a matter of record. Carol Hart never responded to our letters requesting return of prizes. The Greater Detroit Lhasa Apso Club request that a retraction be printed in all magazines which carried advertisements paid for by the member who's win was under protest. Dick suggested that instead we print all winners of Futurities in the Bulletin and publications with the Mid-West Grand Futurity Winner identified as "vacant."

Dick Hoyt indicated that he's handled the Futurity now for four years and thought it time that others had the opportunity. He recommended Helen Ingel for the job. A motion was made and passed.

AWARDS CHAIRMAN Stephen Campbell, because of his duties as AKC delegate and all breeder Show Chairperson, asked to be relieved as Chairman. We thank Steve for making the Awards and interesting and important function for the club. Barbara Wood was selected as the new Chairperson.

AWARDS DINNER Raena Wilks told us the Awards Dinner will be held at Luchows. The price will be $16.75 per person. (Which was the best price we could find in the city after considerable checking.) The next Board Meeting will be on Sunday February 11th at Luchows. The General Meeting will be from 4 to 6 P.M.

MEMBERSHIP The function of the Membership Chairman is to welcome people in the name of ALAC. A motion was made and passed that all membership applications go first to the Treasurer. Copies will be sent to the Membership Chairman and Secretary. When the membership is approved by the Board, notification will go to the chairman of membership, the President, and the Treasurer.

BULLETIN The new Co-Editors of the Bulletin are Sandra Dellano and Marie Belluscio. They will get a bulletin out to the membership every two months. Our next issue will be one week after Westminster.

ONE NATIONAL SPECIALTY Suggestions were submitted and accepted with the following changes: 25 members sign a petition for nominations for judges. The membership at large will nominate, and the Board or a Committee selected by the Board will elect at least 5 and no more than 10 judges to be voted on by the membership. Our first National Roving Specialty will be in 1981. We will have 2 judges - those receiving the largest number of votes.

CH-CD BOOK Paul Voigt will look into the possibility of getting a better price for our next CH-CD book.

NOMINATING COMMITTEE The Nominating Committee for the Officers and Board of Directors for 1979-1980 were selected. The Nominating Committee will consist of Carolyn Herbel, Harriet Silverman and Ann Lanterman. Alternates are Marie Ross and Chuck Severson.

The meeting was adjourned at approximately 6 P.M. Respectfully submitted,

SECRETARY
JANET WHITMAN
Recommendation for Specialty Show Site:

1. Name of person submitting recommendation.
   
   Name: ____________________________

   Address: ____________________________

   ____________________________

   Telephone Number: ____________________________

2. Date of suggested Show

3. What facilities are available to ALAC?

4. If in conjunction with an All Breed Show, what does the All Breed Club offer? Has it been contacted?

5. Can ALAC choose the Judge?

6. Will the Judge be paid by the All Breed Club?

Return to: Janet Whitman

23 Great Oaks Drive

Spring Valley, N.Y 10977

Return by: April 16, 1979

PLEASE be sure the application is complete, otherwise the Board will be unable to consider the application.

FUTURITY NEWS

The 1979 Futurities are now Closed and here are the results - total number litters nominated are 143 with a total number of 602 pups.

The 1979 Futurities will be held in the following locations:

EASTERN  Merrimack Lhasa Apso Club, Lexinton, Ma.
       June 1, 1979, Elizabeth O. Morgan Judging.
       Chairman: Harriet A. Silverman, 27 Brook Rd. Marblehead, Ma., 01945

MID-WEST  Chicagoland Lhasa Apso Club, Grayslake, Ill.
        June 17, 1979, Phyllis Marcy Judging.
        Chairman: James A. Morano, 885 Westgate Rd. DesPlaines, Ill., 60016

WESTERN  Cascade Lhasa Apso Fanciers of Greater Seattle, Seattle, W.
        Chairman Don L. Hanson, 2422 South Columbia, Olympia, Wc., 98501

SOUTHERN  Lhasa Apso Society of Atlanta, Marietta, Ga.
        May 6, 1979, Shirley Scott Judging.

