President's Message

DUES

Most of you, I hope, noticed and then acted on the dues notice that the Treasurer, Steve Campbell, inserted in the last Newsletter. If for some reason you did not, I would ask you to note that we have included a “second” notice in this Newsletter and suggest that you fill it out right now and send it in so you can keep your membership current.

I must apologize for the lateness of sending out this year’s dues notice. Because of previous treasurer Carolyn Herbel’s resignation in the Spring of 1996, and the time required to select Steve Campbell as interim treasurer along with subsequent complexities of records transfer and getting back up to speed on club business, we did not send out the usual first 1996-1997 dues notice in May. At the July Board Meeting we decided to include the dues notices with the Newsletter mailings to save the cost of separate general membership mailings. The first notice therefore went out in July/August Newsletter which most members did not receive until early September. Even though dues are due every year on September 1st and become lapsed December 15th, whether you received a dues reminder or not, I hasten to assure everyone that no one will lose any club voting rights or privileges, no one will miss any mailing this year until everyone has had ample opportunity to respond to the dues notices in these Newsletters. I want to encourage everyone to renew as soon as possible. We want everyone to be included in all the club activities. You are the life blood of the club, so let us hear from everyone who has not yet renewed as soon as possible.

IN MEMORY

The Lhasa Fancy has suffered two significant losses this fall within the space of a month. I knew it is a profound loss when any of us lose one of our beloved Lhasas but occasionally there is the passing of a Lhasa which commands our attention because what they produced has touched so many. These two were the last two living Lhasas on ALAC’s Top Sire list. The number three and number one top producing sires are now gone.

Group Winning Ch. Orlane’s Scirocco ROM**** died this fall. Rocks recently achieved the number three position on the top sire list. He has to date produced 46 champions out of 13 different bitches. He was the top producer of the year four different years and won ALAC Top Stud Dog at the National Specialty twice. Rocks sire was also the sire of ALAC’s Top Producing Dam of all time and Rocks was the sire of ALAC’s all time top winning dog.

Multiple Group Placing Ch. Light Up’s Red Alert ROM***** also died this fall. Reddy was the only sire to date to achieve five star status. He celebrated his 50th champion out of 18 different bitches at the 1996 ALAC National Specialty in Boston, in July, where he was chosen ALAC Top Stud Dog for the second time. He was ALAC’s Top Producer of the Year four times.

Rocks and Reddy will be missed but it is abundantly clear that their legacy will live on and continue to grow. Our sympathy is extended to Susan and Ellen and to Frank and Barbara.

Larry Bruton

4th Quarter 1996
Following are the 1996 Board and Annual meeting minutes.

National Specialty Board Meeting June 18, 1996

The Board Meeting of the American Lhasa Apso Club, Inc. was called to order by President Larry Bruton at 8:25 PM, June 18, 1996. In attendance were Susan Giles, Steve Campbell, Beverly Drake, Pat Keen, Ann Lanterman, Roberta Lombardi, Judy O’Dell, Bobbie Wood, and AKC Delegate Ray Sledzik.

Susan S. Giles was asked to record the minutes of the meeting in the absence of Amy Andrews.

The President extended a welcome to Judy O’Dell, the newest member of the Board and reported he had not received the Secretary’s report but had a couple of pieces of correspondence.

The Treasurer’s Report was deferred to the Financial report to be given later.

AKC Delegate: Ray Sledzik reported:
1. AKC is moving the majority of their offices to Raleigh, NC despite a very close vote of the Delegates. The move will probably not take place for 6 months to a year from now.
2. Discussion of the removed delegate issue.
3. AKC’s website. They want breed clubs on site. Susan S. Giles will contact AKC concerning this to find out exactly what they want, and whether the present information we have onsite will work.
4. AKC’s new proposed requirement for ambulance/CPR services on site at all shows, All-Breed and Specialty.
5. It has been requested of AKC that all exhibitors and all judges be required to have a yearly physical exam to attend dog shows.
6. The ruling limiting the number of puppies in a litter before it has to be verified by a veterinarian passed in Dec. ’94. It varies by breed. 7 is the limit in Lhasas. Ray went on to say that he had made a request to change the figure to 10 for the Lhasa. He has no verification that this actually occurred since his contact person is no longer with AKC. The reasoning behind this ruling is supposedly to reduce the possibility of the puppy mills registering more puppies than are born in litters.

