Dear ALAC Member:

It is with gratitude to Sally Silva and Sondra Rogers that the membership handbook is a reality. I hope that the handbook, containing all the forms and dates necessary for you to be an informed, participating ALAC member will help you to become more active in ALAC. I further hope that the handbook will eliminate the repetitious printing of these forms in the BULLETIN and will give Sally more room for additional educational articles and pertinent information.

I set some goals for improving ALAC when I was elected president, one of which was better communication. Some ups and downs have been experienced but I believe this handbook is a step closer to reaching that goal.

It pleases me so much to have the BULLETIN up to date. Sally Silva has worked hard to catch up as when she took over the editor's position the BULLETIN was over a season behind. It is a real pleasure to now be receiving it during the season that is printed on the front cover.

When I took office the ALAC was almost without funds in the treasury. I am pleased to announce that the treasurer's report at the February board meeting indicated that we are indeed solvent at this time and that is quite a relief. This solvency is due in part to the 1986 and 1987 National Specialties making several thousands of dollars profit. Much work went into making these specialties profitable and I am grateful to all who did their part - from the host club members to the participants in donating the raffle and game prizes - from the advertising and trophy supporters to those who played the games.

Two new committees which I had planned for several years became a reality with the 1987 Specialty - namely the National Specialty Trophy and the National Specialty Catalog Advertising. The trophy committee solicits the money nationally to cover the cost of the beautiful trophies and thus is lightening the work load of solicitation for the local host clubs. Don't forget to send your contributions to Don Hanson. The catalog advertising committee sold over $4000 in advertising for the 1987 Specialty. This made it possible for a profit to be shown on the specialty.

Another profit maker for ALAC and one of the first after I took office was the Logo Committee. Marie Allman conducted a contest to find our lovely logo and then commenced to come up with saleable items such as our 25th anniversary commemorative pin, bumper stickers, decals and the latest is a jacket patch.

After some difficulty our Membership Committee is on time and acknowledging our most important commodity - new members. I am so grateful to Joyce Johnson for taking over that committee and making it work for ALAC by not only acknowledging new members but supplying them with an informative packet of things that introduce them to ALAC and its activities.
FROM YOUR PRESIDENT (continued)

I am very pleased that ALAC was able to complete Phase I of the AKC's judges education plan. Thanks to Steve Campbell and Joan Kendall who spearheaded the writing of the slide show script so that when the AKC changed to video ALAC was right in line to participate in the video program. This committee worked very hard to complete this project and I am grateful that they did because we have a video available from the AKC that can help educate those interested in learning about our breed.

Because reports of ALAC board meetings have preempted the official minutes several times recently, it has been suggested to me that I explain that the minutes are the only official report of the meetings and further explain the process that is followed before this official report can be made available to the membership. This process is as follows:

1. The Secretary must take the notes and/or tapes from these meetings (sometimes lasting several hours) home and transcribe them.
2. The transcribed minutes are then mailed to the board of directors for their approval at which time any corrections or changes are sent to the secretary.
3. The secretary makes any changes or corrections to the minutes and sends the corrected minutes once again to the board for their approval. This goes on until the minutes are approved.
4. When the minutes are approved by the board the secretary must then have the minutes printed.
5. After the minutes have been printed they are sent to the general membership. To save postage and envelopes most of the secretaries have attempted to include these minutes with other general membership mailings such as ballots, nomination requests, BULLETIN, etc. I would prefer that the minutes not be held up for this reason more than a week.

A goal of mine for sometime has been to have the minutes to the membership within eight weeks of the meeting. This has not happened but I am not going to stop trying to make it a reality. I firmly believe that all of you who are interested in the business conducted at the board meetings should have the official reports as soon as possible.

Additional accomplishments in the last few years are a new membership pamphlet which contains pertinent information about ALAC, the official AKC breed standard and the membership application; the Program Resource Guide is now available to help local clubs plan programs; the Officers Guidebooks have been in service since 1986 and the standard committee is in the process of developing a pamphlet that will amplify the standard.

I have a few yet unfulfilled goals; not the least of which is a Local Club Liaison Committee that will follow through on the many activities planned by past committee chairs. This will be a real challenge because the clubs are not as responsive as we would like. Partly because we do not have the most recent officers and partly because we are not of as much service and support to them as I would like us to be. I have many plans that I think would make a liaison profitable for both the parent club and the local club but the liaison officer will have to be tenacious and devoted for a prolonged amount of time to make this liaison a reality. At the 1987 National Specialty the board adopted a new policy whereby each local club will elect a representative to form a council of local clubs which will represent these clubs at the board meetings of ALAC. All local clubs should send name of their representative to me so that these representatives may be identified at the meetings. The ALAC Local Club Liaison officer will coordinate this council.

Another goal I have and hope will be a reality in the next year is to have a pamphlet or a series of pamphlets on the grooming, breeding, puppy care, general care, etc. of the Lhasa Apso that can be given to those inquiring of ALAC about such matters. These should also be appropriate to give to new puppy owners by ALAC members.

One of the newest committees that was appointed is the ALAC Video Committee. The purpose of this committee is to develop several videos on care, grooming, show training, etc. I hope that these will be available for sale to the membership and other fanciers.
Another goal that I have is that we catch up to date on the ALAC Yearbooks. This has always been a problem and I am hoping that we will catch up to date in the next year. The ultimate goal being that after we are up to date on the yearbooks we can publish the historical yearbook which will contain as many as possible of the champions from the 1930s to 1975.

Thank you for your continued support of the Lhasa Apso through your support of the AMERICAN LHASA APSO CLUB.

