Obedience Trials at the National Specialty 1999

The obedience Lhasa turned out in large numbers to celebrate ALAC’s 40th anniversary. Perhaps this was one of the largest entries at any National Specialty obedience trial. There were 35 entries on Thursday and 40 on Friday including one team.

This will be recorded as the first year there was two obedience trials at the Lhasa specialty. Without Susan Giles efforts and hard work this could not have been accomplished. We also must thank each and every obedience exhibitor, who took the time and went to the expense to attend these two trials. Without a large entry in obedience we probably won’t see two obedience trials in future years.

Where did all those Novice A Lhasas come from? There was four Novice A Lhasas entered on Thursday and six on Friday. I checked back over past years and I found it was in Torrance California in 1986 we had five entered in Novice A and the average was two in other years. First place this year in Novice A was Karen Cote with her Champion Chenrezi Kam Tu Alee from Brempton Ontario. A very nice working Lhasa and still so energetic at nine years old. There was only the one qualifier in novice A class. Many of the other owners knew their Lhasa might not be ready to compete but they came to support the obedience trials. It is the Novice Lhasa that will be the future of obedience at our specialty. Do Not be discourage, a little more training will turn these Lhasas into our High In Trials at future specialties. If you were embarrassed by something you did or your Lhasa didn’t do, well we have all been there in your shoes. Someone told me don’t pickup your dog in the ring, and don’t correct your dog. But any mistake you’ve made, every experienced handler has already made.

The Novice B class had an entry of six on both days. I checked and doubled checked the Judges sheets and sure enough Champion Whitehouse Woody Wilson was first place and High In Trial on Thursday and Friday. Robyn White and Richard Lilly are owned by Woody. Don’t give Robyn credit for Woody’s obedience training for the most Woody has taught Robyn about obedience is she must be dressed to come into the ring and how to except the trophy. Woody’s first place score on Thursday was 188.5 and Fridays score was 193.0. If Woody’s High In Trial on both days was not enough he also earned his CD title. He truly now has a title at both ends.

2nd place on Thursday in Novice B was CH. Sintu Marlo Nick At Nite. Owned by Elaine Mayowski and Rex Irwin with a score of 186.0. Elaine has been around the obedience ring for many years and now sometimes you need to pull her away from the agility ring to get her to come back to obedience. She has done her part to show the Lhasa is not just for conformation but open your horizon and see what else the Lhasa can do.

2nd place on Friday with a very nice score of 191.5 was Fran Strayer and her CH. Nu Seng’s All That Glitters from Colorado. On Thursday Goldie had a very nice score going, possible a High In Trial but being a Lhasa she decided she’d change the recall and let Fran come to her.
3rd Place on Thursday was Joy Marlo Lady Samantha Dayo with a score of 180.0 Sam was 4th on Friday with a score of 176.0. Friday’s qualifying score gave Sam her CD title. Sam is owned by Dave and Nancy Yost and Deanna Maxwell. Sam is the daughter of Champion Joy Marlo Mercedes UD. Sam is also the mother of six pups just four months old. Next year in California we plan to have three generation in obedience at the National. Mercedes in Utility/Open, Sam in Open and at least 2 of these pups in Novice.

There were two entered in Open A class on Thursday and Three entered on Friday. There were no qualifiers.

The Open B Class had an Entry of 5 on Thursday and Friday. There were two qualifiers on Thursday and one on Friday. 1st place was Ch. Joy Mario Mercedes UD with a score of 185.5 on Thursday and 187.0 on Friday. I am the proud owner of Mercedes.

The 2nd place on Thursday was Squires Hopsing Ud with a score of 182.5 owned by Evette Squires. On Friday Hopsing decided he would let Evette do the figure eight by herself and decided he could do without the Board Jump too. Hopsing has been retired for several years but each year we can depend on Evette and Hopsing to support our National Specialty.

Utility A had an entry of one with no qualifiers.

Utility B had an entry of three with one qualifier. The one qualifier and first place was Ch. Joy Marlo Mercedes UD with a score of 185.5 on Thursday and she scored 180.5 on Friday. Qualifying in both the open and Utility ring gave Mercedes her 4th and 5th UDX legs.

After we finished with the regular classes we had our Non-Regular classes. These classes are just for fun, as we earn no legs or titles. Linda Alan, Evette Squires, Dave and Nancy Yost, Deanna Maxwell and the Lhasa Apso Club of Southern California donated the trophies this year. The Non-Regular classes brings a little variety to our Obedience Trial and for some exhibitors the chance to show off and compete with their veterans who may be too old or no longer jumping and can’t compete in the regular classes.

We had one entry in Graduate Novice Joy’s Secret agent Man CD owner Deanna Maxwell.

Gizmo Ziuco CDX, NA was our Veteran owned by Elaine Mayowski. Gizmo is 12 years old and still doing obedience and one of our Novice Agility Lhasa’s.

We had three Brace teams this year and in 1st place both days was Evette Squires with CH. Serenity’s Twenty-Four KT AU CD and Squires Hopsing, and 2nd place was my brace CH. Joy Marlo Mercedes UD and CH. Joy’s Black N Fashion CDX. 3rd place was CH. Sintu Marlo Nick At Nite and Gizmo Ziuco CDX NA owned by Elaine Mayowski and Rex Irwin.

