Every year the American Lhasa Club (ALAC) holds it National Specialty at a different location in the U.S. Two years ago it was held in Boxboro, Massachussets. It was the first Specialty I have attended. My husband Glenn was an obedience steward, and Lilly was entered in obedience. This year the Specialty was held in Denver, Colorado. I had thought about attending months ago, but was not sure how Lilly would react on an airplane. I ordered a Sherpa her a Sherpa Bag just in case, with the designer Sherpa pouch to put her accessories in (such as show leash, collar, brush, comb, etc.). I got Lilly used to her Sherpa by putting her in it two hours at a time. I then put her over my shoulder in it, as I would have to carry her through airports this way. She was not too happy about travelling this way. The Sherpa Bag is allowed on many airplanes, and you can fit it under a seat on an airplane, so a small dog can be with you.

My friend, Evette Squires talked me into attending the Specialty. She was taking two Lhasas from North Carolina in their Sherp bags and was entering them in both obedience and breed. Both of her dogs were in full coat. Once we arrived in Denver, I shared a room with Evette, her dogs Hopsing and K.T. (for Karet Gold). Lilly got along very well with them. My friend, Evette Squires talked me into attending the Specialty. She was taking two Lhasas from North Carolina in their Sherp bags and was entering them in both obedience and breed. Both of her dogs were in full coat. Once we arrived in Denver, I shared a room with Evette, her dogs Hopsing and K.T. (for Karet Gold). Lilly got along very well with them.

On June 17th we left for Denver on a 6:00 am flight. We had a quick connection in Cincinnati, both ways, and no time to take Lilly outside for exercise. She amazed me by being so quiet on the airplane, no one in the row even knew I had a dog under the seat. Some passengers saw Lilly sitting on my lap in Cincinnati airport between flights and came over to talk to her and pet her. After we got settled on the plane I heard people in the row behind us say, "where's the lady with the dog? The pet carrier must be very heavy on her shoulder!" I finally turned around and told them "Lilly is under the seat in front of me and yes, the bag is very heavy on my shoulder."

There were 125 dogs attending the 45th National Lhasa Apso Club Specialty and the 16th National Obedience trial. There were 26 Obedience entries by six owners. Some entered several categories. Lilly was entered in four categories: Utility A, Open B, Versatility and Team (in which four dogs and owners go through the Novice routine as one). We all wore matching slacks and t-shirts as team members. Even though there were 26 Obedience entries, it took five and a half hours to go through all the routines. If Lilly and I were not taking our turn in the ring, we were waiting outside the ring. It was a very long and stressful morning and both dogs and owners were exhausted when we were finally finished at 2:30 pm.

Not one of the eight dogs in Utility passed. Lilly got second place for Open B. She missed being the highest scoring dog there by two points. I was very proud of her and we came home with beautiful red and green rosette ribbons. We also got a ribbon for Team and one for versatility.

Thursday night Evette & I attended the awards banquet and sat at the obedience table. I received an obedience award for Lilly's son, LEE ROI - his first obedience title of Companion Dog. After the dinner we went back to our room and put the dogs to bed early. We knew all of us needed our sleep before the obedience competition the next day. During the week of the Specialty there were events such as Canine Good Citizenship testing, a Parade of Lhasas that had been rescued, Junior Showmanship, the Annual membership Meeting, the Obedience Meeting, Lhasa Games and Lhasa Bingo which had earned money for Lhasa health research - a very important goal. Most of the dogs at the Specialty were shown in Breed. They all looked gorgeous in their long coats. A handful of obedience dogs were in short coats. Lilly looked the best of all thanks to Elaine at Benji's Palace. I received several comments on her haircut. I met some old friends such as Pat Collier, Deanna Maxwell, Amy Moore, Beverly Drake and Elizabeth Chidley. Deborah Osborne became a new friend with her obedience dog, Rocket and was nice enough to loan me a collar for Lilly when the judge told me that mine was illegal because it had Lilly's name on it. I never heard of this in the 14 shows I have entered. I met Fran Strayer who showed her dog Goldie in Obedience. Fran was nice enough to rent a crate for me so I didn't have to drag one from Boston. There were many wonderful people at the obedience ring, too many to mention.

