LHASAS REIGN IN THE EMERALD CITY
President’s Message

By now you are aware that I am not seeking another term as President of ALAC. My business has grown twenty-five percent in the last year alone and we opened our fourth office this Spring in Washington, DC in connection with a major project we have there. The increase in responsibility due to this growth and expansion (my partners do most of the traveling, I try to keep things going in Portland) simply does not leave me the time necessary to properly direct the activities of the club. I have agreed to run for Vice-President so that I can continue to support the other officers and Board members and provide some continuity in the implementation of policies and programs we have started in the last two years. I have been fortunate to have a very good and supportive group of officers and Board members this year and would not have made it this far without them.

NATIONAL SPECIALTY JUDGES SELECTION 1999

Please note that this edition of the newsletter contains the final judges selection ballot for the 1999 National Specialty to be held in Region 6. If you haven’t already, get it out, mark it and mail it in now! In addition to the annual election, this is one of the most important decisions the membership as a whole makes each year.

HANDBOOK

Everyone’s patience will soon be rewarded. Catherine Marley has been working diligently to get the Handbook updated and reorganized. The current plan is to have it printed and ready for distribution by the time of the National in Seattle (just in time for a new round of area code changes!). The way Catherine has organized it and set it up, however, will make it much easier to update the roster and other key pages every year.

1997 NATIONAL SPECIALTY

Speaking of the National Specialty in Seattle, the Show Committee and CLAF have been working very hard to assure everyone a terrific week when “Lhasas Reign in the Emerald City” in June. The Cascade Club is busy planning their “Sleepless in Seattle” pajama party and the Breed Standard and Judges Education committees are going to be presenting a joint program based on their respective committee’s work to update the membership on progress. With the regional and national specialties, sweepstakes and grand futurity (this year being the first with a three judge panel!) this should indeed be a very special week.

1997-98 CLUB ELECTIONS

Everyone should have their ballots for the annual election by now. If you did not receive your ballot for some reason, contact the secretary, Esther DeFalca right away. And if you haven’t marked your ballot and returned it already, please do it right away so that it is in time for the June 1st deadline. Also, please remember that this is the first year we will be voting for staggered Board terms, so your vote this year is especially important since it will have an effect on how the club functions for the next three years not just one. Let’s continue the good work and positive direction we have established over the last couple of years. Please consider the candidates carefully and please vote!

See you in Seattle!

Larry Bruton, President

2nd Quarter 1997

2nd Quarter 1997

3
From the Secretary

It has been several months since I took office as secretary. It seems as if the position is just starting to fit and it's time for the 1997 elections. I believe there is a good working relationship among the current administration, and I am confident that the 1997 Officers and Board will maintain that relationship.

The Nominating Committee’s report of the 1997 Officers and Board Members was mailed and nominations from the floor were received.

The 1997 Annual Election Ballots, along with the profiles of each candidate, have been mailed to the membership. If you did not receive your packet, please contact me as soon as possible and I will send a ballot out to you immediately. Please be sure to vote before June 1, 1997!

The February Board Meeting was held in New York on February 8, 1997. The minutes of the Board Meeting are included in the bulletin. If you have any questions relating to the minutes, please contact Larry or myself.

I am looking forward to seeing many of you in Seattle at the Nationals.

Respectfully submitted, Esther DeFalcis

From the Treasurer

Attached are several reports that should be reviewed by each ALAC member. It’s important to realize that the financial condition of our Treasury is of great concern to the Officers and Board members alike.

The first report shows the condition of the Treasury when it was transferred to me from our previous Treasurer, Carolyn Herbel. There was $12,419.98 transferred, but a major portion of those funds were already allocated for future or designated expenses. As of January 31, 1997, our condition is in somewhat better shape.

The second report is a breakdown of income and expenses since I assumed the position of Treasurer. If you review the report carefully you can see how the Treasury has increased throughout 1996 and into 1997. This is a primary result of a very profitable 1996 National Specialty. We do not project as significant a profit for 1997.

The final report is the projected budget for 1997. As you can see, we do not anticipate ANY growth for 1997 and need to keep our expenses in line with our income projections, in order to meet the budget. It’s important for all members to review these reports. I welcome any comments or suggestions.

