“Quata”

#1 Bitch in the Nation 1997
All Systems

#4 Lhasa Overall in the Nation 1997
Pedigree System

“Quata” is shown on the cover winning one of her seventeen group placements in 1997. The final statistics are in for 1997, and after being shown only nine months, “Quanta” was the Number One Bitch and Number Four overall. My sincere appreciations to Clive and Peter for their expert handling and conditioning.

Thank you to all of the judges that are not afraid to put up a bitch over male specials, and thank you for all of the wonderful comments that say she is “Something to Talk About”.

Official Standard For The Lhasa Apso

Character - Gay and assertive, but chary of strangers.
Size - Variable, but about 10 or 11 inches at shoulder for dogs, bitches slightly smaller.
Color - All colors equally acceptable with or without dark tips to ears and beard.
Body Shape - The length from point of shoulders to point of buttocks longer than height at withers, well ribbed up, strong loin, well developed quarters and thighs.
Coat - Heavy, straight, hard, not woolly or silky, of good length, and very dense.
Mouth and Muzzle - The preferred bite is either level or slightly undershot. Muzzle of medium length; a square muzzle is objectionable.
Head - Heavy head furnishings with good fall over eyes, good whiskers and beard, skull narrow, falling away behind eyes in a marked degree, not quite flat, but not domed or apple-shaped; straight foreface of fair length. Nose black, the length from tip of nose to eye to be roughly about one-third of the total length from nose to back of skull.
Eyes - Dark brown, neither very large and full, nor very small and sunk.
Ears - Pendant, heavily feathered.
Legs - Forelegs straight; both forelegs and hind legs heavily furnished with hair.
Feet - Well feathered; should be round and catlike, with good pads.
Tail Carriage - Well feathered, should be carried well over back in a screw; there may be a kink at the end. A low carriage of stern is a serious fault.

As you know, the National Specialty Trophy Committee was formed by the ALAC Board in 1986. In addition to coordinating the trophies for the ALAC National Specialty, the committee has been charged with solicitation of contributions to the Trophy Fund.

As you will recall, last year's trophy table was breathtaking. This year will be no exception. One of our own Lhasa Apso fanciers, Karen Nichols, has graciously accepted our invitation to create the trophies for the 1998 National. All will be original art, including the first place trophies in the classes. To cover the cost of these trophies, we will definitely need your donations. It will be necessary to collect at least $1,500 this year. The purpose of this letter is, therefore, to solicit your contribution to support the trophy fund. Each trophy donation is acknowledged in the National Specialty catalog. Donations must be received by May 1, 1998, to be included in the catalog.

As in the past, there are four categories for contributors: Benefactor (two reserved ring side seats at Futurity and National): $50 and up; Patron: $30 to $49; Contributor: $20 to $29; and Supporter: up to $20. We have taken the liberty of including a contribution form at the bottom of this letter. We would appreciate receiving your donation as soon as possible.

Thank you in advance for contributing to the success of the 1998 National Specialty. Please make your check payable to "ALAC" and send it to:

E. Naomi Hanson  
ALAC National Specialty Trophy Fund  
4409 Colebrooke Ln. SE  
Lacey, WA 98513

The past several years, those involved in obedience have contributed trophies for the non-regular classes. If any of you intend to do this again, please let me know as soon as possible since this information has to be listed in our premium list. If you have questions, call me at (360) 491-6095.

President's Message

Hello ALAC Members,

The Board met on February 14th, '98 in New York. In attendance were Bud Brockway, Larry Bruton, Steve Campbell, Betty Chidley, Beveraly Drake, Pat Keen-Fernandas, Ann Lanterman, Judy O'Dell, Dot Primm, Ray Sledzik, Bobbie Wood. Esther Defalcis did a wonderful job of organizing our paperwork for the meeting.

A number of issues were covered in the meeting including a report from the Lhasa Apso Breed Council of England represented by the Peter Millet. He shared with us an up to date accounting of how they have progressed since the first discovery of PRA in Lhasas in England and since in Europe. PRA is a hereditary disease that usually shows up in dogs after the age of 2. This is a problem in a number of breeds including poodles here in the US. Until we start testing our own stock it is still a question. We won't know whether or not it is an issue in the US. There is hope that eventually a DNA marker will be found. However that is probably a long way off. Once the markers are established, affected & carrier animals could be determined before they are bred.

DNA markers are something that would be of greatest importance if we could determine the markers for Renal Disease. Since this disease does not appear to be a simple recessive, it may be difficult to find. But wouldn't it be wonderful to breed our wonderful animals without having to worry about such awful genetic diseases. Some work, I understand has been started in this direction. Possibly the club should financially back, at least in part, some of this research.