There were two Versatility entries each day. 1st place on Thursday was Ch. Joy’s Black N Fashion CDX and on Friday 1st place was Ch. Joy Marlo Mercedes, UD. The 2nd place both days was Squires Hopsing UD.

Closing out the obedience trials was a Team Entry. The team included Ch. Joy Marlo Mercedes UD owned by Deanna Maxwell, Squires Hopsing UD owned by Evette Squires, Ch. Joymarc No Strings Attached CDX owned by Helen Adamo and Ch. Serenity Twenty-Four KT AU CD owned by Evette Squires, handled by John Lingle. The handlers were dressed in Khaki color pants and a white shirt. Each handler and Lhasa had matching kerchief around the neck. Laura Williams DVM of Lee’s Summit, Mo donated the kerchiefs.

We have finished another Specialty and maybe for some it’s a sigh of relief but for the obedience dog it’s the beginning of another year and time to keep in shape or fix what went wrong this year for next year. We cannot let our obedience Lhasas set in their crates growing coats. We keep our Lhasas jumping all year long, we try to train for a better front or better heeling just by practicing with the hope next year we’ll be HIGH IN TRIAL.

I hope I will see you all in Sunny California in the obedience ring in 2000. It promises to be the National Specialty you won’t want to miss.

Meeting was called to order at 7:20 pm by Susan Giles.

In attendance were Susan Giles, Steve Campbell, Judy O'Dell, Ray Sledzik, Ann Lanterman, Betty Chidley, Pat Keen-Fernandes, Dot Primm, Larry Bruton, Joyce Johanson, and Bobbie Wood. Bud Brockway and Debbie Greene arrived late.

PRESIDENT’S Report:
Since our last meeting on February 7, 1999 in New York, the following business has been conducted by email/fax with the Officers and Board Members:

MOTION 99-15: Move NOT to post Club minutes on our website
Presented by Joyce, 2nd Bev
In Favor: 8
Opposed: 1
No Response: 4

MOTION 99-16: Move that for the year 2000's, ALAC's National Specialty, the dates be changed to one week earlier making the National the second week of June 2000. (June 12th -17th)
Presented by Steve, 2nd Pat
In Favor: 13
Opposed: NIL
No Response: NIL

MOTION 99-17 (Amended Motion): Motion to send $300 of rescue monies to help pay a portion of Quincy's surgery bill.
Presented by Bobbie, 2nd Judy
In Favor: 7
Opposed: 4
No Response: 2

The Board received a request from Howell Book House to include a drawing from our breed's illustrated standard in an upcoming book. The request was put to the Board noting that the Breed Standard Committee would select the picture.
In Favor: 8
Opposed: NIL
No Response: 5

SECRETARY'S Report:
A general mailing was completed the week of 2/8/99, the mailing was distributed to 336 member households, 313 within the U.S. and 23 International/Canadian. This mailing contained the Nomination Committee's slate of Officers and Board Members for 1999/2000.

President: Susan Giles — Virginia
Vice President: Larry Bruton — Oregon
Secretary: Debbie Greene — Texas
Treasurer: Steve Campbell - New Jersey

Board of Directors 3 year term:
Betty Chidley — Florida
Beverly Drake — Maryland
Dot Primm - Missouri

I did not receive any return/undeliverable items due to incorrect addresses. In addition, I did not receive any nominations from the floor with a postmark on or before 4/1/99, therefore in accordance with our By-Laws the slate was elected as presented by the Nomination Committee.

In May we distributed our first bi-monthly communication via email, to those members with email and via regular mail to those members without email. At the time of the mailing we had 355 member households with 178 receiving the mailing via email and 177 receiving the mailing via regular mail. I did receive 24 undeliverable emails, I then sent letters to these members requesting an updated email address, I have to date received updates from 14 of these members. We are working towards obtaining email addresses from all members with email access in order to make these "off month" mailings more cost effective for the club. I would like to note that the regular mailings are being sent out by Betty Chidley and I thank her for her help in this project. The overall response from the members receiving the email was very positive.

For the period 2/1/99 to 6/7/99 I have received 101 communications (95 via email, 5 via mail and 1 via phone). The 101 contacts were broken down as follows: 48 Breeder Referral (Forwarded these to Leslie Baumann), 23 Roster changes (processed the changes) and 30 General information (these items covered all topics, I responded to all and in most cases referred the individuals to our website for additional information).

Treasurer's Report - (Steve Campbell)
Balance as of June 10, 1999 $49,302.96
The Club is in very good financial shape.

AKC Delegate Report - (Ray Sledzik)
Ray advised that he had attended 4 meetings since his last report. There is now a film on DNA available from AKC and one has been sent to each AKC Delegate, this film will be available for viewing at the next National Specialty (June 2000). The Delegates had the opportunity to visit the new AKC premises at Raleigh recently, and Ray reported that the premises were very nice.

AKC Gazette Committee - (Cassandra de la Rosa)
The Gazette columns are submitted and on time. The September issue will be a guest column.

