Periodically since I was elected to this office I have requested participation by you the ALAC members. I am receiving much more contact from the members with each passing year. This pleases me very much, especially when a member writes to compliment ALAC on the service it performs for the Lhasa Apso and its fanciers.

As the leader of the membership your board aims to serve the club and its objectives. Your faith in our abilities is reflected by the results of the annual election. It is my belief that each board member and officer should be a representative of the locality from which he or she comes. If an ALAC member has a question, accolade or complaint the board member representative from their area can be contacted and in turn will pass this information on to the board in their regional reports. At the board meeting in June a plan for representatives from each local club was adopted. This plan will be further explained in the minutes from this meeting.

We appreciate your questions and your complaints although may I ask that if you decide to go over our heads and send letters to all members before presenting your complaints to us, the board and officers, be sure your facts are correct or perhaps it would be better to wait for official notification of actions taken by the board so that you will not be complaining about something that the board has already acted upon. A case in point is a copy of a letter written to the AKC that has been circulated to the ALAC membership dated June 22, 1987 and received by me July 14, 1987. I think it unfair to mislead the membership with erroneous, incomplete and incorrect information such as is explained below.

Although of no effect on the issues taken with ALAC it is to be noted that the letter was addressed to Mr. Mark Mooty, Secretary, The American Kennel Club. Mr. James E. Dearinger assumed the position of Secretary on March 12, 1985.
In reference to page 1, paragraph 2 of this same letter I quote the ALAC By-Laws, Article IV, Section 2, Voting. "At the Annual Meeting or at a special meeting of the Club, voting shall be limited to those members in good standing who are present at the meeting except for the election of Officers, Delegate to The American Kennel Club and Directors and amendments to the Constitution and By-Laws, and the Standard for the breed, which shall be decided by written ballot cast by mail. Voting by proxy shall not be permitted. The Board of Directors may decide to submit other specific questions for decision of the members by written ballot cast by mail." It is to be noted that I have encouraged the Board to take many issues to the membership for decision during my term in office. I do not believe that either the past Board nor the new Board is guilty of failure in acting like fiduciaries.

Page 1, paragraph three of this same letter...the impression is left that the February 7, 1987 meeting was a general membership meeting. It was not. It was a board meeting. Since taking office I have encouraged attendance of members at board meetings. I have allowed these members to speak up unlimitedly; however, because of incorrect reporting of such meetings by unauthorized persons it may become necessary in the future to limit participation of members at board meetings.

Page 1, paragraph four - same letter...if the authors will check their facts they will find that the Winter 1987 issue of the ALAC BULLETIN contained an April 1, 1988 deadline for accepting ROM, Obedience and Special Applications not April 1, 1987 as they incorrectly stated. The prior four BULLETINS contained the April 1, 1987 deadline therefore giving applicants over a year of notification of deadline.

The next issue to be taken up in this letter is the action of the board having removed the statement "All dogs must be handled by the breeder, Owner, a member of his household or an Amateur Substitute". This discussion is not necessary because at the June 2, 1987 board meeting it was decided to present to the ALAC membership this item for their decision as to whether to include or delete the statement in question.

It is my opinion that the author's argument about the Futurities is more an attack on the ethics, honesty, good intent, competency and general good name of those serving ALAC and the Lhasa Apso. It seems to insinuate that we are all self serving.

Page 4, paragraph 1 is a further attempt to discredit the board who is sincerely attempting to serve the complete membership which is evident in that the issue concerning the Select Class and Grand Victor-Grand Victrix titles is being submitted to the general membership for their approval, although approximately 25 ALAC
members were a majority at the annual meeting and thus voted to do this. Membership at this time in ALAC was 467. I wonder how the silent majority feels. Do those 25 people speak for ALAC since those opposed and supporting the actions of the board were approximately 23! Note: That the number five item on the proposal to have a single National Specialty, which was approved by the ALAC Membership in 1979, was, "The first National Specialty will be held in 1981. The winner will be known as 'The Grand Victor'."

Page 4 paragraph 2 refers to the ALAC minutes of the February 7, 1987 board meeting and two separate issues. The first was that there were two board members whose dues had not been paid (not one) and one was paid at the meeting while the other offered but was told to pay at the end of the meeting for convenience. The reason that the board chose to extend the deadline for dues was because a second notice had been sent out that resulted in quite a few renewals which technically would have to complete another application and go through the new members channel of approval. The board thought it expeditious to grant an additional ninety (90) days grace as provided for in the By-Laws, Article I, Section 4 (b).