Very truly yours, Stephen Campbell

COMMITTEE REPORTS

AKC Gazette

No report.

Awards

No report. See report in minutes.

Bobbie Wood

Breed Rescue

First I want to thank the Lhasa Apso Club of Southern California for their generous gift of $250.00 to Lhasa Rescue. They have also promised a donation of a percentage of the profits from all future shows to the rescue cause. This is the first regional club to put the rescue of the breed in their budget. Many thanks!

Thanks in part to their donation we were able to rescue Sweety, a Lhasa from the pound in 29 Palms, CA. Unfortunately her companion, a male, succumbed to pneumonia after his release from the pound. Sweety was pregnant and for health reasons couldn’t be spayed. She whelped 3 dead puppies but had no ill effects. We spayed her and she is now in a home here in Colorado.

Thanks to Lavonne Brockway and Judy O’Dell we’re able to help many Southern California dogs. Their time and energy is invaluable.

Not all rescue helpers are members of ALAC. In some areas we get help from other breed rescue organizations, i.e., Marge York of Dalmatian Rescue who placed 54 Lhasas in homes in Arizona in 1996. I’m happy for any help I can get since many members don’t seem to care. Rescuing Lhasas after all is the important thing — not who does it. No one gets rich doing this worthy cause.

I’d like to encourage regional clubs to hold a “Parade of Rescued Lhasas” at their specialty. AKC is happy to give approval and it’s great to see the rescue dogs and especially their proud owners “strut their stuff”.

Respectfully, Mary Schroeder

Breed Standard

The BSC and JEC are working on A Forum on the Lhasa Apso that will be presented at the National this year. This should be an excellent opportunity to learn
something new. The last time anything of this nature was done was about 10 years ago. Important issues of the breed will be addressed and discussed by each member of the panel.

The work continues on the Illustrated Guide to the Standard. Committee meetings will be held at the National.

Susan Giles

Catalog Sales

No report.

Pat Keen

Health & Education

The Canine Good Citizen Test will be offered in Seattle at the Specialty again this year. The AKC now keeps record of all dogs attaining CGC (a change from past years). The test now requires the dog to sit and lie down (without being forced) and to come when called. Test Fee is $5.00. We hope to have an even better turnout than last year. Please note there is no age limit on the test, so if you have a puppy too young to enter in the Specialty, it can be tested and get its CGC. Also, we do not restrict it to only Lhasa Apsos, if you have or know of someone with other breeds (dogs do not have to be pure bred to take the test).

I will be taking pre-entries at 801 Linda Lane, Raymore, MO 64083-9207 up until one (1) week prior to the Specialty. Pre-entries would receive priority handling and a preferred time for testing. See enclosed “AKC Canine Good Citizen Program Registration Form”. See reverse side of registration form for exercises that will be required to qualify for a CGC Title.

Looking forward to seeing you in Seattle.

Lynn Jamison

Health & Genetics

No report.

Finance

Nothing new to report.

William A. Russett

Futurity, Secretary/Coordinator

30 nominations have been received for the 1998 Futurities. Please remember the fee to nominate a litter is $15.00.

Futurity winners will again be asked to send me a photo for the Gallery of Winners”. I will be contacting each winner.

The Grand Futurity this year has a new format. The judging will be done by three judges. (Please let me know how you like this new format.)

I have requested site bids for the 1998 futurities. Please get your judge nominees in for 1998. The deadline is May 15, 1997.

See you in Seattle.

1997 Futurity Results

Region 1  Judge: Jan Bruton

**National Specialty Show Chairman**

The final judges selection for 1999 is included in this Newsletter. Please make sure that you vote.

*2nd Quarter 1997*
There will be a hand out available at this year’s Specialty on the 1998 National being held in Colorado. Please be sure you pick up a flyer and start planning for a Mile Hi Rocky Mountain adventure in Denver.

Stephen Campbell, ALAC Show Chairman

National Specialty Coordinator

Events for Lhasas Reign in the Emerald City and Sleepless in Seattle’s pajama party are just rolling along. Look forward to seeing everyone decked out in their favorite PJ’s.

Pat Keen

Obedience

No report.