HAWAIIAN  Lhasa Apso Club of Hawaii., Honolulu, Hi.
        May 27, 1979  Jean Kausch Judging.

Shortly you will be hearing from the Host Committees with all the information about their Futurity and other shows and dog related functions going on those weekends. I'm sure you will want to attend.

All of them look like fun filled weekends and I urge you to enter as many of your eligible pups as you can. Lets make 1979 a record year for entries.

A word about eligibility: The designation of 'Region' on the nomination form has NOTHING TO DO with the Futurity you choose to enter. It only relates to the prize distribution of the $7.00 nomination fee you paid. There is no Geographic restriction on entering your pups. For example, a pup whelped in the Mid-west region may enter the Southern Futurity and his litter-mate may enter the Western Futurity. The only restraint, of course is that EACH PUP MAY ENTER ONLY ONE FUTURITY.

A few words about entries: If you are planning to enter the EAST, MID-WEST, SOUTHERN OR WESTERN FUTURITIES, you should recognize that they are being held in conjunction with an All-Breed Point Show or Specialty Point Show. As a result, you must enter and compete in the appropriate point-show class at that show. Your Futurity entry will be made on the same form and be treated as an additional class.

We are now receiving nominations for the 1980 Futurity. If you had a litter Remember to nominate it within 90 days of whelp. Enclosed with this Bulletin is a blank form in case you don't have one handy.

Something new has been added and that is a new Futurity Chairman, Dick Hoyt, after being our National Futurity Chairman for 4 years thought it time the Futurity go to someone else. He has spent many hours keeping records and making sure the Futurity was running smoothly, he felt it time the Futurity have a new face. At the November Board Meeting I was appointed by the Board of Directors of ALAC to try and fill his shoes. I will give it a gun-ho effort but that's a pretty tall order. Let me take the time to say THANK YOU Dick for an excellent job! I'm sure all of us feel the same way.

If you need any forms or have any question free to contact me at - Helen E. Ingel 24 Idlewild Rd., Levittown, Pa., 19057: 215 945-5158

Thanks.

Cordially,

Helen E. Ingel

AGREEMENT

I (we) acknowledge that the “Rules Applying to Registration and Dog Shows” have been made available to me (us) and that I am (we are) familiar with their contents I (we) agree that the Club holding this show has the right to refuse this entry for cause which the Club shall deem to be sufficient. In consideration of the acceptance of this entry and of the holding of the show and of the opportunity to have the dog judged and to win prize money, ribbons or trophies, I (we) agree to hold this Club, its members, directors, governors, officers harmless from any claim for loss or injury which may be alleged to have been caused directly or indirectly to any person or thing by the act of this dog while in or upon the show grounds, or near any entrance thereto, and I (we) personally assume all responsibility and liability for any such claim, and I (we) further agree to hold the aforementioned parties harmless from any claim for loss of this dog by disappearance, theft, death or otherwise, and from any claim for damage or injury to the dog, whether such loss, disappearance, theft, damage or injury be caused or alleged to be caused by the negligence of the Club or of any of the parties aforementioned.

I CERTIFY that I am the actual owner of this bitch or dog being qualified or that I am the duly authorized agent of the actual owner whose name I have entered above. In consideration of the acceptance of this entry, I (we) agree to abide by the rules and regulations of the American Kennel Club in effect at the time of this Futurity, and further agree to be bound by the “Agreement” accompanying this entry form. I (we) certify and represent that the dog entered is not a hazard to persons or other dogs. This entry is submitted for acceptance on the foregoing representation and agreement.

Single copies of the latest edition of the “Rules Applying to Registration and Dog Shows” may be obtained without charge from any Superintendent or from the American Kennel Club, 51 Madison Avenue, New York, N. Y. 10010.
