From The President

July 9, 1981

Dear Officers and Board Members:
Congratulations on being elected and thank you for volunteering to serve ALAC. I hope to meet with all of you at our first Board meeting which will be held August 8, 1981 in Houston, TX after Lhasa Apso judging in the Astro Hall, Kirby at Loop 610 South. Please let me know whether you can attend on or before August 3, 1981.

This meeting is being held in conjunction with the Greater Lhasa Apso Club Specialty (August 6), The Houston Kennel Club (August 7), Baytown Kennel Club (August 8) and San Jacinto Kennel Club (August 9) shows which are all held in the large air conditioned Astro Hall. Jack Onofrio Dog Shows is the Superintendent.

My choice for Committee Chairpersons for the 1981-1982 term are as follows:

AKC GAZETTE COLUMN--The purpose of this committee is to obtain or write material and meet qualifications and deadlines for the breed column in the AKC Gazette.
I recommend Ray Sledzik. He has done a very good job of meeting the demands of the AKC for the Gazette Column and has not to my knowledge missed a deadline. He is willing to continue and we should be happy to have him do so. I am sure that he would welcome any input that you could supply to him.

ALAC AWARDS--The purpose of this committee is to record the statistics that provide for the eligibility for the awards, publish rules and results of the various catagories, obtain awards and present them at the Annual Awards Dinner, help with planning of that dinner and coordinating with the host club.
I recommend Barbara Wood as chairperson. She has done a super job, continuing to provide excellent awards in spite of our inflationary economy.

**ALAC SPECIALTY**—The purpose of this committee is to supervise the ALAC National Roving Specialty. To obtain hosts for the four regions, initiate the polling and selection of judges for the Specialty, etc. I would like to add the responsibility of also being in an advisory position for the Local Specialty Clubs in order that they may have a person representing ALAC that can answer questions and assist them when necessary.

I recommend Ray Sledzik as his past work supports his capability and with the new Roving Specialty I believe his experience and willingness to stick with a job is a necessity to keep the new format successful.

**BULLETIN**—The purpose of this committee is to oversee and advise the Bulletin staff or any other organ that is used to keep the general membership informed of the activities of the leadership of the club as well as the various events that are sponsored by ALAC. To report the results of Futurity and Specialty shows and the Annual Awards.

I recommend Keke Blumberg who has really kept within the budget and made it possible to have communication between the leaders of the club and the general membership once again. On a limited budget with not much support from anyone especially on advertising she has done a super job.
CHAMPIONSHIP/CD YEARBOOK—This committee has probably the most work and carries with it the most responsibility of any of the committees. It is a very large job and has the largest budget. It must get estimates for printing so that the sale of the book is profitable, solicit participation, put all the information together and sell the idea to get operating money before it goes to press. These are just a few of the responsibilities—finding addresses, posting statistics, correcting errors etc. are a few more. I recommend the same committee heads that did such a marvellous job on the 1977 Yearbook; Marianne Nixon and Barbara Wood. They have experience of two such books and together I believe they will produce an even better and more profitable book that will once again make ALAC proud and give her accountability.

FINANCE—This committee was formed to not only audit but to oversee the finances so that no one event has the chance to bankrupt the club. It is intended to catch such a possibility before it is too far advanced. I recommend Paul Voigt, Marvin Whitman and Wilson Browning. All three of these gentlemen have a background in business and should recognize any out of balance activities.

EDUCATION—This committee is newly formed and its purpose is to provide materials to the general membership that will further their knowledge about the Lhasa Apso in all aspects—care, grooming, health, breeding etc. This committee should help to set up symposiums where there is going to be a gathering of Lhasa fanciers, such as Futurities, support entry shows, Local Club Specialties etc. The hope is that the symposiums can be recorded and transcribed for publishing so that these events can be shared with the mem-
bers that could not attend. All Board members should be willing to serve on this committee if asked to help set up these events in their area.

Those of you who were members of the ALAC Board in October, 1979 received a copy of a letter written by Don Hanson. This letter reflected what many ALAC members in the outlying areas feel and that is that ALAC gives them very little for their yearly dues. I have contacted Don and he has agreed to head this committee and help all members of ALAC get something for their dues whether or not they can attend the various events. I believe this committee will not only educate ALAC members but will form a cohesive atmosphere for the club.

FUTURITIES--This committee is another one that has great responsibility. It solicits host groups from the various regions. It receives nominations of litters all year and must send notification of these receipts. It must advise and oversee the various futurities held in the four regions. I recommend Bobbie Lee to head this committee. Bobbie has been a member of ALAC since 1970 and is very well versed in the operation of clubs and shows. She is presently a Board member in the Fort Worth Kennel Club and acts as a superintendent for some of the local Specialty clubs in other breeds. I believe that she can do an excellent job with the Futurities. As you know she will be replacing Helen Ingel who has done an excellent job for several years but feels that she is going to be too busy to give it her full attention. She has agreed to help all she can with the transition.