Dot Primm

National Specialty Trophy Fund

It’s not too late to send in your Trophy Donations for this year’s National. See enclosed flyer for more details.

Naomi Hanson, Trophy Chairperson

Raffle

Would love to see this year’s raffle be as successful as last years (if not more). I’ve already received several unique one of a kind raffle items. Some items straight from Tibet, some stain glass items and Lhasa Apso stationery and a limited edition print are among a few of the items.

Please keep those donations rolling in. Many thanks for your loyal support. Remember the funds earned at this annual raffle go to very worthy causes (one being Breed Rescue).

Pat Keen

Regional News

Colorado

The Lhasa Apso Club of Central Colorado would like to invite all Region V Futurity exhibitors and Lhasa exhibitors to join us for lunch at Rev. Taylor’s Country Restaurant.

Reservations are a must, contact Charlene Dellinger, (303) 288-1326, to confirm. The restaurant is located just a few miles from our show site in Longmont in a small antique town called Nivot. Please mention if you will need transportation to the restaurant. Cost will be approximately $9-10. per person. We will eat after Lhasa judging, before group, or after group (depending on the show schedule).

We are the host club for the 1998 National Specialty and will be hosting a Regional Specialty in conjunction. Look for a flyer that will be available at this year’s National.

Regional Site Coordinator

The Site for the 1998 ALAC National is the Holiday Inn Denver International Airport, Chambers & I-225. Room rate is $83.00 with a $35.00 pet deposit $25.00 is refundable and the $10.00 non-refundable (used for cleaning the room and carpet). The Block reservation cut-off date is May 22nd, 1998. This particular hotel is the most used in the Denver area for hosting Specialties by a variety of Breed Clubs.

Pat Keen

Roster

For health reasons I have had to resign as Roster Chairman. Please forward all address and phone # corrections to the secretary, Esther DeFalcis.

Ken Troy

Ways and Means

Pat Hufnail

BOARD MEETING MINUTES
February 8, 1997
New York, NY

The meeting was called to order at 4:52 P.M. by President Larry Bruton. In attendance were Larry Bruton, Susan Giles, Stephen Campbell, Lynn Sabo Chapdelaine, Elizabeth Chidley, Beverly Drake, Pat Keen, Judy O’Dell, Dot Primm and Bobbie Wood.

Susan Giles added a discussion on breeder referral to New Business and Betty Chidley asked if we could cover Renal Dysplasia.

2nd Quarter 1997
The ALAC Bulletin

President's Report — Larry congratulated everyone on their work in squelching the Sears puppy mill and on the Board voting to establish a Health Committee.

Secretary's Report — Esther DeFalci was ill and unable to attend. Larry Bruton gave the Secretary's Report. There was no October Board Meeting, however, there were several actions taken by the Board. The Board voted to change the newsletter to quarterly because of the budget and the high cost of printing and mailing. The Nominating Committee appointed by the Board was Don Hanson, Marion (Bud) Brockway and Cindy Butsic. Larry stated that most of the correspondence was sent to Amy Andrews due to the fact that it had taken AKC so long to change their records of the current ALAC secretary. Amy has forwarded the correspondence to Larry. Correspondence received was: various letters on health issues, which were forwarded to Cassandra de la Rosa; Rescue Efforts Newsletter; Paws with a Cause who is a provider of companion animals; and AKC correspondence related to the National Specialty which was given to Stephen Campbell.

Treasurer's Report — Stephen Campbell stated that as of February 1, 1997 our membership consisted of 225 individual members and 104 family memberships. He stated we now need an audit performed on the books since the time he took over as Treasurer. The Finance Committee should audit the books on an annual basis. Midge Hylton, as a member of the Finance Committee, was present and was given the financial statements and bank statements for the audit. Stephen stated that he sent Midge additional dates. The audit will be reviewed by the other members of the Finance Committee as soon as Midge has completed it. Lynn Sabo Chapdelaine was asked to become a member of the Finance Committee. Stephen stated that he had received $12,419.98 when taking over the treasury from Carolyn Herbel and about $10,066.01 was already allocated. He stated we now have $18,241.83 in the treasury which is approximately $8,885 of working capital. This increase is due to a significant profit from the 1996 National Specialty.