We got plenty of exercise walking around the convention center twice a day. I could not get off Eastern time so we were up early and playing fuzzy football every morning. It's a good thing that I had a checklist for all of Lilly's needs - food, grooming items, obedience dumbbells and white utility gloves.

On Saturday Lilly and I took the 4:00 am bus to Denver Airport. We got home at 2:30 pm - nine hours after the trip started. Lilly did not even want to walk in our neighborhood, opting wisely for her comfy bed.

Next year's National Specialty will be held in Washington, D.C., which is a lot closer to home. Maybe LEE ROI will be ready for that one. The remaining question is - can LEE ROI fit in the Sherpa bag? That remains to be seen.

Thank You Midge Hylton for appreciating Digger's qualities.

Thanks to everyone who worked so hard to make it a success.

Ch Marvon's Raisin Cain MBA x Ch Bearinger's Eclipse MBA

Patty completed her Championship in short order. At the young age of 12 months, Patty has retired from the show ring and is enjoying life as a house mouse.

A special Thank You to Lois DeMers for her expert handling in finishing Patty. Patty misses travelling with Lois and all the other Lhasas and Tibetan Terriers.
Ch Marvon's Chasin A Harley MBA
"Harley"

Ch Marvon's Raisin Cain MBA x Ch Bearinger's Eclipse MBA

Harley outdid his sister "Patty" by completing his Championship in less than 30 days. He went on a vacation with Lois DeMers to Florida and came home with a total of 9 points (including both majors), they arrived home just in time for the Astro Hall Series of dog shows. Harley started the circuit by going Winners Dog and Best of Winners at the Lhasa Apso Club of Greater Houston for a 5 point major and ended the series by being awarded Winners Dog for another major to complete his Championship.

Harley too enjoyed travelling with Lois and we appreciate her expert handling and loving care of the kids while on the road.

Official Standard
The Lhasa Apso

Character - Gay and assertive, but chary of strangers.
Size - Variable, but about 10 or 11 inches at shoulder for dogs, bitches slightly smaller.
Color - All colors equally acceptable with or without dark tips to ears and beard.
Body Shape - The length from point of shoulders to point of buttocks longer than height at withers, well ribbed up, strong loin, well developed quarters and thighs.
Coat - Heavy, straight, hard, not woolly or silky, of good length, and very dense.
Mouth and Muzzle - The preferred bite is either level or slightly undershot. Muzzle of medium length; a square muzzle is objectionable.
Head - Heavy head furnishings with good fall over eyes, good whiskers and beard, skull narrow, falling away behind eyes in a marked degree, not quite flat, but not domed or apple-shaped; straight foreface of fair length. Nose black, the length from tip of nose to eye to be roughly about one-third of the total length from nose to back of skull.
Eyes - Dark brown, neither very large and full, nor very small and sunk.
Ears - Pendant, heavily feathered.
Legs - Forelegs straight; both forelegs and hind legs heavily furnished with hair.
Feet - Well feathered; should be round and catlike, with good pads.
Tail Carriage - Well feathered, should be carried well over back in a screw; there may be a kink at the end. A low carriage of stern is a serious fault.

Report Of The ALAC Historian

June 1998

I have completed sorting the historical materials and consolidated 21 boxes into three, by organizing all of the books and magazines into a bookcase. There are approximately four boxes of duplicate materials which I will be shipping to Nationals over the next several years for the ALAC raffle. Below is an inventory of ALAC historical materials.

Everyone please take note of the items I have flagged as "needed" in the inventory. It would be nice to complete certain areas of the collection. I would like to ask the membership to go through their closets and garages to see if they have any of these items. Anyone wishing to donate these, or other items of interest to ALAC, please call me at (408) 265-6381.

