Best in ALAC National Specialty Show
MULTI GROUP WINNING CH FANFAIR WHO GOES THERE
Dear ALAC Members:

I'd like to thank the Dieball's and the Greater Detroit Lhasa Club for hosting our National Specialty in such great style ... it was a pleasure to work with such accommodating people! Also, a big hand to all the ALAC committees who pre-formed their functions superbly - it takes a big commitment to put all this together, it doesn't just happen. While everyone couldn't be a winner, there were so many beautiful Lhasas presented so well, our Breed was displayed in a truly stunning array - from puppies to veterans, the overall quality was tremendous; we all share in their pride.

Please take the time to carefully read the minutes of both meetings. Some of the topics covered will affect our participation in future shows. Members at the general meeting were subjected to displays of skirmishes and power-plays; this in itself is not a bad thing, as it indicates a diversity of opinion and strength; carried too far, with lack of respect for participants, it can damage our Club image. The Officers and Board members of ALAC spent a lot of time devoted to the detail of Club business and our coming shows - and while shows and winning are important and fun for us all, I'd like to see more time devoted to the welfare of our breed in the coming years. The primary purpose of our parent club is ultimately the protection and advancement of the Lhasa Apso. What about the development of a Breed Rescue program in ALAC - I'd like to hear your ideas on that. It's gratifying to get the response of members who will fill vacant committee positions, everyone's contribution is valuable to our Club.

I heard the Cicadas humming last week - "seven weeks till frost" is the saying; but with this long, hot summer ... and Global warming - is that too much to hope for? Take precautions against the heat with your Lhasa, if you're uncomfortable, think how much worse it must be for them!

Joan

ALFREDO QUINONES

June 14, 1950 - June 22, 1991

We met Al over 10 years ago when he was handling Lhasas for Maria Aspuru. After Maria died, Al handled Lhasas for Sanlo.

Recently, people were seeing more of Al in the ring with a Boston, a Peke, a Shih Tzu or his wonderful Silky.

We at Sanlo will always remember him as he was back in the 80’s showing pride of achievement as he was winning BOB from the classes under Edd Bivin with Ch Royal Cognac of Sanlo II just starting in the show ring.

Lhasa Apsos Breeding at a Crossroad?
Gerti Bracksieck

The Lhasa Apso is a small, gay dog with a hard, dense coat and an overall good musculature. He moves normal and free and does not have any exaggerations. He is a healthy and sturdy dog, a real family-dog, who is somewhat chary of strangers. These descriptions of the Lhasa Apso, which are also mentioned in the breed standard, turned on quite a number of people to take an interest in this old Tibetan breed. Especially since the foundation of the KTR, the first and biggest Club for Tibetan Breeds in Germany, now about 24 years ago.

In the meantime many years passed, and many things did change in all possible aspects, regarding the dog-scene as well. So actually we could be satisfied about the statement, that the Lhasa Apso did change also, because of the mentality of progressive people, who work in the breed.

There are many, who believe, that breeders, who develop new ideas and who follow their individual taste to develop a new type of dog within the breed, serve the breed very much.

In my opinion these breeders did first of all seek for an advantage for themselves. The profit for the breed itself is very questionable.

Each breed is served best by the type of breeder who strives for a healthy animal and for soundness in all aspects; a breeder who tries to preserve the breed type as far as ever possible and who does not try to get a benefit for his EGO or his pocket-book at the costs of the breed.

Some alterations are preferably defined with the well sounding word betterment of the breed. But these betterments should not go as far as in some cases, where it’s hardly possible to find the little Apso underneath the “improved” coat-piles; in many cases soft coat-piles.

The Lhasa Apso has a somewhat natural beauty and because of his lovely double coat he makes a nice show-dog and can be presented in a spectacular style. But these his
enjoyable gifts can also be his calamity!

Small, tough, well muscled, healthy, with correct coat texture and decent coat length; more than often these traits are no emotives for the showing. Different criterions are counting there increasingly. Unfortunately there are several judges who adopt this course.

Especially disseminated from the USA, where the whole show-scenery has a different character, importance and course for the breeding, than here in Europe, some exhibitors and breeders as well try to bring such a perfectly groomed and down to the last detail styled Show-Lhasa to our breed-shows, to reach for the challenge cup. Some dogs are spectacularly made up, some also show a new kind of spectacular movement with tremendous speed, when gaited through the ring.