Committee Reports

By-Laws: Don Evans

Larry reported for Don that the By-Laws were approved. 120 ballots were cast with the results of the 10 sections being as follows:

<table>
<thead>
<tr>
<th>section</th>
<th>1</th>
<th>2</th>
<th>3</th>
<th>4</th>
<th>5</th>
</tr>
</thead>
<tbody>

</tbody>
</table>

The By-Laws will now be sent to AKC for approval. They will not go into effect until AKC has approved them.

Futurity: Ann Lanterman reported:

2 bids had been received for region 3. One by a group of Lhasa friends and one from the LACGNY.

MOTION 96-17: Steve/Pat PASSED (for 6; abstain 4)
To accept the bid from LACGNY in conjunction with Trenton KC show. A bid was also received from NCALAC for Region 6.

MOTION 96-18: Roberta/Judy PASSED (unanimously)
Accept the bid to host the Futurity for Region 6 in conjunction with NCALAC Spring Specialty on April 18, 1997.

There was discussion that followed about the possibility of changes in the eligibility for futurity judges.

MOTION 96-19: Ray/Bobbie PASSED (unanimously) Table the discussion.
Bulletin/Newsletter: Fran Strayer
Larry reported that the first issue of the new format Bulletin was already in the mail. There was discussion of the new Bulletin format and a job well done on the cover artwork. The present format for the Bulletin will cost the club about $2500 a year since there is no revenue to defray any of the cost. The Board discussed the importance of the publication as a means of communication with the membership. It was also mentioned that someone was looking at the computer program being used to produce the Bulletin as it was in the magazine format and was considering volunteering to do the Bulletin with help from a number of other people.

Breed Standard Committee: Susan S Giles
The BS committee is meeting twice during the week of the National. Presently they are working on the Verbal Guide to the Standard for punctuation and awkward wording. They have begun the work on the Illustrated Standard and have formed a 5 year plan in conjunction with the JEC to be presented at the Annual Meeting.

Judges Education.- Don Hanson
JEC is meeting Thursday morning for a dress rehearsal. Friday is the first actual JEC presentation to Judges. A 5 year plan has been developed with the BSC and will be presented jointly at the Annual Meeting.

Show Committee.- Steve Campbell reported:
The run-off of the judges selection for 1998 will be between Carolyn Herbel and Midge Hylton. The ballot is with the Secretary and will go out with the first available mailing.

Discussion of what should be considered the 3rd full week in June, of 1998. It was determined that the dog show calendar would be used, making Monday the beginning of the week. Thus, the National will be on Thursday, Friday and Saturday, June 18,19,20,1998.

MOTION 96-20: Ray/Susan PASSED FOR 6 AGAINST 2

Start the week on Monday in determining the 3rd full week for the National, beginning in 1998.

The question was called by Ann.

PASSED

Another note was made to make sure that the closing date of the show not occur before the last Futurity competition.

Ways and Means: Pat Hufnail reported:
A great number of new items are for sale this year including check book covers, wind breakers and nightshirts. It was suggested that a couple of slow moving older items be marked down.

Awards: Bobbie Wood reported:
220 plaques were ordered this year. Bobbie said that the fees charged for duplicate plaques were no longer paying for themselves, due to cost increases. Further discussion on possible remedies will be considered under Budget discussions.

Handbook.- Catherine Marley
Larry reported that Catherine had sent out a postcard asking for updates to addresses, phone numbers, e-mail, etc. These will be used to update the roster and in turn the Handbook. Catherine's timetable is to have the Handbook out in early fall.

Local Club Liaison: Board Members:
Robertia: People in her area had expressed concern over the tardiness of the Bulletin and had asked whether they might get their money back.

Carmen: by mail

Judy: Members in her area thought the new Board Member Liaison program was a positive thing. They also brought up the issue of having one of the regional Futurities at the National.

Beverly: 3 issues were brought up by local club members. The fact that the National Specialty catalog was combined and it was not mentioned in the premium list. This resulted in some people ordering the catalogs from each Specialty only to find they had bought 2 of the same catalog. It was reported that we either gave them their money back or sold their other catalog while they were standing there. The second issue was the need to have 3 different events and/or superintendents for the National with envelopes and checks for each. It was pointed out that both of the events going to MB-F could have gone in the one envelope. The Sweepstakes, of course, have to go in a separate envelope because it is not an AKC event. The last item was the problem of
helping with Rescue Dogs when you have limited kennel space and already have a number of dogs.