I also think it would be important to collect pedigrees on the Top Twenty Producers (Sires & Dams), since they might not all be listed in the yearbooks, since the photos are dependant upon paid advertising. I would like to ask breeders and/or owners of any dogs on the Top Twenty lists to send a copy of a certified pedigree of that dog to me.

I have spoke to Judy O'Dell from LACSC regarding one of the older publications published by their club. She will check with their membership to see if they have any materials which might be nice for ALAC to have copies of.

At the approval of the Board, I have ordered the video set of several of the ALAC Nationals from the 1970's, which Carolyn Herbel narrated, and put together with music. These are truly a treasure, and include some footage from the 8mm film found in the inventory. I am hoping to receive the tapes in time for the Denver National to show in the hospitality area.

Special thanks to Fran Strayer for volunteering to help with a display for the History table, and also to Alexis Lannan for volunteering to help put together a photo contest for next year. If anyone else is interested in assisting with the photo contest, or has any ideas for disseminating the historic materials to a broader audience of the fancy, please give me a call.

BOARD MEETING
June 17, 1998

Meeting called to order at 4:05 pm by Susan Giles.

In attendance were Susan Giles, Ray Sledzik, Judy O’Dell, Dot Primm, Joyce Johanson, Ann Lanterman, Beverly Drake, Bud Brockway, Pat Kean-Fernandez, Elizabeth Chidley, Bobbie Wood and Larry Bruton. Debbie Greene was present for purpose of taking minutes in Esther DeFalcis’ absence.

Susan stated that she had the election results and they would be disclosed at the Annual Meeting.

Treasurer’s Report
As presented in his written report to the Board.

AKC Delegate Report: Ray Sledzik
Ray advised that he had attended every meeting and it was a good year. He will be serving on AKC’s Future Aspects Committee. Given that the AKC and 3 all breed clubs are being sued, the AKC has suggested that all clubs obtain an umbrella policy under their insurance to cover expenses incurred with lawsuits.

Awards Committee: Bobbie Wood
Bobbie reported that the awards were received in a timely fashion this year. She had been approached to have memorials added to the awards presentation. She advised that memorials should be in the catalog as having them in the awards presentation would tend to end the presentation on a down note. The cost of mailing the 1999 awards will have to be increased from $4.00 to $7.00.

Breed Rescue: Mary Schroeder
Mary was not in attendance, however she did forward a report which was copied to each Board Member for review. Her report recapped the number of Lhasas rescued during 1997, the expenses associated with these rescues, the people whom she networks with for rescues (both within ALAC and other breeds) and the funds received to date. Mary also provided a copy of the bank statement for the Lhasa rescue account.

General discussion was held as to how local Lhasa clubs handle rescue situations. Beverly Drake provided an indepth report on the progress that the Central Maryland Lhasa Apso Fanciers has achieved in their rescue program. She attributes the success of the CMLAF rescue program to the hard work of Meredith Morris. It was noted that Meredith is always in contact with and works hard with Mary Schroeder. Beverly then provided a copy of a flyer designed by CMLAF for potential Lhasa rescue recipients. In addition the CMLAF utilizes a questionnaire for adoption and surrender form for their local rescues.

In general, local clubs send rescues to Mary as a last resort. Susan suggested we post rescues on the new website. It was noted that this may become burdensome for Mary. Betty Chidley stated she now has a computer and is willing to help Mary in this regard. In support of the National rescue Joyce Johanson suggested everyone should contribute $10/month to rescue fund. Bobbie Wood felt it would be helpful to have a list of names of people wanting Lhasas available by geographical areas.

Breed Standard Committee: Susan Giles
Judge’s Education Committee and the Breed Standard Committee will bring everyone up to date during their presentation. Information provided by both committees will be open to comments/suggestions.

Futurity: Ann Lanterman
Ann reported that 1999 numbers are down, 17 nominations to date (last year at this time we had 40+, which was down from previous years). She feels several things are contributing to the numbers being down: less breeding, fewer members etc.