Awards Committee - (Bobbie Wood)
The cost of shipping has been raised to $7.00. The problem this year was that too many people sent in the old forms which still had the cost as $4.00. To solve this problem in the future a new form with the correct shipping price will be provided in the Bulletin, in addition, an announcement should be made in the off month mailing. This year's awards can be picked up at any time during the Specialty at the Ways and Means booth.
Breed Standard Committee - (Susan Giles)
The Illustrated Guide will be available at the Specialty for comments/suggestions from the membership. The Guide will also be sent to the entire membership for review and voting before the end of the year. Voting will be on a section by section basis.

Breeder Referral - (Leslie Baumann)
Over the past year, breeder referral phone calls have decreased but breeder referral emails have greatly increased. The vast majority of this increase is coming from the AKC and ALAC web sites. To illustrate, in January and February of 1998, I received 59 emails. A year later I fielded 146 emails in the same two months. In March and April of 1998, I reported a total of 147 contacts. During the comparable time frame this year, I received 141 emails plus 68 phone calls, 209 total inquiries. This trend appears to be continuing. As of May 25, I have already responded to over 80 email inquiries and 24 phone calls.

A breakdown of the geographic origin of inquiries for March and April 1999 follows:

Bulletin - (Jan Graunke)
I took over the responsibility of the Bulletin in February/March of this year as far as the editing and copy is concerned. Susan Giles and I are sharing the responsibility of edit, copy and publishing. Our advertising has increased over each Bulletin printed as the membership has confidence that the Bulletin will be printed, out on time and correct. As confidence builds, I believe that the advertising will continue to increase.

There are several items that I would like to discuss with the Board as far as the Bulletin is concerned:

1. Policies in regards to the errors that may occur, based on the severity of the error.
   - 100% refund if color is not right or if photo is not right (too dark or light, blurry etc)
   - Major text error; 75% refund
   - 50% refund for photos cut off or lines cut off
   - 25% for minor typos

   The policy should be printed in the Bulletin. Refunds equal credits for the next ad run and not a cash refund. Advertisers with email will receive a copy of their ad to proof and sign off on as to its correctness. We will also need a disclaimer about digital picture reprint quality.

2. Printing of the bulletin will be in a location that is close to the Editor in the future. I hope to have quotes to present to the Board at the National meetings.

3. Paid advertising for general business advertisements: nutritional products, hair care products and hotel/motel etc...
   examples of the advertisers that have expressed interest in commercial advertising.

These are the main items that concern me at this point in time. As I become more familiar with the process of doing the Bulletin things may change. But if you want it to make money, run like a business, policies and prices need to be in writing for all to understand and follow. There is nothing worse than two or more people telling one person two or more different things to solve an error or give incorrect prices. I want to avoid any confusion and keep it simple. I run several businesses and it would be impossible to do if I did not have policies and procedures.

MOTION 99-18: Move that Jan Graunke write up the new refund policy and submit same to the Board for review. Board will vote. Any "No" votes by the Board should contain suggestions for changes. Revisions (if any) go to Board again for approval/disapproval.
Presented by: Joyce Johanson, 2nd Ann Lanterman
In favor: 11
Opposed: NIL
Motion carried

Presented by: Steve Campbell, 2nd Bobbie Wood
Ray moved to table the motion until the next meeting after the policies have been voted on:
In Favor: 2
Opposed: 7
Joyce called for a count on Steve's Motion,
In Favor: NIL
Opposed: 11
Motion defeated

With regards to item #3 of Jan Graunke's report; we have the following Tax laws to deal with:
- No more than 25% is allowed for outside advertising
- We have to pay taxes on unrelated business income
- Shouldn't allow non-member advertising
- Member vendor advertising is ok

Futurity - (Ann Lanterman)
The nominations for the 1999 Futurity are down in numbers from last year at this time. 90 nominated in 1998 compared to 75 nominated in 1999. Nominations for our 2000 Futurity are up slightly from last year, at the same time.
Please remember the fee for nominating a litter is $15.00. I am still receiving a number of nominations with the old dollar amount.

If you have any suggestions or ideas for making your Futurity a better show, please contact me. The year 2000 Judge’s Ballot will go out in the next mailing.

Handbook Committee - (Jan Bruton)
The updated roster section of the Handbook went out to the membership in April. Any corrections and updates that are received by Debbie, Susan or myself are shared via e-mail so that we are all as current as possible.

Historian Report - (Linda Crabill)
The photo contest raised $171, which paid for the $150 videotape that will be shown at future National Specialties. The contest was very successful and I would like to continue it at future Nationals as a money raiser. The judging of the photos are to be done at the Specialty by ALAC members.

Marsha Suang from Fargo ND donated Dr. Berndt’s book and Francis Sefton’s book for the archives.

I am still requesting pictures and pedigrees of the top producers for our archives.

Education, Health & Genetics Committee - (Cassandra de la Rosa)
The Health and Genetics Committee has been busy with fund-raising. Direct fund-raising letters were sent to a select number of individuals and all Register of Merit Breeders. Follow-up calls are being made on these letters.

All club members will receive a fund-raising solicitation.

Results so far have been encouraging. Steve Campbell will report the results. Steve has been diligent at honoring the requests for confidentiality we have had, so some donations will appear as anonymous. Not even I know who those donors are.