But, what is “normal” on an American Beauty-Dog-Show, is not necessarily a gauge for a breed-show in Europe (or should not be). In Germany, we kept the “modernisation” of the Lhasa Apso within reasonable bounds. As we do not have many pure-exhibitors, but mainly puppy-buyers, who want a sound and healthy family dog, the more natural looking Apso has still his good chance to be bred on a

small scale. We hope also in the years to come. No question: also the “normal” Apsos have to be improved in their quality, but there is no reason to change them a lot. Improvement of the qualities, which are mentioned in the standard and which are often not perfect, are necessary in each breed and they are a challenge for a good breeder. Persisting on the more original type does not mean, that faults in construction and movement are to excuse. Type is very important, but it’s not everything. Especially the kind of Apso, we know and love for many years, has to be overall “sound” and correctly put together and last but not least nicely balanced. He has to be able to move freely and correctly, and should have good drive from behind. His natural coat does not allow to hide faults under clouds of artificially groomed and styled hair.

When watching a dog-show, the German public is critical. Some TV-and Broadcasting-reports and press publication during the last years did add a lot to awake and intensify the awareness of many people for naturalness and normality in dogs. Therefore we have to be very careful, that our Apsos do not get a wrong image because of one or the other ambitious exhibitor. Puppy prospectives, who want to inform themselves about our breed on a dog-show, are plainly scared away by overgroomed, with coat overloaded specimen “Show-Monster”. We can already realize the result of the new development because it is getting more difficult, to sell Lhasa Apso puppies as house pets. Interested puppy buyers are especially horrified because of the supposed complicated grooming, and get less encouraged, because they deeply dislike, what they sometimes can see at ringside. These grooming sessions, which never seem to end, and wrapping artistics of some exhibitors. Besides that they see all the grooming equipment, which alarmingly piles there. No wonder, that some people go and buy a wirehaired Dachshound or any other small breed instead. Yes, WE know, that a Lhasa Apso NOT prepared like this, looks very different, but can SPECTATORS except or RECOGNIZE that when they see an overgroomed, bored show-Lhasa? As everybody knows, judgements easily tend to be generalized very often. So just a few Show Stars, who are only the frosting on the cake, do win the competition. But they are sufficient, to give newcomers a completely wrong impression of the breed.

We are responsible for the reservation of this old breed. We have to protect them from changing outgrowth, Kitsch and too much glamour.

To ALAC Members and Friends:

The National Specialty Trophy Committee was formed by the ALAC Board in 1986. In addition to coordinating the trophies for the ALAC National Specialty and assisting the host club, the committee has been charged with solicitation of contributions to the on-going Trophy Fund.

The trophies will continue with the tradition established at the 1986 National - that of Wilton-Armetale Pewter. The pewter pieces are crested with the ALAC Logo and include deep set engraving of the American Lhasa Apso Club.

The purpose of this letter is to solicit your contribution, as it is only with a contribution from each and every ALAC member and friend that the Committee can successfully reach its goal. Each trophy donation will be acknowledged in the National Specialty catalog.

We have four pledge categories: Benefactor (two reserved ring side seats at Futurity and National): $50 and up; Patron: $30 to $49; Contributor: $20 to $29; and Supporter: up to $20. We have taken the liberty of including a pledge form at the bottom of this letter. We would appreciate receiving your pledge immediately. Your payment will be due in the spring of 1992.

Thank you in advance for contributing to the success of the 1992 National Specialty. If you would like to make payment with your pledge, please make your check payable to ‘ALAC‘ and send it to Naomi Hanson at the address above so the amount can be properly acknowledged.

Sincerely,
E. Naomi Hanson

Sunny is shown winning her second major under Melbourne Downing shown by Sue Guilimino.

Sunny, Sue & Vic say thanks for keeping the Sun shining . . . . . .

Thanks to the following judges for appreciating Sunny's type and soundness: Melbourne Downing (major), Dr Samuel Draper (major), Norman Herbel (major), Dr Robert Smith, Ken Stine, & Warren Ubberrath (major).

Thanks to Kay Shaner for breeding such a beautiful bitch, letting us have her, and showing her for her first major.

Thanks to Linda Tackett for giving Sunny a loving home, showing her for her 3rd major and finishing 2 points, and conditioning her so beautifully.

With a sound body, lovely golden coat, tight reverse scissors bite, and the sweetest temperament, the Sun is always shining when Sunny's around.

The Sun will continue to shine for this straight hamilton lady, she will be bred this winter. We are looking forward to her straight hamilton puppies with sound mind and structure.

You must have been a beautiful baby . . . .

Dan and Rosebud, born April 7, 1989, pictured at 12 weeks with Co-owner Joel Meal Meadows

Does your mother realize, the stork delivered quite a prize, the day he left you on the family tree. Does your Dad appreciate that you are merely super great, the miracle of any century; if don't just send them both to me. You must have been a beautiful baby - you must have been a wonderful child. When you were only startin' to go to kindergarten, I'll bet you drove the other pups wild. And when it comes to winning blue ribbons - you must have shown the other kids how. I can see the judges eyes as they handed you the prize, and I'll bet you made the cutest bow-wow. Oh, you must have been the cutest baby, because ba-by look at you now.