Page 4, paragraph 9 - Two locations for returning ballots was because it was the desire of Sondra Rogers, ALAC Secretary, not to receive a ballot that contained a member of her family. The Futurity Chairman declined to receive the ballots, so I suggested that they be sent to me for counting. The complaint that there were no blank envelopes marked BALLOT is not valid as the annual election is the only balloting that requires this. All other votes taken by mail are to be recorded by the Secretary as stated in the By-Laws, Article III, Section 2 (c). Note: This precedence has been set since before I served as Secretary in 1973.

In due respect to the authors of this letter I can understand the confusion surrounding the selection of our Specialty Judges because it seems to have changed quite frequently over the years. My first recollection of ALAC Specialty judge selections (1967 to 1973) were floor fights at our annual meetings (then held at Westminster) because the judges were nominated from the floor and elected by the members present.

In 1973 the ALAC Board of Directors adopted the following policy: "That the nomination of Judges for the ALAC Specialty Shows and Futurities be accepted by mail rather than at a general meeting. Each year the Secretary by mail will ask for nominations from the members of Judges they think should judge our Specialty Shows to be held the next year. The Secretary will receive the nominations for each show and ascertain the judge's availability to judge. The Board of Directors will then approve the list of nominations
for each show and the Secretary will mail the list of judges approved by the Board of Directors to the membership for vote. If the Board decides on two judges for a show the judge receiving the greatest number of votes will judge dogs and inter-sex while the judge receiving the second greatest number of votes will judge bitches."

Action taken in 1974 is quoted in part in the letter on page 4, paragraph 6. This action was preempted with the statement that "Because of the number of nominations being received for judges for 1976 Specialties and Futurities..." In other words to contact that many judges about their availability before they were even voted upon was not expeditious. Note: The complete results of the balloting including the number of votes each judge got were always published in the minutes at this time in ALAC's history.

In the December 6, 1978 board meeting minutes there is the following statement made under the title of One National Specialty. "Ed Sledzik suggests that 25 members sign a petition for nominations for judges. The membership will nominate, and the Board or a Committee selected by the Board will elect at least 5 and no more than 10 judges to be voted on by the membership. These suggestions will be submitted to the membership. Also to be submitted to the membership was that we should have our first National Specialty in 1981."

Minutes of the board meeting held February 11, 1979 announced that the proposal for one National Roving Specialty was approved by the ALAC membership. The proposal that the membership approved consisted of a list of twelve items, the eleventh of which was as follows, "The membership will submit a list of judges. The Board of Directors will select no less than 5 or more than 10 judges from this list. The membership will vote for #1 and #2 spot. The judge receiving the highest number of votes will do dogs and inter-sex and the second highest will do bitches and non-regular classes."

From the minutes of the board meeting of September 9, 1979, "Specialty judges - Board members were requested to submit list of five names to Ed Sledzik for proposal of judges for the National Specialty to be held in the East in 1981."

Also in my files is the following letter:

"Dear Board Member:

This is a list of 15 judges chosen by the Board members as potential judges for our 1981 Specialty Show. Other names were recommended but they do not appear here because they either have judged the Specialty within four years, they have died, they are
not eligible to judge Apsos, or they are not available at this time.

Please list your preferences from 1 to 15 with number 1 being your first choice and number 15 your last. Do not give more than one judge the same rating. If you do not rate all the judges, those judges you do not rate will be given a rating equal to the last judge you rated. For example, if you stop at the 12th judge, all remaining judges will receive the same rating as the 12th judge.

The top 10 judges’ names will be submitted for approval. Please mail your ratings by March 1, 1980 to the secretary.

Thank you,
Ed Sledzik, Show Advisor.

From the minutes of the board meeting, August 16, 1980, "Judges: The order of vote tabulation was read on the ten potential judges indicating details of cost, availability and refusal. It was noted that the ALAC Board previously stipulated a maximum total cost of $500 for the specialty judge. Mr. Joseph Gregory in first place was eliminated because of this. (See note following). Mrs. Mildred Bryant and Mr. Steven Campbell were the next available judges and it was moved they be presented to the membership on a final ballot. Motion carried. PLEASE NOTE: the addition of Joseph Gregory as a third potential judge to be considered on the final ballot was approved by the board on September 16, 1980.) It was moved and approved that the upcoming mailing to the membership would include: final judge ballot for 1981 specialty, advertising on the specialty, trophy request and a reissue of the ten judges names requesting a preferred one thru four preference for the 1982 specialty. The Board agreed that the selection of judges for 1983 and 1984 specialties will be made in the spring of 1981."