AKC Delegates Report — No report. Ray Sledzik was absent.

COMMITTEE REPORTS:

Handbook Committee — Cathy Marley has agreed to update the Handbook. The Board went through the Handbook page by page to make changes and corrections. It was decided that on the address, E-Mail addresses would be added, certain pages will have to be updated annually such as officers, membership roster, Forms will be moved to the back of the Handbook so that they are all in one place. A discussion was held on the cost of including various items that will need to be changed annually, however, Pat Keen pointed out that many members have no other way of knowing how to go about doing something or who to contact except to look in the Handbook. The Board concurred. The Committee Heads are to get a current description of their committee to Cathy for inclusion in the Handbook. The Board is to review the Handbook after Cathy has completed the revisions. It was stated that we need to have the Handbook completed by National so that it can be passed out there. Everything must be in to Cathy by March 1, 1997 and the Board must have the Handbook to review by April 1, 1997. The Board must complete its review by April 15, 1997 and the Handbook must be to production by May 1, 1997 in order to be distributed at National.

Roster Committee — It was clarified that Don Hanson has both lists and that he has been instructed to use both lists. As you mail in your new ballot, he will check it off the new list and count only the votes of those from the new list of members. It was stated that dues must have been paid prior to the Board Meeting for a person to be recognized as a member in good standing. If paid after the Board Meeting, you will have apply for reinstatement to Joyce Johanson and be approved by the Board for membership. Ken Troy asked the Board who has the right to labels for the membership list. Larry stated that any Club member could get the names of the members and could get labels if they wanted to pay the costs. Ken stated that it cost approximately $5 to generate labels.

Motion 97-1 Stephen Campbell moved and Bev Drake seconded that we only allow access to labels if the person is a Committee Chair and has specific, official Club business for requesting the labels. Motion carried unanimously.

Pat Keen stated that some of the members have had delivery problems in getting The Bulletin and ballots. Pat asked Ken if he could check it out. Bev Drake stated that she would get an updated list of AKC phone numbers to be put in the Handbook.

A discussion was held regarding the Board Meeting at National.

2nd Quarter 1997
Motion 97-2  Pat Keen moved and Lynn Sabo Chapdelaine seconded that the Board Meeting be held on June 18, 1997 at 2:00 P.M., Room to be announced. Motion carried unanimously.

Dinner Break

Awards Committee — Bobbie Wood stated that the championship plaques would be free but that all other plaques would have to be paid for. The deadline for submitting your Annual Awards Form was April 1, 1997. After the deadline even championship plaques will have to be paid for. The first plaque for champions is free but a second plaque would have to be paid for.

Rescue Committee — Mary Schroeder’s report was reviewed. Susan Giles wants to establish local club liaisons that coordinates dogs and people available. It is to be done by Mary’s committee. It was stated that if someone was interested in doing it, it should be coordinated with Mary and the various Clubs and that it could be included on the Website. It was suggested that it needs to be done as a Club liaison activity.

Breed Standard Committee — Susan Giles reported that the committee met today. Susan stated that the committee is currently under budget and she thinks it will stay on budget for the project. The Illustrated Guide still has to be completed and sent to the membership for approval. The Club will vote by section as we did on the by-laws.

Bulletin/Newsletter Committee — Larry Bruton stated that he accepted the responsibility for errors in the last Bulletin as he was the last to review it. Pat Keen suggested that we do an annual Bulletin as a Yearbook issue. She suggested that we accept paid ads with pictures as well as yearbook advertising and we distribute it annually at the National in conjunction with the Bulletin Newsletter. It was stated that if we charge for advertising it could generate revenue, however, it was pointed out that it had to make money or we could not afford to do it and that we must have a firm budget prior to starting the project. Susan Giles stated that she believes that members would be willing to pay additional money to receive the magazine. It was also stated by Larry Bruton, that the idea of members being willing to pay an additional amount for the magazine was previously brought up by Bev Drake at two different board meetings. If we do this project, we will target the first one to be ready for year end distribution. A committee of Pat Keen, Lynn Sabo Chapdelaine, Susan Giles, Judy O’Dell and Larry Bruton was appointed to investigate this idea and make a proposal including a budget, timeframe and format to the Board by March 15, 1997.