On a lighter note, don't forget the National is coming up in June 16-20, '98 in Denver CO. Please send your trophy donations to Naomi Hanson. The trophies this year will be fabulous. Karen Nichols from TX did a watercolor for the Raffle/games year before last that was wonderful, and brought a very high price I might add. She is doing all the trophies for this year's National. They should be just speculator!! I for one can wait to see them. All the information for the National is included in this issue.

Another item that is has been mailed with this issue is the Handbook. I'm sure everyone is be glad to see an updated roster. Larry and Jan Bruton sent a lot of time doing a good job on this project. However, with all the area code changes throughout the country there are bond to be some that are not correct. If you have any corrections for the roster please contact Esther Defalcis 770-945-6767 or EDefalcis@aol.com.

Susan S. Giles

From the Secretary

As of January 21, 1998 there are 243 members of ALAC, consisting of 164 single memberships and 79 family memberships. We received 131 post cards from AKC judges who judge the Non-Sporting Group and/or Lhasa Apsos requesting to receive the ALAC Bulletin.

Ballots were sent to the ALAC Officers and Board Members and they have elected a 1998/1999 Nominating Committee.

A motion was made by Pat Keen-Fernandes and seconded by Steve Campbell to send Clive Harrod $500 from the Benites-Wilkes Fund to help him while he under goes therapy to regain use of his left hand. The motion passed and I have requested Steve to send Clive a check for $500.

Awards

I feel like a broken record as I keep telling everyone to get their awards forms in by April 1. The form has me living in NM but I live in NJ. Also the form has left the bottom of the form off which is Jan and Larry Bruton's address. Basically there is no report at this time other than forms are starting to come in and that is good. See you soon

Breed Standard

The Breed Standard committee will meet prior to the board meeting. The Illustrated standard is an ongoing project with additional photos added to the work that had been already done.

JEC and BSC will have a joint meeting to discuss some of the areas that needed to be coordinated. The objective is to make sure that JEC has/gets the materials to reflect the BSC work. Mary Beth O’Neil of Judges Education at AKC has offered to work with us in NY during meeting to make comments and suggestions.

Bobbie Wood & Steve Campbell took a number of pictures that helped fill in some of the holes we had.

Finance

Futurity, Secretary/Coordinator

As of January 29th, 1998 I have received 83 futurity nominations. (Nominations close the end of February). The total nominations last year was 110.

I am hoping our show entry this year will be about the same as the total six regions was last year, 75.

Hopefully, the new format for prize money, will be an incentive to nominate litters. It certainly will be much easier to calculate and no matter how small the entry, the Grand Futurity, Best Puppy and Best Adult winners will receive a great deal more prize money this year than in the past. As our litter nominations improve, we have the opportunity to offer larger amounts of prize money.

Eligibility for 1999 litters starts December 1, 1997 through November 30, 1998. Be sure your litter nomination is made within ninety days of birth. Nominations will not be accepted anytime within the year as they were for the 1998 nominations.

Two nominations have been received for 1999.

Health & Education

I have not heard anything else from AKC about DNA testing at the specialty in Colorado and fear that we sent our reply too late for action this year. The committee still plans to have CGC Testing at the Specialty and requests that entry forms for CGC be included in some club mailing. I am currently working on a web-site and would include a section for interested parties to (a) Download Educational Materials and (b) send other inquiries to me concerning health and/or educational matters - if approved by the board. Since my e-mail address is published both in the New Bulletin and on the ALAC HOME PAGE I am receiving an average of 3 queries weekly - mostly from new owners many concerning the kidney problems mentioned on the homepage. Inquiries sent via e-mail are responded to quickly and reach the party much faster. This has cut down on the number of long distance calls I must return (an expense that I have been personally absorbing.)
Respectfully submitted,
Lynn Jamison, Chair

Historian

I received a total of 21 boxes of ALAC material from Becky Johnson in December, and have currently completed an inventory of the contents of 15 of those
boxes. My goal is to complete the inventory and publish it in a future issue of The Bulletin, in order for the membership to know what materials are available for research, etc.

There are some interesting articles and photographs in some of the oldest publications dating back to the late 1950's and early '60's that might be of interest to the fancy, copyright laws permitting. Publishing these on an occasional basis in The Bulletin would assist in ALAC's education efforts relating to the history of the Lhasa Apso.

