Carol & Sadie

Ch. Chix Choix Ashley Wilkes x Ch. Desiderata Miss American Pye

Number One Obedience Lhasa Apso, 1998 Delaney Point System

Sadie finished three titles in nine straight shows placing in her class each time. She earned her 3rd AKC leg scoring 197 out of 200. Her scores qualified her for the Puparoni Classic Event and she twice attended the Western Regional. Sadie is believed to be the only Lhasa to have competed at this premier all-breed obedience event.

At its January 10th meeting, the Board of Directors of the American Kennel Club approved a Frequently Used Sire (FUS) DNA program, prior to registration of the next litter, for those sires with six or more registered litters and those sires producing three or more litters in a calendar year. Effective for litters whelped on or after July 1, 2000, the program requires stud dog owners of these dogs to submit their dog’s DNA with the AKC. Owners should get the DNA Test Kit from AKC Fulfillment Department, 5580 Centerview Drive Raleigh, NC 27606 and return the dog’s cheek swab DNA sample with the accompanying, required paperwork and the payment of a $40 processing fee to AKC’s DNA Operations in Raleigh. The sire’s DNA will then become a permanent part of his AKC records.

Any stud dog whose DNA has already been collected through AKC’s Voluntary Certification Program or the Parent Club Program does not need to be redone as his DNA is already on file and the requirement will be considered as having been satisfied.

Every “DNA Certification” is valid for the lifetime and beyond of the sire.

The discipline policies of the Compliance Audit Program will also be applied to this program. Any litter found to be excluded from 7/1/2000 forward based on DNA testing can either be corrected or, if not corrected, will be cancelled. Owners of stud dogs who signed the litter application attesting as to the sire of the litter may be subject to suspension of all AKC privileges if two or more litter applications are submitted to AKC within a three-year time period certifying the incorrect sire.

Every stud dog that falls in the above parameters must have his “DNA Certification” on file with the AKC prior to the registration of its seventh or higher litter or his fourth or more litter within a calendar year.

Any excess funds accumulated as the result of the FUS program will be set aside and used to fund a future registration integrity programs.

Stud dog owners with any questions about this program may send an email to dna@akc.org.

President's Message

Hello ALAC Members,

Unfortunately the Bulletin is off the publishing track. We apologize for this occurrence and will endeavor to get things back on track. Based on this most recent performance I can understand that advertising is very low. Hopefully, as things begin to get back on schedule we can gain your confidence again. Thank you for your past support and we hope to see you back with us again in the future.

The National is ahead of us. Please see the page of information included in this Bulletin. We hope that everyone will join us in sunny California for a great National.

I'm sure that several have noticed that I am not running for President for the 2000-2001 term. I felt that having spent 3 terms in the office of President it was now time to give someone else the opportunity to take over the office. I will be able to spend more time working with the Breed Standard Committee and the Illustrated Guide to the Standard. These are two very important areas for ALAC and I think that it will be to the advantage of the club.

COMMITTEE REPORTS

AKC Gazette

Columns are submitted and on time. The June column will be a guest column on agility by Leslie Baumann.

Cassandra de la Rosa

Awards

Just to refresh your memory, ALAC offers one plaque free. It can have one to five names on it and that seems to work well for most of us. However, I realize there some of you who want special arrangements for hanging plaques and want a single name on each plaque. That is possible by paying for those singleton plaques; i.e.: if you finish 3 dogs, the first plaque would be free, the other two would cost $15.00 each. This only refers to the Championship and Obedience Title plaques. All of the special plaques must be paid for and the prices are on the awards form. Please include instructions on what the check is for or what you want. Don't forget as soon as January 1st comes along you can get your awards in the mail.

