EDITORS
It is with great pleasure that I can report to you of the complete turn-around of ALAC from a deficit at the time this administration took office, to a projected modest profit for the fiscal year which will end June 30, 1931. Credit for this rests, for the most part, with many of your board members and committee members who have given us the benefit of their valued council and so much of their time. I thank each and every one of you for your much appreciated support.

Membership is up 32% from mid August to mid February. Plans for the forthcoming NATIONAL SPECIALTY are progressing very well with no apparent unresolved problems to date. The sale of the CH/CD books, although not quite up to our best hopes, nevertheless has been a rewarding accomplishment accounting for revenues of one thousand dollars, a factor which made a significant contribution towards ALAC'S financial recovery. We must not become complacent about the sale of these books! We made the point in the last bulletin that the CH/CD book was our finest asset. Proof is the fact that the revenues from the sales of those volumes, over only the past few months, have made such a positive impact on our cash position. We cannot stress enough how important it is that each of you continue with your efforts to sell this inventory. Please remember that every book sold is one more step towards the publication of the biggest and best volume to date.
Letter from the President—Continued

As some of you already know, I will not be running for the presidency of ALAC next year. I would like to thank each of you for having given me the opportunity to serve and to tell you that I have thoroughly enjoyed being your president. The reason I made the decision not to run was very simple. ALAC needs more representation of the board from other geographical areas of the country. Such would help enormously to spur communication between representatives of local clubs and ALAC's board; there is no better office from which to impart the required confidence to the overall membership and to create the necessary atmosphere of national unity than that of the president. Like the National Specialty, this office must rove also.

Respectfully submitted,
Leonard Ripley
President

Board Meeting

Minutes - ALAC Board Meeting
Sunday, February 8, 1981

This is a brief summary of the minutes. The minutes have not been approved by the board.

The second meeting of the ALAC 1980-1981 Board was called to order by President Leonard Ripley on Sunday, February 8th, 1981 at approximately 11:00 a.m., Jane Browning's room, Plaza Hotel, New York. Officers and Board in attendance were:
TREASURER'S REPORT:
Paul reported treasury is in good shape. Complete report in next bulletin.

COMMITTEE REPORTS:
MEMBERSHIP - Raena Wilks Chairman
A request is going to be made to Muriel Hunt to put ALAC application form in the Lhasa Tales.

AWARDS - Bobbie Wood Chairman
Information has been sent to each member on rules and regulations for receiving awards.

BULLETIN - Keke Blumberg Chairman
The Bulletin is a tool of communication to the membership and to make the Bulletin work, information must be sent to Keke.
It was discussed and a motion was made by Janet Whitman that a sample full page ad be put in the Bulletin. This ad is to promote the sale of advertising.

SECRETARY'S LETTER

Each time the secretary has sent out a ballot she has had indications that the way the balloting is handled is invading the privacy of a member's vote.

According to the American Lhasa Apso Club, Inc. constitution, the only "secret ballot" sent to the membership is the final ballot for election of officers.

On every ballot return envelope there must be a name to match the eligible voters roster, or the ballot is invalid.

The procedure is as follows: A committee checks off each name, envelopes are then opened and the ballots are put in one pile, envelopes in another. The committee then counts the votes.

If a member feels that his ballot should be placed in an unmarked, sealed envelope, then please put the unmarked envelope inside the return envelope that has your name on it.

Ann Lanterman
Secretary

Bill Davis Deck represented Action 81, an organization of citizens to combat the stealing of pets, formed in 1976 by Mary Warner following the disappearance of her German Shepherd. Bill spoke on PET-NAPPING and/or DOG NAPPING.

Pets are stolen mainly to fill the following needs:

1) to use as BAIT to train Dog Fighters
2) for use in RESEARCH
3) fill orders for PUPPY MILLS and BACKYARD BREEDERS
4) for use by FURRIERS

To train one dog for FIGHTING takes several weeks and FIFTY DOGS and CATS PER WEEK, and progressing to large docile dogs.