Ann: There was a request to go back to Grand Futurities in each of the 6 regions. The Cascade Club extended an invitation to the 1997 National Specialty to be held in their region next year accompanied by a Regional Specialty.

Bobbie: Will contact the clubs she is responsible for.

Pat: Northern CA. club established in 1966 had no concerns expressed prior to the meeting.

Steve: Expressed LACGNY’s desire to host the 1997 Region 3 Futurity. Also thought we should look at the Breed Standard to consider clarifications.

Breed Rescue: Mary Schroeder
Reported by Steve for Mary
Discussion of how far we have come with the rescue and the number of dogs placed in the last year. The remaining balance in the checking account is $1,937.01

Benetiz/Wilks Fund: Carolyn Herbel resigned

MOTION 96-21- Susan/Ann PASSED
Steve will administer the Benetiz/Wilks fund as an extension of the office of Treasurer.

Treasurer’s Report: Steve and

Financial Report: Bill Russett

Steve, committee member and treasurer, reported that he has not yet received enough financial information from Carolyn to be able to do the 5 year audit. $12,419.98 was transferred from the OK bank to Steve in February. $8,141.01 of that total was already earmarked for several different committees (Benetiz Fund, Bulletin (Newsletter), Trophy, Awards). The Financial Statement was reviewed and the following suggested. 1) Each year, accounts with a surplus should be transferred to the Club’s General Fund? 2) Status of Yearbook? 3) Can we eliminate Regional Specialty plaques or have a maximum figure to be spent, including postage? 4) Can we set up a savings account for the Benetiz/Wilks fund and receive income? The need for budgeting of committees was discussed where it was decided that a letter would go out to each committee chair asking for projected income and expenses.

Awards and Handbook merited further discussion. The continued rising costs of materials, mailing and packaging have turned the awards into a major expenditure. Each plaque now costs $17 a piece. Considering that the dues are only $20 that leaves very little for additional ALAC services to be administered. Several things were considered, including asking the membership to pay for the 1st plaque, or giving the first plaque and charging for additional plaques. It was finally decided to bring it before the membership and ask them to think about it and get back to us with suggestions.

The Handbook represents a large expenditure each time it is published. It was decided that the Handbook would be bid out to at least 2 different printers and mailed only when it can be combined with the Bulletin/Newsletter to reduce the cost of mailing. It was decided that $1200 would be the absolute maximum that would be spent to produce and mail the handbook, otherwise it must come back to the Board for a discussion on how to proceed.

Old Business: none

New Business:

Amy Andrews sent a fax on behalf of Cassandra de la Rosa requesting consideration for instituting a “Health Registry Committee” with 4 different points.

MOTION- 90-22: Ray/Bev PASSED
To postpone to the next meeting, would allow for time to read and consider the points before having to vote. Ray also commented that AKC was pushing for $2000 donations to the Health Registry from all Breed Clubs.

Richard Camacho, ALAC member and guest at the Board meeting asked to be recognized by the President. He presented several points, about the Specialty that he felt needed to be brought up. One issue was the apparent lack of rooms available at the Specialty. It was pointed out that there were actually more rooms reserved for this National than for any other. 42 people called for Handicapped rooms, and there were a number of cancellations at the last minute. It was implied that the show committee had reserved all the rooms leaving none for the rest of the exhibitors when in fact only 4 had been booked by the show committee. These were later given up to Handicapped reservation. Transportation was

4th Quarter 1996
also mentioned. A suggestion that we try not to have a hotel too far away from the airport again.

Meeting adjourned 12:30 AM

Submitted Again by
Susan S Giles

Annual Meeting
June 20, 1996

The Annual Meeting of the American Lhasa Apso Club was called to order by President, Larry Bruton, June 20, 1996 at 4:25 PM.

