PRESIDENT'S MESSAGE

My sincere thanks to all the ALAC members who responded to the Survey. As I write this there is still time before the deadline so I hope to receive many more even though the response has been far better than I had expected. I am so pleased with the many honest, straightforward and thoughtful replies. Even without complete response to the survey I can tell you that the leading request is for more up to date and complete communication between the officers, board members, committee chairmen and the general membership. I continue to request that all committee chairmen as well as officers and board members answer any correspondence they receive immediately, however, if you do not receive an answer to your questions in a reasonable amount of time please write to me and I will attempt to help you get an answer. I also would encourage any person who is too short on time to answer correspondence, to either not accept a position in the club or if holding a position consider resigning. It is very discouraging to me to continue to receive letters and comments from members stating that they have contacted ALAC and did not get a response. PLEASE ANSWER CORRESPONDENCE—and this applies to any letters sent to the membership by the officers, board members and committee heads as well.

The second request at this time is the desire for educational material published by ALAC. This varies from advice for pet owners to an explanation of the standard. An often requested need is that of information about grooming and training. It is my desire that in the future many small pamphlets will be developed on these specific subjects and others that are requested.

In answer to the question about the selection of judges for our ALAC National Specialty, a majority answered that they would like the original list of nominees to be made by the general members, not the Board of Directors. Another comment made by the majority was that they would prefer that officers and board members not judge the Specialty and some went as far as to include that to be any ALAC member.

In response to the question concerning the changing of the Standard the most used answer is the desire to have an ALAC Official Interpretation in lieu of making any changes to the standard.

Many responses have given excellent ideas for new projects and ways to improve present projects. Many volunteers will no doubt be requested to participate in the activities of ALAC. May I suggest, however, that no one accept a position unless they intend to be active and get work done on time. If you accept a position and at a later date find you cannot participate in a productive way we would appreciate your resigning rather than causing the position to stagnate, thus hampering the progress of the project. With well over 500 members in ALAC I believe that in such a case your job can be filled and you will have more respect for resigning than to hold on and get the reputation of not doing a good job. I was very pleased with the honesty of many respondents who very openly said they either did not have time to volunteer or they did not feel qualified. I again thank those of you who care enough about ALAC to extend your ideas and opinions.

Of course there are differences of opinion on some subjects and the majority will get first consideration.

By the time you read this you will have received the minutes and committee reports from the February 11, 1984 Board of Directors meeting. It is hoped that the new policy of subscribing to Bulk Mailing will help make more mailings to the membership affordable. We sent these minutes by this method.

There are two inconveniences that we are concerned about. One is that there is a three to four week delivery time. This is most cases, however, will get the minutes to you sooner than if we wait for the BULLETIN. The second inconvenience is that the mail will not be forwarded nor will it be returned to us. Therefore we will not know if you did not receive it. This makes it very important for you to keep us informed if you change your address. If you, through visiting with a friend, discover that a mailing has been made and you did not receive it please contact the Secretary and she will send you a copy by First Class Mail to insure your getting it. We believe this will work because we have been assured by the various magazines that they have very few people who do not get discovery. It cuts our mailing costs almost in half.

I hope you are making plans to attend the 1984 ALAC Annual Festivities in Houston in August. I will look forward to seeing you there!

Carolyn A. Herbel
I recently received a few inquiries from people showing Lhasas in obedience who were confused as to whether the Lhasa could be shown with its coat cut back. Seems that the word had been going around that the coat being cut back was altering the dog by artificial means.

To set the record straight, I contacted the Show Records Department of the AKC and according to Ms. Joyce Hogi of that department, "Please be advised that the cut back in Obedience is not a disqualification". This letter along with other pertinent information has been forwarded to the ALAC Secretary for future reference.

Although the showing of a cut back dog is not a disqualification in Obedience, I think that most of us are of the opinion that a Lhasa should look like a Lhasa anything it is in the public eyes. Even though the hair is cut short, usually in a "Executive Cut", the dog should be clean and groomed before entering the ring. This is not only to show our pride in ownership of the dog but to also show our pride in what "these hairy little fellows" have accomplished in getting to the Obedience Trial.

Time is growing short in getting your favorite dog ready for the National Specialty in August and you should keep some other events in mind. There are also 3 other All Breed shows and Obedience Trials being held in the fabulous Astrohall (acres and acres of air conditioned show area and grooming space under 1 roof).

More on this should be getting out with the mailing on the Specialty. Make your plans now for a great week starting with the National Specialty.