HEALTH--This committee should stay abreast of all the reports that are made on the health and
welfare of our dogs—the Lhasa Apso. I believe that such reports should be made at ALAC functions or published in the Bulletin or perhaps sent out in a brief form with the secretarial information. Many times we could send another sheet of paper in the same envelope for the same price on postage; another service to the ALAC member. I believe that in certain areas this committee and the Educational Committee can work together.

I am suggesting Janine Charboneau as chairman of this committee. She has received her Doctor of Veterinary Medicine degree in June of this year and has also bred and shown dogs for fourteen years. I think we are fortunate to have someone like her who can no doubt bring us up to date on the very latest reports on the health of the dog.

HISTORIAN—This committee is to keep records of the club for posterity. ALAC is in possession of an Album that is complete through 1974. It needs to be brought up to date and made available at the general meetings for members to enjoy. I volunteer to do this. I have recently had to research ALAC’s records to provide Chapter 17 of The Complete Lhasa Apso so could quite easily bring the album up to date.

LOCAL CLUB LIASON—This committee was formed in order to have better communication between local specialty clubs and ALAC. Its main purpose is to keep a current list of the clubs, their secretaries and addresses. It also should serve as an advisor to the local clubs and perhaps set up cohesive activities for the local clubs that would benefit the Local Clubs and ALAC. I propose Muriel Hunt for the chairlady of this committee. It seems that the clubs more readily
send her their changes of officers and announce-
ments because of her position as editor of
Lhasa Tales. I think this is because she has
established reliability having been at the same
address for a long time. It may not always be
easy for the secretaries of the local clubs to
find us, as the officers change. I think Muriel
can best serve ALAC by building a cohesive
relationship between the clubs and ALAC.

MEMBERSHIP--The purpose of this committee is to
courage new members, respond to inquires,
welcome those applying for membership, follow up
on those who do not renew membership and to
generally encourage membership in ALAC.
I suggest that Raena Wilks continue in the capa-
city of membership chairlady. She is doing a
superb job with this committee and I am pleased
to say that she is willing to continue for which
we should be grateful.

PARLIAMENTARIAN--This is a position that has
been revived this year. Its purpose is to estab-
lish proper parliamentary procedure in order to
make our meetings speedier and smoother running.
I suggest Muriel Hunt as she has the necessary
experience for this position and plans to attend
most of the meetings.

Thank you for your consideration of my selections
of ALAC Committee Chairpersons for 1981-1982.
I shall assume that you approve of my selections
if I do not hear from you in two weeks or less
upon receipt of this letter.

Another order of business that I would like you
to consider is the manner of selection of our
recommendation for five judges to be considered
to judge Lhasa Apsos at the 100th Anniversary
show held by the AKC in Philadelphia in 1984.

We have just recently finished a polling to arrive at a judge for the 1983 ALAC National Specialty. It would save duplicate correspondence if we would simply recommend the top six judges eliminating the Specialty judge therefore making the necessary five needed for submission to the AKC.

I shall assume that you agree with this method of selection unless you contact either the secretary or myself in two weeks or less upon receipt of this letter.

I shall look forward to seeing you all in Houston on August 8, 1981.

Respectfully submitted,

Carolyn A. Herbel, President
Board Meeting

MINUTES - ALAC BOARD MEETING
THURSDAY, MAY 14, 1981

The third meeting of the 1981 ALAC Board was called to order by President Leonard Ripley on Thursday, May 14, 1981 at 9:05 p.m., Best Western Motel, Tysons Corner, Virginia.

Officers and Board members in attendance: President Leonard Ripley, Vice President Marianne Nixon, Secretary Ann Lanterman, Treasurer Paul Voigt, AKC Delegate Keke Blumberg, Jane Browning, Carolyn Herbel, Phyllis Marcy, Ray Sledzik, and Barbara Wood.

It was moved by Keke Blumberg, seconded by Phyllis Marcy and Barbara Wood we dispense with the reading of the last Board minutes. All approved.

It was moved by Keke Blumberg, seconded by Jane Browning that we dispense with the reading of the Secretary's Report. All approved.

TREASURER'S REPORT - Paul Voigt
CD-CH Book sales have brought in approximately $1,100.00-$1,200.00 this past year. Futurities have made a profit. ALAC National Specialty should bring in between $200.00-$500.00 (dinner, raffle $100.00 and $87.00 auction). ALAC is approximately $2,000.00 ahead for the year. Jane Browning assessed each Board Member for $2.00 to pay for the ALAC ad in the Specialty catalogue.

COMMITTEE REPORTS
MEMBERSHIP - Raena Wilks
Barbara Brock reported Muriel Hunt is going to
supply ALAC with a list of new Lhasa Tales subscribers. Names on the list who are not already members of ALAC will be sent information on the Club. Paul Voigt stated he had received about 70 letters from his address being listed in Dog Fanciers. Information on ALAC has gone out to these people.

**BULLETIN - Keke Blumberg**

We need more support. Our main function is to reach the people and communicate. Committee chairman are asked to please use the Bulletin.

**OLD BUSINESS**

A request was made that the Futurity Chairman follow through with the approved response to litter nominations by sending a postcard.

Helen Ingel made a request that Debbie Burke be appointed co-chairman of the Futurities. Ray Sledzik moved to accept Debbie Burke as co-chairman of the Futurities, Carolyn Herbel seconded the motion and all approved.