President's Message:

Larry reported that Secretary, Amy Andrews, was absent. The minutes of the last meeting were published in the most recent Bulletin,

We had a reasonably good year and accomplished some things and dealt with some things. Some of the things from the year included an October Board Meeting, the appointment of Carmen Spears to the Board vacancy, the demise of the Bulletin, and bumps in the transition of a new Roster chair which established a new database which will allow us to track lapsed memberships much easier.

Larry welcomed Judy O'Dell to the Board.

Treasurer, Carolyn Herbel, resigned and Steve Campbell was appointed by the Board to fill this position partly because he has been treasurer before and could hit the ground running.

Comments about the arrangements at the National with reservations and transportation were made noting that the Show Committee learns a great deal with each specialty. No Bulletin made communications difficult. Sites closer to the airports with good transportation will be a priority in the future.

ALAC accomplished several good things including timely minutes, last Bulletins out, Fran Strayer editing new Newsletter/Bulletin mailed at bulk rate. (costs about $6 per member per year).

The new Local Club Liaison format set up so that each of the Board Members are responsible for certain Lhasa clubs in their geographic areas.

By-Laws after 8 years of work and revisions were finally approved and have been mailed to AKC for approval.

Set up budgets for the Club. Bill Russett and Steve Campbell worked up a proposed budget. Committees chairs were asked to set up proposed budgets for their own committees. Steve and Bill will be soliciting feedback from the membership and chairs in evaluating expenses and functions of the committees.

Treasurer's Report: Steve Campbell

$12,419.98 check was received and the ALAC account was transferred to Richmond County Bank (NY). $8, 141 of this was earmarked for committees or immediate expenses, leaving a balance of $4,278.98 to run the club business. The suggestion of not sending out individual notices of dues renewal, resulted in the suggestion of the notice being included in the Bulletin on different color paper to save on the cost of mailing.

The Membership asked if the Board had considered raising the dues. It is being looked at but wanted to finish the budgeting before making a decision. The Membership also asked if there were any fund raising plans. The Board responded with a request of suggestion from the membership.

Discussion of the trends of increasing costs (mailing expenses, awards, and the Bulletin), and ever increasing expenditures without equal increases in income.

Internal audits will be done on an annual basis. The "internal" audit was chosen to reduce the costs of auditing. The choice of people involved in the financial market would facilitate the issue.

AKC Delegate: Ray Siedzik
1. Attended 3 of 4 meetings (weather prevented attendance at one meeting).

2. White Doberman issue. The Doberman club requested that white dobes not be registered. The issue was defeated. Ray voted no in our behalf.
3. June meeting asked for a consensus of the delegates who agreed with the move of AKC offices to Raleigh, NC.

Vote - 129 for ---- 103 against

4. Blue slip issues. Breeds are now restricted to average litter size, 7 dogs or less was a normal litter in Lhasas. More puppies than 7 have to be certified by a veterinarian. Wm Grey suggested a letter from your veterinarian along with the registration in the beginning to speed processing.

Ray questioned AKC as to why we were not notified of this change of rules. No answer was forthcoming. A request to raise the limit to 10 puppies per litter was made. It is assumed it went through.

By-Laws: Don Evans

The 10 articles of the By-Laws passed the membership with the following results:

<table>
<thead>
<tr>
<th>Article</th>
<th>1</th>
<th>2</th>
<th>3</th>
<th>4</th>
<th>5</th>
</tr>
</thead>
<tbody>
<tr>
<td>for</td>
<td>115</td>
<td>116</td>
<td>114</td>
<td>112</td>
<td>120</td>
</tr>
<tr>
<td>against</td>
<td>5</td>
<td>2</td>
<td>6</td>
<td>8</td>
<td>0</td>
</tr>
<tr>
<td>percent</td>
<td>96</td>
<td>97</td>
<td>95</td>
<td>93</td>
<td>100</td>
</tr>
</tbody>
</table>

By-Laws have been sent to AKC for approval by the Board of Directors. The August Board will probably be the meeting at which AKC will review the By-Laws.

The membership questioned the timing of the ability to raise dues based on By-Laws passing approval.

Futurity: Ann Lanterman
1996 - 135 litters were nominated
106 dogs entered in this years futurities.

50 litters nominated for the 1997 (about 10 down from nominations for last year)

The 3 judge panel for the Grand Futurity was approved by a vote of the membership. Litter nominations starting in Oct. 1996 will be $15.