Since the repeal of the Metcalf-Hatch in N.Y. State, laboratories have no source of supply for research animals. Many other states are in the same predicament. Healthy pure-breds bring from $50. to $700.!!!

Stolen pure-bred bitches, are on order for the Puppy Mills and Backyard Breeders. They do like dogs with show records.

Furriers are now using pelts of certain breeds, smooth-coated such as Dobermans and Dachshunds, long-coated such as Irish Setters and Longhaired Dachshunds; these are mostly used for trim.
AMERICAN DOG OWNERS—CONTINUED

Cat fur is used for rabbit fur as it is difficult to tell the difference between the two by an untrained eye.

Protect your pet and follow some simple advice:

1) TATTOO your dog with your Social Security # on the inside of the left leg. (Reputable laboratories look for #s.)
2) Register your S.S.# with the National Dog Registry in Carmel, N.Y. (One time registration fee)
3) Never leave your dog unattended in cars, yards, runs, tied outside of stores, etc.
4) Invest $10.00 and join the American Dog Owners Association, Inc., 1920 Route 9, Castleton, N.Y. 12033.

THE PET YOU SAVE MAY BE YOUR OWN!!!!

THE KIDNEY PROBLEM - HAS IT VANISHED?

It has been brought to my attention recently that many of our members are concerned about the status of investigation into the kidney problem. Is it still a problem in our breed and where is it being found? Is research still being conducted with our Lhasas and do the Vet schools want our help?

ALAC is concerned and we want to know if our members have any news to contribute. We are re-establishing contact with the Veterinarians who were originally involved and we will have some specific news on that front soon. We hope to have for you the latest on what the Universities want in the way of Lhasa Colonies and case histories.

I have a personal observation on the situation to share with you. I live in an area of the Country where we have many people stationed here for the short periods in the military and where we have many tourists (Norfolk, Virginia Beach, Williamsburg, etc). Our local Vets see Lhasas from all over, mostly pets, and are observing many cases of Kidney problems. During the past year I started to inquire of my Vet and some of the other Vets around what is being done with these dogs. I left my phone number with the Vets and have had owners call to tell me their stories. A majority of the dogs come from a pet store background and are already very ill when they are brought in. In most of the cases the owners were afraid to spend a lot of money on tests when the dogs were so sick. At present all that I can do is listen and encourage the people to cooperate with their own Veterinarian on the testing and discourage them from breeding. Pet owners need to know
that we are aware of the problem. Our veterinarians need to have our support. Let them know that we are interested. Even if we just help find out how many Lhasas are out there with kidney dysfunction it is a start.

Three Dog Clubs in West Virginia will contribute 50¢ per dog entered in West Virginia shows to fund studies into Canine Diseases and health problems.

The contributions of the three Dog Clubs will help finance studies in veterinary schools into canine health problems such as parvovirus, bloat, skin diseases and others.

"Animals of the world suffer because of our lack of sufficient funds," Richard E. Newman, Chairman of the Board, said earlier. Morris Animal Foundation received requests for $2,413,820 in grants but was only able to budget $250,000.

Arrangements with the three Clubs were made by Lou H. Harris, of Mineral Wells, West Virginia. Harris serves voluntarily as Canine State Chairman for the nonprofit foundation.

"It sets precedence for other clubs in our area and it's an easy program to continue from year to year" Harris said.

SOMETHING NEW HAS BEEN ADDED!!!

As most of you know the futurity is an overwhelming job. To better serve the members and host clubs, I have decided a co-chairman is in order. After speaking with Leonard Ripley, Paul Voigt, Marianne Nixon, Anne Lanterman, and Keke Blumberg, they also agreed that a co-chairman would be extremely helpful.

After careful consideration, Debbie Burke has been chosen and accepted by the officers of the club and myself as the co-chairman. Debbie and
I will be working together in all aspects of the futurity. We both feel that by giving you access to two people we will be more effective and available to assist you. Please feel free to contact either of us.
