President's message

Dear ALAC Members,

I would like to thank all who planned, worked, and participated in the 1989 National Specialty and related events. We had a week of diverse activities that seemed to be enjoyed by all.

It was particularly exciting to me to see four seasoned breeders of differing backgrounds judge the events - Jean Blythe, England; Frances Sefton, Australia; Pat Chenoweth, California; and Keke Blumberg Kahn, Florida. Thanks to each of you from all of us for the wonderful job!

As we draw near the close of the ALAC year, I would like to thank the officers, board, committee chairs and members and the general membership for a very productive year. Many people have dedicated many hours to ALAC. The success shows.

This term we have done much. ALAC's communication with members has improved; the voting process has been strengthened; the 1984 Yearbooks were available at the National Specialty; a financial review is almost completed; a by-laws revision is underway, and more.

The encouragement and positive response that we have received from you, the members, has been rewarding, and makes the job easier and worthwhile. It is our pleasure to serve you.

Sincerely,

Cassandra De La Rosa

1 Wyndwood Best Foot Forward
Sable, well put together, good shoulder lay, strong hindquarters, very
good coat and correct texture. Moved freely with equal reach and
drive. May be a little big for age, but a very promising puppy.

9-12 months (6 entries, 1 abs)
1 Mario Parti Time
Attractive gold and white particolor, outgoing temperament, nice size
and balance.

12-18 months (6 entered, 1 abs)
1 Christopher Robin of Baywind
Well-balanced dog with good shoulder lay, strong hindquarters, firm
topline. Good head and expression and mouth. A bit big. Good
coat for his age.

Bred-by dogs (13 entered, 1 abs)
1 Chain N' Mason's Showstealer
Liked his size and balance. Gold sable with good coat texture. Bit
round in eye, otherwise good head. Only just over 12 months so still
needs to tighten up.

American Bred Dogs (3 entered, 1 abs)
1 Mario Lorel Mischie's Joker
A big cream dog. Well put together, hard texture coat. Moved out
well.

Open Dogs (21 entered, 3 absent)
1 Ruffway Topkapi
Cream sable dog. Reasonable size. Had a lot I was looking for. Well
put together and compact, well balanced in stance and moving.
Top presentation, correct coat, good head and mouth.

In the Winners Dog lineup I cut to the Open, Bred-by Exhibitor and 6-9
months puppy, three very similar dogs. My winner's dog was the open
class winner. I called in the second in open, also very similar. Reserve
went to the 6-9 months puppy. All four of these dogs were very alike in
overall style, size, heads and expressions.

6-9 months bitches (14 entered, 3 abs)
1 Wyndwood Chiran Zia-Ziana
Sable puppy. I see she is the litter sister to the dog puppy winner. Well
grown in coat, nice size and balance, nice head and expression.

9-12 months bitches (6 entered, 2 abs)
1 Mario Lorel Precious Gold
Red brindle, good texture coat, nice size, compact, good mouth, a
little round in eye.
There were good moving girls in this class.

12-18 months Bitches (11 entered, 3 abs)
1 A Tantras Holiday Amethyst
Stylish gold sable bitch, good muscled body, compact, correct
balance. Nice head and expression, good mouth.
The number of round eyes in this class was of concern, but movement,
reach and drive was generally strong and free.

Bred-By Exhibitor Bitches (19 entered, 1 abs, 1 moved up)
Very strong class. Size was more even in this class with only one or two
bigger ones. Generally speaking movement was good and not
especially exaggerated.

1 Yarbro's Tiger Lilly
Grey brindle, superb texture of coat even though it is not yet mature.
Excellent size, balance. Good body, very firm, moved with balance,
reach and drive. Eye shape, expression and muzzle all very typical.
Black mask. I liked this bitch very much.

My Best of Breed (BIS) was the Veteran Dog, CH. MISTI'S PLAY IT
AGAIN SAM. A gold and white particolor who excelled in overall
breed type (I forgave a little size). A dog of great dignity and
presence, lovely head and expression, in excellent condition, good
front and strong loin. Correct coat texture. A dog to be proud of.
Eight years old.

My Best of Opposite Sex was again a gold and white particolor, CH.
HOHIRA HYLAN ANYTHING GOES. Three years old. I liked her size
and balance. She had a lovely head and expression with good bite
and undersjaw. Very feminine and elegant.

Best of Winners was the bitch YARBRO'S TIGER LILLY. She may not be
a glamorous eye-catching color but she has a lot to commend her.

Best Puppy was WYNDWOOD BEST FOOD FORWARD who was Reserve
Winners Dog.