Bobbie Wood

Awards: Awards Video

Just a reminder - send your award application forms to our awards chairman, Bobbie Wood, and your photographs (plus $3.00/photo made out to ALAC) to me at 5406 SW Woods Ct., Portland, Or., 97221. The $3.00 per photo goes toward offsetting the costs of the program which include rental of the projector, screen and photo return. Any photograph will do and it is fun to have candid shots. However, for the purposes of the video, the larger photographs work the best. Even if you can't come to the National to see the video, please consider sending in your photo as the video becomes part of our historical archives. Any questions - e-mail me at ibruton@zgfl.com.

Respectfully submitted, Jan Bruton

Breed Referral

I would like to remind everyone who does not wish to receive phone calls via the breeder referral system to contact me directly… please don’t ask someone looking for a puppy to relay the message back to me. Secondly, if you have a litter and would like me to send inquiries in your direction, please let me know. People in some parts of the country are having a difficult time finding responsible breeders with puppies. Currently, I'm receiving about 3 times more email inquiries than I was this time last year. Meanwhile, phone calls continue to decrease, averaging about 10 per week. Now that the AKC breeder referral phone system is back in operation, callers are only referred to me if they live in an area without a local club contact. Plus, a fair percentage of people who email me will also call or vice versa. This skews both the number and the geographic distribution of the inquiries so I am not longer including phone calls in my breakdown but I will still maintain an informal log.
In July and August, I received 178 e-mail inquiries. In September and October, I had 204 contacts and in November and December there were 153. The breakdowns are as follows:

### Catalog Ads & Sales

You should all consider advertising in our National Specialty Catalog this year! Are you a new breeder/exhibitor? Have you had a successful year? Let the rest of the fancy know. You don’t have to design your ad - we will do that - all we need is the copy and a photo. The cost is $50.00/page (or $35.00 with out a photo). Put it into your budget NOW!

Respectfully submitted,
Jan Bruton, Catalog Ads

### Finance

Midge Hylton

### Futurity, Secretary/Coordinator

Futurity nominations are down from last year at this time. You have until the end of February to get the 2000 nominations to me.

In the year 2001, the dates will change for the eligibility of your litters. The National Specialty week will be in October so dates will change.

**2001 NOMINATIONS**

PUPPIES ELIGIBLE WILL BE BORN BETWEEN DECEMBER 1, 1999 and MARCH 31, 2001
(Nominating dates 12/1/99-6/30/2001) In the year 2001 we may have puppies that are about 22 months old.

**2002 NOMINATIONS**-April 1, 2001 - June 30, 2002
Entry fees $15.00.

WE NEED YOUR SUPPORT. THIS IS YOUR FUTURITY.
Ann Lanterman

### Health, Education & Genetics

The ALAC Online Auction at www.lhasaapso.org (click on auction site) is really going strong with one Lhasa Head study print going for $250. We have had almost 900 visits to the ALAC Auction Site in a one month period. There are many nice items currently on display.
the auction and even more to be added shortly. We continue to receive donations of items for the auction and welcome them. We are hoping to make the auction ongoing at least thru the 2000 National Specialty. Donations for the auction can be sent to:

Lynn Rostie
112 Cambridge Meadows Drive
Belton, MO 64012

Or email Lynn at lynnjamison@msn.com if you have questions concerning donating an item.

The bidding form for the auction is a secure form (we have recently updated it to ensure the security of information submitted).

Membership in ALAC is not a requirement for participation in the auction and you are encouraged to pass the word about the auction to anyone that may be interested in bidding.

We are receiving Health Surveys slowly and may have a representative sample from the membership soon. If you have not already done so, please go to the ALAC Website at www.lhasaapso.org and click on Health and Education to get the form to fill out and submit the Health Survey.

We would like to thank everyone who has participated in the Online Auction and/or submitted the Health Survey.

Lynn and Randy

Jan Bruton,

Historian

A Reminder to Owners of “Top Producers” please forward an 8 x 10 photo or color copy, pedigree and one page bio to Linda Crabill, ALAC Historian, 4110 Wessex Drive, San Jose, CA 95136. These photos and bios will be compiled into an Album for ALAC’s archives. There is no charge for participating.