Bobbie Wood suggested we nominate the bitch prior to whelping, then nominate individual puppies (up to 4 months of age), as opposed to nominating the litter.

Bobbie moved to change the nomination rule of the futurity, no second.

Ann will provide a Futurity write-up for the website. Beverly Drake offered to assist Ann in any way she could.

Ann reported that Sarah Fitzgerald would be our 1999 Futurity judge.

Handbook Committee: Jan Bruton
No action.

Health & Education Committee: Lynn Jamison
A questionnaire had been received with a request for a very short turn around time. Susan and Lynn will work on completing and returning.
Lynn would like to have a link from the ALAC website to her website for reference to updated health related articles. Pat Keen-Fernandez had concerns of ALAC linking to a personal homepage. It was agreed that ALAC should not link to personal homepages and information should therefore be directly available on the ALAC website. http://www.lhasaapso.com

Health & Genetics – Cassandra de la Rosa
Susan will discuss the H & G committee goals with Cassandra and report back to the Board members.

Historian: Linda Crabill
Linda provided a detailed written report to the Board members. She reported that she has completed the sorting and consolidation of 21 boxes of information/items. She has approximately 4 boxes of duplicate items which will be sent to the Nationals over the next few years for the ALAC raffle. She provided a detailed inventory of all ALAC historical materials. In addition, she has noted items that are needed to complete the inventory and asked that all members review these items. Anyone wishing to donate these or other items please contact Linda (408) 265-6381. The inventory list will be published in the Bulletin.

MCP Committee: Nancy Plunkett
Nancy’s written report to the Board was reviewed. In an effort to increase participation in the measuring clinic, additional times will be made available during the National, a sign will be posted in Hospitality noting available times. Kathie Ruffner, Richard Camacho and Fran Strayer are all available at the National to provide measuring. A review of the program will be done by the Board after the National.

Membership Committee: Joyce Johanson
Joyce’s written report to the Board was reviewed. In addition Joyce provided two applications for new membership.

Joyce confirmed that members joining June, July and August were considered paid through the next year.

Discussions on ALAC providing advertising funds for the recruitment of new members was tabled, until after the new website was up and running.

MOTION 98-11: Joyce moved and Ray seconded that Dues Notices be sent out to the 1997 lapsed members. All approved, motion passed.
Joyce noted that all lapsed members would have to go through her in order to adhere to the By-Laws. She would then forward the payments and information on to the Treasurer as usual.

National Specialty Committee: Pat Keen-Fernandez
Pat’s written report was reviewed by the Board. It was noted that responsibilities should be expanded to include more individuals, as opposed to just a few coordinating everything for the National. Recommendations will be given at the General Member Annual Meeting noting that all ALAC members should be involved in hosting the National Specialty.

It was proposed that the National date be moved to a cooler time of year, making travel with the dogs easier for everyone. Several dates were discussed and it was determined that the 2nd or 3rd week of October would be beneficial based on both cooler weather and no conflict with major show circuits. The Board agreed to take this proposal to the General Membership via a ballot.

Ways & Means: Tom Gertz
There are 6 new items with new embroidery designs available this year. New order forms will be made available. The items were a great hit during the Regional specialty, over $1,100+ in sales were completed prior to the start of the National.
Yearbook: Michael Santora

Michael's written report was reviewed by the Board. Bobbie advised she would be willing to assist Michael in putting together the yearbook, as she has experience from past years. It is currently proposed that ads will be $60-$65 and the cost of the book will be $30-$35. Lengthy discussions then ensued as to the costs, (i.e., how to cut cost, binding options etc). It was decided that further investigation would be needed as to printing costs.

MOTION 98-12: Ray moved and Larry seconded that each individual advertising in the yearbook will receive one yearbook free. All approved, motion passed.

Michael would like to have the yearbooks available for purchase on the new website.

New Business:

1. National Election Procedure
   It was brought up that envelopes were not included with the ballots this year, which is not in keeping with the By-Laws. It was suggested that we contact the individuals involved to determine if they had a problem with this error. If it was not considered a problem with the individuals the election would stand. If there was a problem then we will have to have a new election.