Sincerely,

Carolyn A. Herbel

ATTENTION LOCAL CLUBS

As Roster Chairman, I will be happy to provide local clubs with mailing labels for ALAC members and Local Club Representatives, to be used for mailing Premium Lists and Match announcements. These are available for a fee of $5.00 (to cover the cost of labels and mailing) for a partial set of labels (for your Region or by specific state(s)) or for $10.00 for an entire set. A minimum of two weeks notice is required.

Send your request on your club's letterhead, along with a current listing of your club's officers, to the following address and indicate for what purpose your club intends to use the labels.

ALAC Roster Chairman

In this issue is a copy of a letter from Robert Squires, Director of Obedience of the American Kennel Club to Mr. Sledzik, ALAC's AKC Delegate regarding ongoing efforts ALAC has made on behalf of the Lhasa Apso in obedience. This letter reflects the current status of allowing dogs' hair to be tied back and lowering jump heights. Please note that changes are not in effect yet.

**BAllot Results!**

The results of the recent ballot are indicated below:

**Futurity "Amateur Substitute" Status**
Should the following sentence be kept as part of the Futurity Rules. "All dogs MUST be handled by the Breeder, Owner, a member of his household or an Amateur Substitute."

**Grand Victor/Grand Victrix Titles**
These titles were approved by the ALAC Board of Directors in 1979 to be effective in 1981. They were apparently forgotten until the Board was reminded in 1986. The titles are awarded to the male (Grand Victor) and female (Grand Victrix) that win Best of Breed or Best of Opposite Sex at the ALAC National Specialty.
Should the titles Grand Victor/Grand Victrix be continued.

Select Award
Approved by the ALAC Board of Directors on July 3, 1986 to be effective with the 1987 ALAC National Specialty.

Purpose: To award recognition of exceptional quality at the ALAC National Specialty immediately following Best of Breed competition. The award will be up to the discretion of the Best of Breed Judge and presented to up to ten of each sex of the Best of Breed Class (includes Winners Dog, Winners Bitch, Veteran Dog and Veteran Bitch). The judge should award SELECT only to those animals deemed ideal for the breed; unplaced, up to but not exceeding 10 animals of each sex. The SELECT Award will be made after Best of Breed, Best of Winners and Best of Opposite Sex have been chosen and each select winner is to receive a ribbon. A plaque in their honor will be presented at the following years' Annual Meeting and announced with the other awards offered by ALAC. The dogs and bitches awarded Select titles at the 1987 National Specialty will receive Select Award Plaques at the 1988 Awards Banquet and can advertise their dogs as "Select 1987."

Should the Select Awards be continued.

MEETING SUMMARY
I have always waited until the ALAC Board has approved the minutes prior to mailing them to you, to insure that issues are accurately reported. This has, however, frequently resulted in a delay of information to the membership. Therefore, I intend to provide a Meeting Summary of issues discussed in the first mailing following ALAC Board or Regular meetings. This Meeting Summary is in no way intended to be a substitute for the official minutes when they are published.

Dear Mr. Sledzik:

The purpose of this letter is to thank you for your interest, advice and recommendations relative to the Obedience Advisory Committee and to provide a written answer to two of the subjects that were of prime interest to you and the club that you represent.

The Committee recommended that the jump heights, for all breeds that presently jump 1 and 1/2 their height, be lowered to 1 and 1/4 their height. Those that presently jump one times their height will remain the same. Your input on the recommendation allowing dogs' hair to be tied back out of their eyes was particularly appreciated.

The committee recommended that handlers be allowed to tie the hair back for any breed where this is a problem. The exact wording has not been determined, but specific breeds will not be addressed. The wording will probably include the use of a neutral colored rubber band and may include a small barrette. Again, the wording is not firm, but the recommendation to allow the hair to be tied back has been made.

As we discussed at the Delegates meeting these recommendations will probably be published May and be acted on by the Board of Directors in the early fall with a tentative implementation date of January 1, 1989.

Again, I thank you for your interest and for making the desires of those you represent known to me and to the Committee. If I can be of any further assistance please contact me.

Respectfully,

By now most of you are aware of the passing of Ricki Andrews, a very devoted Lhasa fancier and a wonderful human being. We will all miss her.

Looks like good news on the Obedience front. Ray Sledzik, our AKC delegate has really done a job for us and our dogs. See the letter on page 9 for details.

By the time you read this, the Handbook will be in the mail. Sondra Rogers has done an incredible job. She has put together over 70 pages of information to help all members to be completely informed about the workings of ALAC. I think you will all be very impressed with the result of her many, many hours of work. We had hoped to have the Handbook out before this issue of the Bulletin, but we could not get a copy of the currently paid members for a correct roster. We have chosen to publish it without any further delay so we may be including some members who are not actually paid up. We will not leave off anyone.

Hope to see you all in Denver. With all of the meetings, shows, and events that are planned it should be a very exciting and busy week.
BEHIND THE NEW CHAMPIONS

Three generation pedigrees of new Lhasa Apso champions belonging to members of the American Lhasa Apso Club will be printed free, if sent in by the owner. Please send the dog's name, sex, owner's name and breeder's name, along with a neatly printed or typed pedigree that does not need to be returned. Send to Sally Silva, 3197 First Street, Riverside, CA 92507-2620.

If you are moving PLEASE send your address change to ALAC Roster Chairman, Sondra Rogers. When your Bulletin is mailed to the incorrect address, the back page is torn off by the Post Office and returned to the Bulletin Editor with a 30¢ charge. The rest of your Bulletin is destroyed. To insure that you receive your Bulletin as quickly as possible, you may fill out a change of address card at the post office and you must guarantee forwarding postage. Then it is forwarded to you and we receive the notice (along with the 30¢ charge). Please help keep our postage costs down. Send your address change as soon as you know it.