Paul Voigt moved that the Futurity people send checks to the treasurer no later than 30 days (12 times a year) after they have been received. Marianne Nixon seconded the motion, all approved.

It was suggested that committee chairman submit a report by the end of the year to the Board. Leonard Ripley will write to each chairman.

**NEW BUSINESS**

The Hawaiian Futurity was discussed at length. It was moved by Paul Voigt, with an amendment by Barbara Brock, seconded by Jane Browning and all approved that "Whereas it is the considered opinion of this Board that we have two judges who
have been contacted and accepted, this is an impossible situation, I hereby move we cancel the Hawaiian Futurity for this year.

Paul Voigt would like Board approval to return litter registration fees to the Hawaiian registrants. If secretary does not hear from Board members by June 10, 1981 she will consider this your approval.

Paul Voigt moved, Helen Ingel, Futurity Chairman, Mark Iseki, judge, Lois Kittle, judge, The Hawaiian Lhasa Apso Club and the AKC be notified by letter, the cancellation of the Hawaiian Futurity. An addition to the motion was made to have the approval of Carolyn Herbel, Leonard Ripley and Helen Ingel before the letter is sent. Phyllis Marcy seconded this motion and all approved.

The National Futurities were discussed. Concern for rising costs, support, entries, judge changes and lack of host club bids were all considered. Keke Blumberg's motion to the Board for one roving Futurity to be held with the National Specialty was again brought to the floor. Extensive discussion followed, with primary concern expressed over withdrawal of this ALAC sponsored function throughout the country. It was moved by Ray Sledzik, seconded by Jane Brownong and approved that further discussion be tabled until Keke Blumberg draft a proposal to include some ALAC supported alternatives. Keke Blumberg asked all Board Members for impact on this subject.

After discussion, Ray Sledzik moved, once a person has been elected and accepted to do a Futurity, that person for what ever reason cannot judge that Futurity, than the four year time period as
based on anyone who judges will be in effect. We expect our judges to fulfill their commitment. The motion was seconded by Marianne Nixon and all approved.

It was moved by Jane Browning, seconded by Keke Blumberg and all approved that nominated names for Futurity judges have an acceptance signature plus three ALAC member signatures. The secretary was asked to enclose a form along with the request for Futurity judge nominations. Futurity judges are RESPONSIBLE FOR THEIR OWN EXPENSES.

Ray Sledzik, Specialty Show Chairman for ALAC, thanked everyone for making the 1981 National Specialty a great success. A thank you letter will be sent to the Show Chairman and the Show Secretary. Ray reported the Show Secretary and Show Chairman were given a small gift and suggested we continue this gesture.

Ray Sledzik suggested we be very careful in picking future areas for the National Shows.

There are still four regions for National ALAC Specialties. The 1983 National Specialty will be in the Midwest Region. (The four regions are Eastern, Western, Midwest and South).

Ray Sledzik recommended that we accept the Heart of America Lhasa Apso Club bid for the 1983 National ALAC Specialty and Midwest Futurity. All the ALAC functions would be in the same place, the Ramada Inn Central, Kansas City, Missouri, May 13, 1983. A full program will be offered, Awards Banquet and dinner, Annual meeting, seminar, Board meeting and All Breed Shows. All Board members approved the recommendation.
Ten names of potential 1983 ALAC National Specialty judges will be sent to the membership. The membership will be asked to pick five names. The top two names who are available and willing to accept the nomination will be placed on the final ballot to the ALAC membership.

Ann Lanterman, Chairman for the Cascade Lhasa Apso Fanciers of Greater Seattle, host club for the 1982 National Specialty, Western Futurity and week of activities, presented each Board Member with a proposal. It was asked if the Board would accept the proposal as written. Keke Blumberg moved, Ray Sledzik seconded and all approved that the proposal be accepted.

Ray Sledzik recommended by the summer of 1981 we should be working on the 1984 National Specialty which will be held in the Southern Region.

Paul Voigt asked that when the roster is presented in the next Bulletin that the list include addresses along with the names of the membership.

Paul Voigt suggested that we discuss at the next Board meeting the tabled idea of ALAC producing educational pamphlets.

A new list of Specialty Clubs must be put together immediately.

Paul Voigt stated there have been no bids of Futurity sites in the Eastern and Midwest region for 1982.

Ray Sledzik moved, Keke Blumberg seconded that the meeting be adjourned.
The Annual Meeting of ALAC for 1980-1981 was called to order by President Leonard Ripley on May 13, 1981 at 9:12 a.m. at the Reston Country Club, Reston, Virginia.

President Leonard Ripley welcomed everyone.

Carolyn Sledzik, Chairman for the National ALAC Specialty, informed us that the show ground would be open at 7:30 a.m. Breakfast would be served for $2.50 from 8:00 a.m. to 10:00 a.m. Lunch will also be available. Carolyn announced an auction would be held after the awards presentation and a donation raffle would be held at the Specialty the next day.

Keke Blumberg moved that we dispense with the reading of the last Annual Meeting minutes. Leslie Ann Engen seconded the motion - all approved.