Bylaws Committee — Larry stated that we finally received approval on our new Bylaws on January 29, 1997. Susan Giles asked that we make sure that the Standing Rule regarding the election of Board members for 3 year terms be included on the ballot with a complete explanation of the change of terms. The cost of retaining an accounting firm to count the ballots was discussed and Lynn Sabo Chapdelaine volunteered to check on the price of a CPA firm that would tabulate the ballots and send a report to the Club for the Annual meeting.

Education and Health Committee — Lynn Jamison had no report but we currently have brochures. Larry Bruton will contact her regarding the new Genetics and Health Committee.

Futurity Committee — Ann Lanterman covered everything in her report. Betty Chidley stated that members had asked her to bring up the fact that they would like a regional futurity in conjunction with the National Specialty. It was stated that Hawaii is reestablishing their Club and they may want a futurity. Lynn Sabo Chapdelaine stated that she thought that having just one futurity at the National was what the membership wanted. Larry mentioned that this had been voted on by the membership and Lynn pointed out that some believed the ballot had been too confusing for most members and that was why it probably did not pass. Susan Giles mentioned that entries per region have been up. Larry Bruton reminded everyone that this would be the first year for the three-judge format.

Genetic and Health Committee — If you are interested in serving on this committee you should contact Cassandra de la Rosa by March 30, 1997. All pertinent health and genetic information should be forwarded to Cassandra.

Historian Committee — No report.

Judges’ Education Committee — Report was included in the agenda notebook. No action necessary. Bev Drake stated that she has had no correspondence from Don Hanson since September 1996. Larry Bruton stated he had had a report on JEC activities in November and will check with Don Hanson about the committee activity. Pat Keen and Bev Drake will also contact Don to prompt committee activities.

Local Club Liaison Committee — The Board directed the Clubs to advise the ALAC Secretary of all officer changes in the local Clubs. Board members have been assigned as liaison with the various local Clubs as follows:

Cascade      Ann Lanterman
Central Maryland Lhasa Apso Fanciers   Bev Drake
Greater Detroit                      Dot Primm
Greater Milwaukee                    Dot Primm
Colorado                              Lynn Sabo Chapdelaine
Houston                                Lynn Sabo Chapdelaine
Greater NY  Stephen Campbell
Northern California  Pat Keen
Southern California  Judy O'Dell
Westchester  Bobbie Wood
Merrimack  Bobbie Wood
NCLAC  Bev Drake
Sooner  Carmen Spears
Twin Cities  Pat Keen
Willamette  Ann Lanterman

Bev Drake reported on issues from her Club’s members. She stated that they wanted to know if we could publish the votes of the first judges ballot as some members do not trust the ballot counts. Bobbie Wood suggested naming the number of judges nominated and then showing the top 10. Stephen Campbell stated that he would do that. We were reminded that if the first judge is not available, we hold a run off between the first two judges that are available. Larry indicated that it’s important to be responsive to local Clubs.

Membership Committee — Joyce outlined several questions in her report. We will discuss the suggestions under the budget section.

Measurement Certification Committee — Report included in the agenda notebook. No Action necessary.

Show Committee — Stephen Campbell has received approval for the obedience and junior judges. Cascade is making the arrangements for the obedience equipment. The Sleepless in Seattle mailers are in the mail. The 1999 judge’s ballot is being resubmitted for an extended vote period. Deanna Maxwell has resigned as Obedience Chairman. Dot Primm volunteered to be Obedience Chair for this year’s Specialty. She is a new member of the show committee.

Ways and Means Committee — Pat Hufnail may not make it out to Seattle. Dot Primm has volunteered to oversee the ALAC booth. Bev Drake volunteered to help. Pat Keen will ask the Cascade Club if ALAC can sell their merchandise at their show. Stephen Campbell said that he did not think we would need to order any more merchandise.

Nominating Committee — The proposed slate was presented. Larry Briton stated he had to decline to stand for re-election as President due to business concerns. Susan Giles agreed to run for President and Larry agreed to run for Vice President. The report will go out to the membership as presented with the Nomination Form on the reverse side. The ballot will explain that this is the first year for staggered terms of office.

