PRESIDENT'S MESSAGE

Another year is history for ALAC! CHEERS to all those who helped to make it the success that it was—the officers that did their jobs so faithfully throughout the year, the board members who responded to the various ballots and projects presented to them, the committees who carried out their various responsibilities, especially the Futurity and Specialty whose combined efforts helped to make our 1985 Regional Futurities and the 1985 National Specialty successful events, the Logo for useful items with which to display our ALAC Logo, Obedience for the birth of an album and activities at the Specialty, the BULLETIN for the interesting and informative issues, the Local Club Liaison for contacting all local clubs, Roster for keeping up with the "on the move" members, Yearbook Distribution for the availability of yearbooks at ALAC functions, AKC Gazette for meeting all deadlines and keeping ALAC represented, Education for the pamphlet that is soon to be available, Awards for the lovely prizes for our yearly accomplishments, Yearbook for the attempt to have a book available at the National, the nominating committee for new concepts and an effort to present the membership with a representative slate, the general membership for their participation in the Futurities, ALAC National Specialty, nominations of judges, election of officers and board members, selection of judges, trophy donations, participation in the Yearbook, advertising in the BULLETIN, and for understanding that this club is a voluntary effort by the officers, board members and committees and we try our best to make the club what you want it to be.
RASPBERRIES to the officers and board members who did not respond to all the various ballots and projects presented to them, to the committees that did not take their responsibilities seriously and just drifted through the year, to the local clubs who did not respond to ALAC, to the people that said they would do something specific for ALAC and didn't, to the people who always find fault with ALAC and never see (or look for) the good things we have accomplished, to the people who lead with complaints not compliments, to the people who did not support the yearbook or the BULLETIN with advertisement.

CONGRATULATIONS to all the newly elected officers and board members. To those of you that were not elected may I express my personal gratitude to you for your willingness to serve ALAC. Thank you for a good year and help us make next year even better!

ADDENDUM TO THE PRESIDENT'S MESSAGE

The above is the President's Message that I prepared after the Annual Board and General Membership meetings last August which were held in conjunction with the Specialty in Lockport New York.

For reasons beyond our control the Fall Issue was not published until now. Much of what I said is still true and you can be the judge of what is no longer apropos.

The ALAC Board of Directors met in New York City in February and I am so very excited about our plans. ALAC is now looking at a very bright future with many exciting projects planned.

COMMUNICATION? You are going to get so much correspondence from ALAC that you will be tired of hearing from us!
Junior Showmanship

There are many fine Junior Handlers competing in the Junior Showmanship ring with their Lhasa Apso's. These young people are the future of dog shows and many will go on to become breeders or handlers. The Bulletin is going to start giving them the recognition they deserve, so if you have any news about Juniors in your area, be sure to contact Sally Silva or Julie Elliott and let them know about it. The Bulletin will be happy to share their accomplishments with the rest of the Lhasa World.

Congratulations to Monette Thiele, age 16, Janesville, Wisconsin. Monette is currently listed as the Number 2 Junior Handler in the Non-Sporting Group nation-wide, according to the Canine Chronicle. Monette competes in the Open Senior Class with her Lhasa, Amberwood's Alcheringa. Congratulations!

A "Specials Class" for Juniors: On November 22, 1982 the Merrimac Lhasa Apso club sent a proposal to AKC that a new class for Juniors be established. Recognizing that the competition to qualify for Westminster is always very intense and many Juniors who have already won their 8 qualifying wins often finish out the year with many more, taking away the chance for other Juniors to qualify, it was suggested that a "Specials" class for those Juniors who have already received their 8 wins be established. Juniors could compete in that class for Best Junior Handler, as well as for the national points scale ratings.

AKC needs feedback regarding this idea. If you would like to see another class for Juniors established, present the idea to your local breed-club, specialty club, or consider writing a letter yourself to the following people:

The Board of Directors of the American Lhasa Apso Club, Inc., by a majority vote will select the Host Committees from the applications with primary consideration given to Specialty Clubs and Club Members. The Host Committee selects the site and the date of each Regional Futurity (provided it is held in the months of July & August). The futurity may be either a separate event or held in conjunction with an American Kennel Club approved point show at the election of the Host Committees.

Judges will be nominated by the membership of the American Lhasa Apso Club, Inc., and election of Judges for each region will be by written ballot by the entire membership of the American Lhasa Apso Club, Inc. How many times have you wondered just what was going on in different parts of the country? Who is doing some nice winning? Any interesting ring-side tid-bits...grooming hints, people doin'...you know the sort of thing. We'd like to issue a call for all of those aspiring Ring-side reporters to sharpen their pencils and come forward. We need volunteers to do ring-side reporting from the East Coast, the South, and the Northwest and Northeast. Sally Silva, Bulletin Editor, has volunteered to report on the West coast Happenings and Julie Elliott, Advertising Editor, will fill you in on the Midwest Happenings.

If you'd like to be part of the party line on a regular basis, please contact Sally Silva

and offer your services. Or, if you have some interesting info to share, let us know and we'll include it.

We're also going to start publishing a generation pedigree of all NEW CHAMPIONS--so if you have a recent Champion, send in a pedigree. You're responsible for accuracy--please make sure it's clearly written, too.

TO ALL ALAC MEMBERS:

It is time once again to submit your applications for ALAC Achievement Awards for the year 1985. This means that dogs that finished conformation are eligible to receive a Championship award at the 1986 National Specialty. Register of Merit awards will go to any dog whose 5th offspring, or bitch whose 3rd offspring finished during 1985 and any breeder who has bred 10 champions, with the 10th one finished sometime in 1985. The results of these championships must appear in the AKC Gazette by the March 1986 issue in order for the award to be approved.

The absolute cut-off date this year for submitting award applications will be May 1st. Since the 1986 Specialty is during the first week in July the order must be sent to the manufacturer in early May, so no applications can be accepted after May 1st. If you submit your application after May 1st you will be required to pay for your award plaque and you will not receive the award until the 1987 National Specialty.

Please note the fees shown on the application form for duplicate plaques and for mailing. Checks should be made out to ALAC. Anyone picking up awards for someone else at the Specialty will be required to sign for them.

Thanks for your cooperation. Hope to meet all of you in California!

Dear ALAC Local Clubs,

HELP! We know you’re out there, but in some cases cannot find you! ALAC wishes to make a strong effort to up-date all of the listings for the Local clubs in order to make a big start to the year with a lot of activities involving the Local clubs.

Will you please take a minute to go through the following list to be sure that the address of your Club’s Corresponding Secretary is correct. Also, check to be sure that your Club is included on the list as some Clubs are thought to be inactive.

If there is a correction, please mail it to me as soon as possible so that your Club can be included in the forthcoming contests that ALAC will be holding for the Local clubs.

Thank you,