Correspondence dated November 4, 1980 in the files is as follows: "Dear ALAC Board Members:

The ballots have been counted for the 1981 ALAC National Specialty and preliminary 1982 ALAC National Specialty judge ballot. ............... The results of the 1982 preliminary ballot are as follows: (Point system was used - 4 points first choice, 3 points second choice, 2 points third choice and 1 point fourth choice)...."

From ALAC Annual Meeting, minutes, May 13, 1981, "Preliminary and final ballots have gone out for the 1982 ALAC National Specialty judge, names have been submitted preliminary and final balloting has been completed for the 1982 Futurity judges. Selections have been made by the Board on the list of names for the 1983 ALAC National Specialty judges, bids on the ALAC National Specialty location for 1983 have been......"

From ALAC Board Meeting minutes May 14, 1981, "Ten names of potential 1983 ALAC National Specialty judges will be sent to the membership. The membership will be asked to pick five names."
The top two names who are available and willing to accept the nomination will be placed on the final ballot to the ALAC membership."

By now it is probably apparent that the method for selecting specialty judges had deteriorated over the years. This is why at the August 6, 1984 board meeting the following action was taken in the hope that the judge selection method would be stabilized. "Judges - A motion was made, seconded, and approved for selection of judges. A list of all eligible AKC Lhasa Apso Judges will be mailed to all ALAC members. Each member will select up to ten preferred judges. The top ten names will be submitted to the membership in alphabetical order, to be rated 1 through ten. This list will come to the board for final selection. It is to be determined by availability and cost. There will be a five year restriction on judges."

In a March 29, 1984 To All ALAC Members, page 2 is a correction to this motion, "Judges: This list will come to the Board for final selection, it is to be determined by availability and cost. Changed to read: The judges names will be forwarded to the Board by the National Specialty Judge Selection and Show Plans Chairman after the judge's availability and cost have been determined."

I do not know who is responsible for initiating the counting by giving 10 points to the first choice and so on with the last choice receiving only one point. I do know that this type of counting has probably been going on for many years. I think since the time of the choosing a judge for the first roving specialty. I can find no where in the records where the board or the membership has taken action on this type of counting. At this time it would appear that we are counting by this rated method because of the precedence set from years past.

At the June 2, 1987 Annual meeting yet another method was adopted. The nominations will come from the membership as before with the top ten names developing from these nominations. When this list is sent to the membership they will be asked to vote by way of ranking three names in the order of their preference and they will be required to vote for three. If more or less than three are voted for the ballot will be invalid. I have no explanation for how these ballots will be counted. To the best of my knowledge this was not addressed clearly at the meeting.
Happy ALAC New Year!

Enclosed in this issue of the Bulletin are several items the Editor and I thought should be passed on to the membership.

A questionnaire from the American Academy of Veterinary Dermatology which is self-explanatory.

A policy statement from the AKC on vicious dog legislation.

And a memo from the AKC on training at obedience trials.

Sondra
TO: All Clubs and Obedience Judges  
SUBJECT: Training on the Grounds/Warming up  
DATE: August 27, 1987  

In order to clearly understand the regulations regarding training at Obedience trials, whether held separately or in conjunction with a dog show, one first has to understand what constitutes the grounds and premises of these events. The limits are the boundaries of the grounds. These limits are defined by the sponsor club in the application submitted to the American Kennel Club. Premises constitutes a larger area. Its boundaries are not well defined. It consists of the land and buildings adjacent to and a continuation of the show grounds, i.e., the fairgrounds, the parking area, the school grounds, etc., where the trial is held. Specifically, any area inside of the limits is on the premises, but an area does not have to be within the limits to be considered within the premises. This fact must be remembered when enforcing Chapter 2, Section 26 of the Obedience Regulations which state, "There shall be no dril ling nor intensive abusive training of dogs on the grounds or premises at a licensed or member Obedience Trial, Tracking Test, Tracking Dog Excellent Test, or at a Sanctioned Match." It is the clubs responsibility to enforce this regulation.

In addition to understanding where training cannot take place, it is important to understand what constitutes training, which is prohibited, and what constitutes a warm-up, which is permitted and encouraged by The American Kennel Club.

A warm-up has the following characteristics:

1. It consists only of the activities contained in the Novice Heel on Lead exercise and a few (three or four) fronts and finishes on lead.
2. It should be for a duration of less than five minutes.
3. It should be within approximately ten minutes of the time when the dog is going to enter the ring for judging.
4. It will not include any corrections. (In deciding what constitutes a correction an individual must be guided by the same standard as would apply in the ring.)
5. It will not be intense.
6. It will not include stands, downs, recalls, retrieving, jumps, stays or other obedience exercises not permitted above.

