Although I'm no longer able to do justice to my Lhasas in the show ring, some very talented friends are there to help! I want to express my appreciation and very special thank you to Chief Handler, Sarah Fogel, to Chief Groomer, Leslie Ann, and to Back-Up-Handler, Barb Corbett, for their important contributions to the Dukie's show ring career and his Championship!

Notes from the editors:

The Bulletin is mailed to all judges that are eligible to judge Lhasa Apsos and have returned the card that asked if they wished to continue to receive the Bulletin. There have apparently been a number of people that have chosen to tell stories contray to what is actually happening. We hope this will clear up any questions.

Apologies to Toni Kerr in the April/May issue of the Bulletin. Toni advertised Ch Knolwood’s Sir Winston’s retirement and we failed to include his well earned CGC title. It should have read Ch Knolwood’s Sir Winston, CGC.

Official Standard For The Lhasa Apso

Character - Gay and assertive, but chary of strangers.
Size - Variable, but about 10 or 11 inches at shoulder for dogs, bitches slightly smaller.
Color - All colors equally acceptable with or without dark tips to ears and beard.
Body Shape - The length from point of shoulders to point of buttocks longer than height at withers, well ribbed up, strong loin, well developed quarters and thighs.
Coat - Heavy, straight, hard, not woolly or silky, of good length, and very dense.
Mouth and Muzzle - The preferred bite is either level or slightly undershot. Muzzle of medium length; a square muzzle is objectionable.
Head - Heavy head furnishings with good fall over eyes, good whiskers and beard, skull narrow, falling away behind eyes in a marked degree, not quite flat, but not domed or apple-shaped; straight foreface of fair length. Nose black, the length from tip of nose to eye to be roughly about one-third of the total length from nose to back of skull.
Eyes - Dark brown, neither very large and full, nor very small and sunk.
Ears - Pendant, heavily feathered.
Legs - Forelegs straight; both forelegs and hind legs heavily furnished with hair.
Feet - Well feathered; should be round and catlike, with good pads.
Tail Carriage - Well feathered, should be carried well over back in a screw; there may be a kink at the end. A low carriage of stern is a serious fault.

Hello ALAC Members,

Well it's National Specialty week. We have a nice entry and everyone will have fun. But it occurs to me that we should have National Specialties with much greater entries than we normally do. There are a lot of people that exhibit their Lhasas and don’t come to Nationals. It is a shame that everyone can’t come to a National. It is so important to the breed. A time to share views and thoughts. An opportunity to showcase what has been done in the individual breeding programs throughout the year. Time to see friends and make new ones. The Futurity, an opportunity to see the young and promising puppies, some of which will be the backbone of future generations. Seminars and presentations offer an opportunity to learn. Almost more important to all of this is the need for people to support the breed and showcase their dogs. I can recall 25 years ago when the National was split between the East and West coasts and the entries were larger at each of those then it often is now. In all this I didn’t mention winning at the Specialty did I? No, that’s not the most important part of going to the National. I’ve heard people say - “the judge doesn’t like my style of dog”, “I’ve never done well under that judge”, “I don’t know what the judge is looking for.” But each year there are people at the National that are there every year. They don’t win they go to see their friends and have a good time. We should all think about that the next time we are considering going to the National... “Seeing our friends and having a good time.”

**Breed Standard**

The BSC will be working with the Judges Education Committee at the National doing a presentation of the JEC program and showing a preliminary copy of the Illustrated Guide to the Standard work.

**Breed Referral**

March 10, 1998

Between January 1, 1998 and February 28, 1998, I received 111 requests for information of which 59 were e-mails and only 52 were phone calls. Phone calls have picked up since Westminster.

Persons wishing to purchase a puppy comprised 78 requests while there were 15 inquiries primarily dealing with breeding. I also had three requests for rescue information and three contacts regarding behavior problems. One person wanted information on showing. Miscellaneous contacts included requests for ALAC membership information, local club information, National Specialty dates, etc.

All the calls that I have received regarding behavior problems have come from people who purchased their Lhasas at pet shops.

Futurity, Secretary/Coordinator
The futurity nominations for 1998 have closed. 90 litter nominations for 1998 Grand Futurity were received.
The money breakdown will be:
Grand Futurity Winner $150.00
Best Puppy 100.00
Best Adult 100.00
1st Place in each class 50.00
2nd Place in each class 37.50
3rd Place in each class 25.00
4th Place in each class 12.50

I have received very few futurity nominations for the 1999 Futurity. REMEMBER, eligibility for 1999 litters starts December 1, 1997 and ends November 30, 1998. Be sure and get your nominations to me within the ninety day after birth period. Nominations will not be accepted anytime during the year as they were for the 1998 nominations. MAKE IT A HABIT OF NOMINATING EVERY LITTER.
Looking forward to a large Grand Futurity entry in Denver. In 1997, seventy-eight dogs were shown in six futurities. Let’s try for a larger entry this year even though entries are down by 20 nominations.
Judge nominations for 1999 are being received now. The ALAC National and Futurity will be in Region 6 (Southeast).
REMEMBER:
• Enter 1998 Grand Futurity.
• Send me your 1999 Nominations
• Vote for 1999 Futurity judge.

AMERICAN LHASA APSO CLUB
NATIONAL SPECIALTY TROPHY FUND COMMITTEE
1999

As you know, the National Specialty Trophy Committee was formed by the ALAC Board in 1986. In addition to coordinating the trophies for the ALAC National Specialty, the committee has been charged with solicitation of contributions to the Trophy Fund.

As you will recall, last year's trophy table was breathtaking. This year will be no exception. One of our own Lhasa Apso fanciers, Karen Nichols, has graciously accepted our invitation to create the trophies for the 1998 National. All will be original art, including the first place trophies in the classes. To cover the cost of these trophies, we will definitely need your donations. It will be necessary to collect at least $1,500 this year. The purpose of this letter is, therefore, to solicit your contribution to support the trophy fund. Each trophy donation is acknowledged in the National Specialty catalog. Donations must be received by May 1, 1999, to be included in the catalog.

As in the past, there are four categories for contributors: Benefactor (two reserved ring side seats at Futurity and National): $50 and up; Patron: $30 to $49; Contributor: $20 to $29; and Supporter: up to $20. We have taken the liberty of including a contribution form at the bottom of this letter. We would appreciate receiving your donation as soon as possible.

Thank you in advance for contributing to the success of the 1998 National Specialty. Please make your check payable to "ALAC" and send it to:

E. Naomi Hanson
ALAC National Specialty Trophy Fund
4409 Colebrooke Ln. SE
Lacey, WA 98513

The past several years, those involved in obedience have contributed trophies for the non-regular classes. If any of you intend to do this again, please let me know as soon as possible since this information has to be listed in our premium list. If you have questions, call me at (360) 491-6095.