OBEDIENCE—THE AMERICAN KENNEL CLUB

February 2, 1984

Mr. Frank Trujillo
1904 Beason
Bryan, Texas 77801

Dear Mr. Trujillo:

As per our telephone conversations, enclosed please find a copy of changes in appearance by artificial means that require disqualification of a dog in the show/ring.

Please be advised that cut back in Obedience is not a disqualification. I hope this publication is of help to you.

If I can be of further assistance, please do not hesitate to contact me.

Very truly yours,

Joyce Hogi

THE AMERICAN KENNEL CLUB
Futurity Report for the Spring Issue

The eligibility period for nominating litters for the 1984 Futurities has closed. For 1984, the eligibility period was November 1, 1982 and extended through December 31, 1983 due to the fiscal year change for ALAC. The eligibility period beginning with the 1985 Futurities will be January 1st and ending December 31st.

A total of 183 litters were nominated for 1984 with a breakdown by regions as follows:
Region 1 (Eastern) 52 litters, Region II (Western) 45 litters, Region III (Midwest North) 43 litters and Region IV (Southern) 43 litters with 774 puppies eligible to compete. Can you imagine the prize monies if only half of these puppies competed in the futurities? The American Kennel Club reports that during 1983 there were 1,084 litters registered. Since all dogs registered are eligible to enter the futurity, can you imagine the prize monies if only half of the eligible litters were nominated? As a member of ALAC, encourage everyone you know who has a litter to nominate their litter and support the futurity. At the same time, you might also encourage them to join ALAC and support the National Club. An entry form is included in each “ALAC Quarterly” for your convenience.

Subject to AKC approval, the 1984 Futurities will be held as follows:
Region I: July 2, 1984 in conjunction with Elmira Kennel Club, Horseheads, NY
Host Chairman: Nancy Sehnert
Central New York Lhasa Apso Club
7349 Westgate Lane, Liverpool, NY 13088
Judge: Mrs. Georgia Palmer
Region II: June 23, 1984 in conjunction with Golden Gate Kennel Club, Daly City, CA
Host Chairman: Patricia Chenoweth
The Lhasa Apso Club of Northern California
12510 Quito Road, Saratoga, CA 95070
Judge: Mrs. Valiene Weathers
Region III: July 27, 1984 in conjunction with the Greater Milwaukee Lhasa Apso Club, “A Match”, Greendale, WI
Host Chairman: Mr. Bob Cooper
The Greater Milwaukee Lhasa Apso Club
4528 Garden Drive, Racine, WI 53403
Judge: Mr. Victor Cohen
Region IV: August 7, 1984 in conjunction with the National Specialty, Houston, TX
Host Chairman: Pam Lawson-Higgins
Lhasa Apso Club of Greater Houston
6631 Winding Trace Drive, Houston, TX 77086
Judge: Mrs. Winifred Graye

Contact any of the Host Chairmen should you need additional information, such as, supporting shows, activities, etc. You will receive additional information from these chairmen for your Region; however, if you desire to enter in any Region other than the one in which your litter was nominated; you will need to solicit information direct. The exception will be that all litters nominated will automatically receive information for Region IV since it will be held in conjunction with the National Specialty.

Solicitation letters will be out shortly requesting Host for the 1984 Futurities. The National Specialty will be held in Region I (Eastern) and will automatically host the futurity for their region. If you are in any of the other three regions, consider hosting the 1985 Futurity in your region. It can be a fun experience!

SUPPORT the futurities. Let’s make the prize monies really something to receive. Let’s make the Robert W. Griffing Memorial Plaque awarded the breeder of the Grand Futurity Winner in each Region a dream of each and every breeder of Lhasa Apso.

Should you have any questions concerning the Futurities or have any suggestions, please fell free to contact me. Just as a reminder, don’t forget to get your nominations in within 90 days of whelp.

Respectfully submitted,
Bobbie Lee
MOVEMENT/GAIT

For me, there is nothing more beautiful in the ring than a Lhasa Apso effortlessly trotting out in front of his handler. Before I wrote *Lhasa Lore*, I spent much time studying Lhasa movement both in the ring and out. In addition, I read and re-read Frances Sefton’s description of the Lhasa Apsos’ movement in her book *The Lhasa Apso*.