MOTION 98-13: Joyce moved and Judy seconded that we contact the individuals involved to determine if they have a problem with the error of not providing envelopes with the ballots. All approved; motion passed.

2. Board Communications
   Discussions were held with regard to the Board meeting electronically (email/chat room) on a bi-monthly or monthly basis. It was generally agreed that this was not functional given that several Board members do not have access to email or computers. However more frequent communication was considered valuable. Ray suggested that on all issues, the correspondence be sent via fax or regular mail and replies could then be via the individual board members' choice of communication (fax, regular mail or email).

3. Donation of Flags
   Fran Strayer made a number of flags representing each ALAC regional club, sweepstakes, hospitality, catalogs, futurity and several others which were used during the Regional and National specialty. Fran would like to donate the flags to be used at future Nationals. It was suggested that she be reimbursed for her cost of materials.

MOTION 98-14: Betty moved and Bud seconded that ALAC accept the flags and reimburse Fran Strayer the cost of materials ($158.00). All approved; motion passed.

4. Roster
   It was confirmed that the Roster Chair would be the ALAC Secretary going forward. The Treasurer will forward updated member information to the Secretary on a monthly or bi-monthly basis for updating of the Roster.

5. Website
   Susan brought examples of the site files for review by the Board. Susan asked Joyce if she would consider providing her grooming articles to ALAC for posting on the website. Joyce agreed.

6. Local Club Liaisons
   No issues were reported that had not been addressed.

Meeting adjourned 8:50 pm.

Respectfully submitted,
Debbie Greene

From The Ways & Means Committee
At the Denver National Specialty, 6 new items were introduced, all with a new embroidery design of the ALAC Lhasa Apso, with lettering underneath "The American Lhasa Apso Club". The six new items are:

Thanks to the courtesy of the Central Colorado Lhasa Apso Fanciers, we were able to set up our booth and sell ALAC merchandise all 5 days. Our sales totalled $2,899.20 for ALAC merchandise & $265.00 for ALAC yearbooks. Needless to say we are temporarily "Sold Out". Reorders have been placed & we are now filling orders. The merchandise will be available all year and for your convenience an ALAC Ways And Means order form is enclosed in this issue.

As of June 12, 1998, there were 398 1998 ALAC Memberships including:

Elections Results

President: Susan Giles
Vice President: Larry Burton
Secretary: Debbie Greene
Treasurer: Steve Campbell
AKC Delegate: Ray Sledzik
Board: (3 year term)
Bud Brockway

Treasurer's Report:

The Treasurer, Steve Campbell reviewed the financial reports with the membership as of June 10, 1998. The balance in the checking account is $39,068.41. He discussed the budget, noting areas that were over or under budget and how many of the items relate to timing. He noted that the club is in good financial shape and that the club's capital is over $15,000.00 at this time. He stated that by the end of the club's fiscal year, August 31, 1998 the capital would be more if we stay within budget until that time. Designated funds are as follows:

Benitez/Wilks $2,320.40
There was one disbursement of $500.00 this year to an individual.
Rescue Fund $1,372.00
Davis Fund $ 506.25

The Treasurer told the membership that dues notices will be sent out this year. He stated that dues are due by September 1, 1998.

AKC Delegate – Ray Sledzik

Ray reported that he had attended every meeting. He will be serving on AKC's Future Aspects committee.

The AKC suggested that Delegates discuss with their national club the benefits of obtaining an umbrella clause in their insurance policies to cover the expenses of lawsuits.

AKC Gazette – Cassandra de la Rosa

Cassandra reported that the Gazette articles are on time and submitted. For those wishing to submit guest columns, the word limit is 700 words and the deadlines are June 1, September 1, December 1 and March 1. She welcomes guest columnists and would like to receive the articles on a disk.