MCP Committee - (Nancy Plunkett)
Nothing much new to report. A couple of dogs were certified at Harrisburg in April and I am looking forward to measuring as many as possible at the National in June. I was a bit confused at the fee of $5.00 listed in the ALAC National brochure, but thought perhaps that was the fee for the CGC and whoever typed it up did not make the distinction between the two different events? If the ALAC board has in fact raised the MCP fee from $3.00 to $5.00 I have not been notified!

As mentioned, I will be at the National and will be measuring whenever possible. The last two years statistics will be typed up shortly and forwarded to the Secretary for inclusion in the next available mailing to the membership.

Membership Committee - (Joyce Johanson)
The ALAC web site and the on-line membership application has sparked interest in joining the Club. However, numbers this calendar year haven’t been noteworthy. There have been some problems with the on-line application process regarding people not submitting credit card numbers or not issuing checks in a timely manner. Susan, Steve, and I are trying to iron out details. The system will work and has great potential; however, it is new and some “bugs” are to be expected.

Finally, I would like to remind current members that dues renewal time will be upon us before we realize it! Please send dues for renewal to Steve, not to me. I process new applications, and he takes care of renewals. Sending your dues directly to him will alleviate all kinds of confusion and delays.

National Specialty Committee - (Steve Campbell)
The results of the ballot to change the National Specialty week to the 3rd week of October were:
In Favor: 76
Opposed: 7

The committee was having a problem in locating a site for the 2000 Specialty for the 3rd week of June, therefore a request was put to the Board to move the 2000 Specialty up to the 2nd full week of June (6/12/2000 to 6/17/2000). The Board approved the request.

In accordance with the new procedures for judge’s selection, the top 10 judges currently on the Ballot have been contacted and will hold the 3rd week of October 2001 open for 60 days. The judges Ballot was included on the inside back cover of the June/July issue, in addition members with an email address received the Ballot via email and it will also be available at the National for any member wishing to complete and return the Ballot at that time.

MOTION 99-20:
Move to increase the maximum payment for a judge to $1,500. This amount is for total expenditures (expenses and fees).
Presented by Larry Bruton, 2nd Pat Keen-Femandes
In Favor: 11
Opposed: NIL

Ray reminded the Board that we have to send out 1099 forms to any judge earning over $600 in fees.

In response to requests from the membership the Committee is trying to get more health-related seminars scheduled during Nationals week. Hopefully, during the 2000 Specialty there will be a ring stewarding seminar available.

Los Angeles Airport (LAX) will have the best flights for the 2000 Specialty. John Wayne airport isn’t as easy to get into from most parts of the country.

2001 National Specialty will be held in the Midwest, 3rd week of October.

Ways & Means - (Dr. Thomas Erwin Gertz)
Financial Statement: Provided under separate cover to the Board.
Mike McCartney’s ALAC 40th Anniversary Commemorative Merchandise:
We have received an overwhelming response to the 40th Anniversary Commemorative Merchandise. Between the orders people have requested to have shipped to them, as well as orders to be picked up in Frederick, Maryland we have had sales totaling $1,125.60. I anticipate ALAC’s sales will more than double or triple that amount with the on site sales. Merchandise will be sold only from the stock on hand, or any orders placed prior to the close of the National on June 26, 1999. After June 26, 1999 no additional orders will be taken only filled from the remaining stock on hand, making these truly limited edition and commemorative items.

New Items:
We have a new version of the Briefcase which will sell for $39.95, as well as the new Grooming Shirt, which comes in black in XXX-Large @ $42.95. These two items, along with the Mike McCartney Commemorative items are what’s new for Frederick. The ALAC charm will be available on a silver chain as a pendant, but as of today, the price has not been determined. We welcome any ideas you may have for new and exciting items to sell.

Web Site Photographs:
Many items have been already photographed, with some still needing to be ‘touched-up’ before they can be placed on our Web Site. To date no orders have been received from the Web Site, but I’m sure once the photographs are in place, we will receive orders. Anticipated completion for this project should be by August 1, 1999.

Regional Sales Reps ????
Please contact us (Tom Gertz or Bev Drake) if you are interested in displaying/showing/selling/taking orders for ALAC Merchandise at your regional shows/club meetings, etc.

Closing Note:
We would like to thank all the customers who have supported ALAC with orders this past year. We look forward to a successful year filling yours order, keeping you in the latest ALAC Lhasa Apso fashions.

NEW BUSINESS

Betty Chidley brought to the Board’s attention that some breeders had been rude to a person looking for a lhasa. It was agreed that the Board would ask Leslie Baumann (our Breeder Referral Chairperson) to encourage feedback from the people she is referring.

The Board received a proposal from Debi Walsleben & Cheryl Clamp regarding Links to member’s websites off the ALAC website. After a lengthy discussion the Board determined that this was a well-meant proposal, however ALAC is not currently in a position to take on the administrative policing that would be required.

The Board received several proposals from Tom Gertz:
1. Board Meeting Protocol

The Protocol of the Board Meeting will be explained to all present once the meeting has been called to order.

2. The Bulletin
The concerns brought to the Board on this issue, are currently being addressed by Jan Graunke in her preparation of a Bulletin Policy.

3. Member Education / National Specialty
Tom would like to see more educational seminars available during National Specialty week. The National Show Committee has been working on this issue and hopes to have more educational seminars available to members during Specialty week in the future.