Linda Crabill

Measurement Certification
There were 24 dogs certified by ALAC in 1999, most of them measured at the National Specialty in June. I apologize for having been lax about getting the statistics submitted to the membership but will try to get them assembled soon for publication. Total MCP income for 1999 was $72.00.

Respectfully submitted,
Nancy J. Plunkett

FUTURITY JUDGE NOMINATION FORM
for the year 2001

I NOMINATE:

Name: __________________________________________
Address: ________________________________________

Phone: __________________________________________

Signature of ALAC Member nominating: ______________________ Date ____________

I ACCEPT THIS RESPONSIBILITY AND AM FULLY AWARE OF THE
GUIDELINES AND COMMITMENT TO ALAC AND THE LHASA FANCY
SHOULD I BE ELECTED. If elected, no person residing in the same household with me
shall act as an agent or handler in the Futurity competition. Dogs owned wholly or in part
by me or any member of my household shall be ineligible to compete in the Futurity.

Signature of Nominee: ____________________________ Date ____________

PLEASE REMEMBER:
- Anyone judging the years 1998 through 2003 are ineligible to judge.
- An AKC approved judge of Lhasa Apsos is ineligible to judge a Futurity.
- A Futurity judge is personally responsible for all expenses incurred in such an assignment.
- A person elected to judge a Futurity will be held accountable for subsequent failure to fulfill the
  assignment by being listed as ineligible for Futurity judging for a period of two years.

(This form is to be mailed to the Futurity Chairperson when nominations are solicited.)

Mail the completed form to:
Ann Lanterman, ALAC Futurity Chairperson
5109 189th Avenue Northeast
Redmond, WA 98052
Phone: (425) 868-0276

PLEASE RETURN ON OR BEFORE MAY 1, 2000

24
Dear ALAC Membership:

First I would like to Thank everyone for their generous support of our American Lhasa Apso Clubs Raffle/Auction and Bingo Games each year.

Each year at the National Specialty the American Lhasa Apso Club sponsors a raffle, auction and Lhasa Games to raise money for the many important projects to benefit our Lhasas. Some of the projects that benefit from the monies are Inherited Kidney Disease research, Progressive Retinal Atrophy research, Lhasa Rescue and emergency funds for the unfortunate so your donations are most appreciated.

We collect donations of items for the raffle/auction/games from all over the country and the world. Items have included everything from wonderful 14 karat gold Lhasa jewelry, to products from vendors attending the National, to special items made by friends and members. If you are interested in donating an item/s for this cause please contact:

Please make your contributions known before May 1st, 2000 so your name can be included in the catalog.

    Deborah Walsleben
    13196 Mustang Way
    Littleton, CO 80127
    (303) 973-0885
    FreeSpiritLhasa@aol.com

or if you would like to contribute but don’t know what to send - send a check and we can buy something to put in the auction. If you would like to do this send checks to:

    Steve Campbell, Treasurer
    9600 South Ocean Drive #604
    Jensen Beach, FL 34957
    Home (561) 229-8427
    SteveC4213@aol.com

Mark funds for the Raffle/Games. We also except charges if you would like. Send credit card information to email above.

This years National Specialty is being held in Ontario, California the week of June 18-24, 2000.

If you need to ship any items please send them to:

    Pat Keen Fernandes
    PO Box 119 for US mail or 1550 Bartel Road for UPS
    Knightsen, CA 94548
    (925) 679-8676

Thank you in advance for helping your National Club with our fund raising.