Ballots for Futurity judges have gone to the Secretary for mailing with the next major piece to go out.

Regions approved for Futurities:

Region 1: Northern CA LAC - April 12
Region 2: Greater Detroit LAC - April 26
Region 4: Cascade LAC - May 3
Region 5: Central CO LAC - May 1
Regions 3 and 6 will be hopefully submitted and approved this week.

Awards: Bobbie Wood

There was considerable discussion of increased cost of Awards for the membership. The Board came up with several ideas.

1. Charge a small cost for plaques - or
2. Champion plaques free and all other would be paid for - or
3. Master plaque with hang downs for each new champion.
4. Ask the membership to think about it and make suggestions on the ways we might reduce the cost of awards.

Sandy Nyberg suggested possibly having 2 levels of dues.

Nan Damberg congratulated Larry and Jan for a wonderful video presentation and correct pronunciation of the names.

Handbook: Catherine Marley

Larry reported for chair, Catherine who had sent out a post card asking for updates on information for the roster which will be done by Ken Troy. Time table - looking at early Fall for reprint.

Local Club Liaison: Board Members

Steve Campbell LACGNY - had spoken recently with the club.

Pat Keen LACNC - had questions about next years futurity that they are hosting.

Ann Lanterman Cascade & Willamette LAC - issued an invitation to everyone to come to their area and to the National. Also expressed desire to return to 6 Grand Futurity winners.

Bobbie Wood Merrimac & West Chester - Merrimac working on list.

Roberta Lombardi Southern Cal. -concerns about the Bulletin tardiness.

Bev Drake NCALAC & CMLAF - like to have a committee count any breed standard changes ballots. NCALAC bid to host futurity in '97. The need to send entries

4th Quarter 1996
to MB-F in separate envelopes. Rescue issues - need to place a large number of unacceptable household pets. Requests for foster homes.

Larry encouraged membership to communicate with Liaisons and keep a flow of ideas.

Rescue: Mary Schroeder
Mary said that the most often referred dog, is the one that has bitten a child -85%.

Request to find homes for adoptable dogs and some requests for dogs. Dogs are spayed or neutered and get shots before they go to new homes.

There were questions from the membership about the guidelines for handling rescue calls - like from a biting dog's owner. Mary is developing a form, and there are contracts that will cover ALAC members.

The Board indicated that a percentage of the profits from the National will go to the Breed Rescue Committee. The membership will be encouraged to donate money to the Rescue Committee.

Show Committee: Steve Campbell
The 1997 National Specialty will be Thursday, Friday, Saturday June 18, 19, & 20 at the Best Western Executive, Seattle, WA. 206-922-0800. Judge is Keke Kahn. Also Cascade will have a regional Specialty in conjunction with the National.

Regional Specialty Judge - Jean Lade.
Contact persons for that club are Don Hanson and Ann Lanterman.

The 1998 National Specialty will be Thursday, Friday, Saturday, June 18, 19, 20, 1998 at the Holiday Inn Denver Int. Airport, Denver, CO. 303-371-9494. The LAC of Central CO will hold a regional Specialty, contacts are, Debby Rothman (e-mail Lhasa Lady), Debi Walsleben, or Fran Strayer.

Steve went on to say that several suggestions had been made to improve our Nationals. 1) Mailing the Premium List out earlier. The normal time is 4 to 5 weeks. We've been mailing 6 weeks in advance. 2) Make sure that any dog charges or security deposits for room is advertised in advance. 3) Don't forget to include directions to the shows in the judging schedule. 4) Name tags for individuals at social events.

Judges Education Committee: Don Hanson
Don identified the members of the JEC appointed by the Board in October of '95, Cindy Butsic, Bev Drake, Pat Keen, Joan Kendall, and Barbara Schwartz. He encouraged input from the membership and reported on meetings since Oct. appointment which included two conference calls, a meeting in February and at the National. Don presented a summary of the material covered in the Judges Education Presentation and the judges response survey.

Reviewed the 5 year time table in conjunction with the Breed Standard Committee. (Will be published in the Bulletin).