4. Member Interests & Skills Survey
The issue at hand is that ALAC does not have a database which lists the interests and skills of our members, which may be utilized for furthering ALAC’s programs and tasks.

ALAC is currently has two places for members to provide their interests and skills information. We have provided space on the current Dues Notice and the member application on the website also asks for interests and skills information.

MOTION 99-21:
Move to request Tom to develop a database with member interests and skills information; as collected from Dues Notice and Joyce will provide the interests and skills information from the website applications.

Presented by: Joyce Johanson, 2nd Steve Campbell
In Favor: 13
Opposed: NIL

MOTION 99-22:
Move to have web site addresses listed as part of the member roster information, when available.

Presented by: Joyce Johanson, 2nd Pat Keen-Fernandes
In Favor: 4
Opposed: 8
Abstained: 1

The Board received a request from Becky Hughes with regards to braiding of hair for Obedience dogs. Ray Sledzik advised that we could not go to AKC to have our Standard change strictly for Obedience, the Standard is a representation for both Conformation and Obedience. Therefore it was determined that we could address this issue in our Verbal and Illustrated Guide.

The Board received a request from the AKC for $1,500.00 to go towards PRA research. It was decided that this issue should be forwarded to the Trust Fund.

MOTION 99-23:
Moved to have $1,500.00 moved from General Funds to Trust Funds.

Presented by: Pat Keen-Fernandes, 2nd Ray Sledzik

Minutes of General Meeting
6/25/99 - Frederick, Maryland

Meeting was called to order at 4:40 pm by Susan Giles.

In attendance were Susan Giles, Steve Campbell, Judy O’Dell, Ray Sledzik, Ann Lanterman, Betty Chidley, Pat Keen-Fernandes, Dot Primm, Larry Bruton, Joyce Johanson, Bobbie Wood, Bud Brockway, Debbie Greene and Bev Drake. The Board and Officers are pleased to note that all Officers and Board Members were present at this National Specialty.

SECRETARY’S Report:
A general mailing was completed the week of 2/8/99, the mailing was distributed to 336 member households, 313 within the U.S. and 23 International/Canadian. This mailing contained the Nomination Committee’s slate of Officers and Board Members for 1999/2000.

**Bulletin** - Jan Graunke, Editor
Susan noted that Jan Graunke is the Editor and has produced the Bulletin for the past three month’s issues. The Bulletin has gone out on time. A nice way to show support for Jan’s efforts would be to provide Jan with an ad for the upcoming issue. The Next Deadline is July 15th for the National Specialty Issue. (Next issue will be Sept 15th deadline)

**Education, Health & Genetics Committee** - (Cassandra de la Rosa & Lynn Jamison-Rosti)
Fund raising is going very well with designated funds of $8,487 at the time of this report. The Health Survey response from the membership has been very poor. Please take time to fill out the Health Survey form, it would be helpful even if you only completed a form for one of your dogs. At the request of the membership, more Seminars are being made available at the National, however the attendance to the Seminars to date has not been very high. We would like to see a higher level attendance at these seminars.

**Futurity** - (Ann Lanterman)
The nominations for the 1999 Futurity are down in numbers from last year at this time. 90 nominated in 1998 compared to 75 nominated in 1999. Nominations for the 2000 Futurity are up slightly from last year, at the same time.

**MCP Committee** - (Nancy Plunkett)
Nothing much new to report. A couple of dogs were certified at Harrisburg in April and I am looking forward to measuring as many as possible at the National in June. I was a bit confused at the fee of $5.00 listed in the ALAC National brochure, but thought perhaps that was the fee for the CGC and whoever typed it up did not make the distinction between the two different events? If the ALAC board has in fact raised the MCP fee from $3.00 to $5.00 I have not been notified!

As mentioned, I will be at the National and will be measuring whenever possible. The last two years statistics will be typed up shortly and forwarded to the Secretary for inclusion in the next available mailing to the membership. Approximately 12 dogs have been measured during the National Specialty week.

Membership Committee - (Joyce Johanson)
The ALAC web site and the on-line membership application has sparked interest in joining the Club. However, numbers this calendar year haven't been noteworthy. There have been some problems with the on-line application process regarding people not submitting credit card numbers or not issuing checks in a timely manner. Susan, Steve, and I are trying to iron out details. The system will work and has great potential; however, it is new and some "bugs" are to be expected.

Finally, I would like to remind current members that dues renewal time will be upon us before we realize it! Please send dues for renewal to Steve, not to me. I process new applications, and he takes care of renewals. Sending your dues directly to him will alleviate all kinds of confusion and delays.

National Specialty Committee - (Steve Campbell)
The 2000 National will be held in Irvine, California June 12-17, 2000. Please note that this is the 2nd full week of June (one week earlier than normal, due the availability of the show site). The Lhasa Apso Club of Southern California will host a regional specialty prior to the national, June Frankl will be the judge for the regional. The judge for the 2000 National is Bob Sharp.

In accordance with the new procedures for judges selection, the top 10 judges currently on the Ballot have been contacted and will hold the 3rd week of October 2001 open for 60 days. The judges Ballot was included on the inside back cover of the June/July issue, in addition members with an email address received the Ballot via email and it will also be available at the National for any member wishing to complete and return the Ballot at that time.

The maximum payment for a judge has been increased to $1,500. This amount is for total expenditures (expenses and fees).