The determination as to whether the warm-up meets the above characteristics and is therefore permitted is the decision of the appropriate officials at the obedience trial.

Robert J. Squires  
Director of Obedience-Field
Dear Club Secretary:

Responsible dog ownership is an issue that is too important to ignore. As fellow members of the canine community, we share a common interest in the protection and advancement of all breeds. It is our responsibility to educate the public at large as to the importance of responsible ownership and the necessity of strong, non-discriminatory legislation regarding the control of vicious dogs.

The American Kennel Club feels that the best way to prevent discriminatory legislation is to help put in place legislation that is reasonable and enforceable. To this end, we are providing you with this packet of important materials, including:

- AKC Policy Statement detailing our views and proposed role regarding responsible ownership and vicious dog legislation.
- Rhode Island's Vicious Dog Act (amended to April 1986) which has been used as a model by other states and communities.
- DeKalb County, Georgia, Study Group Report outlining the issues surrounding "dangerous dog" legislation, including amendments to local laws (adopted April 1987).
- Cleveland, Ohio, Vicious Dog Ordinance (adopted June 1984).
- "A New Breed of Dog Control Laws," an article explaining the legal ramifications of discriminatory dog laws which appeared in the December 1985 issue of PURE-BRED DOGS/AMERICAN KENNEL GAZETTE.
- A series of "Legislation" columns outlining steps to take to pass or oppose legislation at the state level which appeared in PURE-BRED DOGS/AMERICAN KENNEL GAZETTE, October 1984-March 1985 issues.

Please take the time to read this material and to help disseminate the information within your own community. The American Kennel Club is available to answer questions you may have as they arise and to support your efforts to the extent possible. In turn, we ask that you keep us informed of any legislation pending in your area that pertains to this issue.

Questions or concerns should be directed in writing to Nancy Barr at our offices, or call her direct at 212-696-8336.

Thank you for your interest in this important matter.

Sincerely,

Kenneth A. Marden
The recent surge of media attention to the issue of "vicious dogs" has prompted the AKC Board of Directors to issue the following policy statement which underscores the American Kennel Club's long-standing position on vicious dog legislation.

AMERICAN KENNEL CLUB POLICY STATEMENT

The American Kennel Club fully supports and encourages the adoption of reasonable, enforceable and non-discriminatory laws governing the ownership of dogs. AKC believes that dog owners should be responsible for their dogs and that laws should (i) impose penalties on irresponsible owners and (ii) establish a well-defined procedure for dealing with dogs proven to be dangerous, which includes, if necessary, the destruction of such animals.

In addition, AKC encourages the adoption and enforcement of, among other things, leash and "running at large" laws, laws against dog fighting, laws governing unsanitary conditions caused by irresponsible dog owners, vaccination and quarantine laws, maintenance and care laws, and laws governing the local licensing of dogs.

To advance this position, the American Kennel Club has worked with committees and individuals in many states to assist in the development of legislation that is reasonable and enforceable. This includes strengthening laws against irresponsible dog owners, as well as pointing out the inadequacies of legislation that is vague or breed discriminatory.

To further support this effort, AKC is taking several positive steps:

- Making available an information packet which includes examples of existing legislation that is reasonable, enforceable and non-discriminatory.
- Developing a program to be used in schools and within communities to educate the general public about responsible dog ownership.
- Supplying local newspapers around the country with camera-ready materials promoting responsible dog ownership.

Finally, the American Kennel Club will continue to assist, however possible, those who share in the concern for the protection and advancement of all breeds.
GREAT BEGINNINGS!

TO: Presidents and Secretaries of All-Breed Clubs

SUBJECT: Proposed policy changes and amendments to the Rules Applying to Registration and Dog Shows

The enclosed statement concerning rules and policies governing dog shows, was presented to the Delegates at the September 15, 1987, meeting.

A number of policy changes and proposed rule changes, which will have an effect on the sport of pure-bred dogs and on individual show-giving clubs, were announced in this statement.

You are encouraged to read this material carefully, and to disseminate it to your club's membership.

Comments from the Fancy on these issues is both welcomed and encouraged, and may be directed in writing to Mr. James Crowley, the Director of Show Operations.