You have some really beautiful dogs here. The standard of
grooming, ring presentation and handling is extremely high,
consistent all through the entry, and probably the best in the world.
No wonder the breed claims so many group and best in show
awards. The best of breed specials are breathtaking. Showbiz
indeed! For me, however, there is more to the breed than the
glamor. There was considerable variation in the dogs presented to
me. Were they all typical of the breed? Did they look, immediately,
unmistakably Lhasa Apso? Look along the line — no Tibetan Terriers
or Shih Tzu — a couple of mini-Afghans, maybe? A miniature
Schnauber in disguise? A smaller Soft-Coated Wheaten in long coat?

So we come to problem of deviation from breed type. When you seek to improve on what you've got—a Lhasa with all its irritating... watch that you do not go to the extreme in any direction, and make it look like another breed.

Problem #2 is obvious at first glance too; variation in size. I doubt that there was a dog there under 10 inches, but there were many more I'd guess over 11 inches? Lhasa fanciers generally appear to be aware of a size problem. The size topic dominated discussion time at the Seminar. I'm told there used to be bigger ones around a few years ago. Really?

Size works both ways. The comment I would make is that a Lhasa can be too small. When it becomes not only small in height, but also fine-boned and flimsy. The Lhasa is too big when the bone becomes coarse, the head big and coarse, and the height and length become gross in keeping with that. The other kind that is too big is the tall and shelly-bodied dog, often short in body length relative to height. I had both the gross and the shelly.

My personal opinion is that the range of 10-11 inches in the standard is correct for both breed type and overall soundness. My own preference is for a male at 10-11 inches and a bitch at 10 inches. I do not like to see males under 10 inches or over 11 inches—even though I have to accept they exist!

Do not kid yourselves that the judges are to blame for oversize in the show ring. The exhibitors are to blame for putting big dogs in the show rings; and for following like sheep the trends set by others. Judges can only choose from what they've got. It is possible to win BIS, all breeds and specialty, with dogs of correct size. I've done it!

To another topic. Heads in the entry bothered me. Too many of the following: big round eyes; lack of underjaw; width of back skull. Unfortunately your breed standard does not mention "stop." The inclusion of "moderate" or "medium" stop, as in other countries, would help to solve at least two of these problems, because round eyes and width of back skull often accompany a deeper stop.

There were a few odd skulls with bony protuberances over the eyes. A few also had the malar bones rather developed.

The lack of underjaw I hated. It spoils the expression. Oddly, it accompanied all varieties of bite, from scissors, to narrow, to wide, to reverse scissors. Please try to do something about it. It is a weakness.

There were a number of good bites, but the lack of underjaw that was so widespread bothered me, so that all other things being equal I did not penalize a missing tooth or slight crumbling too heavily. It was correct expression I wanted. I found many dogs I liked; there were many with pleasing balance and size. I enjoyed judging your dogs.

My thanks to the exhibitors for their acceptance of my decisions, for their entry which gave me such a lot of dogs to go over, and for the pleasure of seeing so many beautiful dogs.

The Board of Directors will be considering a voluntary Code of Ethics and would like your reactions. Feel free to contact by phone or mail any of the officers or board members with your comments.

Purposed Code of Ethics

It is suggested that a voluntary Code of Ethics be instituted by ALAC for the protection of our Lhasa Apsos, consisting of the following points:

1. That participating members agree to sell all pet puppies on a non-breeding, or spay/neuter contract. This would also apply to placement of mature or older dogs.

2. That participating members will make every possible effort to ensure that breeding or show stock will go to responsible homes, and that they will also be very careful about placement of their puppies and adults.

3. That participating members will not make their stud dogs available to be used by owners who have no intention of showing or working for the betterment of the breed, regardless of the quality of the female to be bred.

4. That participating members will furnish all AKC registration papers and pedigrees in a timely manner to buyers.

5. That participating members will give some guarantee of health and temperament on any puppies sold, unless otherwise stated.

6. That participating members will be so designated in our Roster by a “seal”, or stamp, or some method of identification.

The purpose of the institution of such a code would enable breeders who feel strongly about the eventual disposition of their dogs, to work with those who share the same regard and responsibility for their dogs. It is unfortunate that so many Lhasas are being bred today, and readily available in pet shops and multiple-bred kennels. Many are being sold at such low prices that serious breeders find it difficult if not impossible to compete and place their pet puppies in proper homes.

Realizing that such a code will not stop puppy-mill practices, it will encourage those who care about the breed to hold fast and work together. Hopefully, with proper education, those in the market for a quality pet will come to recognize that those of us who care about our dogs are making an effort to protect the breed, as well as the buyers of such pets.

We, as serious breeders, must also take the responsibility of standing behind the dogs we sell, and insuring satisfaction among those who acquire a Lhasa from us. In this way we can offset the poor reputation of the Lhasa generated by those selling puppies commercially.