With the approval of the membership starting 2001 National Specialty week will be held the 3rd week of October. The 2001 National will be Oct 18-20, 2001 in Region 2 (Midwest).

Obedience Committee - (Dot Primm)
Dot reported that obedience at the National has grown tremendously. She is looking forward to the 2000 National as California is typically a very obedience oriented area.

Ways & Means - (Tom Gertz) Report provided by Bev Drake, Co-Chair
Mike McCartney's ALAC 40th Anniversary Commemorative Merchandise:
We have received an overwhelming response to the 40th Anniversary Commemorative Merchandise. Between the orders people have requested to have shipped to them, as well as orders to be picked up in Frederick, Maryland we have had sales totaling $1,125.60. I anticipate ALAC's sales will more than double or triple that amount with the on site sales. Merchandise will be sold only from the stock on hand, or any orders placed prior to the close of the National on June 26, 1999. After June 26, 1999 no additional orders will be taken only filled from the remaining stock on hand, making these truly limited edition and commemorative items.

New Items:
We have a new version of the Briefcase which will sell for $39.95, as well as the new Grooming Shirt, which comes in black in XXX-Large @ $42.95. These two items, along with the Mike McCartney Commemorative items are what's new for Frederick. The ALAC charm will be available on a silver chain as a pendant, as of today, the price has not been determined. We welcome any ideas you may have for new and exciting items to sell.

Web Site Photographs:
Many items have been already photographed, with some still needing to be "touched-up" before they can be placed on our Web Site. To date no orders have been received from the Web Site, but I'm sure once the photographs are in place, we will receive orders. Anticipated completion for this project should be by August 1, 1999.

Regional Sales Reps ????
Please contact us (Tom Gertz or Bev Drake) if you are interested in displaying/showing/selling/taking orders for ALAC Merchandise at your regional shows/club meetings, etc.

Closing Note:
We would like to thank all the customers who have supported ALAC with orders this past year. We look forward to a successful year filling your orders, keeping you in the latest ALAC Lhasa Apso fashions.

YearBook Editor:
Susan noted that the position was still open and would like to hear from anyone with an interested in filling the position.
Meeting adjourned at 11:26 pm

Peter Millet provided an updated report on PRA in Europe. Data updated since his report to the Board in February 1999. There are 40 qualified Vet Surgeons available to do the testing, after 5 months of testing it has been deter-
mined that the Breed has PRA as a hereditary disease.

During 1997: 222 Tested, 2 Positive results
During 1998: 372 Tested, 2 Positive results

63 of the 222 originally tested were repeats during the 1998 testing.
They are working towards a DNA marker for PRA for the Breed. Funding for this work is coming from local Breed Clubs, in addition the English Kennel Club has a charitable trust with funds available for such research. Peter did note that the University of Chicago is working with Cambridge on the same research.

Lhasa Apso Breed Standard

Character: Gay and assertive, but chary of strangers.

Size: Variable, but about 10 or 11 inches at shoulder for dogs, bitches slightly smaller.

Color: All colors equally acceptable with or without dark tips to ears and beard.

Body Shape: The length from point of shoulders to point of buttocks longer than height at withers, well-ribbed up, strong loin, well-developed quarters and thighs.

Coat: Heavy, straight, hard, not woolly or silky, of good length, and very dense.

Mouth and Muzzle: The preferred bite is either level or slightly undershot. Muzzle of medium length; a square muzzle is objectionable.

Head: Heavy head furnishings with good fall over eyes, good whiskers and beard, skull narrow, falling away behind eyes in a marked degree, not quite flat, but not domed or apple-shaped; straight foreface of fair length. Nose black, the length from tip of nose to eye to be roughly about one-third of the total length from nose to back of skull.

Eyes: Dark brown, neither very large and full, nor very small and sunk.

Ears: Pendant, heavily feathered.

Legs: Forelegs straight; both forelegs and hind legs heavily furnished with hair.

Feet: Well-feathered; should be round and catlike, with good pads.

Tail Carriage: Well-feathered, should be carried well over back in a screw; there may be a kink at the end. A low carriage of stern is a serious fault.

President's Message

Hello ALAC Members,

We had a wonderful time at the National this year. It seemed that there was just a little bit more time this year. We rearranged some of the normal events and added some more. There was a PRA seminar and clinic (co-sponsored by CMLAF) and AKC DNA testing. CMLAF also had an Artificial Insemination, Frozen Semen Seminar. The Awards Dinner and presentation was on the last evening. The Awards presentation was outstanding as usual and was followed by music and dancing. Everyone seemed to really enjoy themselves. Of course the CGC and MCP were conducted as usual and Lhasa Games were fun again.