One of the more exciting finds is the existence of narrated tapes of the early Specialties. I would like to purchase these tapes ($150) and make arrangements to show it in the Hospitality Room at the National, on an on-going basis during the week. I think it would provide people with a wonderful snapshot of both breed and ALAC history.

There exists some duplication of materials, especially magazines, which I recommend we sell some of these at the National to help pay for the tapes previously mentioned. We could also donated to the ALAC Raffle at the National for breed rescue. Once the inventory is completed, I will submit to the Board a list of those materials recommended for donation.

I welcome any comments and suggestions from the Board and the membership regarding how we might share this historical information with a broader segment of the fancy.

Judges Education

- Don Hanson, Chair
- Bev Drake
- Don Evans
- Pat Keen
- Barbara Schwartz

To the knowledge of the Chair, three individuals have expressed interest in membership on the JEC: Robin White, Fran Strayer, and Anne Lanterman. At this time the JEC is functioning well with its current membership. Additional members could certainly help with the work which needs to be accomplished.

JEC Goals for 1997

- Co-sponsor forum on the Lhasa with the BSC .... Completed
- Provide Judges Seminar at the 1997 Specialty .... Completed
- Provide Judges Seminars as requested .... Four Completed
- Further development on curriculum and materials .... On going

- Framework for Regional Training and Trainers ... Not completed

JEC Goals for 1998

- Provide Judges seminar at the 1998 Specialty .... 6/20/98 projected
- Provide Judges Seminars as requested .... Tri-State 1/28 DJAA/NY 2/14
- Presentation of Breed Seminar for interest ALAC Members in conjunction with national Specialty .... 6/98
- Further development on curriculum and materials .... Ongoing
- Framework for regional Training and trainers .... Agenda 2/14/98

Related JEC Activities

- Ongoing correspondence responding to requests for breed and breed seminar information.
- Ongoing coordination with BSC.

Budget

A JEC annual budget was submitted to Steve Campbell as requested by the ALAC Board.

Future budget items will be needed for seminar materials production - transparencies, copies, and materials - particularly at such a time as the JEC implements a national "trainer the trainer" program.

The EC welcomes any and all comments and questions regarding its work. Please do not hesitate contacting me for any further discussion on this report or the work of the committee.

Measurement Certification

The MCP certified ten (10) dogs in 1997 and one was measured only. Numbers are low once again due to my unavoidable absence from the National Specialty last year. An effort will be made to attend this year, though if it is still held during the same prime week in June it will again be difficult for me to leave for a prolonged trip. As requested many times by many members, I hope the board will consider changing the date of our Specialty week to one which will make it easier for the membership to attend, as well as making it safer for the transportation of our dogs.

The increase in the MCP fee was put into effect last fall and was received with no complaints. It should generate
a little more profit for ALAC, especially if we can bring the certification numbers up. Income and projected budget submitted to ALAC Treasurer on January 8, 1998.

I also would like to have more qualified measurers to help gather statistics during the year, as the board has suggested, but learning to be an accurate and consistent measurer takes time and supervision, and as yet I have not been in a position outside of my own area to satisfactorily train any new people. I am sure that the ALAC Board would not wish to jeopardize the accuracy or integrity of the Program simply to have an increase in the in the certification numbers.

I also hope to see more active participation in the MCP by some of the ALAC Officers and Board of director during this coming year. All it takes is a few minutes, a few measurers and a dog over 2 years old, so do take the time to support this worthwhile ALAC program.

The National Specialty will be held on June 18, 19 and 20, 1998 in Denver Colorado. The judges have been approved as has the show itself by the American Kennel Club. The Show Chairman will verbally update the Officers and Board on any other developments at the Board Meeting.

The 1998 Denver location is all set up and planning and activities for it are all going along as expected for 6 months ahead. I spoke with Jan Burton and will be helping and turning over my Catalog files over to her so she can get started for 1998.

1999 Site

I worked this summer with several people in the southeast to find a location in the lower southeast or Florida (Orlando) without much success. We really tried.
So I have been contacted and I am working now with the Marriott at the Airport in Washington D.C. (This is the same site as before) for the third week and weekend in June there. We are about to speak with the local club National Capital Lhasa Apso Club, there about joining us.

Ways and Means

At this point I have no report because I have resigned from the chairmanship of Ways and Means. Problems at home are overpowering and there is only so much I can do. Susan is getting a new chairman.

The only thing I have to say is that no Dash Plates have been ordered because I was not asked to do so. I honestly believe that most of the members will be unhappy if they are not ordered. Many have said so to me. They are momentous of the event.