Yeah! Ben's a champion and he's coming home! Under Lani Howell's expert hands, he finished with 3 BOB's (Judge Richard Guevara, Judge Frank Oberstar and Judge Arley Hussin) and a Group 2 under Judge Stephen Shaw. He's done alright for himself!

Thank you Esther for letting me have this lovely pick of the litter - he's a joy. Ben's going to be a father - litter due Aug 3rd.

"Joey" love Steppin' Out with Science Diet!
The Members and Friends of the Greater Detroit Lhasa Apso Club would like to extend our gratitude to the Fancy for their participation in making the 1991 National Specialty the largest in history and also for their good sportsmanship, comradery, and warm words of commendation.

Our Club was complimented throughout Specialty Week for its sense of Hospitality but it was YOU who made the Show the grandious event it was. We’d like to reciprocate your kind compliments --

*the success is all yours!*

Thank you all for the indelible memories and for leaving us with a wonderful feeling of accomplishment.

Making their Mom . . .

"CJ" only needed her majors when she retired from the ring to become a Mom.
She now has two Champions from her first litter with another pointed son just coming back to the ring.
She has one Champion son from her second litter with a daughter who only needs a major and a point to finish.
Her third litter is only 10 months old and already one daughter is pointed.
We expect good things from this litter.
Her fourth litter will be expected late Fall to early Winter.

We taped the LHASA APSO SPECIALTY and GREATER DETROIT LAC SPECIALTY shows that were held on July 8th to 12th in Troy, Michigan. There was a large turnout of over 200 Lhasas from all parts of the United States. With two world renowned Judges, Ms. Gerti Bracksieck from Germany and Carolyn Herbel of Oklahoma we had outstanding judging which produced winning dogs that were a credit to our Breed.

One of the most interesting aspects of the show was how well owner-handlers did in garnering the top class and Breed awards. This show was an inspiration to many owner-handlers to see their dogs winning in the toughest competition of the year.

The large entries at both shows created the need for six tapes to cover all the classes and Best of Breed competition. However, we are providing complete sets of the show for the same $100 price that we projected for 5 tapes.

We also taped the Sweepstake judging at GREATER DETROIT LAC which ran close to 2 hours. This tape will be available for only $20. Other prices (see below in coupon).

We want to thank the five commentators that provided an outstanding commentary of the judging: Dorothy Kendall, Lynette Clooney, Amy Andrews, Terre Mohr and Barbara Troy. If you have purchased our tapes of specialties or all-breed shows in the past, you know we give you a running commentary of every dog entered. This includes the sire, dam, owner, breeder and handler at the show. We used the new SONY V XT-PRO VHS master tape. These new tapes provide a 50% increase in picture quality. Our copies are duplicated on Sony ES tape. We purchased a new SONY VCR for copying and quality is excellent.

SPECIAL NOTICE: This year we will be donating 10% of the gross sales of both the ALAC and the Greater Detroit Specialty tape sales for the 1992 Trophy Fund to each of these shows.

You can order either or both tape sets today by filling in the coupon below. Please enclose your check or money order. Don‘t forget to include postage of $2.90 for one tape, or $4.00 for two tapes and $6.00 for three or more tapes. Since a complete set takes 10 hours to reproduce, orders will be filled on the basis of the earliest orders received. Please allow at least one week for delivery.

We are the FIRST breeder in Eastern Missouri and Southern Illinois to quality for this honor.

Special thanks to my friend Lorraine Cole, who trusted a novice with her best breeding, and is always generous with her time and kind assistance.

And to Pat Page, who allowed me to have Madam’s beautiful dam, Glory.

Of course this would never have developed without the help and encouragement of Joyce Hadden and her wonderful Zeus, who sired seven of my ten home bred champions, with more pointed.

THANK YOU SO VERY MUCH!

Felony dines on Science Diet
Felony finished his championship in grand style with three majors, including a Best of Breed over three specials and then on to a Group III.

Felony is my first homebred champion and also makes Barker Lhasa Apsos ROM eligible. What a special boy he is.

Many thanks to Sandy Barker for showing Felony to all of his wins. Also to Sandy and Randy Barker special appreciation for their care and conditioning of Felony. Most of all thank you for your friendship over the last seven years since you entrusted that lovely pick bitch puppy to me, now Ch Barker’s Crime of Passion (Cookie) and Felony’s Mother. Like her son, Cookie is also a group placer from the classes owner handled.

Felony is now retired from the show ring and living a life of leisure as a house dog with his co-owner Dolores Hutson. Thank you Dolores for your unflagging support and encouragement of Felony.

Felony will be bred to the latest star here at Photo Khi, Ch Dorjon Barker’s Zip Code at her next season. Zipper is Cookie’s half sister. Zipper also finisher her championship with three majors and a group placement from the classes owner handled. We’re hoping for some really exciting puppies from this breeding.