Thank you to everyone that attended the National and helped make it a success. Special thank yous go out organizations that helped with the National including Central Maryland Lhasa Apso Fanciers and National Capital Lhasa Apso Club. The show committee, chaired by Steve Campbell, did another outstanding job of putting together and putting on the National. The committee includes, Jan Bruton, Dot Primnn, Bobbie Wood, Ann Lanterman, Fran Strayer, Debi Waisteiben, Pat Keen-Fernandes, Keith Kort, Naomi Hanson, and Midge Hylton. There were a lot of other people that also helped to put on this National, probably too numerous to count but I will try to recall without leaving anyone out. Thank you to Eddie Hutcheson, Ronnie Crowder, Ted Smith, Brad Reese, Tom Gertz, Peter Millet, Bev Drake, Ann Bruton, Meredith Morris, Gina Pastrana, Bud Brockway, Judy O'dell, Brian Lannan, Helen Adamo, Deanna Maxwell, Evette Squires, Clive Harrold, Carla Fagan, Jan Graunke, June Frankl, Nancy Plunkett, Lynn Jamison-Rosti, Robyn White, Rex Irwin, Debi Waisteiben, Ray Sledzik, Dick Hufnail and all our trophy contributors.

The 2000 National Specialty will be in Irvine/Newport Beach CA, next year at the Atrium Hotel at the Orange County Airport. Plans are already underway. The hotel information is already on the club website (www.lhasasapso.org). Don't forget to cast your vote in the 2001 Judge's ballot sent under separate cover much earlier. The final two judges that are on the ballot were Michele Billings and Edd Bivin. Michelle Billings won the balloting and will judge the National Specialty in 2001 in the northern midwest section of the country. AKC has approved 3 different research grants involving the Lhasa Apso. The two largest are Progressive Retinal Atrophy (PRA) and Hereditary Kidney Disease (KD). The funds granted were $30,000 and $35,000 respectively. ALAC is asked to come up with matching funds. If you haven't already heard from Cassandra de la Rosa or Lynn Jamison-Rosti requesting donations for the Charitable Trust Fund you will have a good idea of were that money will be going. Research has identified the PRA gene for the Irish Setter, different from the Lhasa PRA. Hopefully, the DNA markers for PRA in the Lhasa Apso will not be far behind. Research for the DNA markers for KD is progressing. One marker has been identified but there are at least two genes needed produce KD. Part of the research thrust apparently is on the premise that one of the genes has an incomplete penetration factor that could account for the erratic appearance of the disease. So please support our efforts to raise the funds to match these grants.

Awards

Another successful National is now part of our history and from a personal point of view, I had a great time. I was so happy to have puppies for the first time in 6 years that I forgot how much work it is to show and do all the other things that were on my schedule. Well I survived and now look forward to California in 2000. The wonderful Awards Video prepared by Jan and Larry Bruton was spectacular as usual. I know what work it takes ( I work in television and it would shock you to know it sometimes takes 5 hours to do a .20 sec promo for 20/20) and I'm eternally grateful for their efforts. Every year the participation gets larger and larger and that makes the result so much more fun. I must thank Tom Gertz for his untiring efforts at dispersing the plaques. He has made this system work so well and I'm taking home fewer plaques every year. Also we thank Midge Hylton and Pat Keen Fernandes for providing our awards program. I know they have tons of things to do before the National and it is so generous for them to include this part of our program. A few people forgot that we now put multiple names on plaques in order to keep the costs for...
A few people forgot that we now put multiple names on plaques in order to keep the costs for the awards in check. As with everything prices seem to go up every year and we have devised this method to keep being able to offer the awards program. Just to refresh your memory, ALAC offers one plaque free. It can have one to five names on it and that seems to work well for most of us. However, I realize there some of you who want special arrangements for hanging plaques and want a single name on each plaque. That is possible by paying for those singleton plaques; i.e.: if you finish 3 dogs, the first plaque would be free, the other two would cost $15.00 each. This only refers to the Champion-ship and Obedience Title plaques. All of the special plaques must be paid for and the prices are on the awards form.

One of the problems that gotten a little out of hand is that people send me their awards form and a check with no note or instructions on what the check is for or what they want. In most cases I can guess with some accuracy but I would truly like to have a note telling me exactly what you want. I can also calculate if you have over paid or under paid more accurately. May I also suggest that you get together with your co-owners and/or breeders and decide what you want and how you want it printed.

This year the majority of the awards requests came in on time with only one or two stragglers. It made doing the work of the awards committee so much easier and I thank everyone for their cooperation. Don't forget as soon as January 1st comes along you can get your awards in the mail. Thank you again for sending your awards forms in such a timely fashion and I look forward to another wonderful year in the show ring.

Bobbie Wood

Thank you to everyone (even The Great Procrastinator) who sent in their photos to help make the awards video entertaining for all who attended the Awards Banquet.

Breed Standard

The Illustrated Guide, "A Work In Progress" was distributed at the National with the request that written comments be give to the Breed Standard Committee. Only two people submitted committees. If there are any other people that had comments but did not turn them in please forward as soon as possible to any member of the Breed Standard Committee. We are trying to finalize the content.

Breed Referral

Breeder referral report

I have been receiving an increasing number of requests for "toy" or "miniature" Lhasas. Pet shops and puppy mills are using those terms for dogs in the 8 to 10 pound range. I am telling people that there is only one size of Lhasa Apso according to our standard and that people who use such labels are not reputable.

I received a total of 213 inquiries in May and June. 49 were phone calls and 164 were emails. A geographic breakdown of these contacts follows:

Assuming that you have purchased your puppy from a responsible breeder who has raised the litter in a clean environment, housetraining should be a painless process, especially if you use a crate. Crates provide the puppy with a small, safe area that they should want to keep clean. Not only are crates the optimum housetraining tool, but they protect your puppy from getting into things he shouldn't when you aren't around to supervise.