I agree with Frances Sefton that the normal pace of the Lhasa is the trot, and since the trot best reveals the character of his movement, it is the gait best for the showing. I would like to quote her description of this movement: “When trotting, the Apso leads off with one forefoot, then the hind leg on the opposite side, the other forefoot, and the second hind-foot. The weight is diagonally placed—that is, on one forefoot and the opposite hind foot, although for a fraction of a second when the weight changes to the opposite diagonal all four feet are off the ground. Although the forelimbs do a lot of work at this pace, the hind limbs are brought into use just sufficiently for the hocks to be flexed to show the pads of the feet from the rear. The action can be seen from the side, however.” (S-pp. 40-41)

A Lhasa which possesses a good trot will move in a smooth, graceful, and effortless fashion. This is the gait in which the Lhasa comes closest to single tracking; i.e., placing his feet as nearly as possible under the center of his body. A properly built Lhasa, with balanced front and rear angulation, will not single track in the manner of a Brittany since the Lhasa is both shorter of leg and has a broader rib spring for its size. The paws should, however, come down in a spaced pattern.

The reach and the drive of a Lhasa should be apparent at a trot. A good forward reach is essential, as is rear drive, for a smooth, collective look.

When a Lhasa moves at a walk or amble, both slower than a trot, the Lhasa should present different pictures as his feet are placed differently and his weight is distributed somewhat differently. As he walks, the Lhasa has one leg moving, three feet on the ground, and a pelvis doing its own thing. This is an awkward gait. A Lhasa which gives a stilted look at a walk most likely has two faults: too straight angulation in the shoulder and too short backed.

The amble, during which the limbs on one side move together, is slightly faster than the walk. As a Lhasa gaits in this manner, his weight switches from side to side, his fore legs do the majority of the work, and his hips appear to roll.

The gallop is seen usually when a Lhasa is in the open and desires to cover a great deal of ground. All four feet may be off the ground, as “one forefoot lands a fraction of a second earlier and behind the other, the flexible spine bends and the back feet come up behind the front and push off in a bound.” (S-p.40) This gait has a four beat rhythm. “For a Lhasa to gallop, he must have good shoulders, good thighs, good legs, a good chest indicated by a good rib spring, a strong heart, and a love for moving with the wind.

One thing that I have noticed is that those Lhasas who can gallop with ease over an acre of ground also have a smooth, sparkling trot.” (H-p.43)

As Frances Sefton points out, “a sloping shoulder such as the Apso has transmits the weight on to the forelimb indirectly, because of the angle which is made by the shoulder and the upper arm bones. This acts as a sort of spring action, and gives the jauntiness in the movement, particularly at trotting pace.” (S-p.41) Jauntiness indicates a lively brisk manner, a degree of unconcern, with vigour and with a sense of elegance—tasteful correctness.

Thus, in the ring a properly moving Lhasa will move in a brisk, smooth, and graceful manner as he trots. He will come close to singletracting, but not true singletracting. His movement will have a sense of spring action, his rear paws will be revealed, and his topline will appear level. The Lhasa will present a picture of unconcerned correct elegance.

An additional fee per household, not to exceed $10, shall be charged each year to members residing outside the United States, Canada and Mexico, to cover mailing costs. If the dues for the ensuing year have not been designated by April 1 of the current year, the dues for the ensuing year will be the same as the current year’s dues.

SECTION 3. Annual Election. At the Annual Meeting for the election of Officers, Directors and Delegate to The American Kennel Club (when applicable), the vote shall be conducted by mail ballot. Ballots to be valid must be received by the Secretary at least one day before the day of the Annual Meeting. Ballots shall be counted on the day of the meeting by at least three (3) inspectors of election who are members in good standing and who are neither members of the current Board nor candidates on the ballot and who shall be chosen by the Board before the Annual Meeting. Instead of using inspectors, the Board may designate an accounting firm or another reputable firm or organization to count the ballots. If the latter method is chosen, the Board will designate a closing date for voting and will notify the membership of the date at least forty-five (45) days before the closing date. The person receiving the largest number of votes for each position shall be declared elected. If any nominee, at the time of the meeting, is unable to serve for any reason, such nominee shall not be elected and if a vacancy is created, that vacancy shall be filled by the new Board of Directors in the manner provided by Article III, Section 3.

SECTION 4. Nominations and Ballots. No person may be a candidate in a Club election who has not been nominated in accordance with these By-Laws. A Nominating Committee shall be chosen by the Board of Directors before February 15. The Committee shall consist of three (3) members from different areas of the U.S.A. and two (2) alternates, all members in good standing, no more than one of whom shall be a members of the current Board of Directors. The Board shall name a chairperson for the Committee. The Nominating Committee may conduct its business by mail.