LOCAL CLUB NEWS

LOCAL CLUB UPDATE......

A highly productive meeting occurred during the week of the ALAC National Specialty. The meeting was scheduled in an attempt to plan an action agenda which would coordinate the activities of ALAC and local specialty clubs nationwide. We have identified 18 specialty clubs and 13 of these clubs were represented by their local club designees at this meeting. A survey was sent to all designees several months ago and the results of the survey served as the baseline for discussion and development of an action plan. The survey results suggested that:

- There are continuing and significant concerns about the lack of communication between ALAC and the local clubs;
- Membership of local clubs and ALAC is not comparable and that both entities could benefit from increased coordination;
- Local clubs are eager for ideas and information about ALAC as well as networking with other local clubs; and,
- Support of ALAC by local clubs and support of local clubs by ALAC are equally important.

In the spirit of problem solving and working together, the following action items are planned for the coming year.

- Problems which local clubs may be having with issues related to ALAC, for which satisfactory resolution is not forthcoming, will be communicated to the Local Club Liaison, who will assist with facilitation resolution.
- In an attempt to promote interest and membership in ALAC and to provide readily available baseline information to persons in local areas, a draft of a proposed informational pamphlet will be developed and submitted to the ALAC Board for approval and support. A subcommittee chaired by the Local Club Liaison, together with Kay Hales, Don Evans, and Paul Voigt, will work on the development of a prototype.
- Local club designees agree that local club newsletters will be mailed to all other local clubs in an effort to share information on club activities.
- Local club specialties, sweepstakes, etc. will be provided to the ALAC Bulletin in an effort to promote increased participation in local specialties.
- The Local Club Liaison will work closely with the ALAC Secretary to ensure that information on officers and designees of local clubs will be kept current so that when ALAC receives inquiries from interested parties they can be referred directly to nearest local clubs.
- There will be increased coordination between the ALAC Futurity Committee and Local Club Designees in order to promote participation in Futurities.

In addition, the Local Club Designees recommended the following:

- That “club” copies of all ALAC Board Meeting Minutes and Actions, General Membership Meeting Minutes, and the ALAC Bulletin be provided to local club secretaries.
- That checks for membership be acknowledged with either a letter of receipt or an ALAC membership card.
- That all new ALAC members receive a standardized informational packet.
- That ALAC develop a stronger educational program to inform its members on a variety of topics and that a suggested beginning would be for ALAC to develop two short videotapes, one focusing on basic grooming techniques and another addressing “Is a Lhasa for you?”

The Alac Board has also asked that we review the feasibility of assisting the Yearbook Distribution Chairperson with coordination of distribution of the Yearbooks with local clubs.

An exciting partnership has been revived - a critical partnership between the local clubs and ALAC. We’re off and running and you’ll be hearing more from this most positive coalition which has been created in the coming year.

IN LOVING MEMORY

CHAR-RU’S ALL BETS ARE COVERED

"BETS"

You red-headed little tyke,
 You stole our hearts,
 You ruled our souls,
 With your loving eyes,
 And your gentle ways.

You star-crossed imp,
 Life dealt you a cruel hand,
 And we don’t know why.

But ours is not to question,
 It is to accept,
 That you died,
 Way before your time.

We shall never forget you,
 And we shall always miss you,
 Forever and a day,
 We love you, Bets,
 Goodbye.

Our sincere appreciation to Betty Chidley and Ruth Hayden for their help and support during this tragic time.

Voting by proxy shall not be permitted. The Board of Directors may decide to submit other specific questions for decision of the members by written ballot cast by mail.

SECTION 3. Annual Election. At the Annual Meeting for the election of Officers, Directors and Delegate to The American Kennel Club (when applicable), the vote shall be conducted by mail ballot. Ballots to be accepted shall be mailed to each member in good standing on or before the regular address on or before May 1. signed by five (5) members and accompanied by the written acceptance of each additional nominee signifying willingness to be a candidate. Except for the position of Delegate, no person shall be a candidate for more than one position, and the additional nominations which are provided for herein may be made only from among those members who have accepted a nomination of the Nominating Committee.

(c) If no valid additional nominations are received by the Secretary on or before May 1, the Nominating Committee’s slate shall be declared elected at the time of the Annual Meeting, and no balloting will be required. The postmark on the nomination letter shall set the date received.