A puppy will learn to walk into a crate easily if you give him a treat once he's inside. To keep a puppy happy while he is in a crate, you can pack dog biscuits, cottage cheese or canned dog food inside the hollow of a steamed bone or Kong toy. Working to get the food out can keep a dog of any age happy for hours. Do not let the puppy out of the crate if he is barking. Wait for him to be quiet, count to ten, and then open the door.

The other requirement for successful housetraining is consistency. You need to maintain a regular schedule because the puppy is relying on you to be a good leader. By twelve weeks old, a puppy should be able to hold himself overnight but he won't yet have the bladder control of an adult. He will want to eliminate after he eats, after naps, and after play periods. Scheduling trips outdoors around these activities will make the housetraining chore easier.

1. The first thing you should do when you bring a new puppy home is take him to an elimination spot that you have picked out for him in the yard. Praise the puppy for sniffing at the spot and give a favorite food reward if he eliminates there.

2. Begin a regular schedule where the puppy is given supervised freedom in the house for 20 minutes before either taking him back outside to his spot or putting him into the crate for a nap. As the puppy becomes more reliable, you will be able to leave him loose for progressively longer periods of time. Supervision needs to remain constant for quite a while, however.

3. If the puppy has an accident, do not ever punish him. If he begins to go while you are watching, take him outdoors to his spot immediately. Then praise him for sniffing and give a treat for any further elimination in the correct place. If you find an accident, do not scold the puppy after the fact; he won't understand why he is being punished. Always clean up accidents without the puppy watching and take the puppy outside immediately if you see him sniffing at a previous accident site.

4. If an older puppy or an adult dog begins to have accidents, you can prevent him from sneaking off by putting him on his leash and attaching the leash to your waist. This is a great bonding exercise as well as being an aid in housebreaking.

5. Putting diapers on an older puppy or adult is another technique for preventing accidents indoors. Your Lhasa will not like the feeling of dampness if he soils the diaper and so he will tend to stay clean until you remove the diaper and take him outside. Don't forget to cut a hole for the tail!

With some persistence and consistency on your part, a Lhasa puppy should learn housetraining basics by about five months old. However, you may see a regression as the dog goes through adolescence; that is your cue to tighten up the schedule and increase supervision for a while.

If you follow all these steps and the puppy's elimination habits do not improve in two or three weeks, you should consult with your veterinarian to rule out a physical problem.

(Note: This is the one in a series of articles for the website. The first group will be for new owners. Plans are to include breeder education and health education.)

Assuming that you have purchased your puppy from a responsible breeder who has raised the litter in a clean environment, housetraining should be a painless process, especially if you use a crate. Crates provide the puppy with a small, safe area that they should want to keep clean. Not only are crates the optimum housetraining tool, but they protect your puppy from getting into things he shouldn’t when you aren’t around to supervise.

A puppy will learn to walk into a crate easily if you give him a treat once he’s inside. To keep a puppy happy while he is in a crate, you can pack dog biscuits, cottage cheese or canned dog food inside the hollow of a steamed bone or Kong toy. Working to get the food out can keep a dog of any age happy for hours. Do not let the puppy out of the crate if he is barking. Wait for him to be quiet, count to ten, and then open the door.

The other requirement for successful housetraining is consistency. You need to maintain a regular schedule because the puppy is relying on you to be a good leader. By twelve weeks old, a puppy should be able to hold himself overnight but he won’t yet have the bladder control of an adult. He will want to eliminate after he eats, after naps, and after play periods. Scheduling trips outdoors around these activities will make the housetraining chore easier.

1. The first thing you should do when you bring a new puppy home is take him to an elimination spot that you have picked out for him in the yard. Praise the puppy for sniffing at the spot and give a favorite food reward if he eliminates there.

2. Begin a regular schedule where the puppy is given supervised freedom in the house for 20 minutes before either taking him back outside to his spot or putting him into the crate for a nap. As the puppy becomes more reliable, you will be able to leave him loose for progressively longer periods of time. Supervision needs to remain constant for quite a while, however.

3. If the puppy has an accident, do not ever punish him. If he begins to go while you are watching, take him outdoors to his spot immediately. Then praise him for sniffing and give a treat for any further elimination in the correct place. If you find an accident, do not scold the puppy after the fact; he won’t understand why he is being punished. Always clean up accidents without the puppy watching and take the puppy outside immediately if you see him sniffing at a previous accident site.

4. If an older puppy or an adult dog begins to have accidents, you can prevent him from sneaking off by putting him on his leash and attaching the leash to your waist. This is a great bonding exercise as well as being an aid in housebreaking.

5. Putting diapers on an older puppy or adult is another technique for preventing accidents indoors. Your Lhasa will not like the feeling of dampness if he soils the diaper and so he will tend to stay clean until you remove the diaper and take him outside. Don’t forget to cut a hole for the tail!

With some persistence and consistency on your part, a Lhasa puppy should learn housetraining basics by about five months old. However, you may see a regression as the dog goes through adolescence; that is your cue to tighten up the schedule and increase supervision for a while.

If you follow all these steps and the puppy’s elimination habits do not improve in two or three weeks, you should consult with your veterinarian to rule out a physical problem.