DEAR ALAC MEMBER:

I RECEIVED THIS LETTER FROM AKC BECAUSE I AM SECRETARY OF AN ALL-BREED CLUB. I HAVE RECEIVED NOTHING FROM AKC AS SECRETARY OF ALAC REGARDING THESE CHANGES. BECAUSE OF THE IMPORTANCE OF THESE CHANGES, I FELT THEY SHOULD ALSO BE SHARED WITH ALAC MEMBERS AS SOON AS POSSIBLE. SALLY SILVA VOLUNTEERED TO HAVE THEM INSERTED IN THIS BULLETIN. IF YOU HAVE COMMENTS, SEND THEM TO MR. CROWLEY AT AKC, AND/OR OUR AKC DELEGATE, MR. SLEDZIK.

SONDRA ROGERS
SUMMARY OF PROPOSED ACTION

I) Rule changes to be voted on at the December 8, 1987, Delegates' Meeting:

A. The elimination of the BOW award. This would affect Chapter 6, Section 13; Chapter 8, Section 7; Chapter 15, Section 4; and Chapter 19, Section 1, of the Rules Applying to Registration and Dog Shows.

B. A requirement that a dog receive at least one major after reaching 18 months of age before being granted a championship title. This would affect Chapter 19, Section 4, of the Dog Show Rules.

II) Policy changes that the Board of Directors proposes to adopt, effective January 1, 1988.

A. No new clusters consisting of more than three all-breed shows shall be approved.
   1. All-breed clusters of more than three shows will temporarily be permitted to continue.
   2. If one club drops out of such a cluster, there will be no replacement.
   3. After December 31, 1992, no all-breed cluster will consist of more than three all-breed shows.

B. Every show-giving all-breed dog club would be required to hold at least one AKC sanctioned match each year in its area.

C. Every show-giving all-breed dog club would be required to conduct and document two of the following four activities on an annual basis:
   1. Training classes (obedience and/or conformation)
   2. A breeder referral service
   3. Two educational programs for club members
   4. Public education through schools, fairs, libraries, hospitals, rescue leagues, 4-H programs, etc.

D. Every all-breed club that holds two shows in a calendar year, must hold at least one of those two shows in its own area.
### III. Skin Redness

**Location**
- head
- ears
- neck or trunk
- back
- belly
- legs
- feet

**Is redness seasonal?**
(circle one) yes or no

**Frequency of redness** (circle one)
- continual
- intermittent

Some thoughts on the ALAC Futurity, Region 1, September 5, 1987

The morning of the Futurity was cool, bright and clear. It is a lovely show site in New Jersey.

It seems to me that a concerted effort is being made to bring our Lhasas to proper size. I felt the overall quality was very sound. There was little or no evidence of shyness. The entry as a whole was very happy.

I was very pleased with the later performance of my two winners. The Lhasa Apso Club of Greater New York is to be commended for their hard work in conducting a beautiful futurity, sweeps and specialty.

Sincerely,

Lynn Lowy
Just a few comments from the Editor:

I want to thank the people who have helped to support the Bulletin with regular advertising and articles. The Bulletin is YOUR magazine. Without financial support, through advertising, there would be no Bulletin. Without the regular features: the President's Message, the Secretary's Page, Obedience Reports, Match and Show Results, etc., and the articles sent in by members, the Bulletin would be nothing more than a stack of forms that could be sent out once a year and then forgotten.

The deadline for the next issue is October 15, but ads and articles will be accepted for a couple weeks after the deadline since this issue is going out a little late. I should mention that the last two issues have been only two months apart which is why the deadlines seem to come up so fast.

For those of you who look for your Bulletin in the mail immediately after the deadline - remember: it takes time to put it all together. Then the printer takes about a week and Bulk Mail takes one to three weeks to be delivered, sometimes even longer.

Another reminder - Please, if you move, send in your change of address form (it is in every Bulletin) to the Secretary, not to me. Sondra will notify me in time for the next issue. She makes out the mailing labels. If you don't notify her, you will probably miss at least one issue of the Bulletin and I will get a notice of non-delivery that means standing in a long line at the post office and paying from 30¢ to $1.20 to find out who moved. I get about ten notices after each issue is mailed, so for about two weeks I feel like I live at the post office.

The "Local Lhasas" page is for local clubs to let the rest of us know what's happening in their area. Send in any items about what your club and/or members are doing. Or send your newsletter. We'll print as much as we have room for. But NO GOSSIP, please.

If you have any questions, suggestions, complaints, whatever, feel free to write to me. I will print your letters if you write on them that they are for publication, or I will answer them privately.

