While in search for a theme for this message I scanned some of the back issues of the ALAC BULLETINS. One of Leonard Ripley's columns (he was ALAC's President for the 1980-81 term of office) spoke about the apathy that existed within ALAC and his concern that if not changed, it would be the demise of our national club. I also spoke of apathy early on in my terms of office. I am happy to announce that it seems that apathy is not a widespread problem in ALAC now in 1986. When I was elected president in 1981 there were twelve committees and now in 1986 we have 23 and all are active except perhaps two or three.

During the time since 1981, ALAC has reestablished the old Obedience Committee and offered for the first time, in 1983, an Obedience Trial in conjunction with the National Specialty.

The AKC III Phase Program has completed a dialogue for the Video/Slide show for our breed. This dialogue was published in the last BULLETIN and I have gotten much positive response. It was also used as the main subject matter for the Breed Standard Committee's Seminar at the 1986 National Specialty, another revitalized program of the past. It was well received by those attending and proved to be well worth the many hours spent by this committee. The Breed Standard Committee is presently working on a pamphlet that will be a guide to the standard and an aid to the person who wishes to judge our breed. This pamphlet will closely follow this same dialogue.

We accepted a logo to represent ALAC in 1983 and this lovely work of art graced our BULLETIN for the first time on the cover of the 1983 Summer/Fall issue. Since then it can be found on nearly everything that represents ALAC. Stationery, decals, bumper stickers, membership pins, trophies, etc. Another new committee is that of National Specialty Trophy and with your support the Logo will grace beautiful Wilton Armatele pewter for the first time in 1987. Also a first for the 1987 National Specialty will be catalog advertisement solicited on a yearly basis. Please plan to support that committee with prompt response.

One of the most exciting developments for the 1987 Specialty is the new Select Awards. This will allow the judge to select up to 10 dogs and 10 bitches that will be classified as "Select" as well as the best male will carry the title of the 1987 Grand Victor and the best female will carry the title of the 1987 Grand Victor.

The Annual Meeting and the Awards Banquet were held on separate nights for the first time at the 1986 National and I think this was a real plus and hope sets precedence for future specialties.

The Program Listing Committee has the program resource guides available. They are $4.00 each and available in two styles - 9" x 11" loose leaf folders and 5" x 8½" stapled. This guide will be distributed to the local specialty clubs at no cost as a service.

I told you about the Guidebooks that were developed for officers, directors and committee chairs in the 1986 Spring BULLETIN. They are being constantly updated and reports indicate that they are a definite asset to the people who are involved in the activities of ALAC. I am pleased that we formed the Dorothy Benitez Memorial Assistance Fund to honor the lady who gave so much to ALAC, then needed ALAC's help and then in memoriam gave her name to the assistance fund that helps other ALAC people in need. Unfortunately the fund has had to be used since its formation and the fund is depleted at this time - please remember to contribute so that it is there when needed.

The Roster Committee was established to keep up with our roving members and I am pleased to say that this is being accomplished.

The Membership Committee is not a new committee but the membership chairman is. I think her note on the letter to the board for approval of this month's new members dated October 26 displays total commitment to committee responsibilities and I quote, "Pardon the handwritten list; I'm off work for a few weeks and couldn't get to a typewriter. Our baby was born Oct. 16. We named him Trevor Andrew. Both of us are doing fine."

Thank you, Joyce and all the rest of you who are committed to ALAC. Your commitment has made many ALAC activities a success over the last five years and if you don't think we've come a long way baby just read some back issues of the BULLETIN! ALAC apathy is dead!
Hope you are all looking forward to the 1986-1987 ALAC Club Year -- I know I am.

Please read your mailing label carefully, if there are any corrections to be made please let me know. I had to retype all ALAC members addresses because I recently acquired a home computer. Which is wonderful--however it was not compatible with the Xerox I used at work and used to use for ALAC labels, hence I had to retype everything. The new ALAC Membership Roster will appear in the next issue of the Bulletin. Please try to have any address changes, kennel names, updates in to me by February 1.

Also, please be advised that I use a telephone answering machine when I am not home. The answering machine will pick up after four rings. If you do call and we are not home, please leave a brief message regarding your inquiry, and I will respond as soon as I am able to answer your question.