Awards – Bobbie Wood

Bobbie thanks everyone for getting the awards in on time. She would like to remind everyone that pictures for the Awards should be sent directly to Larry & Jan Burton for inclusion in the annual awards video. She requested everyone present to pickup their plaques and when signing for the plaques to provide a legible name.
Breed Rescue — Mary Schroeder
Susan gave the report in Mary’s absence. Mary’s complete report was made available after the meeting to the general membership. During 1997 Lhasa Rescue helped in the placement of approximately 450 dogs. There are 29 people that are members of ALAC in the rescue network. In addition Mary has several contacts with other breed rescue people.

Breed Standard Committee — Susan Giles
Susan distributed a draft version of the illustrated guide to the Standard to all present during the Judges’ Education Committee meeting held June 18, 1998. She asked all present to review the guide and provide any comments or suggestions. She received quite a few comments and will probably be sending the guide out to the membership for review by the end of this year.

The next phase will be to get input from the general membership on whether additions need to be made to the Breed Standard (i.e., movement, topline, proportions of neck, body and leg etc.). This will be in a survey form, either via the Bulletin or direct mailing, and will hopefully be accomplished by early next year.

Questions arose as to how the Verbal Guide to the Standard is distributed. It was noted that the guide is not distributed thru AKC; it is only distributed thru ALAC. Prospective judges receive the verbal guide at seminars sanctioned by ALAC. In addition, the guide will be made available on the ALAC web site and is also included in packets sent out to people requesting general information on Lhasas. The Illustrated Guide will be distributed in the same manner once it is approved.

Breed Referral — Leslie Baumann
Leslie submits a report in each issue of the Bulletin, breaking out the number of requests and the geographic distribution of such requests. She did note that all calls received regarding temperament problems have been with pet shop puppies.

Education & Health — Lynn Jamison
Lynn reported that 18 CGCs were completed so far this year at the National, with more scheduled tomorrow during the lunch break and after the BOB judging.

She has information available on her web site with her email address as a contact for related issues. Most of the inquiries she receives are about kidney disease and excessive water drinking. She is currently receiving about 10-15 inquiries per month via email. She referred the membership present to the ALAC Education display table to pick up various pieces of information. Lynn and Cassandra (Health & Genetics) are trying to work more closely together regarding health issues in order that information can be shared. They both request prompt replies on any surveys which are presented to the membership.

In an effort to get ALAC more involved in Education and Health, Lynn suggested that a fund be created for Health and Education and presented a $50 check to begin the fund. She then challenged every member to contribute.

MOTION 98-15 – by Lynn, seconded by Pat Keen-Fernandez, that such a fund be established for Health & Education. Motion passed unanimously.

Health & Genetics — Cassandra de la Rosa
Cassandra passed out to the membership present, a survey from the AKC on various health problems. It was asked that one survey be completed for each dog owned during the past five years.

Handbook — Jan Bruton
The new handbook was sent out to all paid members in April/98. If you did not receive one contact Joyce Johanson. All errors should be reported to Jan Bruton by Dec. 1st, in order that corrections can be processed prior to distribution in January.

Historian — Linda Crabill
Linda reported that she has completed the sorting and consolidation of 21 boxes of information/items. She has approximately 4 boxes of duplicate items which will be sent to the Nationals over the next few years for the ALAC raffle. She provided a detailed inventory of all ALAC historical materials. In addition, she has noted items that are needed to complete the inventory and asked that all members review these items. Anyone wishing to donate these or other items please contact Linda (408) 265-6381. The inventory list will be published in the Bulletin.

Linda also called for photos of Top Producing Sires and Dams. She would like to begin a collection of photos and pedigrees of our Top Producing Sires and Dams.

Futurity — Ann Lanterman
Ann reported that futurity nominations are down this year and asked that members nominate their litters as soon as they are born. She conducted research with several other breeds on their futurities and obtained no beneficial information.
ALAC Annual Membership Meeting Minutes

From the Floor: Richard Camacho would like a review of the ruling about dogs entered in Futurity. The rule currently reads; the dog must be Entered and Exhibited in Specialty. He would like to see the “and Exhibited” part be omitted.