Again, this is YOUR Bulletin, the place where you can let the rest of the Lhasa world know what you, your club, and your dogs are doing. Take advantage of it.
IN MEMORY

TUNDU - ONE OR TWO

There can be, on occasions, more than one dog with the same or a similar registered name. This at times could be confusing. In an attempt to eliminate some of the confusion, and with the growth of numbers of purebred dogs registered, the AKC has changed some of its regulations regarding the naming of dogs. You used to be able to name a whole string of dogs the same name, with a change in a Roman numeral following the name, such as Ming Tali II, Ming Tali III, etc. You also could name a dog or bitch exactly the same name, such as there is a male Hamilton Kala and a female Hamilton Kala.

Even now you can use a name or combination of names, over and over, as long as there is a change in prefix or there is an obvious attempt to differentiate between two dogs. Such as, I had a Chen Makalu Nor of Dzungar. We also had a Chen Maka Tu, and a Chen Bu-Na Makalu and now have a Chen Ta-Makalu. So, it should not be surprising to run into dogs with similar names on old pedigrees.

For some reason or reasons unknown to me, there is a question concerning one of the original dogs imported from Tibet by the Cuttings of Hamilton Farm. This dog is the male Tundu, imported with sire and dam listed on the import papers as "unknown". This Tundu did not carry the Hamilton prefix. In due time Tundu sired a litter out of a bitch, also imported from Tibet by the Cuttings, with sire and dam "unknown", and named Hamilton Bidgy. From this litter, one of the puppies was named Hamilton Tundu II.

There also appears to be a question regarding the offspring of two of the early dogs registered as Lhasa Apsos by the American Kennel Club, named Tarzan of Koko Nor and Empress of Koko Nor. Their breeding record is as follows:

<table>
<thead>
<tr>
<th>Name</th>
<th>Whelped</th>
</tr>
</thead>
<tbody>
<tr>
<td>Lem Ping</td>
<td>11/25/34</td>
</tr>
<tr>
<td>Lem Pong</td>
<td></td>
</tr>
<tr>
<td>Lem Bhutan</td>
<td></td>
</tr>
<tr>
<td>Lem Lam</td>
<td></td>
</tr>
<tr>
<td>Lem Ti</td>
<td>6/20/35</td>
</tr>
<tr>
<td>Lem Chang</td>
<td>12/26/35</td>
</tr>
<tr>
<td>Lem Koko</td>
<td>7/16/36</td>
</tr>
<tr>
<td>Lem Ming</td>
<td></td>
</tr>
<tr>
<td>Marco Polo</td>
<td></td>
</tr>
<tr>
<td>Pitti Sing</td>
<td></td>
</tr>
</tbody>
</table>

As a matter of interest, Lem Pong sired a litter out of Chang Tso Lin which contained Kota Grag and Kota Tang. These last two dogs were parents of Lhasa Apsos entered in dog shows in the 40's and early 50's in the San Francisco Bay area. Their breeder was Bruce Heathcote.

If you wish to see a photograph of Tarzan and Empress, consult Hutchinson's Dog Encyclopedia. The appropriate volume contains a photo of the two dogs held by their owner Marjorie Torrible. Remember, during your search into Hutchinisons, the books were published in the 1940's and written earlier. You may not find current nomenclature.
Another mixup I have seen recently on extended pedigrees concerns a confusion about the breedings of the Lhasa Apso male Raggs. Raggs was bred to two bitches in Shanghai, China. One was named Betty and one was named Peggy. One of his daughters, Tai Ho, out of Peggy, was imported into the United States, and whelped a litter of puppies in Hawaii sired by her father. Imported along with Tai Ho was a full brother, but from a different litter, named Ming Tai. Also imported from China was the bitch Shanghai, whose parents were Raggs and Peggy. These dogs, along with several others, were bred at Holly Heath Kennel as Lhasa Apsos, exported from China as Lhasa Apsos, and imported into this country as Lhasa Apsos.

I personally owned a photo of Tai Ho, a light colored bitch described as having a retrousse nose. My impression from the photograph was that of a compact, refined animal, with a level top line and good length of leg, clearly a Lhasa Apso.

Another question that has been asked me lately is "what does pure Tibetan blood lines mean", what is the difference between that and "pure Hamilton"? Most people know I do not like to see the word "pure" used in advertising in reference to a line. Remember the ad for Ivory Soap? It was claimed to be only 99/100% pure, which leaves me to think the word "pure" used in relation to animals cannot surpass Ivory Soap. It is enough and fitting and proper to identify your blood lines. This is important in the sale of puppies, or a stud service, and saves time for the prospective buyer who might be looking for a particular line or combination of lines. Therefore, I surmise what is meant by the use of the word "pure" in regards to advertising bloodlines is as follows:

Pure Tibetan bloodlines probably means the dogs are down from Hamilton line dogs plus English or other imports that were exported from their country of origin as a Lhasa Apso, and imported into the United States as a Lhasa Apso. That would include a dog such as Chumpa of Fuzzyhurst, or any other English import that is currently registered with the English Kennel Club as a Lhasa Apso, who has in its background no American bred dogs that are not Hamilton line. The Tibetan bloodline claim should also mean the advertiser has protected his integrity by researching the background of the foreign registered dogs and determined the pedigree goes back only to Tibetan imports.