Breed Standard Committee: Susan Giles
Susan introduced the members of the BSC appointed by the Board in October of '95, Steve Campbell, Midge Hylton, Stephanie Kodis, Marianne Nixon, Ray Sledzik, & Bobbie Wood. She reviewed the activities of the BSC including meeting in February, establishing an Internet "Frequently Asked Questions" (FQA) on the Lhasa Apso, beginning the correction verbiage and grammar of the verbal guide and beginning work on the illustrated guide to the Standard.

Richard Camacho said that there were a few items that he thought ought to be covered in our Standard which included:

1) What is the topline.
2) What is the movement desired.

Results of the Election:
The sealed results of the CPA firm that tallied the ALAC election ballots were presented.

President: Larry Bruton
Vice President: Susan Giles
Secretary: Esther DeFalci
Treasurer: Steve Campbell

Board of Directors:
Ann Lanterman
Judy O'Dell
Beverly Drake
Elizabeth Chidley
Bobbie Wood
Dot Primm

4th Quarter 1996
Dot Primm commented on people questioning why no coffee and donuts were available during show hours at the National. She pointed out that money spent on Breed Rescue and projects of that kind were more important places to put our money than in donuts and coffee.

Winnie Gray made a MOTION, seconded by Richard Camacho (no quorum restricted the ability to vote on the motion):

Booth space at the ALAC National Specialty be sold for $50 or a retail donation. The booths shall be arranged by a permanent chairperson for the National club with a representative from the host club, who will act as a liaison for that year. All booth space must be purchased through the chairman. Winnie and her husband would be willing to take on the position as concession chair.

Pat Keen explained that the hotels charge for tables and Winne's booth required 6 tables. Pat also commented that none of the other vendors when asked, had a problem with the weekly rental fee.

The show committee has taken note of the concerns from the vendor/s and will address them in future show committee meetings.

Meeting adjourned.

Recorded by Susan S Giles

From the Treasurer

Your dues are currently due for the 1996/1997 year. Please be sure to forward them on as soon as possible. A dues notice is enclosed with this newsletter.

Stephen Campbell

From the AKC Delegate

Nothing new to report. See my report in the minutes of the Board and Annual meeting.

COMMITTEE REPORTS

AKC Gazette

AWARDS

BREED RESCUE

Thanks to Judy O'Dell we're able to help rescue more Lhasas in the LA area. Judy has also come up with some revisions in the adoption contracts. More work will be done as we get more input. Suggestions from members with knowledge of rescue in their area is appreciated.

I placed "Lucky" (I call most nameless rescue dogs Lucky) in a home 2 weeks ago. He was a large black and white lhasa from the LA area. The pound in LA was going to euthanize him. They had placed him in a cage at a pet expo. After 2 days of being exposed to hundreds of people passing him and poking him, he was returned to the pound and was immediately placed on the kill list because he bit one of the handlers. The personnel obviously do not know that Lhasas are "chary of strangers".

After hearing of his death sentence I was able to contact people in the LA area and eventually Judy O'Dell got him to the airport and to me.

Lucky was with me 4 months. He was neutered, calmed down, and picked his new owner. Last I heard, he was doing well and very happy.

Look for info on Lhasa Rescue in the AKC Gazette issue dealing with rescue groups.

Mary Schroeder

Breed Standard

The committee is presently working on the illustrated guide to the standard using photos to represent the good and bad examples of
different parts of the breed. If anyone saw the two articles on the Lhasa Apso in Dog News by Robert Cole, you can see how badly this media is needed.

We would like to encourage anyone who would like to help out on this project to take photos of their dogs (or other dogs you can get to) that can be examples of any portion (front, rear, shoulder angles, head etc.) or the whole picture. If you can show full coat compared to cut down examples, that would be great too. Please try to take photos with dogs cut down with a 10 blade so we won't get the delusion of hair.

Work will start shortly to organize the program for the Breed Forum at the National in '97.

Nothing new to report.
A long time ALAC and Lhasa Apso Club of Central Colorado member, Theresa Mary Corrao born Wednesday December 2nd, 1936 in Lewiston, Maine, passed away in Aurora, Colorado on September 22nd, 1996.

Terry got involved in Lhasas some 18 years ago when she purchased her first Lhasa Apso from Ruth Deck. She trained “Chunney” for the Obedience ring and earned his CD title. She put a Championship title on her second Lhasa “Ginger” and earned an ROM on Ginger with her first home bred litter. Terry will be greatly missed by her Colorado friends.