Sincerely,

Deborah Walsleben, ALAC Raffle/Bingo Chair

Deadline Sept 1.
ALAC Photo Contest

Categories:

1. **Best head study (coated)** - Best in this category will receive the *ALAC Breeders' Choice Award*. Voting in this category is open only to ALAC members in attendance at the National. Each ALAC member is allotted one vote for the head study of his or her choice. In this category only, photos submitted for consideration may have been taken by professional photographers, as well as amateurs. The intent here is for breeders to judge the most correct Lhasa head, rather than the technical quality of the photo. Ballots available at the Historian's Table at the National.

2. **Best Candid Shot of a Lhasa (coated or cut down)** - Determined by Historian's committee. Open to amateur photographers only.

3. **Most Humorous (coated or cut down)** - Best photo depicting true Lhasa personality - determined by Historian's committee. Open to amateur photographers only.

How to Enter:

- Deadline for entries is June 1, 2000. (No postmarks.)
- Entry fee - $5.00 per entry (all categories) - no limit to the number of entries per person. (Funds will be donated to Lhasa rescue.)
- Checks made payable to ALAC.
- All photos become the property of ALAC and will be retained by the ALAC Historian unless shipping cost of $1.00 per photograph is included at the time of entry. Photos should be clearly marked on the back with the name of the person submitting the entry.
- Mail entries to:
  Linda Crabill, ALAC Historian
  4110 Wessex Dr.
  San Jose, CA 95136
- Winners to be announced at the 2000 American Lhasa Apso Club National Specialty, to be held in Pomona, California, in June.

Prizes

- Grand Prize in each category having a minimum of five entries is a full-page black and white ad in *The Lhasa Bulletin*.
- Winning photos in each category will be published in *The Lhasa Bulletin*.

For more information, contact Linda Crabill at (408) 265-6381 or via email at: linda.crabill@ci.sj.ca.us.

29
ALAC Code of Ethics

Preamble

“The American Lhasa Apso Club is an organization devoted to the preservation and welfare of the Lhasa Apso Breed. The Lhasa Apso is the result of centuries of Asian culture, and as such deserves to be honored and protected for its historical and aesthetic merit as well as its modern use as a companion. To this end, the American Lhasa Apso Club has defined a standard of excellence for the breed, and sponsors exhibitions for the comparison and improvement of the breeding population and for the education of our breeders. Our goal is to produce an animal which is uniform in type and sound of mind and body, and suited to its original purpose as a small indoor guard dog and companion to man. Dedicated breeders of the Lhasa Apso are distinguished from those who exploit the breed solely for profit by their adherence to a set of ethical principles. The welfare of each individual Lhasa Apso, and the welfare of the entire breed, governs our behavior in all aspects of breeding, exhibiting and selling. The American Lhasa Apso Club endorses the following as the ethical standard of all true lovers of the breed.”

Breeding
1. Members contemplating breeding a litter, or who allow the use of their stud dog to the same end, should direct their efforts toward producing Lhasa Apsos of exceptional quality. Each mating should ideally be planned with the intention of improvement yet preservation of the breed. Breedings should be done with the ultimate goal of achieving excellence according to the Breed standard. Type, temperament, health and conformation of both sire and dam should be carefully considered in the planning of any breeding in order to accomplish the goals of preservation and improvement. This presupposes a careful study of the breed standard, pedigree, and genetics.
2. No Lhasa Apso showing a serious inherited defect in type, structure or temperament should be used for breeding. Bitches should be bred only when in prime breeding condition, fully mature and in robust health mentally and physically. Ideally, no bitch should be bred prior to twelve months of age and not more than two out of three seasons.

Owners of stud dogs should not accept for breeding any bitch that shows a serious inherited defect in type, structure, or temperament, the reproduction of which is likely to be detrimental to the breed. It is ideal if all stud contracts include an agreement, to be signed by the owner of the bitch, that no puppies resulting from the mating will be wholesaled or sold to pet shops, a practice the Club considers grossly detrimental to the Lhasa Apso breed. Stud owners should strongly encourage the owners of the bitches that any pet quality puppies from the resulting litter be sold on spay/neuter contracts. Breeding Lhasa Apso litters for "pets only" is considered detrimental to the long-term welfare of the breed.