Pure Hamilton probably means the dogs down from Hamilton Farm dogs that have not been outcrossed to any other lines but bred only to each other, and their offspring.

Confused? Well you ought to be. Just try to sort it all out to the best of your ability, and make up your mind, if you are happy with your Lhasa, then why argue about his bloodlines. Continuously trying to down any line is not progressive or productive. It is rather foolish for someone to spend hours trying to prove Tundu the offspring of Tarzan and Empress of Koko Nor, in order to discredit the Hamilton line pedigrees. Let's spend our time breeding to improve upon what we have - creating our own bloodline of which to be proud.

Tundu, Hamilton Tundu II, Tarzan of Koko Nor, Empress of Koko Nor, Raggs and Betty, Raggs and Peggy, Ming Tai, Tai Ho, Shanghai, Hamilton Bidgy - thank goodness we had you way back when...if you hadn't existed, just think of how many of today's Lhasa Apso would not exist. None of mine would be here - how about yours?

**AGREEMENT**

I (we) acknowledge that the "Rules Applying to Registration and Dog Shows" have been made available to me (us) and that I am
(we are) familiar with their contents. I (we) agree that the Club holding this show has the right to refuse this entry for cause which
the Club shall deem to be sufficient. In consideration of the acceptance of this entry and of the holding of the show and of the
opportunity to have the dog judged and to win prizes, money, ribbons or trophies, I (we) agree to hold this Club, its members,
directors, governors, officers harmless from any claim for loss or injury which may be alleged to have been caused directly or
indirectly to any person or thing by the act of this dog while in or upon the show grounds, or near any entrance thereto, and I (we)
personally assume all responsibility and liability for any such claim, and I (we) further agree to hold the aforementioned
parties harmless from any claim for loss of this dog by disappearance, theft, death or otherwise, and from any claim for damage or
injury to the dog, whether such loss, disappearance, theft, damage or injury be caused or alleged to be caused by the negligence of
the Club or of any of the parties aforementioned.

I CERTIFY that I am the actual owner of this bitch or dog being qualified or that I am the duly authorized agent of the actual
owner whose name I have entered above. In consideration of the acceptance of this entry, I (we) agree to abide by the rules and
regulations of the American Kennel Club in effect at the time of this Futurity, and further agree to be bound by the "Agreement"
accompanying this entry form. I (we) certify and represent that the dog entered is not a hazard to persons or other dogs. This
entry is submitted for acceptance on the foregoing representation and agreement.

Single copies of the latest edition of the "Rules Applying to Registration and Dog Shows" may be obtained without charge from
any Superintendent or from the American Kennel Club, 31 Madison Avenue, New York, N. Y., 10010.

SIGNATURE of owner or his agent
duly authorized to make this entry
FUTURITY RULES

The Futurity is an annual event sponsored by the American Lhasa Apso Club, Inc., to encourage the exhibition of recently whelped Lhasa Apso. It is open to all Lhasa Apso litters whelped during the year beginning January 1st and ending December 31st.

Futurity Eligibility: Nomination of the litter must be made within ninety days of whelp. Nomination forms are available from the club secretary or the Futurity Chairman. By nomination of the litter, all dogs in that litter are eligible to enter the Futurity irrespective of subsequent ownership change.

Futurity Location and Dates: Five futurities are authorized each year. One is held in each of the geographic regions designated below. Dogs from a nominated litter may be shown in any of the Regional Futurities, but, in no circumstances, may any dog be shown in more than one futurity.

All futurities must be held during the months of July and August following the close of the futurity year. Within these months, the dates is at the election of the Host Committee.

Futurity Stakes and Prizes: The American Lhasa Apso Club, Inc., offers the Robert V. Gridding Memorial Plaque to the BREEDER of the Grand Futurity Winner in each Region.