Budget Committee — Stephen Campbell outlined the information that he has. Bobbie Wood stated that she would try to have the plaques bulk mailed. The cost of the new Handbook must be determined. Joyce has the covers for the Handbook and there are not many left. The cost was $1.35 each.

Motion 97-4 Lynn Sabo Chapdelaine moved and Pat Keen seconded that we accept the budget which was proposed by the Treasurer and the budget be sent to each Committee Chairman and they be told that they would have to live within the budget as outlined by the Treasurer. Motion carried unanimously.

Some adjustments to the proposed budget were made. Stephen stated that this is the first time that we have had a budget, let alone a balanced budget proposal. A copy of the budget would be sent for inclusion in the next newsletter. Joan Kendall is reconciling the last 5 years of bank statements. The Board has requested copies of the bank statements. A discussion of having a formal audit done on these books was held and it was decided that the Club cannot afford an audit and that it would serve no purpose.

Motion 97-5 Stephen Campbell moved and Pat Keen seconded that effective with the 1997-1998 dues, all dues will be increased by $5. This would include individual, family and foreign. Individual - $25; Family - $30; Foreign - add $10 per household for members outside the U.S.

Discussion on the Motion was held. Larry asked if this would cover the increase in foreign postage and Pat Keen stated it would. Bobbie Wood stated that individual membership dues have been increasing over the years and that the $5.00 difference between a family and individual membership is not fair to the individual membership. She proposed that the family membership be increased to $35.00-$40.00. Pat Keen stated that the cost of an individual membership versus a family membership is only $2.00 to ALAC. Bobbie stated that she thought a $10.00 difference was good. Susan Giles asked that the members be notified in advance via publication. Stephen amended his Motion 97-5 and Pat amended her second to increase individual membership dues to $25.00 and family membership dues to $35.00. The vote was called for and the Motion passed unanimously.

Motion 97-6 Stephen Campbell moved and Pat Keen seconded, effective with the 1997-1998 dues, past Presidents will be required to pay dues to maintain their membership with ALAC. Motion passed unanimously.

Old Business —

1) WEBSITE: Susan Giles stated she had investigated the cost of having our own Website Page and that it would run approximately $60.00 per month minimum just to have a single page. She mentioned that Ken Troy and Jesse Warren currently allow ALAC to have a home page on the

2nd Quarter 1997 11
Puppynet Website at no cost to ALAC. Susan will talk to Jesse about putting current information on the Puppynet Website.

New Business —

BREEDER REFERRAL: Susan Giles recommended that we have the breeder referral done by someone other than the ALAC Secretary. She stated that she would recommend Leslie Baumann. Leslie is not actively breeding and will be able to set it up on the computer. Leslie will give the Board a bi-monthly report of the number of calls and who they were referred to. **Motion 97-7** Susan Giles moved and Betty Chidley seconded that we ask Leslie Baumann to be in charge of Breeder Referral. Discussion – we have not received any records on breeder referral from Amy Andrews. Currently all people from an area who are paid members of ALAC are given as referrals. We will have it printed in The Bulletin that if you **DON’T** want to be used as a referral you should contact Leslie. Motion carried unanimously.

CANINE HEALTH FOUNDATION: **Motion 97-8** Betty Chidley moved and Bev Drake seconded that we ask Cassandra de la Rosa to attend the second AKC conference on Genetics in November on behalf of ALAC as it ties into her committee. Motion carried unanimously.

UKC: Melanie Harker sent material to Larry Bruton regarding ALAC joining the UKC. Larry passed around the information that she had sent. The Board confirmed that ALAC is sanctioned under the AKC, we cannot consider supporting the standards of the UKC.

HEALTH SEMINAR: Betty Chidley requested that ALAC sponsor a health seminar. Pat Keen stated that she is trying to establish this and will approach Cascade to see if they will have time available for us to hold a seminar. Betty mentioned that there had been a breakthrough on Renal Dysplasia and passed out an article and information will be forwarded to the Genetics and Health Committee.

1) BOARD MEETING IN SEATTLE: Time of the Board Meeting is 2:00 P.M. on June 18, 1997. Larry Bruton will get out everything in advance and we will try to do most things via correspondence.

Meeting adjourned at 11:59 P.M.