Members should refrain from this practice and should refuse stud service to owners of bitches for whom this is the goal.

If a dog or bitch has produced any offspring with serious inherited defects detrimental to the animal’s well-being and produces like results with a different mating partner, it would be in the best interest of the breed that the owner refrain from further use of this animal for breeding.

Kennel Management
3. Ethical breeders should be financially and situationally capable of providing for the special health and nutritional needs of brood bitches and their litters before doing a breeding. Members planning a breeding should consider the local market and the possible necessity of caring for puppies for several months until sold. Puppies should be sold in a clean and healthy condition and should be at least eight weeks or older to make the necessary adjustment to a new home safely. No adult or puppy should be sold without adequate protection against disease.

Members are encouraged to maintain the best possible standards of canine health, sanitary kennel conditions, and veterinary care, including mental health (such as contact with people and exposure to the outside world).

4. Members known to have deliberately violated American Kennel Club rules regarding registration and showing of dogs should expect the consequences of being reported.

Sales
5. Ethical breeders should be discriminating in the placement of their Lhasa Apsos. The Club does not consider ethical any of the following practices: the consignment or sale outright to pet shops, catalogue houses, animal brokers, or other commercial sources of distribution; and the donation of Lhasa Apsos as prizes for raffles, auctions, or contests; the wholesaling of Lhasa Apso litters or the over-breeding of their own bitches for profit, with no regard for quality.

Sales to persons known or suspected of such practices is considered detrimental to the breed.

6. According to American Kennel Club rules, breeders should furnish the signed American Kennel Club registration or transfer with each puppy sold unless a written agreement is made with the purchaser at the time of sale that papers will be withheld. The Club strongly supports the practice of accompanying the sale of all puppies or adults determined pet quality with a spay/neuter contract and written agreement that no AKC registration papers will be transferred until the seller has received veterinary certification that surgery has been performed.

7. Ideally, breeders should provide a three-generation pedigree, instructions on care including grooming, feeding, and complete health care. Lhasa Apsos released should be in good health to the best of the breeder’s knowledge. Breeders dedicated to the Lhasa Apso fancy should be available to their buyers for consultation, even after completion of a sale. Breeders should try to assist the serious novice in his understanding of the breed.

8. It would best serve the breed if any Lhasa Apso puppy or adult, which might be considered to have a serious hereditary defect or a serious deviation from the standard, be sold without papers and spayed/neutered (this should clearly be understood by both the buyer and the breeder and a written agreement to this effect signed by both parties), or humanely destroyed.

Advertising
9. The value and quality of the Lhasa Apso should be upheld in both advertising and selling. Advertising should not be worded so as to attract undesirable buyers or to encourage raising dogs for profit. Ethical breeders would not engage in false or misleading advertising or otherwise misrepresent their Lhasa Apsos; nor would they malign their competitors by making false or misleading statements regarding their competitors’ Lhasas, breeding practices, or person.

Written Agreements and Health Guarantees
10. Members are encouraged to utilize and maintain signed copies of written agreements detailing price, description of dog, guarantees, condition and understanding for all transactions involving their dogs. These include co-ownership agreements; sales of pet, companion, or show Lhasa Apsos; stud agreements; brood matron leases; and any other transaction involving transfer or utilization of a Lhasa Apso. Copies of such records could be used, when appropriate, by the Club Board in hearing any grievance involving an ethics complaint against a member.

The sale of all puppies and adults are best accompanied by a written health guarantee. Should a show or breeding prospect develop a serious congenital, hereditary, or disqualifying defect after sale, breeders could:
(1) replace the dog with one of equivalent value believed to be free of such defect, or
(2) refund the sale price upon return of the dog, or
(3) refund the difference between the price paid and the price of a pet sold from the same or similar litters, allowing the buyer to retain the dog.