The Board will look at the issue and make a decision.

Sarah Fitzgerald will be the 1999 Futurity judge.

Judges’ Education – Don Hanson

Don Evans reported that a JEC (Judge’s Education Committee) presentation was held June 18, 1998 for ALAC members. The presentation was well received. Comments were sought from the members in attendance some very good points and recommendations for change were brought up. This committee is working closely with the Breed Standard committee to coordinate pictures and diagrams for the presentation. It was noted that this was a work in progress presentation.

At 7:30 am on June 19, 1998 a presentation will be held for prospective judges in the Copper Mountain Room.

Local Club Liaisons

Board members are responsible for the clubs in their local geographic area. Board members were asked to identify the clubs for which they were responsible.

Measurement – Nancy Plunkett

Richard Camacho reported that 7 measurements had been completed at the National. He encouraged local specialty clubs to obtain certification and provide measurements at their local specialties. Once measurements are completed Nancy will be sending out the certificates.

Distribution of the results was discussed. It was noted that results are not published in the Bulletin since it is sent to Judges. The results will continue to be published in the Yearbook.

Membership – Joyce Johanson

From June 1997 to May 1998 24 single memberships and 6 family memberships were processed. It generally takes 1-2 months for an application to be processed, depending on the time of the month the application is received. Joyce does her ALAC mailing during the first week of each month. Expenditures for the past year have been very minimal because new members have simply been receiving a letter advising them they had been accepted for membership, since current handbooks had not been available for mailing.

Joyce reminded the membership that renewal dues are to be sent directly to the Treasurer, as she only receives new membership dues.

National Specialty Show Committee – Steve Campbell

A survey will be going out to the membership regarding possibly changing the date of the Specialty to October starting 2001. This was being proposed due to the problems in travelling with dogs during the hot summer months.

The 1999 National Specialty will be held at the Holiday Inn in Fredrick, Maryland, 3rd week of June (20-26th). Norman Patton will be the Specialty judge. Base rate for the hotel is $99.00, 4 person per room limit, with 6 dogs per room limit.

The 2000 National Specialty will be held in Southern California and the Judges ballot for the 2000 specialty judge will be sent out after the completion of the 1998 National.

Thanks to Fran Strayer for doing the various ALAC and club flags which were displayed during the Specialty week.

Dot Primm thanked the Central Colorado club for providing food and drinks during the week and requested donations to cover cost of the hospitality for the balance of the week.

Obedience – Dot Primm

1998 was the largest obedience entry to date at the National. Dot is seeking volunteers to help with obedience. There were several ideas and discussions for the formation of an obedience committee. Becky Hughes, Deanna Maxwell and Fran Strayer volunteered to help on the Obedience committee. Each will work in the areas of her own strengths.

Ways & Means – Tom Gertz

There are 6 new items with new embroidery designs available this year. Tom welcomes any ideas for new products.

An order form will be available in the Bulletin. In addition, orders can also be placed via the website. Credit cards are now accepted for all purchases.

The Ways & Means table was a great success this year, with several items being sold out during the Regional and National specialties.
ALAC Annual Membership Meeting Minutes

Yearbook – Michael Santora

A firm price will be established once more research on printing costs is obtained. It was agreed upon that each person advertising would receive one free yearbook. It is hoped that a sliding scale can be provided for multiple ads from the same party.

Information will be sent via mail if you have a dog eligible for any of the three yearbooks. As with other items available through ALAC, credit cards will be accepted for the ads.

Yearbook Distribution – Dot Primm
Dot has many yearbooks available. During Specialty week books can be purchased at the Ways and Means table. During the year they can be purchased via an order form which is currently in the Handbook and will be in future Bulletins and on the website.

380 ballots were mailed; only 102 returned.

Unfinished Business – None

New Business

1) Richard Camacho presented a petition to the Board to become more involved in Lhasa health issues; to provide funds from the Treasury over and above donations.