(d) If one or more valid additional nominations are received by the Secretary on or before May 1, the Secretary shall, no later than thirty (30) days before the designated return date, mail to each member in good standing a ballot listing all of the nominees for each position in alphabetical order, together with a blank envelope and a return envelope addressed to the Secretary marked “Ballot” and bearing the name of the member to whom it was sent. That the ballots remain secret, each voter, after marking his ballot, shall seal it in the blank envelope which in turn shall be placed in the second envelope addressed to the Secretary. The inspectors of election shall check the returns against the list of members whose dues are paid for the current year prior to opening the outer envelopes and removing the blank envelopes, and shall certify the eligibility of the voters as well as the results of the voting, which shall be announced at the Annual Meeting.

(e) Nominations cannot be made at the Annual Meeting or in any manner other than as provided above.

ARTICLE V

Committees

SECTION 1. The Board may each year appoint standing committees to advance the work of the Club in such matters as dog shows, obedience trials, trophies, annual prizes, membership and other fields which may be served by committees. Such committees shall always be subject to the final authority of the Board. Special committees may also be appointed by the Board to aid it on particular projects.
SECTION 1. American Kennel Club Suspension. Any member who is suspended from the privileges of The American Kennel Club automatically shall be suspended from the privileges of this Club for a like period.

SECTION 2. Charges. Any member may prefer charges against a member for alleged misconduct prejudicial to the best interests of the Club or the breed. Written charges with specifications must be filed in duplicate with the Secretary, together with a deposit of $10, which shall be forfeited if such charges are not sustained by the Board or a Committee following a hearing. The Secretary shall promptly send a copy of the charges to each member of the Board or present them at a Board meeting, and the Board shall first consider whether the actions alleged in the charges if proven might constitute conduct prejudicial to the best interests of the Club or the breed. If the Board considers that the charges do not allege conduct which would be prejudicial to the best interests of the Club or of the breed, it may refuse to entertain jurisdiction. If the Board entertains jurisdiction of the charges, it shall fix a date of a hearing by the Board or a Committee of not less than three (3) members of the Board, not less than three (3) weeks nor more than six (6) weeks thereafter. The Secretary shall promptly send one copy of the charges to the accused member by registered mail, together with a notice of the hearing and an assurance that the defendant may personally appear in his/her own defense and bring witnesses if he/she wishes.

SECTION 3. Board Hearing. The Board or Committee shall have complete authority to decide whether counsel may attend the hearing, but both complainant and defendant shall be treated uniformly in that regard. Should the charges be sustained after hearing all the evidence and testimony presented by complainant and defendant, the Board or Committee may by a majority vote of those present suspend the defendant from all privileges of the Club for not more than six (6) months from the date of the hearing, or until the next Annual Meeting if that will occur after six (6) months. And, if it deems the punishment insufficient, it may also recommend to the membership that the penalty be expulsion. In such case, the suspension shall not restrict the defendant’s right to appear before his/her fellow members at the ensuing Club meeting which considers the recommendation of the Board or Committee. Immediately after the Board or Committee has reached a decision, its findings shall be put in written form and filed with the Secretary. The Secretary, in turn, shall notify each of the parties of the decision and penalty, if any.

SECTION 4. Expulsion. Expulsion of a member from the Club may be accomplished only at the Annual Meeting of the Club, following a hearing and upon recommendation of the Board or Committee as provided in Section 3 of this Article. The defendant shall have the privilege of appearing in his/her own behalf, though no evidence shall be taken at this meeting. The President shall read the charges and the findings and recommendations, and shall invite the defendant, if present, to speak in his/her own behalf. The meeting shall then vote by secret written ballot on the proposed expulsion. A two-thirds (2/3) vote of those present and voting at the Annual Meeting shall be necessary for expulsion. If expulsion is not so voted, the suspension shall stand.

SECTION 5. Amendments. Amendments to the Constitution and By-Laws and to the Standard for the breed may be amended at any time provided a copy of the proposed amendment has been mailed by the Secretary to each member, accompanied by a ballot on which he/she may indicate his/her choice for or against the action to be taken. The notice shall specify a date not less than thirty (30) days after the date of mailing by which date the ballots must be returned to the Secretary to be counted. The favorable vote of two-thirds (2/3) of the members in good standing whose ballots are returned within the time limit shall be required to effect any such amendment.

SECTION 6. Dissolution. The Club may be dissolved at any time by the written consent of not less than two-thirds (2/3) of the members. In the event of the dissolution of the Club, whether voluntary or involuntary or by operation of the law, none of the property of the Club nor any proceeds thereof nor any assets of the Club shall be distributed to any members of the Club, but after payment of the debts of the Club its property and assets shall be given to a charitable organization for the benefit of dogs selected by the Board of Directors.

Think about it. Was there someone during the last year who you could have encouraged to join ALAC? Membership is an important responsibility we all share. Won't you try to encourage one person to become a new member of ALAC this year?