There shall be a pool of Prize Monies in each Futurity Region consisting of all nomination fees for litters whelped in Region (divided by age). 55.00 of the entry fees for those dogs entered in each Region (divided by age and sex). The awards will be distributed as follows:

- 5% of TOTAL REGIONAL POOL TO GRAND FUTURITY WINNER.
- 5% of TOTAL REGIONAL POOL TO BEST ADULT IN FUTURITY.
- 5% of TOTAL REGIONAL POOL TO BEST PUPPY IN FUTURITY.
- 30% of REGIONAL CLASS POOL TO FIRST IN CLASS.
- 15% of REGIONAL CLASS POOL TO SECOND IN CLASS.
- 10% of REGIONAL CLASS POOL TO THIRD IN CLASS.
- 5% of REGIONAL CLASS POOL TO FOURTH IN CLASS.

All undistributed awards are the property of the American Lhasa Apso Club, Inc.

Futurity Stakes and Classes: All futurities will be divided by Sex and be judged in the following classes:

- PUPPY DOGS: 6 to 9 months; 9 to 12 months.
- PUPPY BITCHES: 6 to 9 months; 9 to 12 months.
- WINNING PUPPY IN EACH CLASS TO COMPETE FOR BEST PUPPY IN FUTURITY.
- ADULT DOGS: 12 to 15 months; 15 months and older.
- ADULT BITCHES: 12 to 15 months; 15 months and older.
- WINNING ADULT IN EACH CLASS TO COMPETE FOR BEST ADULT IN FUTURITY.
- BEST PUPPY IN FUTURITY AND BEST ADULT IN FUTURITY TO COMPETE FOR GRAND FUTURITY WINNER.

Should the futurity be held in conjunction with an AKC point show, the following procedure will apply:

- All dogs entered in the Futurity MUST ENTER AND COMPETE IN one or more of the regular classes of the show-giving club.
- The entry in the regular classes and the Futurity Class MUST be made on the entry blank of the show-giving club.
- The entry blank must be marked in the "ADDITIONAL CLASS" section with the word "Futurity" and the assigned litter nomination number.
- The entry fee for the Additional Futurity Class must accompany each entry to the show-giving Superintendent and/or Show Secretary.

OTHERS:

There are no AKC Championship Points awarded in the Futurity.

All dogs must be handled by the Breeder, Owner, a member of his household or an Amateur Substitue.

NO REDOINGs WILL BE MADE IN THE EVENT OF DEFAULT BY THE PERSON MAKING THE ENTRIES.

FUTURITY REGIONS

Futurity Hosts and Judges: Applications for Host Committees to act as Show Committees for each of the futurities will be solicited annually from the membership. The Board of Directors of the American Lhasa Apso Club, Inc., by a majority vote will select the Host Committees from the applications with primary consideration given to Specialty Clubs and Club Members. The Host Committee selects the site and the date of each regional futurity (provided it is held in the months of July & August). The futurity may be either a separate event or held in conjunction with an American Kennel Club approved point show at the election of the Host Committee.

Judges will be nominated by the membership of the American Lhasa Apso Club, Inc., and election of judges for each region will be by written ballot by the entire membership of the American Lhasa Apso Club, Inc. Those candidates who are second in theballoting shall be designated alternate judges should the first be unable to judge.
AMERICAN LHASA APSO CLUB

DON'T FORGET  
DUES ARE DUE  
SEPTEMBER 1st
The ALAC Obedience Committee has a beautiful album for obedience Lhasas. This album is displayed at the ALAC National Specialties and other major shows.

We are all very proud of our obedience Lhasas and are sure you are too. I hope you will decide to become part of this Lhasas In Obedience Album.

All you need to do is send a photo and a "write up" about your obedience Lhasa. The album's pages are approximately 8" x 10". You may have one or two pages per obedience Lhasa. For example, if the photo is large, your "write up" will be on the adjacent page. The actual photo you send will be used. Please type your "write up" as it will be used "as is".

The photo may be a show photo, a home photo, an action photo, or any other type. The "write up" may be on your personal or kennel stationary.

In your "write up" we definitely need:

- Full name of Lhasa
- Highest Obedience Title
- Date Degree Completed
- Owner and Address

Other optional information you may wish to include: special awards, scores, shows and judges, breeder, sire and dam and the advantage of living with and obedience Lhasa.

Please send your photo and "write up" to:

ALAC Obedience Committee

Belleville, IL 62223

**********

OBEDIENCE TIDBIT:

In 1986 twenty-nine Lhasa Apsos were awarded obedience titles. Two of these were U.D.'s and six of these were CDX's. Congratulations!
The LHASA APSO CLUB of CENTRAL COLORADO invites you to attend the AMERICAN LHASA APSO CLUB 1988 NATIONAL SPECIALTY and MIDWEST-SOUTH FUTURITY