Futurity Nominations and Judges: Applications for Host Committees to act as Show Committees for each of the futurities will be solicited annually from the membership. The Board of Directors of the American Lhasa Apso Club, Inc. shall select the Host Committees from the applications with primary consideration given to Specialty Clubs and Club Members. The Host Committee selects the site and the date of each Regional Futurity (provided it is held in the months of July & August). The Futurity may be either a separate event or held in conjunction with an American Kennel Club approved point show at the election of the Host Committee.

in memory of

Ch. Krisna Thomas of Dyne ROM

owned and loved by
Ricki Andrews and Clara Van Dyne

February 12, 1974 - September, 1986

Ricki's "Little Tom", an elegant little dog, was respected by all those who had the privilege of knowing him.

from June O'Brien & Me-Tu Lhasas, home of his son, Entertainer and daughter, Me Tu.
"To be a good Lhasa Apso, the dog must look, act, and move like a Lhasa Apso." This is the tenet I have used over the years. As I feel that fault finding is not acceptable unless specifically stated in a Standard of Perfection, it has no place INSIDE the ring. It serves no useful purpose here and only diminishes both exhibitor and arbiter.

Best Puppy in Futurity, at 6 to 9 months, acted as most puppies do when faced with unfamiliar sights and sounds. His enthusiasm and curiosity overcame some of his uncertainties and he moved out with reach and drive. Total puppy, he managed to cooperate long enough for examination. A masculine head without coarseness, dentition strong and even. No coarse bone and nicely balanced. Clean and healthy coat in puppy transition. Straight front and well held in elbows. His rear not weakened by over exaggeration of angulation. A pleasing, typey, sound puppy.

Best Adult in Futurity and Grand Futurity Winner, 15 Mos & Older, had the narrow head, length of muzzle in proper proportion, with ear set and length of leather to finish the look. Dentition well aligned to a near perfect reverse scissors bite and dark expressive eyes. Her quarters and coupling strong were with excellent muscle tone. She stood firm, well over herself and evidenced no weakness in topline. Coat had good texture and flowed with her body movement as expected from the physical examination.

The loose lead allowed her to "take the bit" and at times appear to move independent of her handler, head held high. "When items such as beauty of form and fancy points and coat quality are added to structural considerations, dog show judging becomes an art." The Art and Science of Judging Dogs by Curtis M. Brown and Thelma R. Brown, B & E Publications, Inc., 1976.

1987 FUTURITY INFORMATION

Under the new "Futurity Year" format, we do not follow the calendar year for futurity nominations. The Futurity Chair is to designate a "Futurity Year" based on the date(s) of the ensuing year's National Specialty and Regional Futurity competitions. This was changed, as you recall, to allow more flexibility in arranging the National. A two month "window" proved inflexible based on the dates of the larger all-breed shows in some areas of the country for purposes of coordinating the National & regional futurities. The reasoning behind this is that scheduling these events with larger all breed shows makes attendance more desirable for those traveling from out of the area and boosts the entry for ALAC events.

THE "FUTURITY YEAR" FOR 1987 FUTURITIES IS DETERMINED TO BE FROM JANUARY 1, 1986 THROUGH DECEMBER 31, 1986.

IMPORTANT NOTICE:
The ALAC Board of Directors has approved an OPEN NOMINATION PERIOD for the 1987 Futurities. Between March 3, 1987 and April 3, 1987 any litter whelped from Jan. 1, 1986 and Dec. 31, 1986 may be nominated. If you forgot, were late, or changed your mind, this is your chance to nominate that litter. Litters born Dec. 4, 1986 or later are eligible for the 1988 Futurities and must be nominated within 90 days of whelp.

1987 FUTURITIES:

Region 1: Greater New York Lhasa Apso Club
late August/early September

Region 2: Cascade Lhasa Apso Fanciers of Greater Seattle
late August

Region 3: Twin Cities Lhasa Apso Club
June 3 in Minneapolis

Region 4: Dallas (new club)
early September

FROM THE EDITOR

I want to apologize to all of you for the lateness of this issue. Between moving and a death in my immediate family our household has been turned upside down for the last three months. I can only say that I am sorry and it will not happen again. Normally, the Winter issue would be due in January, but the date for all copy to be in for the next issue has been moved to February 15. Thank you for your patience.

Sally

A LETTER OF APPRECIATION,

On our way to the National Specialty, we suffered a great loss when our motorhome caught fire and we lost 5 of our 6 precious Lhasas. CH. Prince Tobiah was the only one spared because he was riding as a companion, so he was not crated.

I want to thank all of you at the Specialty for your concern, your compassion, your offers, and your much needed contributions. You helped me survive, to work through it, and gave me courage to go on. It is a wonderful feeling to know that the Lhasa fanciers are there with a shoulder to lean on.

THANK YOU SO MUCH!!