2) Peggy Huffman – asked for more health related seminars to be held at the National Specialty. Susan Giles responded that the AKC DNA testing will be held during the 1999 National Specialty, and that the Health and Education committee had already brought the request to the Board. The AKC DNA testing had been scheduled for this year to coincide with the LACCC DNA seminar. But because of the large number of parent clubs responding to the DNA testing it had to be pushed back. Future Nationals as well will try to include health related seminars.

3) Web pages (current website)
Linda Crabill felt that the statement about aggression being a problem should be corrected to something more favorable about the breed. Susan Giles responded that she did not believe the statement was on the new pages; however, she would check into it.

4) Richard Camacho noted that in the current AKC Gazette there was information available for sending for the DNA testing swabs.

5) Bobbie Wood said she’d heard the DNA marker for renal disease has been found in the Shih Tzu.

6) New ALAC web site should be up the end of June 1998
http://www.lhasaapso.com

After several announcements:
Meeting was adjourned at 6:08 pm.

Respectfully submitted,

Attention:
Breeders of “Top Producers”

ALAC is putting together an album of the breed’s Top Producers, which will be displayed at future Nationals. If you are the breeder or owner of a dog or bitch on the “Top Twenty” list of producers, (Check ALAC website for confirmation) please send an 8 x 10 color photo or color copy by January 1, 1999 to:

Meeting called to order at 6:10 pm by Susan Giles.

In attendance were Susan Giles, Ray Sledzik, Judy O’Dell, Dot Primm, Steve Campbell, Joyce Johanson, Ann Lanterman, Beverly Drake, Elizabeth Chidley, Debbie Greene, Bud Brockway and Pat Keen-Fernandez.

Steve Campbell reported that he had requested from the Secretary a copy of the current membership Roster in hard copy. He had concerns that several members were not receiving information on club business, elections etc. Upon reviewing the current roster it was confirmed that there were several members missing from the Roster being used for mailings.

MOTION 98-16 : Ray Sledzik moved and Judy O’Dell seconded that the members missing from the Roster be given a one year membership for 1998-1999 as compensation. All agreed and the motion passed.

Discussions as to the next Board meeting and location were held and it was decided that this could be addressed within the next two months. The Board will review issues over the next couple of months to determine the necessity of calling a meeting.

Discussions on the Petition received from Richard Camacho during the Annual meeting were held. It was determined that the Petition has been addressed with the establishment of the new fund for Health & Education. Ray Sledzik will report back to the Board on setting up a Trust Fund for the Health & Education fund.

It was suggested by the two committee chairs that the Health & Education and the Health & Genetics committees be combined into one.

MOTION 98-17 - It was moved by Pat Keen-Fernandez seconded by Beverly Drake that the two committees be combined. All approved, motion passed.

Cassandra de la Rosa and Lynn Jamison will co-chair this committee.

Discussions on Richard Camacho’s request to have the wording “and Exhibited” removed from the Futurity rules were held. It was decided that Ann Lanterman will contact AKC to determine if there is an AKC ruling with regard to having to compete as opposed to only entering the regular classes, as relates to Sweepstakes and Futurities, and report back to the Board.

Dot Primm will contact AKC to determine if we can have back to back obedience trails at the National, while only having one breed event. If this is possible, she will also investigate the best way to handle such an event.

Meeting adjourned at 6:30 pm.

Respectfully submitted,
Debbie Greene

Note:
A special thank you to Debbie Greene, who ably took over the duties of Secretary ahead of schedule. Esther DeFalcis was unable to attend the National due to illness and Debbie did a great job of stepping up to bat.

As always this committee depends on the continuing collaboration between some very talented and generous people. We thank Larry and Jan Bruton for their superb production of the Awards Video. The time and effort expended in this project can only be balanced by the enormous appreciation we have for the finished product. Thank you both very much.

Also we thank Midge Hylton and Pat Keen Fernandez for creating the lovely program for the Awards Dinner. Its a keepsake that allows us to collect a tangible history of our breed through the years. We appreciate your effort.