(a) The Nominating Committee shall nominate from among the eligible members of the Club, one candidate for each office and for each other position on the Board of Directors and every three (3) years a candidate for the Delegate to The American Kennel Club and shall procure the acceptance of each nominee so chosen. The Committee should consider geographical representation of the membership of the Board to the extent it is practicable to do so. The Committee shall then submit its slate of candidates to the Secretary, who shall mail the list, including the full name of each candidate and the name of the State of residence, to each member of the Club on or before March 31, so that additional nominations may be made by the members if they so desire.

(b) Additional nominations of eligible members may be made by written petition addressed to the Secretary and received at the regular address on or before May 1, signed by five (5) members and accompanied by the written acceptance of each additional nominee signifying willingness to be a candidate. Except for the position of Delegate, no person shall be a candidate for more than one position, and the additional nominations which are provided for herein may be made only from among those members who have not accepted a nomination of the Nominating Committee.

(c) If no valid additional nominations are received by the Secretary on or before May 1, the Nominating Committee's slate shall be declared elected at the time of the Annual Meeting, and no balloting will be required. The postmark on the nomination letter shall set the date received.

(d) If one or more valid additional nominations are received by the Secretary on or before May 1, the Secretary shall, no later than thirty (30) days before the designated return date, mail to each member in good standing a ballot listing all of the nominees for each position in alphabetical order, together with a blank envelope and a return envelope addressed to the Society marked "Ballot" and bearing the name of the member to whom it was sent. So that the ballots remain secret, each voter, after marking his ballot, shall seal it in the blank envelope which in turn shall be placed in the second envelope addressed to the Secretary. The inspectors of election shall check the returns against the list of members whose dues are paid for the current year prior to opening the outer envelopes and removing the blank envelopes, and shall certify the eligibility of the voters as well as the results of the voting, which shall be announced at the Annual Meeting.

(e) Nominations cannot be made at the Annual Meeting or in any manner other than as provided above.
ARTICLE V
Committees

SECTION 1. The Board may each year appoint standing committees to advance the work of the Club in such matters as dog shows, obedience trials, trophies, annual prizes, membership and other fields which may well be served by committees. Such committees shall always be subject to the final authority of the Board. Special committees may also be appointed by the Board to aid it on particular projects.

SECTION 2. Any committee appointment may be terminated by a majority vote of the full membership of the Board upon written notice to the appointee and the Board may appoint successors to those persons whose service has been terminated.

ARTICLE VI
Discipline

SECTION 1. American Kennel Club Suspension. Any member who is suspended from the privileges of The American Kennel Club automatically shall be suspended from the privileges of this Club for a like period.

SECTION 2. Charges. Any member may prefer charges against a member for alleged misconduct prejudicial to the best interests of the Club or the breed. Written charges with specifications must be filed in duplicate with the Secretary, together with a deposit of $10, which shall be forfeited if such charges are not sustained by the Board or a Committee following a hearing. The Secretary shall promptly send a copy of the charges to each member of the Board or present them at a Board meeting, and the Board shall first consider whether the actions alleged in the charges, if proven, might constitute conduct prejudicial to the best interests of the Club or the breed. If the Board considers that the charges do not allege conduct which would be prejudicial to the best interests of the Club or of the breed, it may refuse to entertain jurisdiction. If the Board entertains jurisdiction of the charges, it shall fix a date of a hearing by the Board or a Committee of not less than three (3) weeks nor more than six (6) weeks thereafter. The Secretary shall promptly send one copy of the charges to the accused member by registered mail, together with a notice of the hearing and an assurance that the defendant may personally appear in his/her own defense and bring witnesses if he/she wishes.

SECTION 3. Board Hearing. The Board or Committee shall have complete authority to decide whether counsel may attend the hearing, but both complainant and defendant shall be treated uniformly in that regard. Should the charges be sustained after hearing all the evidence and testimony presented by complainant and defendant, the Board or Committee may by a majority vote of those present suspend the defendant from all privileges of the Club for not more than six (6) months from the date of the hearing, or until the next Annual Meeting if that will occur after six (6) months. And, if it deems the punishment insufficient, it may also recommend to the membership that the penalty be expulsion. In such case, the suspension shall not restrict the defendant's right to appear before his/her fellow members at the ensuing Club meeting which considers the recommendation of the Board or Committee. Immediately after the Board or Committee has reached a decision, its findings shall be put in written form and filed with the Secretary. The Secretary, in turn, shall notify each of the parties of the decision and penalty, if any.

SECTION 4. Expulsion. Expulsion of a member from the Club may be accomplished only at the Annual Meeting of the Club, following a hearing and upon recommendation of the Board or Committee as provided in Section 3 of this Article. The defendant shall have the privilege of appearing in his/her own behalf, though no evidence shall be taken at this meeting. The President shall read the charges and the findings and recommendations, and shall invite the defendant, if present, to speak in his/her own behalf. The meeting shall then vote by secret written ballot on the proposed expulsion. A two-thirds (2/3) vote of those present and voting at the Annual Meeting shall be necessary for expulsion. If expulsion is not so voted, the suspension shall stand.
ARTICLE VII
Amendments

SECTION 1. Amendments to the Constitution and By-Laws and to the Standard for the breed may be proposed by the Board of Directors or by written petition addressed to the Secretary signed by twenty (20) percent of the membership in good standing. Amendments proposed by such petition shall be promptly considered by the Board of Directors and must be submitted to the members with recommendations of the Board by the Secretary for a vote within three (3) months of the date when the petition was received by the Secretary.

SECTION 2. The Constitution and By-Laws, and the Standard for the breed, may be amended at any time provided a copy of the proposed amendment has been mailed by the Secretary to each member, accompanied by a ballot on which he/she may indicate his/her choice for or against the action to be taken. The notice shall specify a date not less than thirty (30) days after the date of mailing by which date the ballots must be returned to the Secretary to be counted. The favorable vote of two-thirds (2/3) of the members in good standing whose ballots are returned within the time limit shall be required to effect any such amendment. No amendment to the Constitution and By-Laws or to the Standard of the breed that is adopted by the Club shall become effective until it has been approved by the Board of Directors of The American Kennel Club.

SECTION 3. No amendment to the Constitution and By-Laws or to the Standard for the breed that is adopted by the Club shall become effective until it has been approved by the Board of Directors of The American Kennel Club.

ARTICLE VIII
Dissolution

SECTION 1. The Club may be dissolved at any time by the written consent of not less than two-thirds (2/3) of the members. In the event of the dissolution of the Club, whether voluntary or involuntary or by operation of law, none of the property of the Club nor any proceeds thereof nor any assets of the Club shall be distributed to any members of the Club, but after payment of the debts of the Club its property and assets shall be given to a charitable organization for the benefit of dogs selected by the Board of Directors.

ARTICLE IX
Order of Business

SECTION 1. At meetings of the Club, the order of business so far as the character and nature of the meeting may permit, shall be as follows:

- Roll Call
- Minutes of Last Meeting
- Report of President
- Report of Secretary
- Report of Treasurer
- Report of Committees

ARTICLE X

The rules contained in the current edition of "Robert's Rules of Order, Newly Revised" shall govern in all cases in which they are not inconsistent with the By-Laws or Articles of Incorporation.

TO: ALL MEMBERS OF A.L.A.C.
FROM: RAENA WILKS

The Dorothy Benitez assistance committee wishes to thank each of you for your generous and immediate response to come to the aid of this lovely lady, and to help ease the unnecessary anxieties that she suffered along with her deadly illness.

It is with deep regret to announce that Dorothy passed away peacefully a few days before Christmas. I spoke to Dorothy the night before she entered the hospital for the last time, she was overwhelmed by the generosity from the ALAC members, and she asked me to personally thank each of you, which I do now—"THANK YOU" from Dorothy.

Head to Houston in August '84. Combine dog shows and a vacation in sunny Texas for an experience that will last a lifetime. The Houston area offers professional baseball games, the NASA Space Center, and the Astroworld Amusement Park, just to mention a few. Within 1 hour’s drive are the Gulf Coast beaches of Galveston. And don’t forget Gilley’s, the country/western nightclub that made the mechanical bull famous, just minutes away in Pasadena.

The '84 National Specialty Week kicks off on Monday, August 6, with the ALAC annual meeting and awards banquet. Tuesday brings the seminar, followed by a poolside luau and raffle. The 1984 ALAC National Specialty Show and Obedience Trial and the ALAC Futurity will be held Wednesday, August 8. Site of these events will be the spacious Ramada Inn Northwest Crossing. Thursday brings you to the most fabulous show site ever—the Astrohall—where the Lhasa Apso Club of Greater Houston, Inc. will hold its specialty. Friday, Saturday, and Sunday finish the week off with the Houston KC, Baytown KC, and San Jacinto KC All-Breed Shows.
